Description/Analysis

Issue Detail: The Cosumnes Community Services District, City of Folsom, City of Isleton, Wilton Fire District, Courtland Fire Protection District, Herald Fire Protection District, River Delta Fire Protection District, Walnut Grove Fire Protection District, County of Sacramento, Airport System, Sacramento Metropolitan Fire District, and City of Sacramento have been in contract to provide mutual aid in the form of supplemental fire prevention, fire investigation, emergency medical services, hazardous materials control, water rescue, technical rescue and/or other emergency support during a major fire, disaster or other emergency. Parties endeavor to cooperatively provide an appropriate, consistent, and efficient full service emergency response without regard to jurisdictional boundaries.

The Automatic and Mutual Aid Agreement between these Sacramento County Fire Agencies has been in place for twenty years. The agreement, attached as Exhibit A, updates the current agreement to include the process when an employee from one agency volunteers for another agency, to allow employees from this other agency to attend funerals, parades and other special events. The agreement will be effective starting July 1, 2013 to provide adequate time for each agency to review and approve the attached Automatic and Mutual Aid Agreement.

Staff recommends the City Manager, or his designee, to execute an Automatic and Mutual Aid Agreement, Exhibit A hereto, between Sacramento County Fire Agencies for All Hazard Emergency Response.

Policy Considerations: Approval of the recommendation is consistent with the City's interests in establishing and strengthening community and regional partnerships, sharing expertise and best practices, and enhancing the quality of life for all residents.

Economic Impacts: None.

Environmental Considerations: This report concerns administrative activities that do not constitute a "project" as defined by section 15378 of the California Environmental Quality Act ("CEQA") Guidelines and is otherwise exempt pursuant to sections 15061(b)(3); 15378(b)(2). In the event of a hazardous materials incident, the Sacramento Fire Department cooperates with the Sacramento County Hazardous Material Division to assure that all hazardous materials are disposed of and that any site contamination is mitigated according to the provisions of the California Health & Safety Code.

Sustainability: There are no sustainability considerations applicable in approving this Agreement.

Commission/Committee Action: None.

Rationale for Recommendation: This agreement for mutual assistance will allow each participating agency to supply equipment, materials and personnel to the others if and when it becomes necessary due to the magnitude of the emergency.

Financial Considerations: Each party agrees that it will not seek from the other party compensation for services rendered under the agreement for the first twelve hours of each individual incident requiring automatic or mutual aid. Should services be extended beyond twelve hours, the responding party shall be reimbursed for equipment and staff in accordance with the provisions contained within the most current version of the California Fire Master Mutual Aid Agreement. Each party shall at all times be responsible to its own employees for the payment of wages and any and all forms of other compensation.

Emerging Small Business Development (ESBD): No goods and/or services are being purchased as a result of this recommendation.

1. PURPOSE

The stated purpose of the Agreement is to provide mutual aid assistance to the Parties for control of fire, fire prevention, fire investigation, emergency medical services, hazardous materials control, water rescue, technical rescue, and/or other emergency support; and in the event of a major fire disaster or other emergency. Pursuant to the terms and conditions set forth below, the Parties agree to endeavor to cooperatively provide an appropriate, consistent and efficient full service emergency medical services system without regard to jurisdictional boundaries.

2. MUTUAL AID PROVISION

When requested by a Party, one or more of the other Parties shall respond with appropriate staffing and equipment to provide assistance with fires of all types and other emergencies of all types within the jurisdiction of the Party requesting assistance (“**Mutual Aid**”). The Party requesting Mutual Aid in a particular incident shall be the “**Requesting Party**”. Any Party providing Mutual Aid in a particular incident shall be the “**Responding Party**”. All Mutual Aid shall be provided within the limits of County of Sacramento and any lands that are within the jurisdiction of any of the Parties.

3. LIMITATIONS ON RESPONSES

Each Party’s obligation hereunder shall be expressly contingent upon its staffing and equipment availability and financial limitations, as well as existing fire conditions within the jurisdiction of that Party, as determined in its sole and absolute discretion. Each Party’s response under this Agreement may not interfere with the Responding Party’s responsibility or ability to respond to emergencies or other calls within its own jurisdiction. Each Party shall endeavor to notify the other Parties in advance when it knows that its equipment or staffing will not be available to respond within the jurisdiction of the other Parties.

4. SACRAMENTO REGIONAL FIRE/EMS COMMUNICATIONS CENTER (SRFECC)

Any Party wishing to request Mutual Aid shall communicate its request to the Sacramento Regional Fire/EMS Communications Center (“**SRFECC**”). Mutual Aid requests shall be processed through the SRFECC in accordance with the policies and procedures agreed to by the member agencies of the SRFECC.

5. COMMAND RESPONSIBILITY AT EMERGENCY SCENE

Whenever a Responding Party provides Mutual Aid, incident command and operational organization shall follow the National Incident Management System (N.I.M.S.) and Incident Command System (I.C.S.) doctrine. If the Incident Commander (as defined by N.I.M.S and I.C.S. doctrine) specifically requests a senior officer of the Responding Party to assume command, then the Incident Commander shall not, by relinquishing command, be relieved of responsibility for the operation.

6. INCIDENT COMMUNICATION

For command and control effectiveness, as well as incident safety, Mutual Aid incident communication shall utilize voice radio on the assigned tactical frequency assigned by the SRFECC, or the communications center coordinating the incident (e.g., Cal Fire, Solano County, etc...).

7. INCIDENT SAFETY

It is the responsibility of the Incident Command (as defined by N.I.M.S and I.C.S. doctrine) to ensure a safety plan is developed for each incident where Mutual Aid is provided.

8. INCIDENT PUBLIC INFORMATION

Public information messaging and dissemination shall be in accordance with N.I.M.S. doctrine.

9. LIABILITY

Each party agrees to protect, save harmless, indemnify, and defend the other, its governing body, officers, agents, and employees from any and all loss, damage or liability (including injury and death), including without limitation, all reasonable legal fees, expert witness or consultant fees and expenses related to the response to, settlement of, or defense of any claims or liability, which may be suffered or incurred by a party hereto, its governing body, officers, agents and employees, caused by, arising out of, or in any way connected with the respective responsibilities and duties hereby undertaken, except that each party shall bear the proportionate cost of any damage attributable to the fault of that party, its governing body, officers, agents, contractors, and employees. It is the intention of the parties that, where fault is determined to have been contributory, principles of comparative fault will be followed.

This indemnity shall survive the completion, cancellation or termination of the Agreement.

10. POST RESPONSE RESPONSIBILITY

Upon completion of the rendering of Mutual Aid, such assistance and help as is necessary will be given by the Parties to locate and return any items of equipment to the Party owning said equipment. All equipment and personnel used under the terms of this Agreement shall be returned to the Responding Party upon being released by the Requesting Party, or upon demand being made by the Responding Party for return of said equipment and personnel.

11. COMPENSATION

Each Party agrees that it will not seek from the other Party compensation for services rendered under this Agreement for the first 12 hours of each individual incident requiring Mutual Aid. Should services be extended beyond 12 hours, the Responding Party shall be reimbursed for equipment and staff in accordance with the provisions contained within the then most current version of the California Fire Master Mutual Aid Agreement. Each Party shall at all times be responsible to its own employees for the payment of wages and any and all forms of other compensation.

12. INSURANCE

Each party, at its sole cost and expense, shall carry insurance, or self-insure, its activities in connection with this Agreement, and obtain, keep in force and maintain, insurance or equivalent programs of self-insurance, for general liability, workers compensation, property (apparatus and equipment), and business automobile liability adequate to cover its potential liabilities hereunder. Each party is responsible for its own self-insured retentions and deductibles. Each party agrees to provide the other parties thirty (30) days' advance written notice of any cancellation, termination or lapse of any of the insurance or self-insurance coverage's. Failure to maintain insurance as required in this Agreement is a material breach of contract and may be grounds for termination of the Agreement.

13. AGENCY REPRESENTATIVE

Each Party shall designate an employee or officer (each a “**Agency Representative**”) to act as its representative for the performance of this Agreement. This election shall be made in a writing sent to the other Parties and may be modified in writing from time to time. Each Agency Representative shall have the power to act on behalf of their respective Party for all purposes under this Agreement. If any Party fails to designate an Agency Representative or the designee is otherwise incapacitated or unavailable, that Party’s Fire Chief or his or her designee shall serve as the Agency Representative until such time, if ever, as another employee or officer is designated.

14. PRE-INCIDENT PLANNING

The Agency Representatives of the Parties may, from time to time, mutually establish pre-incident plans which shall indicate the types of and locations of potential problem areas where Mutual Aid may be needed, the type of equipment that should be dispatched under such circumstances, the number of personnel that should be dispatched under such circumstances and the training to be conducted to ensure efficient operations. Such plans shall take into consideration the proper protection by the Responding Party of its own geographical jurisdiction.

15. TRAINING STANDARDS

Notwithstanding Section 14, each Party warrants that it’s training and operational standards are at least as restrictive as those typically and customarily employed by fire departments throughout California, including, but not limited to, applicable wildland training standards. Each Party further warrants that all equipment, including, but not limited to, vehicles, shall be operated by staff with the applicable and appropriate valid licensing. Pursuant to Section 10, each Party shall indemnify and hold harmless the other Parties for any liability related to the Party’s failure to meet and maintain these standards.

16. SPECIALIZED AGENCY RESOURCES

Parties agree that specialized agency resources are not subject to the terms of this agreement. Said resources may be made available pursuant to call when needed as determined by the **Responding Party** or through contract for services between agencies outside the terms of this agreement.

17. TERMINATION

Any of the Parties hereto may withdraw from this Agreement by giving thirty-(30) calendar days’ notice in writing of such withdrawal to the other Parties.

If any Party defaults in the performance of any of the terms or conditions of this Agreement (“Breaching Party”), it shall have ten (10) days after service upon it of written notice of such default in which to cure the default. In the event that the Breaching Party fails to cure its default within such period of time, the other Parties shall have the right to terminate this Agreement with respect to the Breaching Party without further notice and without prejudice to any other remedy to which they may be entitled by law or in equity. The decision of one of the Parties to terminate the Agreement with respect to the Breaching Party shall be

sufficient to involuntarily withdraw the Breaching Party from the Agreement. The failure of the Parties to object to any default in the performance of the terms and conditions of this Agreement shall not constitute a waiver of either that term or condition or any other term or condition of this Agreement.

18. AGREEMENT NOT EXCLUSIVE

This Agreement does not prevent and shall not be deemed to impair any Party's right to enter into additional aid agreements as that Party deems necessary and proper.

19. THIRD PARTY RIGHTS

The Parties agree that the provisions of this Agreement are not intended to create or clarify any rights in third parties not a party to this Agreement. In addition, no third party shall have any right of action hereunder. This Agreement shall not be enforceable by any parties other than the Parties.

Any and all privileges and immunities of the Parties provided by state or federal law shall remain in full force and effect.

21. INDEPENDENT CONTRACTOR STATUS

Each Party shall pay all wages, salaries, and other amounts due to their own personnel in connection with any and all services under this Agreement and as required by law. Each Party shall be responsible for all reports and obligations respecting their own personnel, including, but not limited to, social security taxes, income tax withholding, unemployment insurance, and workers' compensation insurance. Employees or agents of one Party shall not be deemed employees of any other Party for any purpose.

22. ENTIRE AGREEMENT

This Agreement contains the entire Agreement of the Parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings or agreements. This Agreement may only be modified by a written agreement signed by all Parties.

23. GOVERNING LAW

This Agreement and all matters relating to it shall be governed by the laws of the State of California and any action brought relating to this Agreement shall be held exclusively in the Sacramento County Superior Court.
