## Description/Analysis

**Issue Detail:** The Department of Utilities (DOU) has an ongoing need to purchase Flygt pump equipment and parts that are necessary to maintain, repair, and upgrade the infrastructure of the City's sanitary sewer and drainage sump stations. Authorization is requested to contract with Xylem Water Solutions, Inc. (Xylem) as a "sole source" procurement.

**Policy Considerations:** To conduct a sole source procurement for supplies of \$100,000 or more, it is necessary suspend competitive bidding. Under City Code Section 3.56.230, the City Council may suspend competitive bidding for a supply purchase if the City Council determines, on a two-thirds vote, that it is in the City's best interests to do so. Suspension of competitive bidding is in the City's best interests because Flygt equipment and parts are required to match existing equipment, and Xylem is the only authorized municipal supplier for Flygt products for Northern California.

**Economic Impacts:** Not Applicable

**Environmental Considerations:** The Community Development Department, Environmental Planning Services has reviewed the project and has determined the project is exempt under Section 15301 of the California Environmental Quality Act (CEQA) Guidelines. The project consists of the repair of existing utility infrastructure, involving no expansion of use beyond that existing.

**Sustainability:** The proper maintenance of sump station pumps supports the goals of the City's Sustainability Master Plan by protecting sources of water and providing flood protection.

**Commission/Committee Action:** Not Applicable

**Rationale for Recommendation:** DOU has an ongoing need to purchase Flygt pump equipment and parts as needed for its newly implemented predictive maintenance program. Staff believes it is in the City's best interest to suspend competitive bidding because proprietary Flygt pumps and parts must fit existing equipment and can only be obtained from one source, Xylem. The purchase of Flygt pump equipment and parts will ensure continued sewer and drainage system functionality and flood protection to City residents.

**Financial Considerations:** Xylem has committed to a discount of 10% off current list price at time of order for the five-year term. The proposed contract is for five years with an estimated expenditure of \$150,000 per year, for a not-to-exceed amount of \$750,000. Sufficient funding for the first year is available in the Department of Utilities, Operations & Maintenance Division FY2013/14 operating budget and in the FY2014/15 operating budget as proposed. Purchases in succeeding fiscal years shall be subject to funding availability in the adopted budgets for each fiscal year.

**Local Business Enterprise (LBE):** The Northern California branch for Xylem Water Solutions, Inc. is located in Fairfield and is not a local business enterprise. DOU has obtained a waiver of the minimum LBE participation requirement from the Economic Development Department.

**Background**

The Department of Utilities (DOU), Operations & Maintenance Division, operates multiple water, wastewater, and drainage facilities throughout the City of Sacramento. DOU’s sanitary sewer sump stations and some drainage sump stations are configured with Flygt pumps manufactured by Xylem Water Solutions, Inc. (Xylem). Due to the age of many of these pumps, the amount of pumps needing rebuilding or replacement by City staff is rapidly increasing. Over the last three years, DOU has seen a steady increase in Flygt pump equipment and parts purchases from Xylem to facilitate necessary repairs and replacement.

<b>Fiscal Year</b>	<b>Approximate Purchase Amount</b>	<b>% Increase, Year over Year</b>
FY2011/12	\$28,000	-%
FY2012/13	\$55,000	51%
FY2013/14	\$98,000	56%

Currently, DOU is implementing a predictive maintenance program to enable staff to keep up with the increasing demand for repairs and replacement. The program assists staff with determining when the parts for each pump should be repaired or replaced to prolong the life of the pump instead of replacing the entire pump once something breaks and cannot be repaired. Replacement of pump parts provides a significant cost savings over replacing an entire pump. Even with the predictive maintenance program in place, unplanned repairs and replacements can occur. Given the history of purchase increases, year over year for the last three years, staff is recommending an estimated budget of \$150,000 per year for the proposed five-year contract term to cover both planned and unplanned maintenance.

<b>Fiscal Year</b>	<b>Approximate Purchase Amount</b>	<b>% Increase, Year over Year</b>
FY2013/14	\$98,000	-%
FY2014/15	Estimated \$150,000	65%
FY2014/15 FY2015/16 FY2016/17 FY2017/18	Estimated \$150,000 Estimated \$150,000 Estimated \$150,000 Estimated \$150,000	-%

Xylem, the sole source supplier of Flygt pumps and parts (See Exhibit A), has agreed to a discount of 10% off current list price for all Flygt pumps and parts at the time of order during the contract’s five-year term. The total not-to-exceed amount is \$750,00 for five years. All funding will be provided from the Department of Utilities Operations & Maintenance budget.

## RESOLUTION NO. 2014-

Adopted by the Sacramento City Council

### SUSPENDING COMPETITIVE BIDDING FOR THE PURCHASE OF FLYGT PUMP EQUIPMENT AND PARTS AND AUTHORIZING SUPPLY CONTRACT WITH XYLEM WATER SOLUTIONS, INC.

#### BACKGROUND

- A. The Department of Utilities (DOU), Operations and Maintenance Division operates and maintains water, wastewater, and drainage facilities throughout the City.
- B. DOU's sanitary sewer sumps and some drainage sumps are configured with Flygt pumps manufactured by Xylem Water Solutions, Inc. (Xylem). Due to the age of many of these pumps, the amount of pumps needing rebuilding or replacement by City staff is rapidly increasing.
- C. DOU has been installing Flygt pumps for over 20 years and they have proven to be extremely reliable. Due to ongoing staff training on repairing Flygt products and ease of repairs, pumps are lasting beyond their estimated service life of 15 years.
- D. DOU is implementing a new predictive maintenance program intended to repair pump parts individually before the entire pump fails completely. Replacement of pump parts provides a significant cost savings over replacing an entire pump. As part of the predictive maintenance program, DOU's need for proprietary Xylem Flygt replacement parts will increase. To meet this need, City staff has recommended entering into a "sole source" contract with Xylem.
- E. To conduct a sole source procurement for supplies of \$100,000 or more, it is necessary to suspend competitive bidding. Under City Code Section 3.56.230, the City Council may suspend competitive bidding for a supply purchase if the City Council determines, on a two-thirds vote, that it is in the City's best interests to do so. Suspension of competitive bidding is in the City's best interests because Flygt equipment and parts are required to match existing equipment, and Xylem is the only direct municipal supplier for Sacramento County, including the City of Sacramento.

#### BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. In the best interests of the City, competitive bidding is suspended for the purchase of Flygt pump equipment and parts from Xylem Water Solutions, Inc. for a five-year term.
- Section 2. The City Manager or the City Manager's designee are authorized to execute a Supplies Agreement with Xylem Water Solutions, Inc. to

purchase Flygt pump equipment and parts for an amount not-to-exceed \$750,000 over a five-year term, provided that sufficient funds are available for this purpose in the budget adopted for the applicable fiscal year(s).

A violation by CONTRACTOR of this Section 6 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

**7. CONTRACTOR Information.**

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term “information” shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party’s trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY’s failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR’s proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked “trade secret” when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff’s attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual “trade secret”

designation of such information.

- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

**8. Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:

- (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

## 10. Indemnity.

Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

**EXHIBIT E****REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE****INTRODUCTION**

The Sacramento Non-Discrimination In Employee Benefits Code (the “Ordinance”), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

**APPLICATION**

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor’s operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

**DEFINITIONS**

As set forth in the Ordinance, the following definitions apply:

“Contract” means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. “Contract” also means a written agreement for the exclusive use (“exclusive use” means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City’s use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

“Contract” shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

**CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION**

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

**EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS**

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”
