Meghan Herr meghan.herr@hotmail.com m Sac County	In an effort to appease the Maloofs and hopefully keep the Kings in Sacramento, we have agreed to their terms. We have agreed to give them a new stadium when they cannot fill the old one and we have agreed to put a lot of money that we don't have into this new development. They're now crying foul and refusing to pay part of their share. We are a broke city. We can't afford this new stadium and we cannot afford to keep placating the Maloofs. If they can afford to move, which I doubt, let them.				Oppose 4/3/2012

Carol Rogers crogers48@aol.com Capstan District 4 Sacramento CA	I strongly oppose any expenditure of city funds (including parking revenues) toward any predevelopment for the proposed Entertainment & Sports Complex (ESC), including site planning, environmental, design, or otherwise. I also strongly oppose amending the MOPA as recommended.				Oppose 4/2/2012 
Jeff Donlevy jrd@recyclingindustries.com 8812 Garden Glen Way	Council should not approve the use of any City funds until ALL ISSUES HAVE BEEN RESOLVED with the Maloofs and there is a signed legally binding agreement with all parties. The Kings \$3.26 million was in the term sheet before the March 6th Vote. They did not object				Oppose 3/30/2012

Terry Vail terry@vailcomm.net P.O. Box 2646 Sacramento CA	I would like to see a compromise by the city in regards to the sensitive use requirements; the city is asking that the fee's already paid by the dispensaries should not be paid back in the event the program is abandoned or terminated. if the city is requiring the fee to be non-fundable; the city should remove the sensitive use requirements from the ordinance or at the very least modify the measuring technique from "border of parcel to border of parcel" to "doorstep to doorstep" instead. Lanette Davies canncare@earthlink.net 320 Harris Ave suite G District 2 Sacramento ca	Thank you for allowing the exsisting clubs to relocate that received landlord letters. We have lost several of our exsisting clubs and the city has allowed "new" clubs to open as some of the others closed. I would like to request that we continue our freeze but as clubs close I would like to see the space fill. Looking at the list provided by the city in 2009 we had 39 clubs we are down to 24 and out of the 24 two are brand new by address and name. Please consider increasings our numbers			Support 4/3/2012
