Description/Analysis

Issue: Each year the Sacramento County Board of Supervisors approves its annual allocation of Transient Occupancy Tax (TOT) collections. Historically, the County has used a portion of the TOT to fund joint operations it shares with the City. These operations include the Center for Sacramento History (CSH), the Sacramento Metropolitan Arts Commission (SMAC), the Sacramento History Museum, the Powerhouse Science Center, and the Sacramento Sports Commission.

In June 2011, the County Board of Supervisors approved TOT allocations for FY2011/12. The total County contribution to City organizations for FY2010/11 is \$607,409, as shown in the attached proposed agreements. Specific allocations for impacted programs are described in Attachment 1. The County funding is administered by the City and is budgeted in the City's revenue and expense budget.

In addition to executing the proposed agreements, this report recommends reducing the City operating budgets for SMAC and the Sacramento Sports Commission due to the fact that these organizations received less funding from the County than anticipated. The total reduction needed is \$52,155.

Policy Considerations: The recommended action is consistent with the City's goals to achieve sustainability and enhance livability in the community as well as reflecting the values of teamwork and fiscal responsibility.

Environmental Considerations: California Environmental Quality Act (CEQA): The proposed activity is not subject to environmental review under the California Environmental Quality Act ("CEQA"), California Code of Regulations, title 14, section 15060 because it is not a project under CEQA.

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: Approval of the recommended action is necessary as the funding from the County is built into these joint organizations' operating budgets. Additionally, the authorization to modify the budgets for SMAC and the Sacramento Sports Commission is necessary because these budgets were based on what the County contributed in FY2009/10.

Financial Considerations: The revenue and expenditure budgets for SMAC and the Sacramento Sports Commission will decrease to reflect the \$52,155 difference in budgeted revenue versus actual revenue. The reduction of \$22,155 to SMAC was initially implemented in FY2010/11, which resulted in the reduction of office hours and technical support to artists. The \$30,000 reduction for the Sports Commission impacted the Sports Commission's ability to solicit events.

Emerging Small Business Development (ESBD): None. No goods or services are being purchased.

Background

The Center for Sacramento History (CSH), the Sacramento History Museum (SHM), the Powerhouse Science Center, the Sacramento Metropolitan Arts Commission, and the Sacramento Sports Commission are funded by the City and the County. The County's contribution is built into the City's revenue and expense budget each year.

In June 2011, the County Board of Supervisors approved the contributions to City / County organizations for FY2011/12. The table below illustrates the difference between what was budgeted in the City's operating budget and what was voted on by the County in June.

	FY11 Final	FY12 Budgeted	FY12 Final	Difference FY12
CSH*	145,350.00	145,350.00	145,350.00	--
SHM	93,204.50	93,204.50	93,204.50	--
Powerhouse	93,204.50	93,204.50	93,204.50	--
Metro Arts	150,000.00	172,155.00	150,000.00	(22,155.00)
Sports Commission	100,000.00	130,000.00	100,000.00	(30,000.00)
TOTAL	581,759.00	633,914.00	581,759.00	(52,155.00)

* CSH also receives a Fee for Service from the County in the amount of \$25,650 for a total County contribution of \$607,409

These changes will be made to the revenue and expense budgets.

- B. COUNTY may terminate this Agreement for cause immediately upon giving written notice to CONTRACTOR should CONTRACTOR materially fail to perform any of the covenants contained in this Agreement in the time and/or manner specified. In the event of such termination, COUNTY may proceed with the work in any manner deemed proper by COUNTY. If notice of termination for cause is given by COUNTY to CONTRACTOR and it is later determined that CONTRACTOR was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (A) above.

- C. COUNTY may terminate or amend this Agreement immediately upon giving written notice to CONTRACTOR, 1) if advised that funds are not available from external sources for this Agreement or any portion thereof; 2) if funds in COUNTY's yearly proposed and/or final budget are not appropriated by COUNTY for this Agreement or any portion thereof; or 3) if funds that were previously appropriated for this Agreement are reduced, eliminated, and/or re-allocated by COUNTY as a result of mid-year budget reductions.
- D. If this Agreement is terminated under paragraph A or C above, CONTRACTOR shall only be paid for any services completed and provided prior to notice of termination. In the event of termination under paragraph A or C above, CONTRACTOR shall be paid an amount which bears the same ratio to the total compensation authorized by the Agreement as the services actually performed bear to the total services of CONTRACTOR covered by this Agreement, less payments of compensation previously made. In no event, however, shall COUNTY pay CONTRACTOR an amount which exceeds a pro rata portion of the Agreement total based on the portion of the Agreement term that has elapsed on the effective date of the termination.
- E. CONTRACTOR shall not incur any expenses under this Agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that CONTRACTOR can legally cancel.

CONTRACTOR shall, without additional compensation therefore, make fiscal, program evaluation, progress, and such other reports as may be reasonably required by DIRECTOR concerning CONTRACTOR's activities as they affect the contract duties and purposes herein. COUNTY shall explain procedures for reporting the required information.

CONTRACTOR shall maintain such records for a period of four years following termination of the Agreement, and shall make them available for copying upon COUNTY's request at COUNTY's expense. COUNTY shall have the right to withhold any payment under this agreement until CONTRACTOR has provided access to CONTRACTOR'S financial and program records related to this Agreement.

Any prior agreements, whether oral or written, between COUNTY and CONTRACTOR regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

Project Scope of Work

The Center for Sacramento History (previously the Archives & Museum Collection Center) will receive funding for activities in 2011-2012 County Fiscal Year.

The Center for Sacramento History's mission as a public agency is to illuminate and promote the exploration and analysis of the social, political, geographic, and cultural history of the City and County of Sacramento.

The contribution provided by the county will support staff costs and utilities for maintaining climate control for two facilities (551 Sequoia Pacific and McClellan Park). A staff of two full-time archivists, provide access to the collections and work on the cataloging of county records.

The joint operations agreement provides savings to the County for the storage and access to their public records. The highest demand for researcher access is to our county records. Over 45% of the records pulled by staff are for county records, with the highest demand being for county recorder records, Board of Supervisor records, and court records including civil and probate records. The Center for Sacramento (CSH) provides county residents and visiting scholars public access to county records (as required by the State's Public Records Act) at a cost far below any private archival storage facility.

EXHIBIT C

WHEREAS it is in the best interest of Sacramento County that those entities with whom the County does business, or proposes to do business, demonstrate financial responsibility, integrity and lawfulness, it is inequitable for those entities with whom the County does business to receive County funds while failing to pay court-ordered child, family and spousal support which shifts the support of their dependents onto the public treasury. XXIII.SUCCESSORS

This Agreement shall bind the successors of COUNTY and CONTRACTOR in the same manner as if they were expressly named.

- D. If this Agreement is terminated under paragraph A or C above, CONTRACTOR shall only be paid for any services completed and provided prior to notice of termination. In the event of termination under paragraph A or C above, CONTRACTOR shall be paid an amount which bears the same ratio to the total compensation authorized by the Agreement as the services actually performed bear to the total services of CONTRACTOR covered by this Agreement, less payments of compensation previously made. In no event, however, shall COUNTY pay CONTRACTOR an amount which exceeds a pro rata portion of the Agreement total based on the portion of the Agreement term that has elapsed on the effective date of the termination.
- E. CONTRACTOR shall not incur any expenses under this Agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that CONTRACTOR can legally cancel.

Upon COUNTY's request, COUNTY or its designee shall have the right at reasonable times and intervals to audit, at CONTRACTOR's premises, CONTRACTOR's financial and program records as COUNTY deems necessary to determine CONTRACTOR's compliance with legal and contractual requirements and the correctness of claims submitted by CONTRACTOR. CONTRACTOR shall maintain such records for a period of four years following termination of the Agreement, and shall make them available for copying upon COUNTY's request at COUNTY's expense. COUNTY shall have the right to withhold any payment under this agreement until CONTRACTOR has provided access to CONTRACTOR'S financial and program records related to this Agreement.

XXXI.PRIOR AGREEMENTS

This Agreement constitutes the entire contract between COUNTY and CONTRACTOR regarding the subject matter of this Agreement. Any prior agreements, whether oral or written, between COUNTY and CONTRACTOR regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

XXXII.SEVERABILITY

If any term or condition of this Agreement or the application thereof to any person(s) or circumstance is held invalid or unenforceable, such invalidity or unenforceability shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this agreement are declared severable.

XXXIII.FORCE MAJEURE

Neither CONTRACTOR nor COUNTY shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to acts of God, strikes, lockouts, riots, acts or war, epidemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except as otherwise specifically provided herein).

Organization: City of Sacramento/Sacramento History Museum

Total Grant: \$93,204.50

Project Scope of Work

The Sacramento History Museum will receive funding for activities in 2011-2012 County Fiscal Year.

The mission of the Sacramento History Museum is to engage the Sacramento region and its visitors to explore the area's rich and diverse past. Through creative educational programs and interpretive exhibitions, visitors will gain a deeper understanding of a usable past and how it informs an integral part of the present.

The contribution provided by the county will help the museum keep its doors open and operating. The funds cover half of the cost of a very small staff of four full time people and six part time staff members.

Beginning in 2010 the museum and the Historic Old Sacramento Foundation launched underground tours to Old Sacramento. This program has been very successful drawing people locally and across the state and county to the Sacramento region. The underground tours enhance the historic offerings for the region and increase its value as a destination.

The museum staff also served as the key coordinators for Gold Rush days this last year. These historical attractions supported by this small staff make a large contribution in making Sacramento a travel destination.

Summer Programs

In June 2009 the museum launched its summer street scene programs in Old Sacramento and these programs were expanded for 2010 and 2011. Over the summer months tourists and locals have the opportunity to engage with authentic 19th century performers and artisans. These programs increased visitation to the district and helped provide historical interpretation for the area.

Outreach to Schools

The museum also continues its outreach to schools throughout the county. Museum staff members continue to make site visits to schools, and this spring we are currently fully booked with school groups across the county coming to the museum to learn more about the Gold Rush era.

With staff and mission re-orientation the museum has been able to increase the amount of tours available to school groups. This benefits the county because we are able to provide services to schools throughout the county at a level that did not exist before. With an emphasis by schools

to look for closer field trips, the museum provides a unique resource in the county to cover the history of entire region. The goal is to increase this program by adding more educators to the staff to allow for greater outreach in classrooms.

Project Scope of Work

The Sacramento Sports Commission (SSC) will receive funding for activities in the 2011-2012 County Fiscal Year.

The SSCs mission is to attract high profile sporting events to Sacramento -- both to enrich the region's cultural offerings and to promote the community's economic vitality. In this regard, the SSC has enjoyed considerable success, attracting numerous national events including two Olympic Track & Field Trials, four NCAA Basketball Regional Tournaments, four NCAA Track & Field Championships, the U.S. Gymnastics National Championships, the NCAA Women's Volleyball Championship finals, the national Intercollegiate Rowing Association Championships, Amgen Tour of California and this year's World Masters Athletics Championships. The SSC's non-profit Sacramento Region Sports Education Foundation (SRSEF) was the local entity to attract and stage all five Amgen Tour of California's races.

The County grant will support the SSCs organizational development. It will be used to attract future events, prepare bids and presentations to organizations considering coming to Sacramento.

In addition to providing high profile national and international recognition for Sacramento, SSC and SRSEF have contributed to an increased quality of life for Sacramento residents by providing over 3000 volunteers the opportunity to work behind the scenes in helping with running these events. Additionally, nearly one million fans have attended these sporting events. An Economic Impact study suggests that the SSC and SRSEF have generated millions of dollars in economic impact since 1999.
