Description/Analysis

Issue: On June 21, 2011, the City Council adopted the Fiscal Year 2011/12 budget for the City of Sacramento. It included a provision which defunded the Small Business Development and Employment Advisory Board (SBDEAB). Currently, Chapter 2.54 of the Sacramento City Code, which established the SBDEAB, requires that the Board meet on a monthly basis, that one Board member be a City employee and that the City Manager provide staff to the SBDEAB. It is recommended that the SBDEAB be dissolved by repealing Chapter 2.54 of the Sacramento City Code, to be consistent with the budget approved by the City Council.

Policy Considerations: On June 21, 2011, the City Council adopted the Fiscal Year 2011/12 budget. Funding allocations for SBDEAB staffing was eliminated; therefore, Chapter 2.54 of the Sacramento City Code must be repealed.

Environmental Considerations: None.

Sustainability: None.

Commission/Committee Action: The Personnel and Public Employees Committee reviewed the Ordinance on September 4, 2011, and voted to forward the Ordinance to Law and Legislation Committee and City Council for approval. The Law and Legislation Committee reviewed the Ordinance on September 17, 2011, and voted to forward the Ordinance to City Council for approval.

Rationale for Recommendation: Chapter 2.54 of the Sacramento City Code must be repealed in order to be consistent with the City's 2011-2012 Fiscal Year budget. If this ordinance is not enacted the Board will continue in existence, out of compliance, with the attendant staffing requirements and the absence of allocated funding to pay for these requirements.

Financial Considerations: The City's recently adopted budget included the elimination of the SBDEAB and associated funding allocations, saving the City General Fund approximately \$40,000 per year.

Emerging Small Business Development (ESBD): None.
