Description/Analysis

Issue: As directed by the City of Sacramento Charter, the City must reapportion (redistrict) City Council district boundaries every ten years following the U.S. Census. Districts must be as equal in population as is practicable, with any deviations resulting from good-faith application of legitimate districting criteria.

Policy Considerations: Section 23 of the City Charter provides that "Council districts shall be as nearly equal in population as required under the Federal and State Constitutions." In setting district boundaries, consideration must be given to the following factors:

- Topography
- Geography
- Cohesiveness
- Continuity
- Integrity and compactness of territory
- Community of interests of the districts
- Existing neighborhoods
- Community boundaries

These factors are occasionally in conflict – i.e., drawing a district to keep intact a community of interest may divide neighborhoods, or vice-versa. The Council determines which of these criteria are most compelling for the specific geographies in conflict.

Environmental Considerations:

California Environmental Quality Act (CEQA): Adoption of Council district boundaries does not involve a project which requires compliance with the CEQA, inasmuch as it does not involve an activity which may cause a direct or indirect change in the environment (Public Resources Code Section 21065).

Sustainability Considerations: None.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: The City Council redistricting process meets the legal requirements of Federal and State law, and the City Charter.

Financial Considerations: None. The proposed City Council District boundaries are not anticipated to have any financial impact to the City.

Emerging Small Business Development (ESBD): Not applicable.

Attachment 1

Background:

The City of Sacramento must reapportion (redistrict) City Council district boundaries every ten years following the regular U.S. Census. The resulting district boundaries must be balanced in population in accordance with the local, state, and federal rules governing the redistricting process. Deviations from population equality must be based on good-faith application of legitimate districting criteria.

City Council Hearings

Redistricting was extensively discussed at the City Council meetings:

DATE	ACTION
07/12	SRCAC recommendations presented
07/26	Discussion
08/09	Hearing
08/16	2+ hours of public testimony
08/23	Pass For Publication – 5 hour hearing
09/06	Adoption Hearing

Pass For Publication of the Council District Boundary Map

At the City Council hearing on August 23, the City Council passed for publication the Ordinance Amending City Council Districts. As directed by the City Council, the map utilizes the Neighborhoods Together 2.0 with the following modifications:

- Med Center neighborhood to be split between Districts 5 and 6 at Stockton Blvd.
- District 3 southern boundary to extend to US-50 as consistent with the East Sacramento neighborhood
- The 50-person neighborhood west of Stockton Blvd and south of Fruitridge Avenue is to be included in District 6 with the Fruitridge Manor neighborhood.

Effective Date of Boundary Changes

The new district boundaries are set by ordinance. The City Charter provides that “. . . each adopted ordinance shall become effective at the expiration of thirty (30) days after adoption or at any later date specified therein.” (Sacramento City Charter, § 32(f).) Once the ordinance becomes effective, the current district boundaries cease to exist, and the new district boundaries will be in existence for all purposes. Councilmembers will continue to hold the office for the district number to which they were elected, and will represent that numbered district as it appears on the new boundary map.

General Description of the Redistricted Council Districts

District 1:

Community / Neighborhoods:

- North Natomas Community (as defined by the General Plan).
- Includes the Valley View Acres neighborhood, which is not directly contiguous with the balance of D1
- Includes Greenbriar annexation area (annexed in 2008)
- Panhandle (if and when annexation occurs).

Topography/geography:

- North and west: City limits
- South: Interstate 80
- East: Natomas East Main Drainage Canal

District 2:

Community / Neighborhoods:

- North Sacramento Community (as defined by the General Plan) except for
 - Johnson Business Park
 - American River Parkway.
- Arden Arcade neighborhoods
 - Del Paso Regional Park,
 - Arden Fair,
 - Swanston Estates, and
 - Ben Ali.

Topography/geography:

- North and east: City limits
- West: Natomas East Main Drainage Canal
- South: Hwy 160 / Arden Way

District 3:

Community / Neighborhoods:

- East Sacramento Community (as defined by the General Plan) excluding College Glen.
 - East Sacramento
 - River Park
 - CSUS
- Also includes portions of the North Sacramento Community
 - Johnson Business Park and
 - American River Parkway

- Also includes eastern South Natomas Community neighborhoods
 - Gardenland, Northgate, River Gardens, and South Natomas
- The Central City Community neighborhoods of
 - Dos Rio Triangle,
 - Richards Boulevard (River District), and
 - the Railyards.

Topography/geography:

- South: US50, UP Railroad/Amtrak
- West: I-5
- North: Interstate 80 and Hwy 160 / Arden Way
- East: Natomas East Main Drainage Canal, the City Limits, and the American River.

District 4:

Community / Neighborhoods:

- Land Park Community neighborhoods of
 - Upper Land Park,
 - Land Park,
 - Little Pocket,
 - and a portion of South Land Park (north of Seamas Avenue/Fruitridge Road).
- Central City Community (as defined by the General Plan), excluding
 - Dos Rio Triangle /Richards Boulevard (River District), and
 - the downtown Railyards
- Includes the River Oaks Community Association’s boundaries (Willowcreek, Metro Center, and Gateway Center).

Topography/geography:

- West: Sacramento River
- North: US50, UP Railroad/Amtrak
- East: Business 80 and Freeport Boulevard
- South: Seamas Avenue/Fruitridge Road and Riverside Boulevard.

District 5:

Community / Neighborhoods:

- Eastern portions of Land Park Community (as defined by the General Plan) including
 - Curtis Park,
 - Sacramento City College,
 - Carleton Tract,
 - Hollywood Park,
 - Mangan Park, and
 - North City Farms.
- Fruitridge Broadway neighborhoods – western neighborhoods
 - Western half of the Med Center neighborhood

- North Oak Park,
- Oak Park,
- South Oak Park,
- Colonial Heights and
- Lawrence Park.
- Southern portions of South Land Park south of Seamas Avenue/Fruitridge Road,
- Pocket Community Plan:
 - Z'berg Park.
- Portions of South Area Community Plan including the neighborhoods
 - South City Farms,
 - Freeport Manor,
 - Brentwood,
 - Airport,
 - Golf Course Terrace, and
 - Woodbine.

Topography/geography:

- North: Hwy 50
- West: Interstate 5 and Freeport Boulevard
- East: generally Stockton Boulevard
- South: Florin Road and the Interstate 5/Freeport Boulevard intersection.

District 6:

Community / Neighborhoods:

- Fruitridge Broadway Community – eastern neighborhoods
 - Eastern portion of the Med Center neighborhood (essentially the UCDCMC campus).
 - Elmhurst,
 - Fairgrounds,
 - Tahoe Park,
 - South Tahoe Park
 - East Tahoe Park
 - Colonial Manor,
 - Colonial Village
 - Tallac Village
 - Fruitridge Manor,
 - Avondale
 - Southeast Village, and
 - Glen Elder.
- Portion of East Sacramento Community:
 - College Glen
- Arden Arcade neighborhoods
 - Campus Commons,
 - and Sierra Oaks.

Topography/geography:

- North: Highway 50 and City limits
- East and south : City limits
- West boundary: generally Stockton Boulevard.

District 7:

Community / Neighborhoods:

- Pocket Community (as defined by the General Plan), excluding
 - South Land Park and
 - Z'berg Park.
- South Area neighborhoods
 - Delta Shores and
 - portions of Valley Hi/North Laguna.

Topography/geography:

- West: Sacramento River
- North: Interstate 5 and the southern end of the Meadowview Community/Mack Road
- East: generally Center Parkway (Center Pkwy / Bamford Dr / Grandstaff Dr / Arroyo Vista Dr / Calvine Rd)
- South: City limits.

District 8:

Community / Neighborhoods:

- Southern half of the South Area Community (as defined by the General Plan), including
 - Meadowview (except Delta Shores)
 - Parkway,
 - portions of Valley Hi/North Laguna,

Topography/geography:

- North: Florin Road
- West: Freeport Boulevard and generally Center Parkway (Center Pkwy / Bamford Dr / Grandstaff Dr / Arroyo Vista Dr / Calvine Rd)
- South: City limits (south portion of the Meadowview Community/Mack Road)
- East: City limits

ORDINANCE NO. 2011-

AN ORDINANCE AMENDING CITY COUNCIL DISTRICTS PURSUANT TO THE SACRAMENTO CITY CHARTER, THE CALIFORNIA ELECTIONS CODE, AND THE 2010 UNITED STATES CENSUS

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

SECTION 1.

The City Council districts for the office of City Council Members are hereby amended and shall be as shown on the map attached hereto as Exhibit A and incorporated herein by this reference and as described in the attached Exhibit B and incorporated herein by this reference. For purposes of Exhibit B, a reference to a street in defining the boundaries of the districts refers to and means the center of the specified street, except as otherwise provided.

SECTION 2.

The Sacramento City Council makes the following findings and declarations in support of the action taken in Section 1 above.

1. Section 23 of the Sacramento City Charter and California Elections Code section 21620 require that City council districts be as nearly equal in population as required under the Federal and State constitutions. The districts must also comply with the applicable provisions of the federal Voting Rights Act of 1965, Section 1973 of Title 42 of the United States Code, as amended ("Voting Rights Act").
2. Charter section 23 also requires in changing boundaries of the districts that consideration be given to topography, geography, cohesiveness, continuity, integrity and compactness of territory, community of interests of the districts, existing neighborhoods, and community boundaries; and California Election Code Section 21620 provides for consideration of similar factors.
3. Charter section 24 requires an examination of the boundaries of each council district for compliance with the population standards set forth in Section 23 of the City Charter within six (6) months following the availability of population data generated by the regular United States Census in the form equivalent to "Block Data" as described in the 1970 United States census.
4. The City Charter and California Elections Code section 21620 requires the City to use population data generated by the latest federal decennial census in examining the council districts. The United States Census "Block Data" became available on March 8, 2011. According to said census, the total population of the City of Sacramento for redistricting purposes is 466,488. The target mean population for each district is 58,311.

5. Applying the 2010 census data to the existing council districts results in the following population and variances from the mean population for each district:

Council District	Population	Variance from Target Mean Population
District 1	106,729	83.0%
District 2	52,975	-9.2%
District 3	50,645	-13.1%
District 4	45,703	-21.6%
District 5	46,514	-20.2%
District 6	49,879	-14.5%
District 7	52,585	-9.8%
District 8	61,458	5.4%
Citywide Total	466,488	

6. Applying the 2010 census data to the existing council districts results in a total deviation across all districts of 104.7%, calculated with the plus (+) 83.0% variation of District 1 and the minus (-) 21.6% variation of District 4.
7. The Council District Map approved by Section 1 of this Ordinance is based upon the 2010 federal census data and results in the following variances from the mean population for each district described in the new map:

Council District	Population	Variance from Target Mean Population
District 1	55,141	-5.44%
District 2	60,885	4.41%
District 3	60,928	4.49%
District 4	56,651	-2.85%
District 5	56,781	-2.62%
District 6	57,226	-1.86%
District 7	58,158	-0.26%
District 8	60,718	4.13%
Citywide Total	466,488	

8. The Approved Council District Map results in a total deviation across all districts of 9.93%, calculated on the +4.49% of District 3 and -5.44% of District 1.
9. The Approved Council District Map results in districts as nearly equal in population as required by the City Charter and applicable state and federal law after taking into consideration proper political and legislative concerns, after applying the mandated factors of topography, geography, cohesiveness, continuity, integrity and compactness of territory, community of interests of the districts, existing neighborhoods, and community boundaries, and after considering the requirements of the Voting Rights Act.

10. The preservation of existing neighborhoods was a major focal point during the deliberations by the City Council. The concern over existing neighborhoods made for difficult policy decisions, as the location, population, and configuration of different neighborhoods within the City made it impossible to satisfy the expressed desires of all of the residents voicing neighborhood concerns during the deliberations and public outreach meetings. The City Council, faced with a constitutional mandate of substantial population equality, arrived at the Approved Council District Map through compromise and reconciliation, but in the end could not avoid the division(s) by political boundaries of some neighborhoods over others.
11. The record of the redistricting process, including, without limitation, information discussed and gathered during public outreach meetings and Sacramento Redistricting Citizens Advisory Committee meetings, the oral and written testimony offered during the Citizens Advisory Committee meetings and the City Council meetings, the materials developed and presented by City staff, and the deliberations by the council members, provides appropriate evidentiary support of the findings above.
12. The record in connection with the redistricting process and public hearings included written requests and testimony requesting due consideration for the preservation of existing neighborhoods and communities of interests; political continuity, both in terms of continuing to be in the same council district as other adjacent neighborhoods and in terms of representation by the same Council representative; avoiding the division of areas that share a common geographic boundary and placing a neighborhood or area in a district that is separated by a natural, geographic barrier; and promoting compactness and contiguity of each district to the extent allowed by neighborhood preservation, geographic, topographic and other considerations.
13. The Council finds that the Approved Council District Map satisfies the requirements of Section 23 of the City Charter and Elections Code section 21620 that the districts be as nearly equal in population as required under the Federal and State constitutions, and that the deviation from strict population equality in and among the districts is supported by consideration of the factors specified in Section 23 of the Charter and Elections Code section 21620.
