Description/Analysis

Issue: In June of 2008, the City Council approved a contract with GovDelivery an automated e-mail subscription management system. With the GovDelivery tool the City of Sacramento provides its residents with:

- Real-time distribution of information, updates, and alerts on specific topics.
- Ensured delivery of messages to resident's inbox (not SPAM folders).
- Assured and immediate delivery of SMS text messages to their mobile devices.
- Personal profile of City e-mail subscriptions and reminders

Since 2008, the City of Sacramento has used the GovDelivery system to outreach to the community. Roughly 85,000 subscribers receive email messages a month on issues that ware of interest to them. There are currently 10,000 subscribers and growing. This system has improved communication with the public by utilizing email to deliver important alerts, announcements, and updated information.

Policy Considerations: The continuation of the GovDelivery e-mail system is in line with the City's commitment to transparency and consistent communication.

Environmental Considerations: None.

Sustainability: Provides staff the opportunity to use technology for a paperless communication strategy.

Commission/Committee Action: None.

Rationale for Recommendation: As resources become less due to budget reductions, this technology allows for continued communication with the public. City staff has utilized this tool consistently and continues to grow the subscriber base as well as utilize the technology platforms like social media to outreach more to the interested public. In addition, the City has already invested in training staff and has a built in subscriber base.

Financial Considerations: City staff has negotiated a 10% discount and a one year contract with the option of extending the contract for two additional years. The one year contract allows the City more flexibility in keeping up with the changing communication environment. The contract for one year is not to exceed \$29,604 and the three year total contact would not \$95,388 if the contract was extended through year three.

Emerging Small Business Development (ESBD): City Council approval of this contract does is not affected by City policy related to ESBD program.

Contractor agrees that if Contractor offers any of the above-listed employee benefits, Contractor will offer those benefits, without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouses and domestic partners of such employees.

4. Contractor understands that Contractor will not be considered to be discriminating in the provision or application of employee benefits under the following conditions or circumstances:
 - a. If the actual cost of providing a benefit to a domestic partner or spouse exceeds the cost of providing the same benefit to a spouse or domestic partner of an employee, Contractor will not be required to provide the benefit, nor shall it be deemed discriminatory, if Contractor requires the employee to pay the monetary difference in order to provide the benefit to the domestic partner or to the spouse.
 - b. If Contractor is unable to provide a certain benefit, despite taking reasonable measures to do so, if Contractor provides the employee with a cash equivalent Contractor will not be deemed to be discriminating in the application of that benefit.
 - c. If Contractor provides employee benefits neither to employee's spouses nor to employee's domestic partners.
 - d. If Contractor provides employee benefits to employees on a basis unrelated to marital or domestic partner status.

Contractor understands that any delay in the implementation of such

policies may not exceed one (1) year from the date this Agreement is executed by the City, and applies only to those employee benefits for which an open enrollment process is applicable.

- f. Until administrative steps can be taken to incorporate nondiscrimination in employee benefits. The time allotted for these administrative steps will apply only to those employee benefits for which administrative steps are necessary and may not exceed three (3) months from the date this Agreement is executed by the City.
 - g. Until the expiration of a current collective bargaining agreement(s) if employee benefits are governed by such collective bargaining agreement(s).
 - h.  - i. In the event Contractor cannot end discrimination in employee benefits despite taking all reasonable measures to do so, Contractor provides a cash equivalent to eligible employees for whom employee benefits are not available. Unless otherwise authorized in writing by the City Manager, Contractor understands this cash equivalent must begin at the time the union(s) refuse to allow the collective bargaining agreement(s) to be reopened or not longer than three (3) months after the date this Agreement is executed by the City.
- 5. Contractor understands that failure to comply with the provisions of Section 4(a) through 4(i), above, will subject Contractor to possible suspension and/or termination of this Agreement for cause; repayment of any or all of the Agreement amount disbursed by the City; debarment for future agreements until all penalties and restitution have been paid in full and/or for up to two (2) years; and/or the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.
 - 6. Contractor understands and agrees to provide notice to each current employee and, within ten (10) days of hire, to each new employee, of their rights under the Ordinance. Contractor further agrees to maintain a copy of each such letter provided, in an appropriate file for inspection by authorized representatives of the City. Contractor also agrees to prominently display a poster informing each employee of these rights.
 - 7. Contractor understands that Contractor has the right to request a waiver of, or exemption from, the provisions of the Ordinance by submitting a written request to the City's Procurement Services Division prior to Agreement award, which request shall identify the provision(s) of the Ordinance authorizing such waiver or exemption and the factual basis for such waiver or exemption. The City shall determine in its sole discretion whether to approve any such request.
 - 8. Contractor agrees to defend, indemnify and hold harmless, the City, its officers and employees, against any claims, actions, damages, costs (including reasonable attorney fees), or other liabilities of any kind arising from any violation of the Requirements or of the Ordinance by Contractor.

The undersigned declares under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that he or she is authorized to bind the Contractor to the provisions of this Declaration.

SCOPE OF SERVICES

Executive Summary

The City of Sacramento (the “City”) wants to reduce costs and improve communication with residents by utilizing e-mail to deliver important alerts, announcements, and updated information to residents. The City needs an automated e-mail subscription management system that works seamlessly with the City’s website content management system and is easy for staff to manage.

GovDelivery® Digital Communication Platform Will Allow the City of Sacramento to Improve Communication and Lower Costs

GovDelivery will allow the City of Sacramento to provide its residents with:

- Real-time distribution of information, updates, and alerts on specific topics.
- Ensured delivery of messages to resident’s inbox (not SPAM folders).
- Assured and immediate delivery of SMS text messages to their mobile devices.
- Personal profile of City e-mail subscriptions and reminders

GovDelivery provides the City with a robust Digital Communication Platform that:

- Automates inbound requests, outbound message creation, sending, and delivery of SMS text messages.
- Automates the composing, sending and deliverability of email, text messaging and RSS notifications.
- Provides a secure and reliable hosted environment.
- Integrates with existing backend systems via the web or a secure API.
- Decreases need for direct mail, phone calls and other administrative overhead.

Why should the City of Sacramento use GovDelivery’s Digital Communication Platform?

GovDelivery is a proven provider of Email and Digital Subscription Management to hundreds of U.S. government agencies. GovDelivery’s mission is to make it practical for the City to provide a reliable email and digital communication channel to its residents, while saving costs associated with traditional information distribution. GovDelivery manages all databases, mass emailing issues, security, and technology upgrades so the City can focus on promoting subscriptions and improving other components of its website. In addition, GovDelivery can ensure utilization by watching the City’s web pages and automatically sending appropriate e-mails when relevant changes are made to website content.

GovDelivery Digital Communication Platform

The GovDelivery Digital Communication Platform (DCP) encompasses the functionality of both Text Messaging and Digital Subscription Management. The DCP is an automated system that uses email, RSS and text alerts to notify citizens about specific topics of interest. It uses proprietary technology to monitor public sector organizations' websites for content updates and automatically sends personalized email, RSS and text alerts to interested citizens who opt to receive the information.

GovDelivery's DCP operates as Software as a Service (SaaS), a software application delivery model hosted and operated by GovDelivery for use by its clients over the Internet. GovDelivery manages the maintenance, support, training and upgrades and is responsible for all hardware, networking, storage, database, security, administration and other costs associated with the delivery of its DCP solution.

Assured Deliverability

GovDelivery manages each user request through the Digital Communications Platform via automation. Every delivery exception is logged and followed up by GovDelivery Client Services and Operations staff to ensure that messages are delivered in a timely and effective manner. GovDelivery provides assurance that each message is delivered and will work directly with the aggregators and cellular providers to ensure the highest deliverability standards.

GovDelivery Deliverability Checklist

GovDelivery takes the following steps to ensure the highest deliverability rates for clients:

- **Maintain relationship with key SMS Aggregators.**
GovDelivery manages partnerships with third-party SMS aggregators to ensure high-quality, fast delivery, and robust messaging capability.
- **Monitor "undelivered" SMS text messages.**
GovDelivery actively monitors SMS messages that do not get delivered and proactively communicates with the aggregators and cellular providers to ensure timely recovery.
- **Maintain whitelist status with major ISPs.**
GovDelivery proactively engages with major ISPs to maintain whitelist status, allowing email to be delivered even if spam filters are in place.
- **Monitor "block" lists.**
GovDelivery actively monitors these lists of senders, from whom ISPs will not accept email, to ensure that it remains off them.
- **Maintain clean email lists.**
GovDelivery automatically validates email addresses with ISPs and proactively removes invalid email addresses from lists before sending.
- **Confirm permission.**
"Block" listers are imposing increasingly stricter permission standards for bulk email senders, including requiring senders to confirm permission to send to recipients. Permission to send to recipients is given when subscribers sign up to receive email updates. GovDelivery automatically sends confirmation emails to subscribers whenever a new profile is created or changes are made to an existing profile.
- **Adhere to federally mandated CAN-SPAM email compliance standards.**
Remaining on top of ever-changing anti-spam regulations is no easy task. GovDelivery dedicates significant resources to stay up-to-date on current email laws to ensure its clients are compliant.

- **Maintain ISP Test Inboxes.**

GovDelivery maintains email test accounts with all major ISPs to ensure that email sent on behalf of clients is landing in inboxes and not in junk or bulk email folders.

Reporting Module

The GovDelivery Client Services team will provide high-level monthly summary information on usage of the Digital Communications Platform. Granular reporting metrics, such as per transaction inbound and outbound detail information will be provided upon request.

GovDelivery Digital Communication Platform Reporting includes:

- Usage trend analysis
- Total number of inbound and outbound transactions (by month and YTD)
- Deliverability statistics
- Subscriber growth
- Open and unique link clicks – subscriber interaction

Communication Channels

Alerts sent through GovDelivery can be delivered to subscribers by email, text messaging via SMS, and/or RSS.

Email Messages

GovDelivery sends both text-based and HTML formatted emails to intended recipients depending on which email software the recipient is set up to receive.

Text Messaging

Wireless alerts are an optional feature that can be turned on at the discretion of the client for any topic available to citizens for subscription through GovDelivery.

RSS Feeds

RSS allows riders to view updates in their RSS readers. A small, but growing percentage of the population is embracing this emerging technology. GovDelivery has two methods to offer RSS updates to citizens: Public Feeds and Personal RSS Feeds.

Public RSS Feeds

GovDelivery makes it easy to publish any topic (for example: news releases) as an RSS feed on a client's website. This is the most common use of RSS today that is implemented on many websites.

Personal RSS Feeds

Citizens can also opt to receive all of their updates in a single RSS feed during the sign up process within GovDelivery. For example, if a citizen signs up to receive updates on six topics and wants to receive them via RSS, all of those topics can be combined into one RSS feed that they access in the RSS reader of their choice. They can choose to receive updates via e-mail and RSS or RSS only.

GovDelivery Standard & Premium Features

Automated Email Delivery

GovDelivery operates on proprietary technology that automates workflow by linking website updates to email alert subscription options. The system monitors an organization's website for content updates; website content updates trigger the automation of sending personalized email alerts to interested citizens. The unique approach allows the subscription system to integrate with the City's current website and web publishing process without custom integration or interfering with network security.

Manual Email Sending

Although government clients primarily use GovDelivery for automated email sending, GovDelivery DSM can also be used to manually send targeted email or text messages even when website updates don't occur. Emails and text messages can be manually created and sent at any time, for one-time issues such as emergencies, event announcements, etc. Content can be delivered directly to the public through email or text message or citizens can be offered a link back to a webpage.

Associated Information Capture – Subscriber Segmenting

In addition to capturing a subscriber's email address during initial sign up, the City can capture other associated information that it chooses to ask residents at this time. This feature allows the City to segment (target a specific audience) with critical or relevant messages.

This feature allows the City to target email communication based on details defined during setup such as:

- Zip code
- Neighborhood, City, District, etc.
- Interests (e.g. Sending Park & Recreation updates to a specific subscriber group within a geographic area)
- Demographics

Collaboration Network

The Collaboration Network feature is included with the GovDelivery platform license and allows collaboration of email and text messaging topics to be shared on other GovDelivery client sign up pages to help cross-promote content to riders. As with all of GovDelivery's features, voluntary participation can be adjusted at anytime by either partner or partners.

Collaboration Network Includes:

- Access to other in-network GovDelivery client subscription topics/content once permission is verified
- One-on-one Client Services support to assist in building your collaboration network partners

Advanced Bulletin Editor / E-Newsletter

The GovDelivery DSM system includes a library of templates for non-technical staff to choose from and customize HTML newsletters. Staff can also build their own custom templates from scratch. Administrators can upload logos, pictures and other images to the templates for easy access and reuse in template formats.

Advanced Bulletin Editor / E-Newsletter Editor includes:

- Over 25 newsletter templates, with more available in future releases
- Ability to customize the templates by creating unique themes (colors/fonts)
- Ability to customize templates by uploading images and logos to your own library of images
- Custom template save feature for future use.
- Ability to preview and approve newsletter before sending
- Reporting on newsletter open rates

Web Services

GovDelivery provides an expanding set of Web services that allow our clients to further integrate DSM with other back-end applications. Based on SOAP, functions in the API allow programs written in different languages to interact with GovDelivery.

Web Services includes:

- *Send Bulletin* – Client generates a file containing all the information needed to send a bulletin and passes it to GovDelivery to send through mail-sending platform.
- *Get Bulletin* – By providing a bulletin ID, GovDelivery can return a copy of the bulletin, which can be modified and reset.
- *Synchronize Subscription Tree Topics* – Create, modify, delete and move categories, sub-categories and items, enabling custom presentation of subscription items.
- *Get Subscription Tree* – Retrieves a copy of current subscription tree topics.
- *Synchronize Subscribers* – Automatically passed subscribers from an existing database into a specific GovDelivery topic

GovDelivery's Web Services Approach

GovDelivery DSM implements standard Web services advertised by WSDL (web services definition language). The technical implementation uses standard SOAP calls using HTTP and HTTPS. The Web services are implemented using a library called XFire. GovDelivery recommends using XFire to any client implementing the web service using Java. However, any Web services framework that is capable of reading WSDL and generating a web services call to GovDelivery will be able to use the services. Therefore the system can be implemented in Java, C, C++, .Net, or any other language with a WSDL generator.

For clients that cannot create calls to WSDL directly, GovDelivery offers a command-line driven client that can accept a properly formatted XML file as input and make the web services call. In this case, the client would need to generate an XML file, execute the GovDelivery program, and read the program's output.

Unlimited Ongoing Training & Support

The City of Sacramento will receive unlimited ongoing training and support throughout the contracted use of DCP. GovDelivery will assign a Client Services team to the City of Sacramento that is comprised of 3 specialty groups:

- 3) **Client Success Consultant:** a dedicated resource and first point of contact on all issues. Responsible for implementation support and ongoing success support.

**EXHIBIT D
PROFESSIONAL SERVICES AGREEMENT**

GENERAL PROVISIONS

1. Independent Contractor.

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations hereunder, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.

D. The provisions of this Section 1 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are

valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. A violation by CONTRACTOR of this Section 6 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

7. CONTRACTOR Information.

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with

the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

8. Standard of Performance. CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

9. Term; Suspension; Termination.

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
 - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or

remedy that CITY may have in law or equity.

10. Indemnity.

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any sub-consultant, subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.
- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

EXHIBIT E

REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$25,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas

and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm partnership or corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”

(c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as Attachment “B.”
