Description/Analysis

Issue: The Sacramento Police Department (SPD), in partnership with the Mayor/Council's Office, recommends the acceptance of California Gang Reduction, Intervention and Prevention (CalGRIP) Initiative grant funding in the amount of \$249,953 from the California Emergency Management Agency (CalEMA) to implement the Sacramento Gang Prevention and Literacy (GPAL) Project (G01000200). The Sacramento GPAL Project is a three-tier prevention and intervention project designed to target youth within the Sacramento City Unified School District that are at-risk for gang participation and affiliation. Councilmember Jay Schenirer and his staff will work with area partners to enhance education, prevention, and intervention programs through assessments and the implementation of Evidence Based Programming. The grant period consists of two years, beginning January 1, 2012 and ending on December 31, 2013.

Policy Considerations: The acceptance of this funding is consistent with past practices of using CalGRIP grant funding to enhance gang education, prevention and intervention programs. The City of Sacramento has received other CalGRIP awards for similar projects in Fiscal Years 2007, 2008, 2010, and 2011. In addition, City Council Resolution #2010-388 requires City Council approval to accept grant funding, establish a grant project, and appropriate funding when the grant award is in excess of \$100,000.

Environmental Considerations:

California Environmental Quality Act (CEQA): This action is not subject to the California Environmental Quality Act (CEQA) because it does not constitute a "project" as defined in section 15378 of the CEQA Guidelines (Title 14 Cal. Code Reg. § 15000 et seq.), and is otherwise exempt pursuant to section 15061(b)(3) (no significant effect on the environment) of the CEQA Guidelines.

Sustainability Considerations: There are no sustainability considerations associated with this report.

Commission/Committee Action: None.

Rationale for Recommendation: Grant funding for the Sacramento Gang Prevention and Literacy (GPAL) Project will permit the City of Sacramento to enhance education, prevention and intervention efforts targeting at-risk youth throughout the City of Sacramento.

Financial Considerations: The total grant award from CalEMA is \$249,953. This grant will fund a three-tier prevention and literacy project. It specifically provides funding for a project program coordinator and the implementation of Project Learn, an evidence based program at the Boys and Girls Club of Greater Sacramento. The project will support

volunteers at three elementary schools from Reading Partners, the provider for the Sacramento Reads! 3rd Grade Literacy Campaign, and StandUp!, an educational nonprofit organization. Finally, the funding provides stipends for participants in the Summer at City Hall program through WayUp Sacramento. This grant has a match requirement which will be funded through current programs and City staff. There is no impact to the General Fund.

Emerging Small Business Development (ESBD): Any grant-funded purchases will be made in accordance with the City's Emerging and Small Business Development program requirements.

BACKGROUND

The City of Sacramento, in partnership with the Boys and Girls Club of Greater Sacramento, will utilize California Gang Reduction, Intervention and Prevention (CalGRIP) Initiative grant funding from the California Emergency Management Agency (CalEMA) to implement the Sacramento Gang Prevention and Literacy (GPAL) Project. This project is designed to improve literacy, strengthen job skills, and increase mentoring opportunities to students in kindergarten through 6th grade and at-risk high school students.
