Description/Analysis

Issue: In 1978, the City of Sacramento and the County of Sacramento executed a Joint Exercise of Powers Agreement (JPA) establishing the Sacramento Employment and Training Agency (SETA). Pursuant to Paragraph 21 of the JPA, the budget process requires the Governing Board to approve a recommended budget and submit it to the signatories of the JPA for final approval. The Sacramento Employment and Training Agency (SETA) Governing Board has approved an action that requires the review and approval of the Sacramento City Council before such action is considered final and authorized.

Approximately 88% of SETA's funding is from Federal grants. The Head Start, Early Head Start and California Department of Education grants represent approximately 66% of the budget, and workforce development funds provided under the Workforce Investment Act (WIA) represent another 22% of the budget. Other workforce development services are funded from the Targeted Assistance (TA), Refugee Employment Social Services (RESS), Victims of Human Trafficking, Community Services Block Grant (CSBG), CalWORKs, Employment Training Panel, California Department of Corrections and Rehabilitation and Ticket-to-Work programs. Additional funding sources include the Enterprise Zone application fees, the Sacramento Municipal Utilities District (SMUD), and Kaiser Permanente.

SETA's budget for Fiscal Year 2012-2013 totals \$84,234,051 (Attachment A). This reflects a net decrease in funding of \$4,821,553 from the Fiscal Year 2011-12 revised budget. This is primarily the result of a reduction in Workforce Development Department funds from the California Department of Transportation, the California Department of Corrections and Rehabilitation and the County of Sacramento. The agency's personnel budget consists of 637 positions, and its current payroll is approximately 630 employees.

Head Start serves 5,846 children from zero to five years old countywide in a family focused early learning program. Funding is provided through the Head Start, Early Head Start and the California Department of Education programs. Health, nutrition and mental health screenings are also provided.

The Workforce Development Department operates 12 One-Stop Career Centers throughout the county. These centers integrate employment, education and training resources to over 50,000 customers per year. This is accomplished through grants provided by the Workforce Investment Act in collaboration with the Employment Development Department, the County Department of Human Assistance (DHA) and various nonprofit service organizations.

The budget was presented for first reading before the Governing Board of the Sacramento Employment and Training Agency on June 7, 2012. Pursuant to Governing Board directive, official notice was published and a public hearing on the budget was opened on that date. At the August 2, 2012 meeting, the Governing Board closed the public hearing and voted approval of the budget.

Policy Considerations: SETA has been an effective force in connecting people to jobs, business owners to quality employees, education and nutrition to children, and assistance to more than 45,000 customers annually.

Economic Impacts: None.

Environmental Considerations: Not applicable.

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: City Council approval is required in accordance with the Joint Powers of Authority Agreement which requires the review and approval of the signatories to the Agreement before the annual budget is considered final and authorized.

Financial Considerations: SETA's Fiscal Year 2012-2013 operating budget of \$84,234,051 will be financed by federal grants (\$73,899,478), state grants (\$9,819,573), and miscellaneous revenues (\$515,000). Approval of SETA's budget will have no fiscal impact on the City General Fund.

Emerging Small Business Development (ESBD): Not applicable.
