Lesley Council Lesletcumings@me.com m 1242 Marian way District 4 Sacramento Ca	Hi. I know it is hard to figur out how to make this program fiscally balanced. But it is crazy to reduce recycling to every two weeks. My recycling is full every week! If you must, pick up garbage every other week. That way people would recycle more! Discouraging recycling is antithetical to where we should be headed. And I bet it doesnt save money in the long run			<b>Oppose</b> 6/26/2012

Steve Vincent 6th & S District 4	Why do you think voters passed Measure A in the first place, in the "City of Trees"? The so-called "opt-out" bin program has inflated numbers, since most customers kept their bins but DON'T USE THEM. Here's how you can save costs, come get your bins and fire whoever came up with the terrible two-truck plan.				<b>Oppose</b> 6/26/2012
