## Description/Analysis

**Issue:** The Natomas Meadows Community Facilities District No. 2007-01 (the District) consists of approximately 115 gross developable acres south of Del Paso Road and east of Gateway Park Boulevard. The development proposed with the District includes approximately 637 single-family lots, 120 condominiums, 135 multi-family units, a 13-acre park, and a 5-acre detention basin. On September 4, 2007, the City Council adopted Resolution No. 2007-655 establishing the District and authorizing the levy of a special tax to partially reimburse the owner for development fees paid and for costs incurred to construct public infrastructure. The Rate and Method of Apportionment (the RMA) that established the special-tax rates was approved at the time of the District formation. A portion of the infrastructure had been constructed and eight homes and one affordable multi-family apartment complex had been built when further construction was halted by the de facto building moratorium that resulted when the Federal Emergency Management Agency (FEMA) designated the Natomas Basin as a "Special Flood Hazard Area" in 2008.

On July 30, 2013, the City Council passed Resolution No. 2013-0256 to initiate proceedings to modify the RMA and make other modifications to the District. On September 10, 2013, the City Council passed Resolution No. 2013-0301 calling for a special mailed-ballot election with regard to the proposed changes to the District. The results of the election are detailed in the attached resolution.

**Policy Considerations:** Modification of the RMA will reduce the tax burden for current and future homeowners in the District and bring the overall tax burden to less than 2% of current property values, which is consistent with the California Debt and Investment Advisory Commission's guidelines. A reduced tax burden will also make the new homes more marketable when construction resumes. The modifications designating two improvement areas and changing the debt and appropriations limits will allow for more financing flexibility.

**Economic Impacts:** This report does not have direct economic impacts.

**Environmental Considerations:** The proposed changes to the District do not qualify as a project that is subject to review under California Environmental Quality Act. (Cal. Code Regs., tit. 14, § 15378, subds. (b)(4) & (b)(5).)

**Sustainability:** There are no sustainability considerations applicable to the administration of assessment districts.

**Commission/Committee Action:** None

**Rationale for Recommendation:** The recommended actions are required by the Mello-Roos Community Facilities Act of 1982 to implement the changes approved by the qualified electors in the District (see Government Code Sections 53330 to 53338.5).

**Financial Considerations:** There will be no impact to the General Fund. The developer will fund fees and improvements and be reimbursed at a later time, if and when sufficient bond proceeds are available.

It is anticipated that there will be two bond sales, one for each improvement area. Until bonds are sold, the developer will be reimbursed for eligible costs on a pay-as-you-go basis with available special-tax proceeds. The proposed maximum authorized debt for the District is \$22.0 million, a reduction from the \$27.5 million originally authorized.

## BACKGROUND

The Natomas Meadows project was entitled as a residential development with single-family homes, condominiums, multi-family units, and a park. In 2008, due to the economic downturn and building restrictions resulting from FEMA's designation of the Natomas Basin as a "Special Flood Hazard Area," construction on the project ceased with just eight homes and one affordable multi-family housing complex completed. The District was formed to support the development and is authorized to levy special taxes and issue special-tax bonds, but the planned issuance was suspended given the then-existing circumstances.

Ownership of the project has since changed hands. To prepare for the resumption of construction when the FEMA restrictions are lifted, the current owner, Granite Bay Partners, has proposed modifying the special taxes imposed within the District so that they better reflect current market conditions. The modifications will lower the maximum special tax for all residential units and land-use types (which will also provide tax relief to the current homeowners) and will divide the District into two separate improvement areas, thereby allowing for more land-use and financing flexibility.

### **District Formation**

The District was formed to finance certain development fees and public improvements within the public rights-of-way and adjacent public-utility easements of the major public roads intersecting and bordering the District's boundaries. On September 4, 2007, the City Council adopted Resolution No. 2007-656 deeming it necessary to incur bonded indebtedness to finance those fees and improvements. The proposed modifications to the District will reduce the special-tax rates and decrease the total amount authorized to be financed, lowering the maximum authorization from \$27.5 million to \$22 million. The fees, costs, and improvements eligible for District financing do not change:

- On and off-site major street improvements, including traffic signals and the Gateway Park Boulevard Bridge, storm water pump-station improvements, water lines and valves, and park improvements.
- North Natomas transit fees, public-facilities fees, and regional park land-acquisition fees; and City of Sacramento construction-excise taxes, park-development impact fees, water-service tap fees, water-development fees, and water-meter costs.
- Costs of forming the District, levying taxes, and issuing bonds.

### **District Boundaries**

The exterior boundaries of the District will remain the same, but the District will be divided into two separate improvement areas.

## **Process to Make Changes to the RMA**

The process to modify the District begins with a landowner petition requesting the modifications, followed by the City Council's adoption of a "resolution of consideration" calling for a public hearing where all interested persons have the opportunity to protest the proposed modifications. On July 30, 2013, the City Council adopted Resolution No. 2013-0256 calling for a public hearing on September 3, 2013.

The City Council continued the public hearing to September 10, 2013. At the conclusion of the continued public hearing, the City Council adopted Resolution No. 2013-0301, which designated two improvement areas within the District and ordered that the following proposed changes to the District be submitted to the qualified electors in each area: a new RMA for each area, a new debt limit for the District and each area, and a new appropriations limit for each area. The proposed changes will be implemented in each area only if approved by at least two-thirds of the votes cast in that area.

Under the Mello-Roos Community Facilities Act of 1982, the qualified electors will be either registered voters or landowners. If more than 11 registered voters reside within an improvement area of the District, then those voters are the qualified electors for that area, and the proposed modification of the special taxes must be submitted to them, with each voter having one vote. But if 11 or fewer voters reside within an improvement area, then the qualified electors are the owners of land within the area, and the modifications must be submitted to them, with each owner having one voter for every acre or portion of an acre. There were 11 or fewer registered voters residing within each improvement area, so the vote was by landowners. The landowner election was held on December 9, 2014, and changes to the District were approved in both improvement areas, as detailed in the attached resolution.

A timeline for the process is in the attached Schedule of Proceedings.

## RESOLUTION NO. 2014-\_\_\_\_

Adopted by the Sacramento City Council  
on March \_\_, 2014

### RESOLUTION TO CHANGE THE APPROPRIATIONS LIMIT, THE DEBT LIMIT, AND THE RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX FOR NATOMAS MEADOWS COMMUNITY FACILITIES DISTRICT NO. 2007-01, CITY OF SACRAMENTO, COUNTY OF SACRAMENTO, STATE OF CALIFORNIA

#### BACKGROUND:

- A.** On September 4, 2007, the City Council adopted Resolution No. 2007-655, thereby establishing the Natomas Meadows Community Facilities District No. 2007-01, City of Sacramento, County of Sacramento, State of California (the "**District**") under the Mello-Roos Community Facilities Act of 1982, which is codified as Government Code sections 53311 through 53368.3 (the "**Act**").
- B.** On September 17, 2013, the City Council adopted Resolution No. 2013-0256 (the "**Resolution of Consideration**"), thereby declaring its intention to change the District and the original rate and method of apportionment of special taxes (the "**Original RMA**") as follows:
- Amend the District's original boundary map by dividing the District into two improvement areas designated Improvement Area No. 1 and Improvement Area No. 2, as shown on the amended boundary map titled "Proposed Amended Boundary of Community Facilities District No. 2007-01, Natomas Meadows, County of Sacramento, State of California" (the "**Amended Boundary Map**"). The Amended Boundary Map was subsequently recorded with the Sacramento County Clerk/Recorder in Book 20130805 at page 119. A reduced copy of the Amended Boundary Map is attached to this resolution as Exhibit A.
  - Amend the Original RMA so that each improvement area has its own rate and method of apportionment. The resulting rate and method of apportionment for Improvement Area No. 1 ("**Amended RMA-1**") is attached as Exhibit B to this resolution, and the resulting rate and method of apportionment for Improvement Area No. 2 ("**Amended RMA-2**") is attached as Exhibit C.
  - Change the debt limit for the District by reducing it from \$27,500,000 to \$22,000,000 and by allocating it so that Improvement Area No. 1 has a debt limit of \$14,000,000 and Improvement Area No. 2 has a

debt limit of \$8,000,000, with debt for each improvement area payable exclusively from the special tax proceeds collected within that improvement area.

- Change the appropriations limit for the District by reallocating it so that Improvement Area No. 1 has an appropriations limit of \$1,300,000 and Improvement Area No. 2 has an appropriations limit of \$700,000.
- C.** The special taxes collected within the District are not currently being used to retire any debt incurred under the Act.
- D.** In accordance with the Resolution of Consideration, a public hearing was scheduled for 6:00 p.m. on Tuesday, September 3, 2013, in the City Council's regular meeting place: City Council Chambers, New City Hall, 915 I Street, first floor, Sacramento, California. The City Council subsequently continued the public hearing to September 10, 2013, at the same time and place. At the hearing, the City Council considered the proposed changes to the District and the Original RMA as set forth in the Resolution of Consideration. All persons interested in these matters, including all taxpayers, property owners, and registered voters residing within the District, were given an opportunity to appear and be heard, and the City Council heard and considered the testimony of all interested persons for or against the proposed changes to the District and the Original RMA.
- E.** The proposed changes to the District and to the Original RMA were not precluded by a majority protest under Government Code section 53337. Accordingly, at the conclusion of the hearing the City Council adopted Resolution No. 2013-0301, thereby (1) designating Improvement Area No. 1 and Improvement Area No. 2 of the District as shown in the Amended Boundary Map and (2) ordering that the proposed changes to the District and the Original RMA be submitted to the District's qualified electors.
- F.** A special mailed-ballot election within each improvement area of the District was held on Monday, December 9, 2013, in accordance with Resolution No. 2013-0301, the Act, and other applicable law. The City Clerk has certified to the City Council the result of the votes cast at the special mailed-ballot election, as follows: in each improvement area, more than two-thirds of all votes cast in the election were cast in favor of the proposed changes to the District and the Original RMA, as set forth in the Resolution of Consideration. - Section 1** The statements of fact in background paragraphs A through F are true.
- Section 2** In each improvement area, more than two-thirds of all votes cast at the special mailed-ballot election were cast in favor of the proposed changes to the District and the Original RMA, as set forth in the Resolution of Consideration.
- Section 3** The City Council hereby determines that the proposed changes to the District and the Original RMA, as set forth in the Resolution of Consideration, are lawfully authorized as follows:
- (a) For Improvement Area No. 1, the Original RMA is replaced with Exhibit B to this resolution (Amended RMA-1), and for Improvement Area No. 2, the Original RMA is replaced with Exhibit C to this resolution (Amended RMA-2).
  - (b) The debt limit for the District is reduced from \$27,500,000 to \$22,000,000 and allocated so that Improvement Area No. 1 has a debt limit of \$14,000,000 and Improvement Area No. 2 has a debt limit of \$8,000,000, with debt for each improvement area payable exclusively from the special tax proceeds collected within that improvement area.
  - (c) The appropriations limit for the District is changed and allocated to the improvement areas so that for fiscal year 2013-2014 the appropriations limit for Improvement Area No. 1 is \$1,300,000 and the appropriations limit for Improvement Area No. 2 is \$700,000. The appropriations limit for each improvement area is to be adjusted as authorized by subdivision (h) of section 8 of article XIII B of the California Constitution.
- Section 4** Upon recordation of a notice of change in accordance with Streets and Highways Code section 3117.5, the changes to the levy of the special tax will attach to all nonexempt real property in the District. **“RMA”** means this Rate and Method of Apportionment of Special Tax.

**“Special Tax”** means a Special Tax levied in any Fiscal Year to pay the Special Tax Requirement.

**“Special Tax Requirement”** means the amount necessary in any Fiscal Year (i) to pay principal and interest on Bonds which are due in the calendar year which begins in such Fiscal Year, (ii) to create or replenish reserve funds, (iii) to cure any delinquencies in the payment of principal or interest on Bonds which have occurred in the prior Fiscal Year or (based on delinquencies in the payment of Special Taxes within Improvement Area No. 1 which have already taken place) are expected to occur in the Fiscal Year in which the tax will be collected, (iv) to pay Administrative Expenses, and (v) to pay the costs of public improvements and public infrastructure authorized to be financed by CFD No. 2007-01. The Special Tax Requirement may be reduced in any Fiscal Year by (i) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against debt service pursuant to the Indenture or other legal document that sets forth these terms, (ii) proceeds from the collection of penalties associated with delinquent Special Taxes within Improvement Area No. 1, and (iii) any other revenues available to pay debt service on the Bonds as determined by the Administrator.

**“Tax Zone”** means a mutually exclusive geographic area, within which particular Special Tax rates may be levied within Improvement Area No. 1 pursuant to this RMA. Attachment 1 identifies the Tax Zones in Improvement Area No. 1 in CFD No. 2007-01.

**“Tax Zone 1”** means the geographic area within CFD No. 2007-01 that is specifically identified in Attachment 1 hereto as Tax Zone 1.

**“Tax Zone 2”** means the geographic area within CFD No. 2007-01 that is specifically identified in Attachment 1 hereto as Tax Zone 2.

**“Tax Zone 3”** means the geographic area within CFD No. 2007-01 that is specifically identified in Attachment 1 hereto as Tax Zone 3.

**“Tax Zone 4”** means the geographic area within CFD No. 2007-01 that is specifically identified in Attachment 1 hereto as Tax Zone 4.

“**Taxable Property**” means all of the Assessor’s Parcels within the boundaries of Improvement Area A in CFD No.2007-01 which are not exempt from the Special Tax pursuant to law or Section F below.

“**Undeveloped Property**” means, for each Fiscal Year, all Taxable Property not classified as Developed Property.

**B. DATA FOR ADMINISTRATION OF SPECIAL TAX**

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel Numbers for all Parcels of Taxable Property within Improvement Area No. 1. The Administrator shall also determine: (i) within which Tax Zone each Assessor’s Parcel is located, (ii) whether each Assessor’s Parcel of Taxable Property is Developed Property or Undeveloped Property, and (iii) the Special Tax Requirement.

In any Fiscal Year, if it is determined that (i) a parcel map for a portion of property in Improvement Area No. 1 in CFD No. 2007-01 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new parcels created by the parcel map, and (iii) one or more of the newly- created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

**C. MAXIMUM SPECIAL TAX**

**1. Developed Property**

***a. Maximum Special Tax***

The Maximum Special Tax that may be levied in any Fiscal Year for each Assessor’s Parcel classified as Developed Property in Improvement Area No. 1 shall be the greater of (i) the amount derived by application of the Assigned Special Tax or (ii) the amount derived by application of the Backup Special Tax.

***b. Assigned Special Tax***

The Assigned Special Tax that may be levied in Fiscal Year 2013-14 for each Land Use Class in Improvement Area No. 1 is shown below in Table 1.

**Table 1**

*\* On July 1, 2014 and each July 1 thereafter, the Assigned Special Taxes shown above shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.*

**c. Backup Special Tax**

The Backup Special Tax shall be \$902 per Residential Unit for Residential Property in Tax Zone 1, \$1,405 per Residential Unit for Residential Property in Tax Zone 2, \$1,575 per Residential Unit for Residential Property in Tax Zone 3, and \$1,648 per Residential Unit for Residential Property in Tax Zone 4.

*On July 1, 2014 and each July 1 thereafter, the Backup Special Tax per Residential Unit within each of the Tax Zones shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.*

**d. Mandatory Prepayment**

If, in any Fiscal Year after the City has issued Bonds, a Final Map is proposed that results in a reduction in the Expected Residential Lot Count in the area affected by the Final Map, then the following steps shall be applied:

- Step 1:** The Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in Improvement Area No. 1 in CFD No. 2007-01 based on the Expected Residential Lot Count prior to the proposed reduction;
- Step 2:** The Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in Improvement Area No. 1 in CFD No. 2007-01 assuming the Final Map is approved hereby reducing the Expected Residential Lot Count;
- Step 3:** If the revenues calculated in Step 2 are: (i) less than those calculated in Step 1 and (ii) not sufficient to maintain the greater of 110% coverage on the Bonds' debt service or the coverage required within the official bond documents, the landowner of the property affected by the Final Map must prepay an amount sufficient to retire a portion of the Bonds and maintain the greater of 110% coverage on the Bonds' debt service or the coverage required within the official bond documents. The required prepayment shall be calculated using the formula set forth in Section G below. If the mandatory prepayment has not been received by the City prior to the issuance of the first building permit for new construction within the Final Map on which the land use change has occurred, the Administrator shall levy the amount of the mandatory prepayment on the Parcel(s) affected by the land use change or on any of the landowner's Parcel(s) of Undeveloped Property within that Final Map, and if this amount should, in any instance, exceed the Maximum Special Tax as defined herein, it shall nonetheless be authorized and shall not exceed the maximum special tax as that term is used in the Act.

If the revenues calculated in Step 2 are less than those calculated in Step 1, but the revenues calculated in Step 2 are sufficient to maintain the greater of 110% coverage on the Bond's debt service or the coverage required within the official bond documents, no such mandatory prepayment will be required. In addition, if the amount determined in Step 2 is higher than that calculated in Step 1, no such mandatory prepayment will be required.

## **2. Undeveloped Property**

The Maximum Special Tax for Undeveloped Property in Improvement Area No. 1 shall be \$18,720 per Acre for such property in Tax Zone 1, \$22,448 per Acre for such property in Tax Zone 2, \$18,474 per Acre for such property in Tax Zone 3, and \$17,253 per Acre for such property in Tax Zone 4. On July 1, 2014 and each July 1 thereafter, the Maximum Special Tax for Undeveloped Property shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.

**D. METHOD OF LEVY OF THE SPECIAL TAXES**

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement to be collected in that Fiscal Year for Improvement Area No. 1. A Special Tax shall then be levied according to the following steps:

**Step 1:** The Special Tax shall be levied Proportionately on each Parcel of Developed Property in Improvement Area No. 1 up to 100% of the applicable Assigned Special Tax as shown in Table 1 above until the amount levied on Developed Property is equal to the Special Tax Requirement prior to applying Capitalized Interest that is available under the applicable Indenture.

**Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property;

**Step 3:** If additional revenue is needed after Step 2 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the levy of the Special Tax on each Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to 100% of the Maximum Special Tax for each such Parcel;

**Step 4:** If additional revenue is needed to meet the Special Tax Requirement after applying the first three steps, the Special Tax shall be levied Proportionately on each Parcel of Public Property, exclusive of property exempt from the Special Tax pursuant to Section F below, up to 100% of the Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances shall the Special Tax levied on any Assessor's Parcel of Residential Property for which a building permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within Improvement Area No. 1 in CFD No. 2007-01.

**E. MANNER OF COLLECTION OF SPECIAL TAXES**

The Special Taxes for Improvement Area No. 1 in CFD No. 2007-01 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G below and provided further that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid and Authorized Facilities to be constructed directly from Special Tax proceeds have been completed. However, in no event shall Special Taxes be levied after Fiscal Year 2053-2054.

**F. EXEMPTIONS**

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied in any Fiscal Year on Exempt Property or on Parcels in Improvement Area No. 1 that have fully prepaid the Special Tax obligation assigned to the Parcel pursuant to the formula set forth in Section G below.

**G. PREPAYMENT OF SPECIAL TAX**

The following definitions apply to this Section G:

**“Remaining Facilities Costs”** means the Public Facilities Requirement minus public facility costs funded by Outstanding Bonds, developer equity and/or any other source of funding.

**“Outstanding Bonds”** means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

**“Previously Issued Bonds”** means all Bonds that have been issued in Improvement Area No. 1 prior to the date of prepayment.

**“Public Facilities Requirements”** means either approximately \$9,445,000 in 2013 dollars, which shall increase on January 1, 2014, and on each January 1 thereafter by the percentage increase, if any, in the construction cost index for the San Francisco region for the prior twelve (12) month period as published in the Engineering News-Record or other comparable source if the Engineering News-Record is discontinued or otherwise not available, or such other number as shall be determined by the City as sufficient to fund improvements that are authorized to be funded by Improvement Area No. 1 in CFD No. 2007-01.

**1. Prepayment in Full**

The Special Tax obligation applicable to an Assessor's Parcel in Improvement Area No. 1 in CFD No. 2007-01 may be prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. Prepayment is permitted only under the following condition; the City determines that the Prepayment does not jeopardize the ability to make timely payments of debt service on outstanding bonds. Attachment 2 herein provides a sample prepayment calculation for a Parcel in Tax Zone 2. The Prepayment Amount shall be calculated as follows (capitalized terms as defined above or below):

Bond Redemption Amount  
 plus Remaining Facilities Amount  
 plus Redemption Premium  
 plus Defeasance Requirement  
 plus Administrative Fees and Expenses  
 less Reserve Fund Credit  
 equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1:** Compute the Assigned Special Tax and Backup Special Tax for the Assessor's Parcel to be prepaid based on the Developed Property Special Tax which is, or could be, charged in the current Fiscal Year. If this Section G is being applied to calculate a prepayment pursuant to Section C.1.d above, use, for purposes of this Step 1, the amount by which the expected Maximum Special Tax revenues have been reduced below the amount needed to maintain the greater of 110% coverage on the Bond's debt service or the coverage required within the official bond documents due to the change in land use that necessitated the prepayment.
- Step 2:** (a) Divide the Assigned Special Tax computed pursuant to Step 1 by the total estimated Assigned Special Taxes for Improvement Area No. 1 in CFD No. 2007-01 based on the Developed Property Special Tax which could be charged, using the rates for the current Fiscal Year, on all expected development through buildout of Improvement Area No. 1 in CFD No. 2007-01, excluding any Assessor's Parcels which have been prepaid, and
- (b) Divide the Backup Special Tax computed pursuant to Step 1 by the total estimated Backup Special Taxes at buildout of Improvement Area No. 1 in CFD No.2007-01, excluding any Assessor's Parcels which have been prepaid.
- Step 3:** Multiply the larger quotient computed pursuant to Step 2(a) or 2(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the ***"Bond Redemption Amount"***).
- Step 4:** Compute the current Remaining Facilities Costs (if any).
- Step 5:** Multiply the larger quotient computed pursuant to Step 2(a) or 2(b) by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (the ***"Remaining Facilities Amount"***).
- Step 6:** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the ***"Redemption Premium"***).
- Step 7:** Compute the amount needed to pay interest on the Bond Redemption Amount

starting with the first Bond interest payment date after which the prepayment will be received until the earliest redemption date for the Outstanding Bonds. However, if Bonds are callable at the first interest payment date after the prepayment has been received, Steps 7, 8 and 9 of this prepayment formula will not apply.

- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.
- Step 9:** Subtract the amount computed pursuant to Step 8 from the amount computed pursuant to Step 7 (the “*Defeasance Requirement*”).
- Step 10:** The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “*Administrative Fees and Expenses*”).
- Step 11:** If, at the time the prepayment is calculated, the reserve fund is greater than or equal to the reserve requirement, and to the extent so provided in the Bond indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “*Reserve Fund Credit*”).
- Step 12:** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the “*Prepayment Amount*”).

*Once a prepayment has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.*

## **2. Prepayment in Part**

The Special Tax on an Assessor's Parcel or Buildable Lot for which a final inspection, or equivalent, has not yet been completed may be partially prepaid. However, such partial prepayment must be made in an amount equal to 25%, 50%, or 75% of the amount of the full prepayment calculated pursuant to Section G.1 above. In calculating the partial prepayment, the Administrator shall round up the amount required for the partial prepayment in order to redeem whole bonds, including any redemption premium. Prepayment is permitted only under the following condition; the City determines that the Prepayment does not jeopardize the ability to make timely payments of debt service on outstanding bonds.

Upon issuance of a certificate of occupancy for an Assessor's Parcel, no partial prepayments will be accepted for the Parcel. In addition, only one partial prepayment shall be permitted for an Assessor's Parcel or Buildable Lot within Improvement Area No. 1 in CFD No. 2007-01.

The owner of any Assessor's Parcel who desires to make a partial prepayment shall notify the Administrator of the percentage of the Special Tax to be prepaid. The Administrator shall provide the owner with a statement of the amount required for the partial prepayment within thirty (30) days of the request and may charge a fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the Administrator shall (i) distribute the remitted prepayment funds according to Section G.1, and (ii) indicate in the records of CFD No. 2007-01 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the un-prepaid percentage of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

#### **H. INTERPRETATION OF SPECIAL TAX FORMULA**

Interpretations may be made by resolution of the City Council for purposes of clarifying any vagueness or ambiguity in the Special Tax rates, method of apportionment, classification of properties, and any definition applicable to Improvement Area No. 1 in CFD No. 2007-01. The City Council's interpretation will be conclusive.

#### **I. APPEALS**

Any taxpayer who believes that the amount of the Special Tax assigned to a Parcel in Improvement Area No. 1 is in error may file a notice appealing the levy of the Special Tax with the City Treasurer's Office and the City Planning Department, Public Improvement Financing Division. City representatives shall then promptly review the appeal and, if necessary, meet with the taxpayer. If the City representatives determine that the Special Tax is in error, they shall recommend to the City Council that the Special Tax levy be corrected and, if applicable in any case, that a refund be granted. The City Council's decision on the recommendation will be final.

**B. DATA FOR ADMINISTRATION OF SPECIAL TAX**

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel Numbers for all Parcels of Taxable Property within Improvement Area No. 2. The Administrator shall also determine: (i) within which Tax Zone each Assessor’s Parcel is located, (ii) whether each Assessor’s Parcel of Taxable Property is Developed Property or Undeveloped Property, and (iii) the Special Tax Requirement.

In any Fiscal Year, if it is determined that (i) a parcel map for a portion of property in Improvement Area No. 2 in CFD No. 2007-01 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new parcels created by the parcel map, and (iii) one or more of the newly- created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

**C. MAXIMUM SPECIAL TAX**

**1. Developed Property**

*a. Maximum Special Tax*

The Maximum Special Tax that may be levied in any Fiscal Year for each Assessor’s Parcel classified as Developed Property in Improvement Area No. 2 shall be the greater of (i) the amount derived by application of the Assigned Special Tax or (ii) the amount derived by application of the Backup Special Tax.

*b. Assigned Special Tax*

The Assigned Special Tax that may be levied in Fiscal Year 2013-14 for each Land Use Class in Improvement Area No. 2 is shown below in Table 1.

**Table 1**  
**IMPROVEMENT AREA NO. 2**  
**CFD No. 2007-1**

*\* On July 1, 2014 and each July 1 thereafter, the Assigned Special Taxes shown above shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.*

**c. Backup Special Tax**

The Backup Special Tax shall be \$1,149 per Residential Unit for Residential Property in Tax Zone 5, \$1,400 per Residential Unit for Residential Property in Tax Zone 6, and \$1,647 per Residential Unit for Residential Property in Tax Zone 7.

*On July 1, 2014 and each July 1 thereafter, the Backup Special Tax per Residential Unit within each of the Tax Zones shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.*

**d. Mandatory Prepayment**

If, in any Fiscal Year after the City has issued Bonds, a Final Map is proposed that results in a reduction in the Expected Residential Lot Count in the area affected by the Final Map, then the following steps shall be applied:

**Step 1:** The Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in Improvement Area No. 2 in CFD No. 2007-01 based on the Expected Residential Lot Count prior to the proposed reduction;

**Step 2:** The Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in Improvement Area No. 2 in CFD No. 2007-01 assuming the Final Map is approved hereby reducing the Expected Residential Lot Count;

**Step 3:** If the revenues calculated in Step 2 are: (i) less than those calculated in Step 1 and (ii) not sufficient to maintain the greater of 110% coverage on the Bonds' debt service or the coverage required within the official bond documents, the landowner of the property affected by the Final Map must prepay an amount sufficient to retire a portion of the Bonds and maintain 110% coverage on the Bonds' debt service. The required prepayment shall be calculated using the formula set forth in Section G below. If the mandatory prepayment has not been received by the City prior to the issuance of the first building permit for new construction within the Final Map on which the land use change has occurred, the Administrator shall levy the amount of the mandatory prepayment on the Parcel(s) affected by the land use change or on any of the landowner's Parcel(s) of Undeveloped Property within that Final Map, and if this amount should, in any instance, exceed the Maximum Special Tax as defined herein, it shall nonetheless be authorized and shall not exceed the maximum special tax as that term is used in the Act.

If the revenues calculated in Step 2 are less than those calculated in Step 1, but the revenues calculated in Step 2 are sufficient to maintain the greater of 110% coverage on the Bond's debt service or the coverage required within the official bond documents, no such mandatory prepayment will be required. In addition, if the amount determined in Step 2 is higher than that calculated in Step 1, no such mandatory prepayment will be required.

## **2. Undeveloped Property**

The Maximum Special Tax for Undeveloped Property in Improvement Area No. 2 shall be \$22,828 per Acre for such property in Tax Zone 5, \$23,885 per Acre for such property in Tax Zone 6, and \$16,548 per Acre for such property in Tax Zone 7. On July 1, 2014 and each July 1 thereafter, the Maximum Special Tax for Undeveloped Property shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.

## **D. METHOD OF LEVY OF THE SPECIAL TAXES**

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement to be collected in that Fiscal Year for Improvement Area No. 2. A Special Tax shall then be levied according to the following steps:

**Step 1:** The Special Tax shall be levied Proportionately on each Parcel of Developed Property in Improvement Area No. 2 up to 100% of the applicable Assigned Special Tax as shown in Table 1 above until the

amount levied on Developed Property is equal to the Special Tax Requirement prior to applying Capitalized Interest that is available under the applicable Indenture.

**Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property;

**Step 3:** If additional revenue is needed after Step 2 in order to meet the Special Tax Requirement after Capitalized Interest has been applied to reduce the Special Tax Requirement, the levy of the Special Tax on each Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to 100% of the Maximum Special Tax for each such Parcel;

**Step 4:** If additional revenue is needed to meet the Special Tax Requirement after applying the first three steps, the Special Tax shall be levied Proportionately on each Parcel of Public Property, exclusive of property exempt from the Special Tax pursuant to Section F below, up to 100% of the Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances shall the Special Tax levied on any Assessor's Parcel of Residential Property for which a building permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within Improvement Area No. 2 in CFD No. 2007-01.

**E. MANNER OF COLLECTION OF SPECIAL TAXES**

The Special Taxes for Improvement Area No. 2 in CFD No. 2007-01 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G below and provided further that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid and Authorized Facilities to be constructed directly from Special Tax proceeds have been completed. However, in no event shall Special Taxes be levied after Fiscal Year 2055-2056.

**F. EXEMPTIONS**

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied in any Fiscal Year on Exempt Property or on Parcels in Improvement Area No. 2 that have fully prepaid the Special Tax obligation assigned to the Parcel pursuant to the formula set forth in Section G below.

**G. PREPAYMENT OF SPECIAL TAX**

The following definitions apply to this Section G:

**“Remaining Facilities Costs”** means the Public Facilities Requirement minus public facility costs funded by Outstanding Bonds, developer equity and/or any other source of funding.

**“Outstanding Bonds”** means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

**“Previously Issued Bonds”** means all Bonds that have been issued in Improvement Area No. 2 prior to the date of prepayment.

**“Public Facilities Requirements”** means either approximately \$4,555,000 in 2013 dollars, which shall increase on January 1, 2014, and on each January 1 thereafter by the percentage increase, if any, in the construction cost index for the San Francisco region for the prior twelve (12) month period as published in the Engineering News-Record or other comparable source if the Engineering News-Record is discontinued or otherwise not available, or such other number as shall be determined by the City as sufficient to fund improvements that are authorized to be funded by Improvement Area No. 2 in CFD No. 2007-01.

**1. Prepayment in Full**

The Special Tax obligation applicable to an Assessor's Parcel in Improvement Area No. 2 in CFD No. 2007-01 may be prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor's Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. Prepayment is permitted only under the following condition; the City determines that the Prepayment does not jeopardize the ability to make timely payments of debt service on outstanding bonds. Attachment 2 herein provides a sample prepayment calculation for a Parcel in Tax Zone 3. The Prepayment Amount shall be calculated as follows (capitalized terms as defined above or below):

	Bond Redemption Amount
plus	Remaining Facilities Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1:** Compute the Assigned Special Tax and Backup Special Tax for the Assessor's Parcel to be prepaid based on the Developed Property Special Tax which is, or could be, charged in the current Fiscal Year. If this Section G is being applied to calculate a prepayment pursuant to Section C.1.d above, use, for purposes of this Step 1, the amount by which the expected Maximum Special Tax revenues have been reduced below the amount needed to maintain the greater of 110% coverage on the Bond's debt service or the coverage required within the official bond documents due to the change in land use that necessitated the prepayment.
- Step 2:** (a) Divide the Assigned Special Tax computed pursuant to Step 1 by the total estimated Assigned Special Taxes for Improvement Area No. 2 in CFD No. 2007-01 based on the Developed Property Special Tax which could be charged, using the rates for the current Fiscal Year, on all expected development through buildout of Improvement Area No. 2 in CFD No. 2007-01, excluding any Assessor's Parcels which have been prepaid, and
- (b) Divide the Backup Special Tax computed pursuant to Step 1 by the total estimated Backup Special Taxes at buildout of Improvement Area No. 2 in CFD No.2007-01, excluding any Assessor's Parcels which have been prepaid.
- Step 3:** Multiply the larger quotient computed pursuant to Step 2(a) or 2(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the ***"Bond Redemption Amount"***).
- Step 4:** Compute the current Remaining Facilities Costs (if any).
- Step 5:** Multiply the larger quotient computed pursuant to Step 2(a) or 2(b) by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (the ***"Remaining Facilities Amount"***).
- Step 6:** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the ***"Redemption Premium"***).
- Step 7:** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment will be received until the earliest redemption date for the Outstanding Bonds. However, if Bonds are callable at the first interest payment date after the prepayment has been received, Steps 7, 8 and 9 of this prepayment formula will not apply.
- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption

Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.

- Step 9:** Subtract the amount computed pursuant to Step 8 from the amount computed pursuant to Step 7 (the “*Defeasance Requirement*”).
- Step 10:** The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “*Administrative Fees and Expenses*”).
- Step 11:** If, at the time the prepayment is calculated, the reserve fund is greater than or equal to the reserve requirement, and to the extent so provided in the Bond indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “*Reserve Fund Credit*”).
- Step 12:** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the “*Prepayment Amount*”).

*Once a prepayment has been received, a Notice of Cancellation of Special Tax Lien shall be recorded against the Parcel. However, a Notice of Cancellation of Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected.*

## **2. Prepayment in Part**

The Special Tax on an Assessor's Parcel or Buildable Lot for which a final inspection, or equivalent, has not yet been completed may be partially prepaid. However, such partial prepayment must be made in an amount equal to 25%, 50%, or 75% of the amount of the full prepayment calculated pursuant to Section G.1 above. In calculating the partial prepayment, the Administrator shall round up the amount required for the partial prepayment in order to redeem whole bonds, including any redemption premium. Prepayment is permitted only under the following condition; the City determines that the Prepayment does not jeopardize the ability to make timely payments of debt service on outstanding bonds.

Upon issuance of a certificate of occupancy for an Assessor's Parcel, no partial prepayments will be accepted for the Parcel. In addition, only one partial prepayment shall be permitted for an Assessor's Parcel or Buildable Lot within Improvement Area No. 2 in CFD No. 2007-01.

The owner of any Assessor's Parcel who desires to make a partial prepayment shall notify the Administrator of the percentage of the Special Tax to be prepaid. The Administrator shall provide the owner with a statement of the amount required for the partial prepayment within thirty (30) days of the request and may charge a fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the Administrator shall (i) distribute the remitted prepayment funds according to Section G.1, and (ii) indicate in the records of CFD No. 2007-01 that there has been a partial prepayment of the Special Tax and that a portion

of the Special Tax with respect to such Assessor's Parcel, equal to the un-prepaid percentage of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

## **H. INTERPRETATION OF SPECIAL TAX FORMULA**

Interpretations may be made by resolution of the City Council for purposes of clarifying any vagueness or ambiguity in the Special Tax rates, method of apportionment, classification of properties, and any definition applicable to Improvement Area No. 2 in CFD No. 2007-01. The City Council's interpretation will be conclusive.

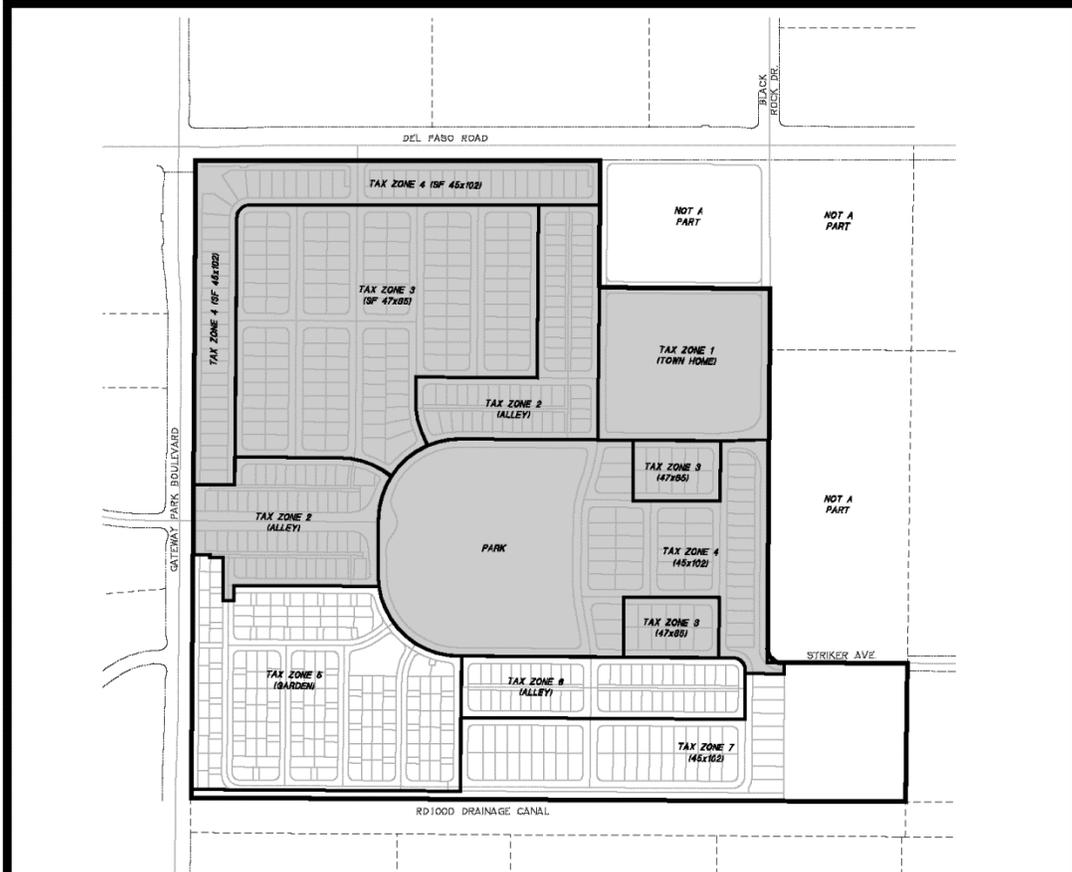

## **I. APPEALS**

Any taxpayer who believes that the amount of the Special Tax assigned to a Parcel in Improvement Area No. 2 is in error may file a notice appealing the levy of the Special Tax with the City Treasurer's Office and the City Planning Department, Public Improvement Financing Division. City representatives shall then promptly review the appeal and, if necessary, meet with the taxpayer. If the City representatives determine that the Special Tax is in error, they shall recommend to the City Council that the Special Tax levy be corrected and, if applicable in any case, that a refund be granted. The City Council's decision on the recommendation will be final.

**LEVYING A SPECIAL TAX FOR FISCAL YEAR 2014-2015 AND  
FOLLOWING FISCAL YEARS WITHIN NATOMAS MEADOWS  
COMMUNITY FACILITIES DISTRICT NO. 2007-01, CITY OF  
SACRAMENTO, COUNTY OF SACRAMENTO, STATE OF CALIFORNIA**

**BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:**

**SECTION 1.** On September 4, 2007, the City Council adopted Resolution No. 2007-0655 (**the Resolution of Formation**), thereby establishing the Natomas Meadows Community Facilities District No. 2007-01, City of Sacramento, County of Sacramento, State of California (**the District**) and authorizing the levying of a special tax on taxable property within the District in accordance with a Rate and Method of Apportionment of Special Tax set out in the Resolution of Formation (**the Original RMA**). On October 16, 2007, the City Council enacted Ordinance No. 2007-078, which levied a special tax on all taxable parcels within the District for fiscal year 2008-2009 and for all subsequent fiscal years in the amounts and at the rates authorized by the Resolution of Formation and the Original RMA.

**SECTION 2.** On \_\_\_\_\_ 2014, as authorized by Government Code sections 53330 through 53338.5 and by a vote of the District's qualified electors as set forth in Resolution No. 2014-XXX, the City Council adopted Resolution No. 2014-YYY (**the "Resolution of Change"**) and thereby divided the District into Improvement Area No. 1 and Improvement Area No. 2, each area with its own Rate and Method of Apportionment of Special Tax in place of the Original RMA. This ordinance implements the Resolution of Change by superseding Ordinance No. 2007-078.

**SECTION 3.** A special tax is hereby levied on all taxable parcels within Improvement Area No. 1 of the District for fiscal year 2014-2015 and for all subsequent fiscal years in the amount of the maximum tax authorized by Exhibit B to the Resolution of Change, subject to the following: in any fiscal year, the City Council may determine by resolution that the tax be levied as a lesser amount. The levy of the tax will continue until the City Council ceases collecting the tax and a Notice of Cessation of Special Tax is recorded in accordance with Government Code section 53330.5.

**SECTION 4.** A special tax is hereby levied on all taxable parcels within Improvement Area No. 2 of the District for fiscal year 2014-2015 and for all subsequent fiscal years in the amount of the maximum tax authorized by Exhibit C to the Resolution of Change, subject to the following: in any fiscal year the City Council may determine

by resolution that the tax be levied as a lesser amount. The levy of the tax will continue until the City Council ceases collecting the tax and a Notice of Cessation of Special Tax is recorded in accordance with Government Code section 53330.5.

**SECTION 5.** The Manager of the City’s Public Improvement Finance Division (the “**Manager**”) is authorized and directed (a) to determine each year, without further action of the City Council, the appropriate amount of the special tax to be levied in accordance with the Resolution of Change; and (b) to prepare the annual special-tax roll in accordance with the Resolution of Change—all with the aid of appropriate City officers and agents. The Manager’s address and phone number are as follows:

915 “I” Street  
New City Hall, Third Floor  
Sacramento, California 95814  
Telephone: (916) 808-8788

**SECTION 6.** The Manager is hereby authorized and directed, without further action of the City Council, to provide to the Auditor-Controller Division of the Sacramento County Department of Finance, in proper form and in proper time, all appropriate information needed to effect the correct and timely billing and collection of the special tax on the secured property-tax roll of Sacramento County, subject to the following: as provided in Government Code section 53340, the Resolution of Formation, and the Resolution of Change, the City Council has reserved the right to use any method of collecting the special tax that it determines to be in the City’s best interests, including but not limited to direct billing by the City to the property owners, supplemental billing, and judicial foreclosure, all or any of which the City Council may in its discretion implement from time to time.

**SECTION 7.** The appropriate officers and agents of the City are authorized to make adjustments to the special-tax roll before the final posting of the special taxes to the Sacramento County tax roll each fiscal year as may be necessary to achieve a correct match of the special-tax levy with the assessor’s parcel numbers finally used by the County in sending out property-tax bills.

**SECTION 8.** If the special tax is collected on Sacramento County’s secured-tax roll, then, before remitting the special-tax collections to the City, the County may deduct from the amounts collected its reasonable and agreed charges for collecting the special tax.
