## Description/Analysis

**Issue:** The existing cooperative purchase agreement for pharmaceuticals that Sacramento Fire Department (SFD) had with Bound Tree Medical, LLC, and King County has expired. SFD's requirements include a customized list of pharmaceuticals based on the unique needs and operations of the SFD Emergency Medical Services (EMS) Division as well as complying with the requirements set by Sacramento County EMS authority. After evaluating options, staff is recommending Council approval to purchase these pharmaceuticals through a cooperative purchase agreement with King County. The pharmaceuticals list used in King County contract meets the requirements of SFD with best pricing and offers up to 30% off the regular list price. Therefore, staff is recommending the City Council to approve the use of the cooperative purchase agreement between King County and Boundtree Medical for the purchase of pharmaceuticals for an annual amount of \$90,000 up to three years and a total not to exceed of \$270,000.

**Policy Considerations:** The recommendations in this report are in accordance with provisions of the City Code Section 3.56.240, which allows for the use of legal contracts of other government jurisdictions or public agencies without separate competitive bidding by the City upon approval of the City Council.

**Environmental Considerations:** This report concerns administrative activities that do not constitute a "project" as defined by section 15378 of the California Environmental Quality Act (CEQA) Guidelines and is otherwise exempt pursuant to sections 15061(b)(3); 15378(b)(2).

**Sustainability:** There are no sustainability considerations applicable to the approval to use the cooperative purchase agreement between King County and Boundtree Medical and to purchase pharmaceuticals.

**Commission/Committee Action:** None.

**Rationale for Recommendation:** In providing advanced life support (ALS) services, SFD is required to use pharmaceuticals. SFD responded to approximately 50,000 calls for emergency medical services last year. The EMS portion of the business continues to grow and is a vital link to our service in the community.

The contract SFD has been using to purchase pharmaceuticals has expired. The types of pharmaceuticals needed to be purchased must be in compliance with the requirements set by the Sacramento County EMS and meet the operational needs of SFD. In researching potential vendors to supply pharmaceuticals, SFD evaluated several existing contracts and found that a contract between King County and Bound Tree Medical, LLC met the requirements for SFD. Bound Tree Medical, LLC offers lowest price in the market with discounts of up to 30% off the regular list price.

This existing agreement would allow for purchase of pharmaceuticals based on the SFD's specific requirements, complies with the Sacramento County EMS requirements, and offers favorable pricing and co-marketing discount. Through a cooperative purchase agreement, the City of Sacramento would piggyback on the King County contract #M49487M. The contract will be

utilized by SFD at an annual amount not to exceed \$90,000 for up to three years through December 31, 2013, and for a total amount not exceed of \$270,000. Staff recommends that the City Council approve the attached resolution to authorize the use of cooperative purchase agreement between King County and Boundtree for the purchase of pharmaceuticals.

**Financial Considerations:** The annual cost of the contract is \$90,000. Funding is available in the Fire Department's operating budget.

**Emerging Small Business Development (ESBD):** King County held a competitive bidding process, which included incentives for small businesses. Even with those incentives, Bound Tree Medical, LLC won the bid. Bound Tree Medical, LLC is not certified as an Emerging or Small Business Enterprise.

## **RESOLUTION NO.**

Adopted by the Sacramento City Council

### **COOPERATIVE PURCHASE AGREEMENT: PHARMACEUTICALS**

#### **BACKGROUND**

- A. The Sacramento Fire Department (SFD) requires the use of pharmaceuticals to provide advanced life support (ALS) services. SFD responded to approximately 50,000 calls for emergency medical services (EMS) last year. The EMS portion of the business continues to grow and is a vital link to our service in the community
- B. The contract SFD has been using to purchase pharmaceuticals has expired. The types of medications and pharmaceuticals to be purchased must be in compliance with the requirements set by the Sacramento County EMS and meet the operational needs of SFD. In researching potential vendors to supply pharmaceuticals, SFD evaluated several existing contracts and found that a contract between King County and Bound Tree Medical, Limited Liability Company (LLC) met the requirements for SFD.
- C. This existing agreement would allow for purchase of pharmaceuticals based on the SFD's specific requirements, complies with the Sacramento County EMS requirements, and offers special discount prices listing on Exhibit A. Through a cooperative purchase agreement, the City of Sacramento would piggyback on the King County contract #M49487M, and it is advantageous for the City of Sacramento to do so. The contract will be utilized by SFD at an annual amount not to exceed \$90,000 for up to three years for a total not to exceed \$270,000 through December 31, 2013, or until a contract is no longer available for use by the City of Sacramento.

## **SECTION 1 Instruction To Bidders**

### **1.1 Introduction**

The purpose of this Invitation to Bid is to establish a contract to provide goods or services on an as-needed basis. Any quantities listed herein are for bidding purposes only and represent King County's estimated annual requirements. The County will be neither obligated nor restricted to the quantities or locations indicated.

### **1.2 Bid Submittal Procedure**

The original and two (2) copy(s) of this solicitation document shall be completed, signed and submitted. Failure to return the solicitation document may result in disqualification of the Bidder. The original shall be noted or stamped "original". Bids and modifications thereof shall be enclosed in a sealed envelope, with the "Bid Opening Label" completed and affixed.

Bidders are encouraged to use recycled paper in the preparation of additional documents submitted with this solicitation, and shall use both sides of paper sheets where practicable.

Sealed bids shall contain all required attachments and information and be submitted to King County (hereinafter "County") no later than the date, time and place stated on the front of this ITB or as amended. The bidder shall show the title and number, the due date specified, and the name and address of the bidder on the face of the envelope. Bidders are cautioned that failure to comply may result in non-acceptance of the bid. The Bidder accepts all risks of late delivery of mailed bids or of mis-delivery regardless of fault. Bids properly and timely submitted will be publicly opened.

Bids will only be accepted from Contractors able to complete the delivery of goods or services described in the specifications. Joint ventures shall submit one bid for the team, with accompanying proof of the joint venture agreement.

If a company chooses not to submit a bid, the County requests the company advise the Buyer by email if they desire to remain listed for the subject of this ITB and state reason they did not submit a bid.

### **1.3 Electronic Commerce and Correspondence**

King County is committed to reducing costs and facilitating quicker communication to the community by using electronic means to convey information. As such, most Invitations to Bid, Requests for Proposal, and Requests for Qualifications as well as related exhibits, appendices, and issued addenda can be found on the King County Internet Web Site, located at <http://www.kingcounty.gov/procurement>. Current bidding opportunities and information are available by accessing the "Solicitations" tab in the left hand column.

King County Procurement Services features an Online Vendor Registration (OVR) program that permits vendors, consultants and contractors to register their business with the County. This OVR system allows interested parties to either directly register their firm by creating a unique User ID, or to visit the website as a guest. Information regarding bid documents will be available to all users; however, site visitors accessing the site as a guest will not be able to document their interest in a project or add their name to the document holder's list. They will receive no automatic notification of issued addenda. As such, the County encourages full registration in order to directly communicate with document holders regarding any issued addenda or other important information concerning the solicitation.

After submittals have been opened in public, the County will post a listing of the businesses submitting proposals, and later, any final award determination.

Full information on vendor registration is available at the website.

#### **1.4 Alterations to Document**

Any addition, limitation or provision made or attached to the bid may render it non-responsive and/or irregular and be cause for its rejection.

Bidders may be required to submit additional documents as part of the bid package. Any alteration of such documents by erasure or interlineations shall be explained or noted and initialed by the Bidder.

#### **1.5 Late Bids**

Bids, modifications of bids, and withdrawal of bids received at the office designated in the solicitation after the exact hour and date specified for receipt will not be considered.

#### **1.6 Cancellation of ITB or Postponement of Bid Opening**

The County reserves the right to cancel the ITB at any time.

The County may change the date and time for submitting bids prior to the date and time established for submittal.

#### **1.7 Addenda**

Bidder shall acknowledge receipt of all "Addenda" issued during the bid process. Failure to acknowledge receipt of all addenda may result in a bid being determined non-responsive.

If at any time, the County changes, revises, deletes, clarifies, increases, or otherwise modifies the ITB, the County will issue a written Addendum to the ITB.

#### **1.8 Questions and Interpretation of the ITB**

No oral interpretations of the ITB will be made to any Bidder. All questions and any explanations must be requested in writing and directed to the Buyer no later than seven (7) days prior to the due date specified in the solicitation. Oral explanations or instructions are not binding. Any information modifying a solicitation will be furnished to all bidders by an addendum.

Days, as referenced in this document, are calendar days unless otherwise specified.

Communications concerning this bid, with other than the listed Buyer may cause the Bidder to be disqualified.

#### **1.9 Examination of Bid Documents**

The submission of a bid shall constitute an acknowledgement upon which the County may rely that the Bidder has thoroughly examined and is familiar with the ITB, including any work site identified in the ITB, and has reviewed and inspected all applicable statutes, regulations, ordinances and resolutions addressing or relating to the goods or services to be provided hereunder.

The failure of a Bidder to comply with above requirement shall in no way relieve the Bidder from any obligations with respect to its bid or to any Contract awarded pursuant to this ITB. No claim for additional compensation shall be allowed which is based upon a lack of knowledge or misunderstanding of this ITB.

#### **1.10 Modifications of Bid or Withdrawal of Bid Prior to Bid Due Date**

At any time before the time and date set for submittal of bids, a Bidder may submit a modification of a bid previously submitted to the County. All bid modifications shall be made in writing, executed and submitted in the same form and manner as the original bid.

Bids may be withdrawn by written notice received prior to the exact hour and date specified for receipt of bids. A bid also may be withdrawn in person by a Bidder or authorized representative provided their

identity is made known and they sign a receipt for the bid, but only if the withdrawal is made prior to the exact hour and date set for receipt of bids. All requests for modification or withdrawal of bids, whether in person or written, shall not reveal the amount of the original bid.

#### **1.11 Bid Withdrawal After Public Opening**

Except for claims of error granted by the County, no Bidder may withdraw a bid after the date and time established for submitting bids, or before the award and execution of a Contract pursuant to this ITB, unless the award is delayed for a period exceeding the period for bid effectiveness.

Requests to withdraw a bid due to error must be submitted in writing along with supporting evidence for such claim for review by the county. Evidence must be delivered to the county within two (2) business days after request to withdraw. The County reserves the right to require additional records or information to evaluate the request. Any review by the County of a bid and/or any review of such a claim of error, including supporting evidence, creates no duty or liability on the County to discover any other bid error or mistake, and the sole liability for any bid error or mistake rests with the Bidder.

#### **1.12 Cost of Bid and Samples**

The County is not liable for any costs incurred by Bidder in the preparation and evaluation of bids submitted. Samples of items required must be submitted to the location and by the time specified. Unless otherwise specified, samples shall be submitted with no expense to the County. If not destroyed by testing, samples may be returned at the bidder's request and expense.

#### **1.14 Bid Effective Date**

All bids submitted shall be a firm bid for a minimum period of 90 days after the bid opening date, unless otherwise stated in writing in the bid. The County may request a Bidder grant an extension of the bid effective period.

The Bidder is cautioned that taxes may be a factor in evaluating the total cost of bid.

The County is exempt from Federal excise and Transportation taxes. All other government taxes, duties, fees, licenses, permits, royalties, assessments and charges shall be included in the bid price. Said exemption is made pursuant to Chapter 32 of the Internal Revenue Code and Registry No. A-1 02374. When requested, an exemption certificate will be furnished.

#### **1.16 Protest Procedures**

King County has a process in place for receiving protests based upon invitation to bid or contract awards. The protest procedures are available at <http://www.kingcounty.gov/procurement/faq>, Suppliers web page.

## **SECTION 2 Bid Evaluation and Contract Award**

### **2.1 Evaluation of Bids**

Bids will be evaluated by the County to determine which bid, if any, may be deemed to be the low responsive bid from a responsible bidder, and should be accepted in the best interest of the County.

The King County Contracting Opportunities Program is incorporated in this ITB. The determination of lowest responsive, responsible bidder will include the application of the five (5) percent incentive factor for Small Contractors and Suppliers (SCS).

King County may use prompt payment discount terms in evaluation of this ITB; however, discounts terms of less the twenty (20) days will not be considered. Minimum acceptable payment terms by the County without benefit of twenty (20) day discount will be net 30 days.

In the event of a discrepancy between the unit price and the extended amount for a bid item, the unit price will govern.

### **2.2 Responsive and Responsible**

#### **Responsive**

The County will consider all the material submitted by the Bidder, and other evidence it may obtain otherwise, to determine whether the Bidder is in compliance with the terms and conditions set forth in this ITB.

#### **Responsible**

In determining the responsibility of the bidder, the County may consider:

the ability, capacity and skill to perform the Contract or provide the service required (inspection of the bidder's facility may be required prior to award);

the character, integrity, reputation, judgment and efficiency;

financial resources to perform the Contract properly and within the times specified;

the quality and timeliness of performance on previous contracts with the County and other agencies, including, but not limited to, the effort necessarily expended by the County and other agencies in securing satisfactory performance and resolving claims;

compliance with federal, state and local laws and ordinances relating to public contracts;

other information having a bearing on the decision to award the Contract.

Failure of a bidder to be deemed responsible or responsive may result in the rejection of a bid.

### **2.3 Financial Resources and Auditing**

If requested by the County, prior to the award of a contract, the bidder shall submit proof of adequate financial resources available to carry out the execution and completion of work required by this contract.

King County reserves the right to audit the Contractor throughout the term of this contract to assure the Contractor's financial fitness to perform and comply with all terms and conditions contained within this contract. King County will be the sole judge in determining the Contractor's financial fitness in carrying out the terms of this contract.

#### **2.4 King County Contracting Opportunities Program**

The purpose of the King County Contracting Opportunities Program is to maximize the participation of Small Contractors and Suppliers (SCS) through the use of a five percent (5%) incentive factor in the award of King County contracts for the purchase of goods or services. The Program is open to all SCS firms certified by King County's Business Development and Contract Compliance Office. To learn more about this program, or becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by visiting the King County Contracting Opportunities Program Web-site at <http://www.kingcounty.gov/BDCC> or contacting the Program office at 206-205- 3443.

#### **2.5 Substitutions**

When specific brands, materials, design, style or size are named, such specifications may be construed to be shown solely for the purpose of indicating the standard of quality, performance or intended use.

Where indicated, brands of equal quality, performance and use may be considered by the county, provided the bidder submits with their bid the brand, model, product number and other data necessary for comparison. The county retains the sole right to accept or reject substitutions.

#### **2.6 Forms Required Before Contract Award**

The Bidder shall submit, within five (5) Days of notification from the County, the applicable documents, insurance, bonds, sworn statements, and other requirements prior to award. Failure by the Bidder to submit required documents may result in rejection of the bid.

In addition, Bidders waive the costs of providing additional information requested.

### 5.7 Pricing

Submit the price of quantity one (1) for Items #1 through # 68 under 'Unit Price'. If any item has been discontinued and not replaced by the manufacturer, state 'DISCONTINUED' for the 'Unit Price'. If an item has been replaced, as indicated by its manufacturer, bidder shall substitute the current comparable replacement item from the same manufacturer. Bidders shall include a complete description of any replacement item. Multiplying the 'Unit Price' by the 'Est. Annual Quantity', provide the 'Extended Price' for each item. Sum the Extended Price column and provide total as 'Total Bid Price'.

In the event of a discrepancy between the unit price and the extended price, the unit price will prevail.
