Description/Analysis

Issue Detail: On May 20, 2013, a California Task Force Seven (CA TF-7) Red Incident Support Team (IST) representative was activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) for response to the Moore, OK Tornado.

As the sponsoring agency for CATF-7, Urban Search and Rescue (US&R) program, the City of Sacramento (Fire department) is responsible for providing trained personnel to staff positions on federal incident support teams, and as a result of this deployment, the City must sign the DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M017) in the amount of \$10,000, to receive reimbursement for costs associated with deployment activities.

Policy Considerations: Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

Economic Impacts: None.

Environmental Considerations: Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA). CEQA Guidelines, Section 15061(b)(3), 15378(b)(2).

Sustainability: There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

Commission/Committee Action: None.

Rationale for Recommendation: DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M017) in the amount of \$10,000, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the Moore, OK Tornado Red IST Deployment.

Financial Considerations: As the sponsoring agency, the City of Sacramento incurs costs related to the alert of the CA TF-7 US&R Team; and DHS/FEMA reimburses expenses directly related to these deployment activities. This amendment allows DHS/FEMA to obligate \$10,000 of federal funds (Fund 2702) to cover labor expenses incurred by the City activities associated with the Moore, OK Tornado Red IST Deployment. Staff is recommending that an operating grant be

established (G12702500) with a revenue and expenditure budget to match the final assistance award/amendment when issued.

Emerging Small Business Development (ESBD): Staff will follow the emerging and small business guidelines when purchasing any supplies and services under this grant.
