Description/Analysis

Issue: The City Council may select and authorize member(s) to author and submit an argument in opposition to and/or in support of a measure for the June 3, 2014 ballot pertaining to a parcel tax for core library services. This action will ensure that the Council's argument(s) are selected for printing in the official sample ballot pursuant to the selection criteria contained in California Elections Code section 9287.

Policy Considerations: If the recommended action is taken, the City Council would secure its priority in the City Clerk's selection of ballot arguments should more than one argument be submitted in opposition or in support of the measure.

Environmental Considerations: None.

Sustainability: None.

Commission/Committee Action: None.

Rationale for Recommendation: If more than one argument for or against any approved measure is filed with the City Clerk, and the City Council has selected and authorized argument authors by resolution, the City Clerk would be required to select the City Council's argument.

Financial Considerations: None.

Local Business Enterprise (LBE): Not applicable.

Background:

To secure its position in the selection of ballot arguments for the Sacramento City measure pertaining to a parcel tax for core library services, in the event the City Clerk receives more than one argument for or against the measure, the City Council may select who will author and file the ballot argument(s) on the City Council's behalf.

For City Council measures, the City Council, or any Councilmember(s) authorized by the City Council, may file a written argument in support and/or opposition to a measure. If the City Council, or authorized member(s), do not submit an argument for a City Council measure, any individual voter who is eligible to vote on the measure, or bona fide association of citizens, or any combination of voters and associations, may submit an argument in support or opposition of the measure.

Up to five authors' names will be printed with the argument. If the City Council, as a body, chooses to submit an argument, at least one Councilmember should be designated as the author.

If more than one argument is received for a given position, the City Clerk will follow the selection criteria outlined in California Elections Code section 9287, which provides for the following author priority: (a) The legislative body, or member or members of the legislative body authorized by that body; (b) The individual voter, or bona fide association of citizens, or combination of voters and associations, who are the bona fide sponsors or proponents of the measure; (c) Bona fide associations of citizens; and (d) Individual voters who are eligible to vote on the measure.

The primary arguments are due in the Office of the City Clerk no later than 5:00 p.m. on Friday, February 28, 2014. The rebuttal arguments are due in the Office of the City Clerk no later than 5:00 p.m. on Monday, March 10, 2014.
