Description/Analysis

Issue: On July 6, 2012, the City of Sacramento and the Sacramento Area Fire Fighters, Local 522 entered into an agreement establishing employee PERS cost share. Effective June 30, 2012, all Local 522 bargaining unit personnel began paying three percentage points of the employer's percentage contribution to PERS Retirement. Effective December 29, 2012, all bargaining unit personnel shall pay an additional six percentage points for a total of nine percentage points of the employer's contribution to PERS Retirement.

To amend the PERS contract, the City of Sacramento must approve the resolution giving notice of its intention and separately must enact an ordinance authorizing an amendment to the PERS contract as required by the California Government Code. The Amendment to the Contract between the Board of Administration California Public Employees' Retirement System and the City of Sacramento implementing the Local 522 cost share changes agreed to on July 6, 2012, is included as Attachment A.

Current Public Employees Retirement Law (PERL) allows employers to negotiate various levels of "cost-sharing" with their employee unions whereby the employees agree to pay a higher percentage of their pay into CalPERS to help defray the employer's cost. The cost share allows for the employee paid portion to be credited to the employee account. Under the City's current contract with PERS for Local 522, the maximum PERS cost share capacity is currently 7.713 percentage points. The difference of 1.287 percentage points will be deducted from the employees pay in accordance with the July 6, 2012 Letter of Understanding between the City of Sacramento and the Sacramento Area Fire Fighters, Local 522.

Policy Considerations: Adoption of the resolution of intention initiates the process required to amend the PERS contract and the City's legal requirement to implement the Cost Share program as outlined in the Local 522 agreement.

Economic Impacts: None

Environmental Considerations: None

Sustainability Considerations: There are no sustainability considerations applicable to this action.

Commission/Committee Action: None

Rationale for Recommendation: The Resolution of Intention is a requirement to amend the PERS contract, which is a requirement of the agreement established on July 6, 2012, between the City of Sacramento and the Sacramento Area Fire Fighters, Local 522.

Financial Considerations: The approximate savings on the reduced retirement cost to the City is approximately \$1.53 million.

Emerging Small Business Development (ESBD): None
