Terrence Johnson stocktonblvdpartnership @msn.com Stockton Blvd District 5 SACRAMENTO CA	Mayor Johnson & City Council: On behalf of the OPBA and Stockton Blvd Partnership, I ask that the council defer any action on the BLT facility on Tuesday, September 13. We want opportunity to review the proposal, including long-term impact on rates to our business & property owners. We would also like to determine what impact, if any, this decision could have on the city's service delivery model for solid waste. Asking for additional time is a reasonable request given the potential impact.				Oppose 9/12/2011
