

RESOLUTION NO. 2013-0037

Adopted by the Sacramento City Council

February 12, 2013

AWARDING 34 TREATMENT CAPACITY BANK CREDITS TO THE 2500 R HOUSING PROJECT LOCATED AT 1802 26TH STREET (DISTRICT 4)

BACKGROUND

- A. On March 20, 2001, the City Council approved City Agreement No. 2001-177, a Memorandum of Understanding (“**MOU**”) initiating the City’s participation in the Economic Development Treatment Capacity Bank (the “**Bank**”) established by the Sacramento Regional County Sanitation District (“**SRCS**”).
- B. On June 20, 2006, the City Council approved an amendment of the MOU to increase the amount of Treatment Capacity Bank Credits (“**Credits**”) that may be awarded from the Bank to housing projects.
- C. Resolution 2006-457 approved guidelines for the granting of Credits for commercial development, Downtown, low-income, and infill / transit-oriented development projects.
- D. The Bank has awarded the City a total of 8,727 Credits. As of January 31, 2013, the City had issued 4,922.96 Credits to eligible projects.
- E. Pacific Housing, Inc. (the “**Recipient**”) is the developer of the 2500 R Housing Project at 1802 26th Street in Sacramento (APN 010-0043-001), which will include 34 two-story infill homes (the “**Project**”). The Project falls within the guidelines for granting Credits because it is a development that qualifies as “urban,” “residential,” and “transit oriented” under the City’s General Plan.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds that an award of Credits for the Project meets the approved guidelines for granting. Accordingly, the City Council hereby awards a maximum of 34 Credits to the Recipient for use on the Project.

Section 2. Credits awarded under this resolution will expire automatically and without notice if either of the following occurs:

- (a) the Recipient has not paid its requisite sewer-impact fee to SRCSD within one year after the date of this resolution; or
