Description/Analysis

Issue: The Sacramento Housing and Redevelopment Agency Employee's Association (SHRAEA) is the recognized representative organization for the Administrative and Technical Units of SHRA and covers 80 employees. SHRA has experienced challenging fiscal times due to the elimination of

Collective Bargaining Agreement with the SHRAEA

Redevelopment Agencies in California and uncertain economic times related to the federal budget and sequestration. SHRAEA, as part of a new contract, has agreed to several concessions. These include no cost of living increases during the term of the agreement and significant concessions in Health Insurance and employee Public Employee Retirement System (PERS) contributions. This report recommends that the constituent members of SHRA: City Council, Housing Authority of the City of Sacramento and RASA approve the SHRAEA collective bargaining agreement covering employees in the Administrative and Technical units for the period of January 1, 2013 through December 31, 2015 as follows:

1. Wage and Salary Adjustments
 - a. There shall be a wage re-opener on July 1, 2014

2. Health Insurance
 - a. Effective April 1, 2013, the Agency's designated cafeteria/group insurance contribution for regular and limited-term full time employees shall be as follows:

(1) Employee Only:	\$659.27 per month
(2) Employee plus one:	\$975.00 per month
(3) Employee plus two or more:	\$1,400.00 per month

There shall be a health re-opener on July 1, 2014

3. Retirement Plan and Contribution
 - a. Effective July 1, 2013 the Agency will pay two percent (2%) of the employee's seven percent (7%) PERS contribution. Effective January 1, 2014 the Agency will pay one percent (1%) of the employee's seven percent (7%) PERS contribution. Effective January 1, 2015 the employee will pay the entire seven percent (7%) PERS contribution.

 - b. In accordance with the California Public Employees Pension Reform Act of 2013, all new employees hired on or after January 1, 2013, who are considered "new members" under the PEPRA shall be in the 2% at 62 CalPERS retirement formula described in PEPRA and will pay the entire seven percent (7%) PERS contribution.

4. Vacation.

The maximum vacation accrual limits shall be as follows:

 - a. Zero through three (3) years of service a maximum of 230 hours;
 - b. Beginning with four (4) and through ten (10) years of service a maximum of 340 hours;
 - c. Beginning with eleven (11) and through fifteen (15) years of service a maximum of 400 hours;

5. Longevity Pay

- a. Employees who have been employed by the Agency for a period of twenty (20) to twenty-four (24) years on January 1 of each year shall receive longevity pay of \$350 on the second payday of January.
- b. Employees who have been employed by the Agency for a period of twenty-five (25) to twenty-nine (29) years on January 1 of each year shall receive \$550 on the second payday of January.

All other SHRAEA contract language which includes monetary and non-monetary changes are included in the agreement attached to this staff report.

Policy Considerations: The recommended action in this report is consistent with Agency policy and the labor relations practices and has been reviewed by the City and County Labor Relations Directors.

Environmental Considerations: The proposed actions in this staff report consist of governmental fiscal activities which do not involve a commitment to any specific project, and as such, do not constitute a "project" under the California Environmental Quality Act (CEQA) Guidelines Section 15378 (b)(4) and the proposed action is categorically excluded under the National Environmental Policy Act (NEPA) 24 CFR 34(a)(3).

Rationale for Recommendation: The collective bargaining agreement for SHRAEA expired on December 31, 2012 and covers 80 employees. The Agency began the collective bargaining process with SHRAEA in October 2012. The Agency reached a tentative agreement with the negotiating committee on February 26, 2013. The agreement was ratified by the membership by a majority vote on March 5, 2013. The agreement is consistent with labor settlement strategy adopted by the City Council and County Board of Supervisors prior to beginning of negotiations.

Financial Considerations: The concessions contained in this agreement over the entire three year term are projected to result in a cost savings of 1.27 million dollars.

c. The Agency will not utilize limited-term positions to circumvent the establishment of regular positions.

d. The Association will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the Agency's Employer-Employee Relations Policy.

3.2 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group insurance plans to which the Agency now is or shall hereafter be a contracting party, the Agency agrees to establish payroll deductions for members of the Association the first two (2) paydays of each month for:

- (1) the normal and regular monthly membership dues;
- (2) the service fees for non-members as set forth in Section 3.3 of this Agreement;
- (3) insurance premiums for plans to which the Agency is not a contracting party, including Association-sponsored disability insurance premiums and automobile insurance premiums; and
- (4) charitable contributions.

b. All payroll deductions set forth in Section 3.2(a) above shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the Agency. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the Agency and the Association.
- (2) Such deductions shall be made only upon submission to the Human Resources Department of said authorization form duly completed and executed by the employee and the Association.
- (3) The Association will be responsible for submitting to the Human Resources Department any changes in the amounts to be payroll

deducted from the paychecks of employees who have authorization forms on file with the Agency. The Agency may devise a payroll deduction input document for use by the Association.

- (4) The Agency must approve, in advance, all payroll deductions made pursuant to Section 3.2(a)(3) and (4). All insurance plans must be approved as being non-competitive and non-duplicative of Agency-offered insurance programs.
- (5) The Association agrees to indemnify, defend and hold the Agency, its officers, agents and employees harmless against any claims made, and against any suits instituted against them or any one of them on account of any payroll deduction made pursuant to this Article.

c. The Agency will remit to the Association a check for all the deductions.

d. Solicitation and/or servicing of Association insurance and benefit programs shall not interrupt on-duty employees nor be conducted in any Agency facility without prior approval of the Agency.

3.3 AGENCY SHOP

a. General

As a condition of continued employment, all regular employees who are paid one or more hours salary during a bi-weekly pay period, and all part-time employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Association or pay an agency shop service fee to the Association in an amount determined as set forth in subsection (b) below.

b. Service Fee

The service fee required shall be an amount equal to the Association's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Association shall exclude expenditures for members-only benefits and Association expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Association, and the Agency shall not be a party to the dispute.

No employee who is paid for less than one hour of salary during a bi-weekly pay period and no part-time employee who is paid for less than forty (40) hours of salary during a bi-weekly pay period shall be required to pay a service fee under this Section. Further, no employee shall be required to pay any service fee through their first full calendar month of employment with the Agency.

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Association, such employee shall be required to submit to the Association proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

United Way
Firefighters Burn Institute
Children's Receiving Home

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Association, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Association shall keep an adequate itemized record of its financial transactions and shall make available annually, to the Agency upon written request and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Association, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the Agency with a copy of such financial reports.

e. Hold Harmless

The Association shall promptly refund to the Agency any amounts paid to the Association in error under this Section.

The Association expressly agrees to indemnify and hold the Agency harmless from any and all claims, demands, costs (including any costs incurred by the Agency in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the Agency in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include, but not be limited to, employee legal actions of any sort or nature against the Agency based upon or related to this Section. Further, in the event that the Agency undertakes disciplinary action against an employee pursuant to this Section, this hold

harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the Agency in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

Failure to pay the required service fee under this Section constitutes cause for discharge pursuant to Section 10.8 of this Agreement. However, no employee shall be terminated under this Section unless:

- (1) The Association first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (b) and (c) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the Agency for termination as provided in this Section; and
- (2) The Association has furnished the Agency with written proof that the procedure of subsection (1) above has been followed, or has supplied the Agency with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Association must further provide, when requesting the Agency to terminate the employee, the following written notice:

"The Association certifies that (employee's name) has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the Agency shall terminate the employee."

h. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

3.4 ASSOCIATION STEWARDS AND ASSOCIATION REPRESENTATION

a. The Agency recognizes and agrees to deal with the accredited Association stewards and representatives of the Association in all matters relating to grievances and the interpretation of this Agreement.

b. A written list of officers of the Association and the Association stewards with the specific areas they represent, shall be furnished to the Agency immediately after their designation and the Association shall notify the Agency promptly in writing of any changes of such Association officers or stewards.

c. The number of Association stewards shall not exceed four (4). Any change in the number of stewards shall be made by written consent of both parties.

d. Upon notification of the Human Resources Manager, or his/her designated representative, a representative of the Association who will be representing the employee in the grievance and arbitration procedure, may visit the Agency at any time mutually agreeable to both parties for the purpose of preparing the case for arbitration.

e. A representative of the Agency, at its option, may accompany the parties. In addition, the representatives and the Association President, or his/her designated representative, may privately interview employees, one at a time, in possession of facts relevant to the grievance. The interviews shall be held at a place provided by the Agency and for a reasonable period of time.

f. During any such visits, representatives shall not in any way interfere with the orderly and efficient operation of the Agency.

g. Notwithstanding the provisions of this Article and Article 4, Grievance and Arbitration Procedure, on all matters relating to grievances and the interpretation of this Agreement, the Agency shall deal with only the accredited Association stewards and those Association officers elected by the general membership. Further, the provisions of Section 3.4(d) shall apply to only such persons (including a representative of the Association).

h. Notwithstanding any provision of this Section, in the event the full agency shop becomes effective for the Unit during the term of this Agreement, the Association stewards for the Unit shall have no extensive designated responsibilities and shall not conduct any Association or representational activities, including grievance handling, on Agency time unless prior approval is expressly granted by Agency management.

3.5 ASSOCIATION BUSINESS

a. An employee who is elected or appointed to the Association office, or is selected for regular employment with the Association, shall be granted a leave of absence upon written request, at least thirty (30) days in advance, from the Agency. The leave shall be without pay for a one-year period or less. Leave of absence for Association business shall count as service time for the purpose of determining seniority.

b. Members of the Association Negotiating Committee shall be granted leave from duty with full benefits for the purpose of negotiating the terms of an agreement when such meetings take place at a time during which such members are scheduled to be on duty.

c. An employee who is elected or selected by the Association, upon written request of the President of the Association, may be granted an excused absence without pay for a period of time sufficient to attend to union business, conferences, conventions, or special training schools, subject to the needs of the Agency.

3.6 ASSOCIATION LEAVE

a. The Association shall accrue a leave bank of twelve (12) hours per month, ~~starting the first pay period of 2009,~~ to be used for the purposes of conducting Association business and attending training. These hours may only be used by Association representatives employed by the Agency. The hours shall accumulate to a maximum of 160 hours. Accrual shall continue once the hours are below the maximum amount.

b. The hours shall have no cash value and cannot be used for any other purpose than allowed under the provisions of this article.

c. The use of Association leave hours shall only be allowed if the Association provides a minimum of five (5) working days advance notice. The request shall be in writing and the approval/denial shall be provided in writing in a timely manner. Except for failure to provide five (5) working days advance notice, the leave request shall not be denied unless it would interfere with Agency business.

d. None of the leave hours shall be used for the purposes of advancing Association political views, such as attending political rallies or conferences, to support candidates running for office, or any such events of a similar nature.

e. Association representatives using leave time for reasons other than is expressly provided under this Article shall forfeit their rights to Association Leave and may be subject to disciplinary action up to and including termination.

3.7 BULLETIN BOARDS

a. For purposes of posting Association notices, the Agency shall provide the Association with adequate space on bulletin boards in areas where the Association has employees it represents. Such notices may be posted by the Association.

b. The Agency shall provide the Association with a list of bulletin boards with adequate space for Association notices. These same bulletin boards shall be utilized for the posting of job examination announcements and seniority lists.

c. In the event a dispute arises concerning the appropriateness of material posted, the President of the Association will be advised by the Human Resources Director of the nature of the dispute and the notices will be removed until the dispute is resolved.

3.8 USE OF FACILITIES

a. The Association can use Agency conference rooms and similar facilities for meetings with employees. Use of Agency meeting facilities requires reasonable advance notice to the appropriate Agency official and is subject to Agency use of such facilities. The Agency may establish reasonable regulations governing the use of Agency facilities as provided by this Section.

b. The Association will be permitted reasonable use, not to exceed once per calendar month, of the Agency's mail system for Association materials to employees covered by this Agreement. The mail code shall be clearly marked on the envelope for such mail. The Agency shall not be held responsible for untimely or lost mail.

ARTICLE 4 – GRIEVANCE AND ARBITRATION PROCEDURE

4.1 DEFINITION

A grievance is any dispute between (a) the parties, (b) the Agency and an employee or employees, or (c) between or among employees, with respect to the meaning, interpretation, application or enforcement of this Agreement.

4.2 INTENT

It is the intent of the parties to this Agreement to anticipate and diminish causes of grievances and to settle any which arise, informally at the lowest practicable level of supervision, and as fairly and promptly as possible. Therefore, it is agreed that there should be time limits between the initiation of a grievance and its occurrence, between steps of the grievance procedure, and the time in which each answer must be given. Any grievance not initiated, or pursued by the Association, aggrieved employee, or the Agency, as the case may be, within these time limits, will be considered settled on the basis of the last timely demand or answer by the Agency, as the case may be, unless the time is extended by agreement of both parties. At each step of the grievance procedure, the Agency shall make available information necessary and pertinent to the processing of the grievance, except for any material which, in the Agency's discretion must, in the public interest be kept confidential or which is intimate and private to the grieving employee.

4.3 PROCEDURE

Grievances will be processed in the following manner and within the stated time limits.

4.4 GRIEVANCE TIMELINES AND LIMITATIONS

No matter shall be considered a grievance unless it is presented in writing within thirty (30) calendar days after the occurrence of the events on which the grievance was based or within thirty (30) calendar days from which a reasonable person should have

been aware of the grievance events. It is the intent of this provision that a grievance shall be filed as soon as practical. Grievance resolutions involving back pay are limited to thirty (30) calendar days prior to the date the grievance was filed. The only two exceptions are if there is mutual agreement by the parties to waive this provision, or for pay discrepancies that are supported by appropriate documentation.

If the Agency does not meet the time limits, the Association may process the grievance to the next step. Time limits at each step may be waived or extended by mutual agreement of the parties.

4.5 INFORMAL GRIEVANCE

The aggrieved employee or group of employees or a representative of the Association shall orally present the grievance to the employee's appropriate supervisor or his/her designated representative within thirty (30) calendar days following the occurrence of events on which the grievance is based. The supervisor shall give his/her answer within ten (10) working days of the date of presentation of the grievance.

4.6 FORMAL GRIEVANCE - STEP 1

If the grievance is not resolved under Section 4.5, it shall be reduced to writing, setting forth the alleged facts or circumstances giving rise to the grievance, the applicable Section of the Agreement asserted to have been violated and the remedy or correction requested of the Agency. The written grievance must be dated and signed by the aggrieved employee or the employee's representative. The written grievance must be presented to the aggrieved employee's Department Director or the Department Director's designated representative, within ten (10) working days after the supervisor's answer under Section 4.5. The Department Director or designated representative shall establish a time for a grievance meeting with the aggrieved employee and/or the Association representative to occur within ten (10) working days after receipt of the written grievance in an attempt to resolve the matter. At the grievance meeting, the Department Director or designated representative shall receive such evidence relevant to the grievance as the aggrieved employee and/or Association representative may wish to introduce. The Department Director or designated representative shall then consider the evidence received and render a written decision within ten (10) working days after the grievance meeting.

4.7 FORMAL GRIEVANCE - STEP 2

a. If the grievance is not satisfactorily resolved at Step 1, the written grievance may be presented to the Executive Director or the Executive Director's designated representative within ten (10) working days after receipt of the Department Director's written answer. The Executive Director or designated representative shall investigate and receive such evidence in the matter as seems just and proper and may meet with the aggrieved employee and/or the Association representative in an attempt to resolve the grievance. The Executive Director or designated representative shall then consider the evidence received and render a written decision on the grievance within twenty (20) working days after receipt of the written grievance.

b. The Association or the Agency may initiate their grievances at this Step 2 of the grievance procedure. Any grievance by the Agency against the Association must be filed with the Association President.

c. If the grievance is not resolved at Step 2 by mutual agreement of the parties the matter may be referred to mediation by the California State Mediation and Conciliation Service.

4.8 FORMAL GRIEVANCE - ARBITRATION

a. Grievances not settled at Step 2 of the grievance procedure may be referred to arbitration. ~~by either party.~~ Only the Agency or the Association may advance a grievance to arbitration. Request for arbitration shall be made in writing within ten (10) working days after the Executive Director's response is given. An impartial arbitrator shall be selected jointly by the Agency and the Association within twenty (20) working days of receipt of the request. The parties shall attempt to mutually agree on an arbitrator. If the parties cannot agree on an arbitrator, they shall immediately make a joint request of the American Arbitration Association or State Mediation and Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The arbitrator shall have access to all written statements and documents relevant to the grievance. The arbitrator shall render his/her decision no later than sixty (60) days after the conclusion of the final hearing. Such decision shall be made in writing and shall be final and binding on both parties and made in accordance with, and in conformance to, the terms of this Agreement. Copies of the decision will be furnished to both parties.

b. The arbitrator shall have no authority to add to, delete, or alter any provision of this Agreement, but shall limit his/her decision to the scope, application and interpretation of the provisions of this Agreement and shall make no decisions in violation of existing law.

c. The fees and necessary expenses of any arbitration proceedings shall be shared equally by both parties, except that each party shall pay the fees of its own counsel and/or representative. The Agency agrees that employees shall not suffer loss of compensation for time spent as a witness or as the Association representative at an arbitration hearing held pursuant hereto. The Association agrees that the number of witnesses requested to attend and their scheduling shall be kept to a reasonable minimum.

~~b. The intent of this program is to enable eligible employees who file for their SDI benefits in accordance with applicable rules and procedures to integrate such SDI benefits with their own available leave balances. The regular net income is the employee's gross income, less any required deductions such as taxes, retirement and SDI insurance premiums, as well as any other mandatory deductions. Other employee authorized deductions shall be deducted from the resultant net pay.~~

~~e. Integration of SDI with accrued leave balances shall take place subject to the following conditions:~~

If the Agency does not receive the appropriate notification from the State of California prior to the end of the integration, the Agency will reverse the integration process and will treat the period of time as though no integration occurred.~~

~~(b) Receipt of the notice of eligibility from the State of California. If the employee chooses not to contact the Human Resources Department as outlined in subsection (a) above, it is recommended that he/she file for SDI as soon as possible. No integration under this option can occur until the Agency receives the notification from the State.~~

~~(2) When the employee's eligibility is established, the Agency shall make leave payments to the employee in the usual manner except that the net pay, including SDI benefits and net Agency pay, shall not exceed 100% of the regular net pay. If SDI benefits equal or exceed 100% of the regular net pay, no Agency payment shall be made.~~

~~(3) Special pay allowances not of a permanent nature, such as overtime compensation or higher duty assignment pay, shall not be counted in determining the employee's gross or net pay.~~

~~(4) Sick leave and vacation shall not accrue during the period of integrated SDI in which the employee receives SDI payments unless there are hours of work. The employee shall receive a prorated accrual based on the number of hours actually worked. Service credits toward seniority and step increase eligibility shall be accrued during any pay period during which an employee is on the integrated leave and SDI program.~~

~~(5) Any period of absence during which an employee is receiving SDI benefits but is not receiving leave integration payments shall be deemed a leave of absence without pay.~~

~~(6) If the employee exhausts all available leave balances but continues on SDI, the Agency compensation shall cease.~~

~~(7)~~ (1) The Agency shall continue its contributions toward the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include Agency payment for integrated leave balances. The employee shall be responsible for payment of premiums required to maintain medical insurance coverages when Agency contributions cease.

~~(8) Eligible part-time or temporary employees shall be included in this program on a pro-rata basis.~~

The reduced workweek shall not be reduced by more than twenty (20) hours of unpaid time per bi-weekly pay period. Work hours reduced in excess of 346 hours in a fiscal year will result in reduced retirement service credits.

c. Employees may be authorized to work a daily schedule of more than eight (8) hours but less than ten (10) hours. Employees who are scheduled to work such a daily schedule shall be paid at the overtime rate of time and one-half (1-1/2) for all hours worked in excess of their regularly scheduled workday and forty (40) hours per week.

e. Employees shall receive holiday benefits as follows:

- (1) Employees on reduced workweek or furlough on a recognized holiday will receive eight (8) hours or four (4) hours of holiday pay, as applicable.
- (2) Employees on a reduced workweek who work on a recognized holiday will receive holiday pay plus time and one-half (1-1/2) compensation for the hours worked.

f. The mutual agreement entered into by the employee and appointing authority or designee may provide for call-back arrangements if appropriate. Once mutual agreement is reached, the work furlough or reduced workweek shall continue in full force and effect from the effective date of the agreement until the employee or the department request to terminate it after thirty (30) day's notice. The agreement shall be void if an employee is injured off-the-job, has exhausted all leave accruals, and has more than forty (40) consecutive hours without pay. Any change to the agreed-upon work schedule or required overtime is subject to the applicable provisions of the labor agreement, if any.

g. An employee who participates in this voluntary work furlough/reduced workweek program shall receive full benefits for life insurance, accrued leave, holiday, and health and welfare benefits, including the Agency contribution, if applicable. The

application of the Agency's contribution to retirement, health and welfare benefits shall be the same as for a regular employee.

Probationary: The status of an employee who has been appointed to a classification, but who has not completed the required probationary period of fifty-two (52) weeks of continuous service.

Pre-approved time off during the probationary period shall not be considered to be a break in continuous service; however, any absence exceeding ten (10) work days shall extend the probationary period by an equal amount of time.

Part-Time: A position of varying duration, but must be such as to work more than twenty (20) hours and less than forty (40) hours per week.

Limited-Term: The status of an employee hired for a limited duration, up to a maximum of eighteen (18) months, because of seasonal workloads, special projects, or other reason. Such employee must work within one year from each date of employment, at least 1,040 hours during a continuous period of at least six (6) months.

c. The Agency will not utilize limited-term positions to circumvent the establishment of regular positions.

d. The Association will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the Agency's Employer-Employee Relations Policy.

3.2 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group insurance plans to which the Agency now is or shall hereafter be a contracting party, the Agency agrees to establish payroll deductions for members of the Association the first two (2) paydays of each month for:

- (1) the normal and regular monthly membership dues;
- (2) the service fees for non-members as set forth in Section 3.3 of this Agreement;
- (3) insurance premiums for plans to which the Agency is not a contracting party, including Association-sponsored disability insurance premiums and automobile insurance premiums; and
- (4) charitable contributions.

b. All payroll deductions set forth in Section 3.2(a) above shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the Agency. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the Agency and the Association.
- (2) Such deductions shall be made only upon submission to the Human Resources Department of said authorization form duly completed and executed by the employee and the Association.
- (3) The Association will be responsible for submitting to the Human Resources Department any changes in the amounts to be payroll

deducted from the paychecks of employees who have authorization forms on file with the Agency. The Agency may devise a payroll deduction input document for use by the Association.

- (4) The Agency must approve, in advance, all payroll deductions made pursuant to Section 3.2(a)(3) and (4). All insurance plans must be approved as being non-competitive and non-duplicative of Agency-offered insurance programs.
- (5) The Association agrees to indemnify, defend and hold the Agency, its officers, agents and employees harmless against any claims made, and against any suits instituted against them or any one of them on account of any payroll deduction made pursuant to this Article.

c. The Agency will remit to the Association a check for all the deductions.

d. Solicitation and/or servicing of Association insurance and benefit programs shall not interrupt on-duty employees nor be conducted in any Agency facility without prior approval of the Agency.

3.3 AGENCY SHOP

a. General

As a condition of continued employment, all regular employees who are paid one or more hours salary during a bi-weekly pay period, and all part-time employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Association or pay an agency shop service fee to the Association in an amount determined as set forth in subsection (b) below.

b. Service Fee

The service fee required shall be an amount equal to the Association's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Association shall exclude expenditures for members-only benefits and Association expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Association, and the Agency shall not be a party to the dispute.

No employee who is paid for less than one hour of salary during a bi-weekly pay period and no part-time employee who is paid for less than forty (40) hours of salary during a bi-weekly pay period shall be required to pay a service fee under this Section. Further, no employee shall be required to pay any service fee through their first full calendar month of employment with the Agency.

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Association, such employee shall be required to submit to the Association proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

United Way
Firefighters Burn Institute
Children's Receiving Home

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Association, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Association shall keep an adequate itemized record of its financial transactions and shall make available annually, to the Agency upon written request and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Association, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the Agency with a copy of such financial reports.

e. Hold Harmless

The Association shall promptly refund to the Agency any amounts paid to the Association in error under this Section.

The Association expressly agrees to indemnify and hold the Agency harmless from any and all claims, demands, costs (including any costs incurred by the Agency in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the Agency in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include, but not be limited to, employee legal actions of any sort or nature against the Agency based upon or related to this Section. Further, in the event that the Agency undertakes disciplinary action against an employee pursuant to this Section, this hold

harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the Agency in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

Failure to pay the required service fee under this Section constitutes cause for discharge pursuant to Section 10.8 of this Agreement. However, no employee shall be terminated under this Section unless:

- (1) The Association first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (b) and (c) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the Agency for termination as provided in this Section; and
- (2) The Association has furnished the Agency with written proof that the procedure of subsection (1) above has been followed, or has supplied the Agency with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Association must further provide, when requesting the Agency to terminate the employee, the following written notice:

"The Association certifies that (employee's name) has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the Agency shall terminate the employee."

h. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

3.4 ASSOCIATION STEWARDS AND ASSOCIATION REPRESENTATION

a. The Agency recognizes and agrees to deal with the accredited Association stewards and representatives of the Association in all matters relating to grievances and the interpretation of this Agreement.

b. A written list of officers of the Association and the Association stewards with the specific areas they represent, shall be furnished to the Agency immediately after their designation and the Association shall notify the Agency promptly in writing of any changes of such Association officers or stewards.

c. The number of Association stewards shall not exceed four (4). Any change in the number of stewards shall be made by written consent of both parties.

d. Upon notification of the Human Resources Manager, or his/her designated representative, a representative of the Association who will be representing the employee in the grievance and arbitration procedure, may visit the Agency at any time mutually agreeable to both parties for the purpose of preparing the case for arbitration.

e. A representative of the Agency, at its option, may accompany the parties. In addition, the representatives and the Association President, or his/her designated representative, may privately interview employees, one at a time, in possession of facts relevant to the grievance. The interviews shall be held at a place provided by the Agency and for a reasonable period of time.

f. During any such visits, representatives shall not in any way interfere with the orderly and efficient operation of the Agency.

g. Notwithstanding the provisions of this Article and Article 4, Grievance and Arbitration Procedure, on all matters relating to grievances and the interpretation of this Agreement, the Agency shall deal with only the accredited Association stewards and those Association officers elected by the general membership. Further, the provisions of Section 3.4(d) shall apply to only such persons (including a representative of the Association).

h. Notwithstanding any provision of this Section, in the event the full agency shop becomes effective for the Unit during the term of this Agreement, the Association stewards for the Unit shall have no extensive designated responsibilities and shall not conduct any Association or representational activities, including grievance handling, on Agency time unless prior approval is expressly granted by Agency management.

3.5 ASSOCIATION BUSINESS

a. An employee who is elected or appointed to the Association office, or is selected for regular employment with the Association, shall be granted a leave of absence upon written request, at least thirty (30) days in advance, from the Agency. The leave shall be without pay for a one-year period or less. Leave of absence for Association business shall count as service time for the purpose of determining seniority.

b. Members of the Association Negotiating Committee shall be granted leave from duty with full benefits for the purpose of negotiating the terms of an agreement when such meetings take place at a time during which such members are scheduled to be on duty.

c. An employee who is elected or selected by the Association, upon written request of the President of the Association, may be granted an excused absence without pay for a period of time sufficient to attend to union business, conferences, conventions, or special training schools, subject to the needs of the Agency.

3.6 ASSOCIATION LEAVE

a. The Association shall accrue a leave bank of twelve (12) hours per month, ~~starting the first pay period of 2009,~~ to be used for the purposes of conducting Association business and attending training. These hours may only be used by Association representatives employed by the Agency. The hours shall accumulate to a maximum of 160 hours. Accrual shall continue once the hours are below the maximum amount.

b. The hours shall have no cash value and cannot be used for any other purpose than allowed under the provisions of this article.

c. The use of Association leave hours shall only be allowed if the Association provides a minimum of five (5) working days advance notice. The request shall be in writing and the approval/denial shall be provided in writing in a timely manner. Except for failure to provide five (5) working days advance notice, the leave request shall not be denied unless it would interfere with Agency business.

d. None of the leave hours shall be used for the purposes of advancing Association political views, such as attending political rallies or conferences, to support candidates running for office, or any such events of a similar nature.

e. Association representatives using leave time for reasons other than is expressly provided under this Article shall forfeit their rights to Association Leave and may be subject to disciplinary action up to and including termination.

3.7 BULLETIN BOARDS

a. For purposes of posting Association notices, the Agency shall provide the Association with adequate space on bulletin boards in areas where the Association has employees it represents. Such notices may be posted by the Association.

b. The Agency shall provide the Association with a list of bulletin boards with adequate space for Association notices. These same bulletin boards shall be utilized for the posting of job examination announcements and seniority lists.

c. In the event a dispute arises concerning the appropriateness of material posted, the President of the Association will be advised by the Human Resources Director of the nature of the dispute and the notices will be removed until the dispute is resolved.

3.8 USE OF FACILITIES

a. The Association can use Agency conference rooms and similar facilities for meetings with employees. Use of Agency meeting facilities requires reasonable advance notice to the appropriate Agency official and is subject to Agency use of such facilities. The Agency may establish reasonable regulations governing the use of Agency facilities as provided by this Section.

b. The Association will be permitted reasonable use, not to exceed once per calendar month, of the Agency's mail system for Association materials to employees covered by this Agreement. The mail code shall be clearly marked on the envelope for such mail. The Agency shall not be held responsible for untimely or lost mail.

ARTICLE 4 – GRIEVANCE AND ARBITRATION PROCEDURE

4.1 DEFINITION

A grievance is any dispute between (a) the parties, (b) the Agency and an employee or employees, or (c) between or among employees, with respect to the meaning, interpretation, application or enforcement of this Agreement.

4.2 INTENT

It is the intent of the parties to this Agreement to anticipate and diminish causes of grievances and to settle any which arise, informally at the lowest practicable level of supervision, and as fairly and promptly as possible. Therefore, it is agreed that there should be time limits between the initiation of a grievance and its occurrence, between steps of the grievance procedure, and the time in which each answer must be given. Any grievance not initiated, or pursued by the Association, aggrieved employee, or the Agency, as the case may be, within these time limits, will be considered settled on the basis of the last timely demand or answer by the Agency, as the case may be, unless the time is extended by agreement of both parties. At each step of the grievance procedure, the Agency shall make available information necessary and pertinent to the processing of the grievance, except for any material which, in the Agency's discretion must, in the public interest be kept confidential or which is intimate and private to the grieving employee.

4.3 PROCEDURE

Grievances will be processed in the following manner and within the stated time limits.

4.4 GRIEVANCE TIMELINES AND LIMITATIONS

No matter shall be considered a grievance unless it is presented in writing within thirty (30) calendar days after the occurrence of the events on which the grievance was based or within thirty (30) calendar days from which a reasonable person should have

been aware of the grievance events. It is the intent of this provision that a grievance shall be filed as soon as practical. Grievance resolutions involving back pay are limited to thirty (30) calendar days prior to the date the grievance was filed. The only two exceptions are if there is mutual agreement by the parties to waive this provision, or for pay discrepancies that are supported by appropriate documentation.

If the Agency does not meet the time limits, the Association may process the grievance to the next step. Time limits at each step may be waived or extended by mutual agreement of the parties.

4.5 INFORMAL GRIEVANCE

The aggrieved employee or group of employees or a representative of the Association shall orally present the grievance to the employee's appropriate supervisor or his/her designated representative within thirty (30) calendar days following the occurrence of events on which the grievance is based. The supervisor shall give his/her answer within ten (10) working days of the date of presentation of the grievance.

4.6 FORMAL GRIEVANCE - STEP 1

If the grievance is not resolved under Section 4.5, it shall be reduced to writing, setting forth the alleged facts or circumstances giving rise to the grievance, the applicable Section of the Agreement asserted to have been violated and the remedy or correction requested of the Agency. The written grievance must be dated and signed by the aggrieved employee or the employee's representative. The written grievance must be presented to the aggrieved employee's Department Director or the Department Director's designated representative, within ten (10) working days after the supervisor's answer under Section 4.5. The Department Director or designated representative shall establish a time for a grievance meeting with the aggrieved employee and/or the Association representative to occur within ten (10) working days after receipt of the written grievance in an attempt to resolve the matter. At the grievance meeting, the Department Director or designated representative shall receive such evidence relevant to the grievance as the aggrieved employee and/or Association representative may wish to introduce. The Department Director or designated representative shall then consider the evidence received and render a written decision within ten (10) working days after the grievance meeting.

4.7 FORMAL GRIEVANCE - STEP 2

a. If the grievance is not satisfactorily resolved at Step 1, the written grievance may be presented to the Executive Director or the Executive Director's designated representative within ten (10) working days after receipt of the Department Director's written answer. The Executive Director or designated representative shall investigate and receive such evidence in the matter as seems just and proper and may meet with the aggrieved employee and/or the Association representative in an attempt to resolve the grievance. The Executive Director or designated representative shall then consider the evidence received and render a written decision on the grievance within twenty (20) working days after receipt of the written grievance.

b. The Association or the Agency may initiate their grievances at this Step 2 of the grievance procedure. Any grievance by the Agency against the Association must be filed with the Association President.

c. If the grievance is not resolved at Step 2 by mutual agreement of the parties the matter may be referred to mediation by the California State Mediation and Conciliation Service.

4.8 FORMAL GRIEVANCE - ARBITRATION

a. Grievances not settled at Step 2 of the grievance procedure may be referred to arbitration. ~~by either party.~~ Only the Agency or the Association may advance a grievance to arbitration. Request for arbitration shall be made in writing within ten (10) working days after the Executive Director's response is given. An impartial arbitrator shall be selected jointly by the Agency and the Association within twenty (20) working days of receipt of the request. The parties shall attempt to mutually agree on an arbitrator. If the parties cannot agree on an arbitrator, they shall immediately make a joint request of the American Arbitration Association or State Mediation and Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The arbitrator shall have access to all written statements and documents relevant to the grievance. The arbitrator shall render his/her decision no later than sixty (60) days after the conclusion of the final hearing. Such decision shall be made in writing and shall be final and binding on both parties and made in accordance with, and in conformance to, the terms of this Agreement. Copies of the decision will be furnished to both parties.

b. The arbitrator shall have no authority to add to, delete, or alter any provision of this Agreement, but shall limit his/her decision to the scope, application and interpretation of the provisions of this Agreement and shall make no decisions in violation of existing law.

c. The fees and necessary expenses of any arbitration proceedings shall be shared equally by both parties, except that each party shall pay the fees of its own counsel and/or representative. The Agency agrees that employees shall not suffer loss of compensation for time spent as a witness or as the Association representative at an arbitration hearing held pursuant hereto. The Association agrees that the number of witnesses requested to attend and their scheduling shall be kept to a reasonable minimum.

d. The Agency and the Association shall provide, in writing, the names of witnesses and representatives attending the arbitration proceedings, at least one (1) week in advance of the proceedings. The regular net income is the employee's gross income, less any required deductions such as taxes, retirement and SDI insurance premiums, as well as any other mandatory deductions. If the Agency does not receive the appropriate notification from the State of California prior to the end of the integration, the Agency will reverse the integration process and will treat the period of time as though no integration occurred.~~

~~(b) Receipt of the notice of eligibility from the State of California. If the employee chooses not to contact the Human Resources Department as outlined in subsection (a) above, it is recommended that he/she file for SDI as soon as possible. No integration under this option can occur until the Agency receives the notification from the State.~~

~~(2) When the employee's eligibility is established, the Agency shall make leave payments to the employee in the usual manner except that the net pay, including SDI benefits and net Agency pay, shall not exceed 100% of the regular net pay. The employee shall receive a prorated accrual based on the number of hours actually worked. Service credits toward seniority and step increase eligibility shall be accrued during any pay period during which an employee is on the integrated leave and SDI program.~~

~~(5) Any period of absence during which an employee is receiving SDI benefits but is not receiving leave integration payments shall be deemed a leave of absence without pay.~~

~~(6) If the employee exhausts all available leave balances but continues on SDI, the Agency compensation shall cease.~~

~~(7)~~ (1) The Agency shall continue its contributions toward the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include Agency payment for integrated leave balances. The employee shall be responsible for payment of premiums required to maintain medical insurance coverages when Agency contributions cease.

~~During any period of SDI integration the employee may not be compensated at greater than 100% of normal pay in accordance with SDI provisions.~~

~~(8) Eligible part-time or temporary employees shall be included in this program on a pro-rata basis.~~

Employees who do not wish to bump down or are unable to bump to another or lower classification or are not qualified to perform the functions of the classification shall be laid off.

- (a) If there are employees with limited-term status, the downgrading employee shall first displace such limited-term employee with the least Agency service seniority.
- (b) If there are no employees with limited-term status, the downgrading employee shall then displace the employee with probationary status with the least classification seniority.

~~(c)~~ If there are no employees with limited-term or probationary status, the downgrading employee shall then displace the employee with permanent-regular status with the least seniority, provided the downgrading employee has greater seniority. ~~Classification seniority shall be utilized as the applicable seniority for downgrading purposes except that Agency service seniority shall be utilized to downgrade into the following classifications:~~

- ~~Buyer~~
- ~~Finance Specialist - Payroll~~
- ~~IT Customer Support Specialist~~
- ~~Loan Processing Analyst/Loan Administrator~~
- ~~Program Technician~~
- ~~Housing Authority Specialist~~
- ~~Resident Services Specialist~~

(4) Probationary Employees: Any probationary employee who is affected by a layoff or displaced by a bumping employee shall return to the former job classification where the employee held regular status, if the employee is eligible to bump a less senior employee. If a probationary employee did not hold regular status in another job classification, the employee will be laid off without right of recall.

~~(5) Classification Not Listed in a Regression Ladder: For any classification not listed in a regression ladder, the employee with regular status shall have the right to bump, in the same manner as provided in Section 11.3(b)(2) to the last classification in which regular status was held, if any, provided such classification is covered by this Agreement. If the employee bumps to a classification within a regression ladder, the employee shall have the right to bump down through that new regression ladder only. If the employee is unable to bump down, the employee shall then be laid off.~~

~~(6)~~(5) In-Lieu of Bumping: An employee may accept layoff in-lieu of the opportunity to bump by notifying the Human Resources Department within three (3) working days of receiving notice of layoff. Where the employee accepts a layoff in-lieu of bumping, said employee

shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

~~(7)~~(6) Salary In Event Of Bumping: An employee who bumps down to a lower classification pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to bumping providing there is no increase in pay.

~~(8)~~(7) Fringe Benefits: Employees laid off shall be paid vacation and other benefits pursuant to this Agreement. Employees being recalled shall have their sick leave restored.

11.4 RECALL

This section shall be followed when an employee(s) is called back to work or returned back to the classification they were bumped from.

a. All laid off or bumped regular employees shall be put on a recall list. The recall list shall remain in effect for a period of two (2) years. Laid off or bumped employees shall be recalled in inverse order of the layoff or bump.

b. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on Human Resources Department records unless a more recent address has been furnished in writing by the bumped or laid-off employee.

c. This recall notice shall be by certified mail, return receipt requested, and the employee shall have fourteen (14) calendar days to report to work from the date of receipt of the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been bumped or laid off shall be required to meet the qualifications of the classification to which he/she is recalled.

If an employee notifies the Agency within the fourteen (14) calendar days that they need an extension to report to work the Agency may grant up to fourteen (14) additional calendar days.

d. In the event the Agency has a regular full-time opening, the Agency shall only be obligated to recall eligible laid-off or bumped employees who held regular status. The Agency shall offer part-time or limited-term employment (not recall) to eligible laid-off or bumped employees who held regular status, but if such employee(s) accepts or refuses such employment offer there shall be no effect on the original duration of the two (2) consecutive year recall period. The Agency shall not be obligated to offer employment or recall any employee(s) to any temporary position.

e. An employee recalled to their previous classification shall be assigned at the same step previously held. If their current wage is higher than their previous step they shall be assigned to the next higher step.

f. Regular employees who were laid off because they did not wish to bump down or were unable to bump to another or lower classification or who were not qualified to perform the functions of the classification shall only have recall rights to the classification from which they were laid off.

11.5 VOLUNTARY WORK FURLOUGH/REDUCED WORKWEEK PROGRAM

a. "Work furlough" refers to a full day of unpaid leave on a variable schedule. "Reduced workweek" refers to a schedule of a full-time career employee which is modified on a regular fixed basis to less than forty (40) hours per week.

b. The period of work furlough shall not exceed two (2) days of unpaid time per biweekly pay period for a 5/8 schedule or a 4/10 schedule. The reduced workweek shall not be reduced by more than twenty (20) hours of unpaid time per bi-weekly pay period. Work hours reduced in excess of 346 hours in a fiscal year will result in reduced retirement service credits.

c. Employees may be authorized to work a daily schedule of more than eight (8) hours but less than ten (10) hours. Employees who are scheduled to work such a daily schedule shall be paid at the overtime rate of time and one-half (1-1/2) for all hours worked in excess of their regularly scheduled workday and forty (40) hours per week.

d. An employee will not be permitted to use accrued paid time during such furloughed or reduced hours.

e. Employees shall receive holiday benefits as follows:

- (1) Employees on reduced workweek or furlough on a recognized holiday will receive eight (8) hours or four (4) hours of holiday pay, as applicable.
- (2) Employees on a reduced workweek who work on a recognized holiday will receive holiday pay plus time and one-half (1-1/2) compensation for the hours worked.

f. The mutual agreement entered into by the employee and appointing authority or designee may provide for call-back arrangements if appropriate. Once mutual agreement is reached, the work furlough or reduced workweek shall continue in full force and effect from the effective date of the agreement until the employee or the department request to terminate it after thirty (30) day's notice. The agreement shall be void if an employee is injured off-the-job, has exhausted all leave accruals, and has more than forty (40) consecutive hours without pay. Any change to the agreed-upon work schedule or required overtime is subject to the applicable provisions of the labor agreement, if any.

g. An employee who participates in this voluntary work furlough/reduced workweek program shall receive full benefits for life insurance, accrued leave, holiday, and health and welfare benefits, including the Agency contribution, if applicable. The

application of the Agency's contribution to retirement, health and welfare benefits shall be the same as for a regular employee.

h. No employee will be coerced into accepting a voluntary furlough or reduced workweek. No employee will suffer any adverse action or negative impact on an employee evaluation due to his/her decision not to participate in a voluntary furlough or reduced workweek.

11.6 EMPLOYEES NOT COVERED BY THIS AGREEMENT

a. Where an employee holds status in a job classification not covered by this Agreement, and is laid off from that job classification, such employee shall be entitled to bump to a job classification covered by this Agreement in accordance with Section 11.3(b)(3) of this Article, provided such employee held regular status in such bargaining unit job classification not more than two (2) years prior to the effective date of the layoff. Such employee shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to being bumped, providing there is no increase in pay.

b. When an employee is demoted to a classification in the Unit, provided there is a vacancy and the employee is qualified, the salary shall be established in accordance with Section 11.3(b)(7).

of up to eighty percent (80%) of the cost of the pass to a maximum of \$100. Employees must submit their claim for the eighty percent (80%) reimbursement no later than the tenth (10th) calendar day of the month for which the pass is valid to be eligible for the reimbursement.

Part-Time: A position of varying duration, but must be such as to work more than twenty (20) hours and less than forty (40) hours per week.

Limited-Term: The status of an employee hired for a limited duration, up to a maximum of eighteen (18) months, because of seasonal workloads, special projects, or other reason. Such employee must work within one year from each date of employment, at least 1,040 hours during a continuous period of at least six (6) months.

c. The Agency will not utilize limited-term positions to circumvent the establishment of regular positions.

d. The Association will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the Agency's Employer-Employee Relations Policy.

3.2 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group insurance plans to which the Agency now is or shall hereafter be a contracting party, the Agency agrees to establish payroll deductions for members of the Association the first two (2) paydays of each month for:

- (1) the normal and regular monthly membership dues;
- (2) the service fees for non-members as set forth in Section 3.3 of this Agreement;
- (3) insurance premiums for plans to which the Agency is not a contracting party, including Association-sponsored disability insurance premiums and automobile insurance premiums; and
- (4) charitable contributions.

b. All payroll deductions set forth in Section 3.2(a) above shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the Agency. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the Agency and the Association.
- (2) Such deductions shall be made only upon submission to the Human Resources Department of said authorization form duly completed and executed by the employee and the Association.
- (3) The Association will be responsible for submitting to the Human Resources Department any changes in the amounts to be payroll

deducted from the paychecks of employees who have authorization forms on file with the Agency. The Agency may devise a payroll deduction input document for use by the Association.

- (4) The Agency must approve, in advance, all payroll deductions made pursuant to Section 3.2(a)(3) and (4). All insurance plans must be approved as being non-competitive and non-duplicative of Agency-offered insurance programs.
- (5) The Association agrees to indemnify, defend and hold the Agency, its officers, agents and employees harmless against any claims made, and against any suits instituted against them or any one of them on account of any payroll deduction made pursuant to this Article.

c. The Agency will remit to the Association a check for all the deductions.

d. Solicitation and/or servicing of Association insurance and benefit programs shall not interrupt on-duty employees nor be conducted in any Agency facility without prior approval of the Agency.

3.3 AGENCY SHOP

a. General

As a condition of continued employment, all regular employees who are paid one or more hours salary during a bi-weekly pay period, and all part-time employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Association or pay an agency shop service fee to the Association in an amount determined as set forth in subsection (b) below.

b. Service Fee

The service fee required shall be an amount equal to the Association's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Association shall exclude expenditures for members-only benefits and Association expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Association, and the Agency shall not be a party to the dispute.

No employee who is paid for less than one hour of salary during a bi-weekly pay period and no part-time employee who is paid for less than forty (40) hours of salary during a bi-weekly pay period shall be required to pay a service fee under this Section. Further, no employee shall be required to pay any service fee through their first full calendar month of employment with the Agency.

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Association, such employee shall be required to submit to the Association proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

United Way
Firefighters Burn Institute
Children's Receiving Home

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Association, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Association shall keep an adequate itemized record of its financial transactions and shall make available annually, to the Agency upon written request and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Association, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the Agency with a copy of such financial reports.

e. Hold Harmless

The Association shall promptly refund to the Agency any amounts paid to the Association in error under this Section.

The Association expressly agrees to indemnify and hold the Agency harmless from any and all claims, demands, costs (including any costs incurred by the Agency in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the Agency in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include, but not be limited to, employee legal actions of any sort or nature against the Agency based upon or related to this Section. Further, in the event that the Agency undertakes disciplinary action against an employee pursuant to this Section, this hold

harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the Agency in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

Failure to pay the required service fee under this Section constitutes cause for discharge pursuant to Section 10.8 of this Agreement. However, no employee shall be terminated under this Section unless:

- (1) The Association first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (b) and (c) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the Agency for termination as provided in this Section; and
- (2) The Association has furnished the Agency with written proof that the procedure of subsection (1) above has been followed, or has supplied the Agency with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Association must further provide, when requesting the Agency to terminate the employee, the following written notice:

"The Association certifies that (employee's name) has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the Agency shall terminate the employee."

h. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

3.4 ASSOCIATION STEWARDS AND ASSOCIATION REPRESENTATION

a. The Agency recognizes and agrees to deal with the accredited Association stewards and representatives of the Association in all matters relating to grievances and the interpretation of this Agreement.

b. A written list of officers of the Association and the Association stewards with the specific areas they represent, shall be furnished to the Agency immediately after their designation and the Association shall notify the Agency promptly in writing of any changes of such Association officers or stewards.

4.1 DEFINITION

A grievance is any dispute between (a) the parties, (b) the Agency and an employee or employees, or (c) between or among employees, with respect to the meaning, interpretation, application or enforcement of this Agreement.

4.2 INTENT

It is the intent of the parties to this Agreement to anticipate and diminish causes of grievances and to settle any which arise, informally at the lowest practicable level of supervision, and as fairly and promptly as possible. Therefore, it is agreed that there should be time limits between the initiation of a grievance and its occurrence, between steps of the grievance procedure, and the time in which each answer must be given. Any grievance not initiated, or pursued by the Association, aggrieved employee, or the Agency, as the case may be, within these time limits, will be considered settled on the basis of the last timely demand or answer by the Agency, as the case may be, unless the time is extended by agreement of both parties. At each step of the grievance procedure, the Agency shall make available information necessary and pertinent to the processing of the grievance, except for any material which, in the Agency's discretion must, in the public interest be kept confidential or which is intimate and private to the grieving employee.

4.3 PROCEDURE

Grievances will be processed in the following manner and within the stated time limits.

4.4 GRIEVANCE TIMELINES AND LIMITATIONS

No matter shall be considered a grievance unless it is presented in writing within thirty (30) calendar days after the occurrence of the events on which the grievance was based or within thirty (30) calendar days from which a reasonable person should have

been aware of the grievance events. It is the intent of this provision that a grievance shall be filed as soon as practical. Grievance resolutions involving back pay are limited to thirty (30) calendar days prior to the date the grievance was filed. The only two exceptions are if there is mutual agreement by the parties to waive this provision, or for pay discrepancies that are supported by appropriate documentation.

If the Agency does not meet the time limits, the Association may process the grievance to the next step. Time limits at each step may be waived or extended by mutual agreement of the parties.

4.5 INFORMAL GRIEVANCE

The aggrieved employee or group of employees or a representative of the Association shall orally present the grievance to the employee's appropriate supervisor or his/her designated representative within thirty (30) calendar days following the occurrence of events on which the grievance is based. The supervisor shall give his/her answer within ten (10) working days of the date of presentation of the grievance.

4.6 FORMAL GRIEVANCE - STEP 1

The written grievance must be dated and signed by the aggrieved employee or the employee's representative. The written grievance must be presented to the aggrieved employee's Department Director or the Department Director's designated representative, within ten (10) working days after the supervisor's answer under Section 4.5. The Department Director or designated representative shall establish a time for a grievance meeting with the aggrieved employee and/or the Association representative to occur within ten (10) working days after receipt of the written grievance in an attempt to resolve the matter. At the grievance meeting, the Department Director or designated representative shall receive such evidence relevant to the grievance as the aggrieved employee and/or Association representative may wish to introduce. The Department Director or designated representative shall then consider the evidence received and render a written decision within ten (10) working days after the grievance meeting.

4.7 FORMAL GRIEVANCE - STEP 2

a. If the grievance is not satisfactorily resolved at Step 1, the written grievance may be presented to the Executive Director or the Executive Director's designated representative within ten (10) working days after receipt of the Department Director's written answer. The Executive Director or designated representative shall investigate and receive such evidence in the matter as seems just and proper and may meet with the aggrieved employee and/or the Association representative in an attempt to resolve the grievance. The Executive Director or designated representative shall then consider the evidence received and render a written decision on the grievance within twenty (20) working days after receipt of the written grievance.

b. The Association or the Agency may initiate their grievances at this Step 2 of the grievance procedure. Any grievance by the Agency against the Association must be filed with the Association President.

c. If the grievance is not resolved at Step 2 by mutual agreement of the parties the matter may be referred to mediation by the California State Mediation and Conciliation Service.

4.8 FORMAL GRIEVANCE - ARBITRATION

a. Grievances not settled at Step 2 of the grievance procedure may be referred to arbitration. ~~by either party.~~ Only the Agency or the Association may advance a grievance to arbitration. The parties shall attempt to mutually agree on an arbitrator. If the parties cannot agree on an arbitrator, they shall immediately make a joint request of the American Arbitration Association or State Mediation and Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The arbitrator shall have access to all written statements and documents relevant to the grievance. The arbitrator shall render his/her decision no later than sixty (60) days after the conclusion of the final hearing. Such decision shall be made in writing and shall be final and binding on both parties and made in accordance with, and in conformance to, the terms of this Agreement. Copies of the decision will be furnished to both parties.

b. The arbitrator shall have no authority to add to, delete, or alter any provision of this Agreement, but shall limit his/her decision to the scope, application and interpretation of the provisions of this Agreement and shall make no decisions in violation of existing law.

c. The fees and necessary expenses of any arbitration proceedings shall be shared equally by both parties, except that each party shall pay the fees of its own counsel and/or representative. The Agency agrees that employees shall not suffer loss of compensation for time spent as a witness or as the Association representative at an arbitration hearing held pursuant hereto. The Association agrees that the number of witnesses requested to attend and their scheduling shall be kept to a reasonable minimum.

No integration under this option can occur until the Agency receives the notification from the State.~~

~~(6) If the employee exhausts all available leave balances but continues on SDI, the Agency compensation shall cease.~~

~~(7)~~ (1) The Agency shall continue its contributions toward the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include Agency payment for integrated leave balances. e. Regression Ladder: A regression ladder shall be defined as a classification series through which a more senior employee may bump a less senior employee. The regression ladders are as set forth in Exhibit B. Any new classifications shall be added to applicable regression ladders at the time they are created. Before adding new classifications to the regression ladder, the Agency will meet with the Association to discuss the placement of the new classification on the ladder.

11.3 REDUCED WORK SCHEDULE, TEMPORARY LAYOFF AND PERMANENT LAYOFF PROCEDURE

a. Notice: In the event of reduced work schedule, temporary layoff, or permanent layoff, the Agency shall first provide a list of the affected classifications and employee(s) to the Association, at least thirty (30) calendar days prior to the event. All affected employees shall be notified at least fourteen (14) calendar days prior to the effective date of the event.

All affected employee(s) shall be notified of the pending event by certified mail, return receipt requested. Such notice shall be mailed to the employee's address currently on file in the Human Resources Department and shall be deemed appropriate notice.

b. Procedure: This Section provides the procedure to be followed when an employee(s) is placed on a reduced work schedule, or temporarily or permanently laid off.

(1) Reduced Work Schedule: In the event of a reduced work schedule the Agency shall determine which classifications or departments will be affected. In the event all the employees are not affected the Agency shall reduce the work schedules of the least senior employees first in each classification affected, second by least Agency seniority, unless more senior employee(s) volunteer.

(2) Temporary Layoff and Layoff: Employees with the least seniority shall be laid off first. Seniority shall apply as follows: first

- 2nd Regular Part-Time Probationary
- 3rd Regular Full-Time Probationary
- 4th Regular Part-Time
- 5th Regular Full-Time

(3) Bumping: Within a job classification, any employee with regular status who is to be laid off or displaced shall have the right to bump, in descending order, to job classifications within his/her regression ladder, if any, provided that the employee meets the qualifications of the lower classification and can bump an employee in the lower classification as follows:

- 1st Limited-term employee with the least Agency service seniority
- 2nd Regular part-time employee with the least Agency service seniority
- 3rd Regular full-time employee with probationary status with the least classification seniority
- 4th Regular full-time employee with the least classification seniority, provided the bumping employee has greater Agency seniority. ~~Classification seniority shall be utilized as the applicable seniority for bumping purposes except that Agency service seniority shall be utilized to bump into the following classifications:~~

~~Buyer
Finance Specialist – Payroll
IT Customer Support Specialist
Loan Processing Analyst/Loan Administrator
Program Technician
Housing Authority Specialist
Resident Services Specialist~~

Employees who do not wish to bump down or are unable to bump to another or lower classification or are not qualified to perform the functions of the classification shall be laid off.

- (a) If there are employees with limited-term status, the downgrading employee shall first displace such limited-term employee with the least Agency service seniority.
- (b) If there are no employees with limited-term status, the downgrading employee shall then displace the employee with probationary status with the least classification seniority.

~~(c) If there are no employees with limited-term or probationary status, the downgrading employee shall then displace the employee with permanent-regular status with the least seniority, provided the downgrading employee has greater seniority. ~~Classification seniority shall be utilized as the applicable seniority for downgrading purposes except that Agency service seniority shall be utilized to downgrade into the following classifications:~~~~

- ~~Buyer~~
- ~~Finance Specialist – Payroll~~
- ~~IT Customer Support Specialist~~
- ~~Loan Processing Analyst/Loan Administrator~~
- ~~Program Technician~~
- ~~Housing Authority Specialist~~
- ~~Resident Services Specialist~~

(4) Probationary Employees: Any probationary employee who is affected by a layoff or displaced by a bumping employee shall return to the former job classification where the employee held regular status, if the employee is eligible to bump a less senior employee. If a probationary employee did not hold regular status in another job classification, the employee will be laid off without right of recall.

~~(5) Classification Not Listed in a Regression Ladder: For any classification not listed in a regression ladder, the employee with regular status shall have the right to bump, in the same manner as provided in Section 11.3(b)(2) to the last classification in which regular status was held, if any, provided such classification is covered by this Agreement. If the employee bumps to a classification within a regression ladder, the employee shall have the right to bump down through that new regression ladder only. If the employee is unable to bump down, the employee shall then be laid off.~~

~~(6)~~(5) In-Lieu of Bumping: An employee may accept layoff in-lieu of the opportunity to bump by notifying the Human Resources Department within three (3) working days of receiving notice of layoff. Where the employee accepts a layoff in-lieu of bumping, said employee

shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

~~(7)~~(6) Salary In Event Of Bumping: An employee who bumps down to a lower classification pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to bumping providing there is no increase in pay.

~~(8)~~(7) Fringe Benefits: Employees laid off shall be paid vacation and other benefits pursuant to this Agreement. Employees being recalled shall have their sick leave restored.

11.4 RECALL

This section shall be followed when an employee(s) is called back to work or returned back to the classification they were bumped from.

a. All laid off or bumped regular employees shall be put on a recall list. The recall list shall remain in effect for a period of two (2) years. Laid off or bumped employees shall be recalled in inverse order of the layoff or bump.

b. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on Human Resources Department records unless a more recent address has been furnished in writing by the bumped or laid-off employee.

c. This recall notice shall be by certified mail, return receipt requested, and the employee shall have fourteen (14) calendar days to report to work from the date of receipt of the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been bumped or laid off shall be required to meet the qualifications of the classification to which he/she is recalled.

If an employee notifies the Agency within the fourteen (14) calendar days that they need an extension to report to work the Agency may grant up to fourteen (14) additional calendar days.

d. In the event the Agency has a regular full-time opening, the Agency shall only be obligated to recall eligible laid-off or bumped employees who held regular status. The Agency shall offer part-time or limited-term employment (not recall) to eligible laid-off or bumped employees who held regular status, but if such employee(s) accepts or refuses such employment offer there shall be no effect on the original duration of the two (2) consecutive year recall period. The Agency shall not be obligated to offer employment or recall any employee(s) to any temporary position.

e. An employee recalled to their previous classification shall be assigned at the same step previously held. If their current wage is higher than their previous step they shall be assigned to the next higher step.

f. Regular employees who were laid off because they did not wish to bump down or were unable to bump to another or lower classification or who were not qualified to perform the functions of the classification shall only have recall rights to the classification from which they were laid off.

The reduced workweek shall not be reduced by more than twenty (20) hours of unpaid time per bi-weekly pay period. Work hours reduced in excess of 346 hours in a fiscal year will result in reduced retirement service credits.

c. Employees may be authorized to work a daily schedule of more than eight (8) hours but less than ten (10) hours. Employees who are scheduled to work such a daily schedule shall be paid at the overtime rate of time and one-half (1-1/2) for all hours worked in excess of their regularly scheduled workday and forty (40) hours per week.

d. An employee will not be permitted to use accrued paid time during such furloughed or reduced hours.

e. Employees shall receive holiday benefits as follows:

- (1) Employees on reduced workweek or furlough on a recognized holiday will receive eight (8) hours or four (4) hours of holiday pay, as applicable.
- (2) Employees on a reduced workweek who work on a recognized holiday will receive holiday pay plus time and one-half (1-1/2) compensation for the hours worked.

f. The mutual agreement entered into by the employee and appointing authority or designee may provide for call-back arrangements if appropriate. Once mutual agreement is reached, the work furlough or reduced workweek shall continue in full force and effect from the effective date of the agreement until the employee or the department request to terminate it after thirty (30) day's notice. The agreement shall be void if an employee is injured off-the-job, has exhausted all leave accruals, and has more than forty (40) consecutive hours without pay. Any change to the agreed-upon work schedule or required overtime is subject to the applicable provisions of the labor agreement, if any.

g. An employee who participates in this voluntary work furlough/reduced workweek program shall receive full benefits for life insurance, accrued leave, holiday, and health and welfare benefits, including the Agency contribution, if applicable. The

application of the Agency's contribution to retirement, health and welfare benefits shall be the same as for a regular employee.

h. No employee will be coerced into accepting a voluntary furlough or reduced workweek. No employee will suffer any adverse action or negative impact on an employee evaluation due to his/her decision not to participate in a voluntary furlough or reduced workweek.

Such employee shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to being bumped, providing there is no increase in pay.
