

RESOLUTION NO. 2011-472

Adopted by the Sacramento City Council

August 16, 2011

FUNDING AND PAYMENT AUTHORIZATION FOR 6TH STREET BRIDGES (T15098800)

BACKGROUND

- A. On October 13, 2009, the City Council appropriated \$1 million for the design work for the 6th Street Bridges project from the Railyards/Richards/Downtown Impact A Contingency (Fund 3202) (Resolution 2009-664).
- B. Initially, S. Thomas Enterprises of Sacramento, LLC ("Thomas") was to design and construct the 6th Street bridges and contracted for design services with Kimley-Horn and Associates, Inc., ("KHA") and Quincy Engineering, Inc. ("Quincy"), but the City eventually agreed to construct the 6th Street Bridges project. Resolution 2009-644 approved an increase in the allocation for design authorization to a total of \$1,132,727 to cover additional foundation design costs, and it also authorized the City Manager to pay KHA directly for costs incurred in preparing the final plans for the 6th Street bridges.
- C. In Spring 2010, KHA and Quincy incurred additional costs as a result of the City's decision to proceed with the 6th Street Bridges project separately from the Track Relocation project and to provide increased surveying required for design.
- D. The additional costs exceed the design authorization approved for the project by \$21,944.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The funding for the 6th Street Bridges design work is increased by \$21,944 for a total authorization of \$1,154,671 to account for additional design costs.
- Section 2. The City Manager or his designee is authorized to make final payment to Kimley-Horn and Associates, Inc., in an amount not to exceed \$75,526 and to Quincy Engineering, Inc., in an amount not to exceed \$9,811 for the preparation of final design plans for 6th Street Bridges.
- Section 3. Exhibit A is attached and is part of this Resolution.
