Description/Analysis

Issue Detail: On February 11, 2014, the City Council passed Motion No. 2014-0029 amending the Fiscal Year (FY) 2013/14 Approved Budget, allocating \$2.1 million to relocate the City's primary data servers from their current flood zone location to the 911 Communications Center, and establishing the Information Technology (IT) Primary Data Server Relocation project (C07000200). To complete the project, IT seeks to increase the cooperative purchase authorization provided by City Council Motion Nos. 2013-0162 and 2014-0029, to purchase additional IT goods and services from Cisco Systems and EMC, to purchase IT goods and services from Graybar Electric and Anixter, Inc., and to add Evolve Technology Group as an authorized reseller for Hewlett Packard (no purchase requirements).

Policy Considerations: The recommendations in this report are in accordance with City Code Section 3.56.240 which authorizes the City Manager, where advantageous to the City, to utilize cooperative purchasing agreements approved by the City Council to purchase supplies or nonprofessional services through legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City.

Economic Impacts: None.

Environmental Considerations: The report does not constitute a "project" and is therefore exempt from the California Environmental Quality Act (CEQA) [CEQA Guidelines Sections 15061(b)(3);15378(b)(2)].

Sustainability: Under Phase 1 of the City of Sacramento's Climate Action Plan, all applicable "Green" technology initiatives will be considered prior to the purchase of IT equipment hardware and software.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: In an ongoing effort to maximize cost savings and staff resources, many government agencies share contracting efforts through cooperative purchasing. This procurement approach increases pricing competitiveness and lowers operating costs through volume purchasing. When comparing the administrative costs of procurement, staff considers product research, source selection, specifications, advertising, staff reports, awarding, protest, and administration of the contract. It is often more cost-effective to eliminate the cost and time spent on these administrative processes and purchase items and services through a cooperative purchasing program. The City has used both regional and national cooperative purchasing agreements to complement its own contracting initiatives. Cooperative purchasing enables City departments and the Procurement Services Division to evaluate a broader range of contracting opportunities and to share resources with other jurisdictions. Cooperative purchasing also leverages internal and external resources to maximize cost savings opportunities for the City.

Financial Considerations: IT is requesting a not-to-exceed increase of \$1,480,000 in authorized expenditures with the four vendors listed in the chart that follows. There is a sufficient General Fund budget in C07000200 for the additional purchases requested. The new total amount requested for IT related goods and services purchases through competitive/cooperative purchase agreements for FY2013/14 will not exceed \$9,015,000. This new not-to-exceed amount includes the original City Council approval on June 16, 2013 (Motion 2013-0162) in the amount of \$6,935,000, Supplemental City Council approval on February 11, 2014 (Motion 2014-0029) for an additional amount of \$600,000, and Supplemental 2 scheduled for City Council approval on April 29, 2014 (Report 2014-

00284). At such time that the overall total or individual limit by vendor exceeds the amounts authorized, Council authorization will be requested.

4. WSCA BASE CONTRACT

This WSCA contract is based on some or all of the products and/or services and prices from WSCA Cisco Networking Communications and Maintenance Master Agreement, **State of Utah # AR-233**. See Guidelines/Rules below for any limitations.

5. CONTRACT TERM

The contract term for the California Participating Addendum is **06/01/2008** through **05/31/2014**

6. GUIDELINES/RULES

- a. This Participating Addendum is for equipment and associated services (primarily maintenance) for which Cisco has an assigned SKU number. **Cisco authorized services, other than for maintenance, cannot exceed 10% of the total order amount.**

PLEASE NOTE: Non-exempt state agencies are PROHIBITED from procuring Voice Over Internet Protocol (VoIP) equipment and/or services from this Cisco Equipment and Services WSCA contract, unless an exception is requested and approved by the Department of Technology Services (DTS). A Mandatory Statewide Contract exists for VoIP on the CALNET 2 Master Services Agreement #3 (MSA 3). The CALNET 2 MSA 3 is the MANDATORY vehicle to be used by non-exempt state agencies to acquire network based voice services for Call Centers and Advance Communication Platforms, and all VoIP related procurements.

**WESTERN STATES CONTRACTING ALLIANCE (WSCA)
CISCO EQUIPMENT AND SERVICES
USER INSTRUCTIONS**

The CALNET 2 contract is managed by the Department of Technology Services (DTS) Statewide Telecommunications Network Division (STND). If a non-exempt State Agency wishes to procure customer premise equipment (CPE) based on the Call Manager and Advance Communication VoIP platform offerings from WSCA, they will need to get an exemption from DTS-STND. Please go to the CALNET 2 website at <http://www.calnet.ca.gov/> for detailed CALNET 2 contract information and DTS-STND contact information.

- b. Equipment maintenance is purchased on an annual basis and can be ordered for multiple years to obtain deeper discounts. Service terminations effected prior to the end of the full contracted period (i.e., 1-yr, 2-yr, or 3-yr), except for non-funding, will not result in any refund of monies paid/owed (although credits may be arranged in certain circumstances). Agencies that require the ability to cancel service commitments with 30 days written notice should consider the Network Services MSA at <http://www.pd.dgs.ca.gov/masters/network.htm>.
- c. Ordering state agencies must follow all applicable state mandated guidelines, e.g., State Administrative Manual, Management Memos, Agency Directives, Purchasing Authority Manual Vol. 3 and California Codes.
- d. State and local government agency use of WSCA contracts is optional. A local government is any city, county, city and county, district or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges, that is empowered to expend public funds.

7. DOLLAR THRESHHOLDS (Local Governments are Exempt)

- WSCA Program Limitation: no dollar limit on orders.
- All orders are subject to the most current Management Memo (currently MM 08-05 including supplements), or whichever Management Memo is in effect at the time a purchase order is issued. Go to DGS/PD web site www.dgs.ca.gov/pd to obtain a copy of the most current Management Memo.
- Orders of \$100,000 or less require only one quote. Orders over \$100,000 require a minimum of three quotes. Fulfillment Partners are listed in descending order and alphabetically by most favorable discounts. NOTE: Agencies can solicit additional quotes at any dollar level at their discretion.

8. PRICING

See Attachment B for minimum discount and savings by fulfillment partners. Note: Higher discounts on large orders are a distinct possibility. You are encouraged to solicit more than the required three quotes in these instances.

9. EXECUTING THE PURCHASE ORDER

THE [WSCA/STATE OF CALIFORNIA](#) CONTRACT NUMBER MUST BE SHOWN ON THE PURCHASE ORDER.

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms). The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. The ordering agency defines the goods and related services needed and contacts the fulfillment partner for discounts and pricing. Then the ordering state agency completes a Form 65 (Contract/Delegation Purchase Order), including all pertinent information for each individual order issued against the Agreement and sends the Form 65 to the selected Cisco Fulfillment Partner. Please note that shipment of equipment is FOB Destination.

NOTE: To access the Cisco price catalog, go to www.cisco.com and register for a user id and password. To access the WSCA index page for the California WSCA (shown under the "ordering" link), send an email request to Cisco. Access is usually granted within an hour. Once you have access, you may click on the WSCA link from the "Ordering" page, select the state (bottom of page), and click on "download our Cisco Global Price List" under Pricing and Discount Information. From there you can view and download a copy of the latest price list.

You may print a copy of the contract terms and conditions, the Participating Addendum, and a copy of the e-quote from your order to retain in your files. It is not necessary to provide a copy of each page to DGS. Additionally, it is not the contractor's responsibility to provide this information to you.

10. ON-LINE ORDERING

The following Fulfillment Partners offer online ordering:

CDW Government, Inc.
Evolve Technology Group
IBM
Quest Media & Supplies, Inc.

If interested, contact the supplier representative to discuss setting up an online ordering website for your agency. State agencies must still provide a copy of the ordering document to the Department of General Services, Procurement Division. **(Local Governments are Exempt)**.

11. PURCHASE ORDER DISTRIBUTION

For state agencies, copies of the STD. 65 with original signatures must be sent to the Cisco Fulfillment Partner, State Controller and Department of General Services, Procurement Division. For local agencies, copies of purchase orders are not required.

12. PAYMENTS AND INVOICES

a. Payment Terms

**WESTERN STATES CONTRACTING ALLIANCE (WSCA)
CISCO EQUIPMENT AND SERVICES
USER INSTRUCTIONS**

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires state agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

b. Payee Data Record (Std. 204)

Each state accounting office must have a copy of the appropriate Payee Data Record (Std. 204) in order to process payment of invoices. Agencies should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed.

13. TERMINATION

The Department of General Services may terminate the Participating Agreement in its entirety upon thirty (30) days prior written notice. In addition, ordering agencies may cancel their order if such cancellation is received by Cisco at least ten (10) days prior to the scheduled order shipment date. The preceding does not affect the termination clause of the WSCA Master Price Agreement concerning failure to perform or upon mutual consent.

14. DGS ADMINISTRATIVE FEE

The agency will not be charged the DGS Administrative fee and agencies will not be invoiced by the contractor for the use of this contract.

WESTERN STATES CONTRACTING ALLIANCE
MASTER PRICE AGREEMENT
for
COMPUTER EQUIPMENT, PERIPHERALS, AND RELATED SERVICES

Number B27161

This Agreement is made and entered into by EMC Corporation, 8444 Westpark Drive, Suite 700, McLean, VA 22102 (“Contractor”) and the State of Minnesota, Department of Administration (“State”) on behalf of the State of Minnesota, participating members of the National Association of State Procurement officials (NASPO), members of the Western States Contracting Alliance (WSCA) and other authorized Purchasing Entities.

RECITALS

WHEREAS, the State has the need to purchase and the Contractor desire to sell; and,

WHEREAS, the State has the authority to offer contracts to CPV members of the State of Minnesota and to other states.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

INTENT AND PURPOSE

The intent and purpose of this Agreement is to establish a contractual relationship with equipment manufacturers to provide, warrant, and offer maintenance services on **ALL** products proposed in their response to the RFP issued by the State of Minnesota. Delivery, support, warranty, and maintenance may be provided by the Contractor using subcontractors. The Contractor agrees to take legal responsibility for the warranty and maintenance of all products furnished under this Agreement. The Contractor is responsible for the timeliness and quality of all services provided by individual subcontractors. Subcontractor participation will be governed by individual Participating Entities, who have the sole discretion to determine if they will accept services from a subcontractor.

Individual Purchasing Entities may enter in to lease agreements for the products covered in this Master Price Agreement, if they have the legal authority to enter into these types of agreements without going through a competitive process, and if the Contractor submitted copies of its lease agreements with its response to the RFP. The lease agreements were not reviewed or evaluated as part of the RFP evaluation process. The agreements are located in Exhibit C, Value-Added Services.

The Agreement is **NOT** for the purchase of major, large hardware or hardware and software offerings. In general, individual units/configurations for servers and storage

(SANs, etc.) should not exceed \$300,000 each. Desktop per unit/configuration costs should not exceed \$100,000. Printers of all types and monitors per unit/configuration costs should not exceed \$50,000 each. It is the expressed intent of some of the Participating States to set this level at not to exceed \$25,000 each, or \$50,000. Contractors must be willing to comply with these restrictions by agreeing to supply products in those price ranges only. This **IS NOT** a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration. Individual Participating States and Participating Entities may set specific limits in a participating addendum above these limits, with the prior approval of the WSCA Directors; or may set specific limits in a participating addendum below these limits.

Contractors may offer, but participating states and entities do not have to accept, limited professional services related **ONLY** to the equipment and configuration of the equipment purchased through the Agreement.

1. Definitions

“Announced Promotional Price” are prices offered nationally to specific categories of customers (Consumer, Business or government) for defined time periods under predefined terms and conditions.

“Consumables” those items that are required for the operation of the Equipment offered or supplied which are consumed over time with the purchaser’s use of the equipment are included – printer cartridges, batteries, projector bulbs, etc. Consumables such as magnetic media, paper and generally available office supplies are excluded.

“Configuration” in most instances in this document means a total system configuration. This may include more than one model or part number (or SKU), or a combination of hardware, software, and configuring of the system to make the system work.

“Contract” means a binding agreement for the procurement of items of tangible personal property or services. Contract and Master Price Agreement are used interchangeably in this document.

“Contractor” means the successful Responder who enters into a binding Master Price Agreement. The Contractor is responsible for all sales, support, warranty, and maintenance services for the products included in this Agreement. The Contractor must manufacture or take direct, non-assignable, legal responsibility for the manufacture of the equipment and warranty thereof. For the purposes of this Contract, the term Contractor and Contract Vendor are synonymous.

“CPV Member” is any governmental unit having independent policy making and appropriating authority, that is a member of Minnesota’s Cooperative Purchasing Venture (CPV) program.

“CPV Program.” The Cooperative Purchasing Venture (CPV) program, as established by Minn. This limitation of liability does not apply to damages for personal injury or death, or to Contractor's obligation to

indemnify, defend and hold the State harmless against intellectual property infringement or copyright claims under paragraph 12 of this Agreement. This indemnification does not include liabilities caused by the State's gross negligence, or intentional wrongdoing of the State.

25. Amendments

Contract amendments shall be negotiated by the State with the Contractor whenever necessary to address changes in the terms and conditions, costs, timetable, or increased or decreased scope of work. This Agreement shall be amended only by written instrument executed by the parties. An approved Contract amendment means one approved by the authorized signatories of the Contractor and the State as required by law.

26. Scope of Agreement

This Agreement incorporates all of the agreements of the parties concerning the subject matter of this Agreement. No prior agreements, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

27. Severability

If any provision of this Contract, including items incorporated by reference, is found to be illegal, unenforceable, or void, by a court of competent jurisdiction then both the State and the Contractor shall be relieved of all obligations arising under such provision. If the remainder of this Contract is capable of performance, it shall not be affected by such declaration or finding and shall be fully performed.

28. Enforcement of Agreement/Waivers

A. No covenant, condition, duty, obligation, or undertaking contained in or made a part of this Contract shall be waived except by the written consent of the parties. Forbearance or indulgence in any form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the other party. Until complete performance or satisfaction of all such covenants, conditions, duties, obligations, and undertakings, the other party shall have the right to invoke any remedy available under law or equity, notwithstanding any such forbearance or indulgence.

B. Waiver of any breach of any provision of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Contract shall be held to be waived, modified, or deleted except by an instrument, in writing, signed by the parties hereto.

C. Neither party's failure to exercise any of its rights under this Contract will constitute or be deemed a waiver or forfeiture of those rights.

29. Web Site Maintenance

A. The Contractor agrees to maintain and support an Internet website linked to the State's administration website for access to the PSS, service selection assistance, problem resolution assistance, billing concerns,

configuration assistance, Product descriptions, Product specifications and other aids described in the RFP, and/or in accordance with instructions provided by the WSCA/NASPO Contract Administrator. Failure to comply with this requirement will be grounds for further action to be taken against the Contractor.

The Contractor agrees to abide by all applicable laws, regulations, and executive orders pertaining to equal employment opportunity, including federal laws and the laws of the state in which its primary place of business is located. In accordance with such laws, regulations, and executive orders, the Contractor agrees that no person in the United States shall, on the grounds of race, color, religion, national origin, sex, age, veteran status or handicap, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed by the contractor under this Agreement. If the Contractor is found to be not in compliance with these requirements during the life of this Agreement, the Contractor agrees to take appropriate steps to correct these deficiencies.

The Contractor certifies that it will remain in compliance with Minn. Stat. § 363.073 during the life of the Contract.

31. Governing Law

33. Release

The Contractor, upon final payment of the amount due under this Agreement, releases the Lead State and Participating Entities, its officers and employees, from all contractual liabilities, claims and obligations whatsoever arising from or under this Agreement. 34. Data Practices

- A. The Contractor and the State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13 (and where applicable, if the state contracting party is part of the judicial branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State to the Contractor and all data provided to the State by the Contractor. In addition, the Minnesota Government Data Practices Act applies to all data created, collected, received, stored, used, maintained or disseminated by the Contractor in accordance with this Contract that is private, nonpublic, protected nonpublic, or confidential as defined by the Minnesota Government Data Practices Act, Ch. 13 (and where applicable, that is not accessible to the public under the Rules of Public Access to Records of the Judicial Branch).
- B. In the event the Contractor receives a request to release the data referred to in this article, the Contractor must immediately notify the State. The State will give the Contractor instructions concerning the release of the data to the requesting party before the data is released. The civil remedies of Minn. In the event that the Contractor subcontracts any or all of the work to be performed under the Contract, the Contractor shall retain responsibility under the terms of this paragraph for such work.

35. Organizational Conflicts of Interest

- A. The Contractor warrants that, to the best of its knowledge and belief, and

except as otherwise disclosed, there are not relevant facts or circumstances which could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons:

- a Contractor is unable or potentially unable to render impartial assistance or advice to the State;
- the Contractor's objectivity in performing the work is or might be otherwise impaired; or
- the Contractor has an unfair competitive advantage.

B. The Contractor agrees that if an organizational conflict of interest is discovered after award, an immediate and full disclosure in writing shall be made to the Assistant Director of the Department of Administration's Materials Management Division that shall include a description of the action the Contractor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the State may, at its discretion, cancel the Contract. In the event the Contractor was aware of an organizational conflict of interest prior to the award of the Contract and did not disclose the conflict to the WSCA/NASPO Contract Administrator, the State may terminate the Contract for default. The provisions of this clause shall be included in all subcontracts for work to be performed, and the terms "Contract," "Contractor," and "WSCA/NASPO Contract Administrator" modified appropriately to preserve the State's rights.

Such consent shall not be unreasonably withheld. The Contractor shall give written notice to the State's authorized agent of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of this Contract. Failure to do so may result in the Contractor being held in default. This consent requirement includes reassignment of this Contract due to a change in ownership, merger, or

acquisition of the Contractor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contractor's right to assign this Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contractor shall remain solely liable for all performance required and provided under the terms and conditions of this Contract.

The Contractor may adjust PSS pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of that State. All such agreements shall have no affect whatsoever on the WSCA fee or the prices paid by the Purchasing Entities outside the jurisdiction of the State requesting the additional fee.
2. Purchasing Entities will be encouraged to use the reporting format developed by the lead State for their reporting needs. However, the Contractor agrees to provide additional reports to Purchasing Entities upon agreement by both parties as to the content and delivery methods of the report. Methods of delivery may include direct access to Internet or other databases.
3. Each State Purchasing Entity shall be allowed access to reports from all entities within that State.

1. Exercise any remedy provided by law or equity;
 2. Terminate the Agreement, a Participating Addendum, or any portion thereof, including any Purchase Orders issued against the Agreement;
 3. Impose liquidated damages, as specified in a Participating Addendum;
 4. In the case of default by the Contractor, and to the extent permitted by the law of the Participating State or Purchasing Entity, suspend Contractor from receiving future solicitations.

1. Customer-Performed Tasks:

Customer-Performed Tasks are product support tasks that Customer is authorized by EMC to perform and will not be performed by EMC as part of the Product warranty or maintenance. EMC will provide diagnostic tools and documentation to enable Customer to perform replacement of designated CRUs and other service tasks.

2. Customer Replaceable Units (CRUs):

CRUs are specific assemblies, components or individual parts of designated EMC equipment that Customer is authorized by EMC to self-replace. In the event of a failure or technical issue, Customer may remove and replace a CRU by using EMC provided diagnostic tools and/or documentation. Assemblies or components not designated as CRUs must be serviced and/or replaced by EMC or an EMC authorized service partner.

EXHIBIT B – COMPLAINT RESOLUTION

EMC provides a single contact point (amongst multiple vendors) for the entire solution.

Placing a Service Call "Case":

Opening the service case alerts EMC that a problem is occurring and starts all our support mechanisms. Opening the case with the correct Serial Number allows the incident to be recorded in our tracking tool and gives visibility to the issue to anyone inside EMC working the issue. We would rather work with an issue that turns out to be nothing than become alerted at the point it is a problem that is critical and impacts availability.

In the event that you cannot determine if it is a hardware or software problem, state so and ask to be routed to a software engineer for further analysis. It is your option, based on priority, to ask for live transfer to an engineer; otherwise a callback may be initiated.

Escalation Summary:

1. Log a call with 1-800-SVC-4EMC. (1-800-872-4786) OR <http://powerlink.emc.com/>
2. Work the issue with the solution center engineer and set appropriate expectations and specific communication timeframes to ensure timely resolution. Be sure to provide the detailed symptom/issue and also request to be live transferred to the next available engineer.
3. If you have been working an issue with an engineer and then are unable to re-contact that engineer, contact a dispatcher at 1-800-SVC-4EMC and request another engineer or the duty manager to be paged.
4. If the problem persists and is mission critical, request to escalate for more attention and ask to be live transferred to the next engineer if possible. Inform the solution center engineer that you would like the case escalated and the priority increased. You may also then request the duty manager to be paged.

NOTE: Please refer to the severity levels below when escalating.

Always escalate if you do not get a call back if:

- Severity 1 and you have not received a callback within 30 minutes.
- Severity 2 and you have not received a callback within 3 hours.
- Severity 3 and you have not received a callback within 24 hours.

Examples of Severity Levels for Hardware & Software calls:

- Level 1: Severe Customer Business Impact. Customer or workgroup cannot perform normal job functions.
 - Examples: System down, Data loss, Data unavailable, Unavailable Workaround
 - Response Time: 4 hours
- Level 2: Moderate Customer Business Impact. Customer or workgroup performance of job function is degraded.
 - Examples: Major system function is unavailable or degraded, Available Workaround, Running unprotected, New installation deadline approaching
 - Response Time: 24 hours
- Level 3: Limited Customer Business Impact. Customer or workgroup performance of job function is largely unaffected.
 - Examples: How-to questions, New software installs, Code upgrades
 - Response Time: As available

8. Upon termination or expiration of the Master Price Agreement, CONTRACTOR and its sub-contractors, re-sellers, and agents must cease all use of the NASPO/WSCA names and logos; except that, CONTRACTOR may use the NASPO/WSCA names for reference purposes in a description of its prior experience.

C. Restricted/Disallowed Products and Services (State Departments Only)

The following restrictions apply to all State departments. These restrictions do not apply to local governmental agencies unless the restriction is identified within the Minnesota WSCA-NASPO Master Agreement.

1) Leasing/Rental Options

Equipment rental and/or leasing is disallowed.

2) Software

Purchase of software is only allowable at the time of the initial purchase of the hardware and is limited to operating systems and packaged (off-the-shelf) software that does not require signing any type of license agreement. Software-only purchases are disallowed.

3) Services

Purchase of services is only allowable at the time of the initial purchase of the hardware. Service-only purchases are disallowed. (Exception: Equipment maintenance purchases, for equipment purchased under the existing or previous Minnesota WSCA-NASPO Computer Equipment Master Agreements, are allowable.)

4) Consulting and Application Development Services

General consulting services and all forms of application development and programming services are disallowed.

5) Cloud services

Cloud services are disallowed, including, but not limited to:

- Infrastructure as a service (IaaS)
- Platform as a service (PaaS)
- Software as a service (SaaS)
- Storage as a Service (STaaS)
- Utility Ready Storage
- Cloud Storage

6) Products/Services available on Mandatory Statewide Contracts

Products and services available on Mandatory California Statewide Contracts cannot be purchased by State departments without an exemption. State departments shall obtain an exemption in accordance with the Statewide Contract User Instructions prior to issuing a purchase order under these agreements. For current information technology (IT) hardware Statewide Contracts see the State Contracts Index Listing located at <http://www.documents.dgs.ca.gov/pd/contracts/contractindexlisting.htm>.

D. Unit/Configuration Limits

The following individual unit/configuration limitations apply for purchases under these agreements. These unit/configuration limits are not a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration.

Product/Category	Unit/Configuration* Dollar Limit
Servers and Storage (SANs, etc.)	Not to exceed \$300,000 per configuration
Workstations (Desktop, Laptop, Tablet)	Not to exceed \$100,000 per configuration
Monitors	Not to exceed \$50,000 per unit
Printers (all types)	Not to exceed \$50,000 per unit

* For the purpose of these agreements, "configuration" is defined as a total system configuration. This may include more than one model or part number (or SKU), or a combination of hardware, software, and configuring of the system to make the system work.

E. Contractor Pricing

A Product and Service Schedule (PSS) containing contract product and pricing information is posted on each Contractors' dedicated website. Pricing is based on a discount off list price. Contractors may offer greater discounts and/or lower prices than those published in their PSS. Links to each Contractor's dedicated website and PSS are identified in Attachment A.

6. CONTRACT USAGE/RULES

A. Adherence to Applicable Laws (State Departments Only)

State departments must adhere to all applicable State laws, regulations, policies, best practices, and purchase authority requirements (e.g. California Codes, Code of Regulations, State Administrative Manual, Management Memos, and State Contracting Manual Volumes 1, 2 and 3).

B. Purchase Authority (State Departments Only)

Prior to placing orders under these agreements, State departments must have been granted purchasing authority by DGS-PD for the use of cooperative agreements. The State department's current purchasing authority number must be entered in the appropriate location on each purchase document. State departments that have not been granted purchasing authority by DGS-PD may access the Purchasing Authority Application by contacting DGS-PD's Purchasing Authority Management Section by email at pams@dgs.ca.gov.

C. Mission Critical (State Departments Only)

State departments must complete and submit a Mission Critical certification form for all orders which require DGS review and approval. The form is available at www.documents.dgs.ca.gov/pd/delegations/pac021810.pdf

D. American Recovery and Reinvestment Act (ARRA) (State Departments Only)

State departments executing purchases using ARRA funding must attach the ARRA Supplemental Terms and Conditions. State departments are reminded that these terms and conditions supplement, but do not replace standard State terms and conditions associated with this agreement. The ARRA Supplemental is found at <http://www.documents.dgs.ca.gov/pd/poliproc/ARRATand%20C081009final.pdf>

E. California Seller's Permit (State Departments Only)

California Seller's Permit information for each Contractor is identified in Attachment A. Prior to placing orders under these agreements, State departments should verify that permits are currently valid at www.boe.ca.gov. State departments must adhere to the file documentation required identified in the State Contracting Manual Volume 2 and Volume 3, as applicable.

F. Order Limits/Dollar Thresholds (State Departments Only)

Purchase orders may not exceed the \$1,500,000 maximum order limit listed on page 1. The total contract value shall be based on the cumulative value including any amendments (i.e., a \$1,400,000 contract plus a \$100,000 amendment shall be considered a \$1,500,000 contract). This restriction does not apply for local governmental agencies.

An exemption may be obtained from the order limit upon completion and submittal of a "Leveraged Procurement Agreement Request for Exemption to \$1,500,000 limit" (LPAER) form to the DGS-PD. The LPAER form can be obtained by contacting the DGS-PD Contract Administrator listed in Section 4 (Contract Administrators).

Pursuant to Public Contract Code Section 10329, willfully splitting a single purchasing transaction into a series of transactions for the purpose of evading bidding requirements or to circumvent ordering limits is prohibited.

G. DGS Administrative Fee

Ordering agencies will not be charged the DGS Administrative fee nor will they be invoiced by the Contractor(s) for use of these agreements.

7. ORDERING PROCEDURES

A. Contractor Selection Process

1) State Departments

State departments electing to use these agreements must select a Contractor using the Best Value Request for Offer (RFO) process outlined below:

- a. *Develop RFO* – Ordering Agency will develop a RFO which includes the following information, at a minimum:
 - All relevant Ordering Agency contact information necessary for the Contractor to respond to the RFO; and
 - A detailed specification or scope of work (SOW) for the products and services required

- b. *Solicit Offers* – Ordering Agency shall solicit offers from a minimum of three Contractors within the awarded product/service category (identified in Attachment B).
 - If multiple Contractors are solicited and less than three offers are received, the Ordering Agency must document their file with the reasons why the other Contractors solicited did not respond with an offer.
 - Agencies may use State-approved Servicing Subcontractors (Authorized Resellers) for soliciting offers. See Section 7.B (Servicing Subcontractors) for agency requirements.
 - Orders valued less than \$5,000 may be executed without obtaining multiple offers if fair and reasonable pricing has been established and documented within the procurement file.
- c. *Determine Best Value* – Ordering Agency will review all responsive offers and select a Contractor based on best value, with cost as one of the criteria.
- d. *Document Results* – Ordering Agency must document the results of the best value RFO process within the procurement file including, but not limited to, Contractors that were contacted, recap of their offers, how the selection was made and criteria for determining “best value”. Ordering Agencies have the option to use the Best Value Determination Worksheet or the agency’s own form to document the results.
- e. *Issue Purchase Order* – Ordering Agency will issue purchase order document to the selected Contractor in accordance with Section 7.C (Purchase Order Form).

2) Local Governmental Agencies

Local governmental agencies may use the contractor selection process described in Section 7.A.1 above or other process in accordance with their procurement policies and regulations.

B. Servicing Subcontractors (Authorized Resellers)

- 1) State-approved Servicing Subcontractors (Authorized Resellers) may provide offers, accept purchase orders, fulfill purchase orders, perform maintenance/warranty services and accept payment from Ordering Agencies for products and associated services offered under the specific Contractor’s California Participating Addendum.
- 2) Ordering Agencies may only use State-approved Servicing Subcontractors (Authorized Resellers) for soliciting offers and order execution when:
 - a. Attachment A indicates Authorized Resellers are available for use under the specific California Participating Addendum; and
 - b. The firm is identified on the Approved Authorized Reseller listing posted on the State’s eProcurement website.
- 3) If soliciting offers from Authorized Resellers, State departments must retain a copy of the State’s Approved Authorized Reseller listing, for the individual California Participating Addendum, in the procurement file.

- 4) All purchase order documents to Authorized Resellers must contain the California Participating Addendum Number and the prime Contractor's name as instructed in Attachment A.

C. Purchase Order Form and Execution

All Ordering Agency purchase order documents executed under these agreements must contain the applicable California Participating Addendum Number as shown in Attachment A. See Section 7.B for additional requirements when executing orders through Authorized Resellers.

- 1) State departments

State departments must use the Purchasing Authority Purchase Order (Std. 65) for purchase execution. An electronic version of the Std. 65 is available on the DGS-PD website at <http://www.dgs.ca.gov/pd/Forms.aspx> (select Standard STD Forms).

- 2) Local Governmental Agencies

Local governmental agencies may use their own purchase order document in lieu of the State's purchase order form.

D. Purchase Order Distribution (State Departments Only)

Upon execution of the Purchasing Authority Purchase Order (Std. 65), State departments must send a copy of the purchase document to the Contractor and to:

Department of General Services
Procurement Division
Attn: Julie Matthews
P.O. Box 989052
West Sacramento, CA 95798-9052
IMS: Z-1

Copies of local governmental agencies' purchase order documents are not required to be submitted to DGS-PD.

8. INVOICING AND PAYMENT

A. Payment Terms

Payment terms for these agreements are net forty-five (45) days. Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927, et seq. Unless expressly exempted by statute, the Act requires State departments to pay properly submitted, undisputed invoices not more than forty-five (45) days after the date of acceptance of goods, performance of services, or receipt of an undisputed invoice, whichever is later.

B. Payee Data Record

Each State accounting office must have a copy of the Payee Data Record (Std. 204) in order to process payments. State departments should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed. State departments should contact the Contractor for copies of the Payee Data Record.

C. CAL-Card

State departments may use the CAL-Card for the payment of invoices. Use of the CAL-Card requires the execution of Purchasing Authority Purchase Order (Std. 65) as referenced in Section 7.C (Purchase Order Form) and must include all required documentation applicable to the purchase.

CAL-Card is a payment mechanism, not a procurement approach and, therefore, does not relieve departments from adhering to all procurement laws, regulations, policies, procedures, and best practices, including those discussed in the State Contracting Manual Volumes 1, 2 and 3. This includes but is not limited to the application of all sales and use tax laws, rules and policies as applicable to the purchase.

9. PROBLEM RESOLUTION/CONTRACTOR PERFORMANCE

Ordering agencies should first attempt to resolve complaints, issues or disputes informally with the Contractor. If the issue or dispute cannot be resolved by the Ordering Agency, the issue may be elevated to the DGS-PD State Contract Administrator.

NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Supplier. This Master Agreement shall not restrict the County from acquiring similar, equal or like goods and/or services from other entities or sources.

NOTICE OF DELAYS

Except as otherwise provided under the Master Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of the Master Agreement, that party shall, within two (2) business days, give notice thereof, including all relevant information with respect thereto, to the other party.

NOTICE OF DISPUTES

The Supplier shall bring to the attention of the County any dispute between the County and the Supplier regarding the performance of services as stated in the Master Agreement.

The County Purchasing Agent and/or his designee shall make the sole determination regarding the disposition and resolution of the dispute.

CONSUMPTION REPORTS/ITEM NUMBERS/PURCHASES

Each County department or participating agency is to be assigned a customer number to be used in identifying each sale and proper billing address.

Supplier shall be required to furnish to the County's Purchasing Agent/designee or requesting participating agency, monthly computer based usage reports of purchases separated by individual County departments or entity, and/or delivery locations, and employee purchases, listing quantities of separate items purchased and total dollars expended.

Usage reports listing items in alphabetical order and descending dollar volume order must also be provided upon request.

Supplier must provide any other usage reports that the County Purchasing Agent/designee or participating agencies may require for their internal controls including but not limited to Green Product consumption, HUB/DBE use, etc.

TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Supplier to maintain compliance with the requirements set forth in the Contractor's Warranty of Adherence to County's Child Support Compliance Program shall constitute default under the Master Agreement. Without limiting the rights and remedies available to the County under any other provision of the Master Agreement, failure of the Supplier to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate the Master Agreement pursuant to Termination for Default herein, and pursue debarment of the Supplier, pursuant to County Code Chapter 2.202.

TERMINATION FOR CONVENIENCE

The Master Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Such termination shall be effected by notice of termination to the Supplier specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective.

The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

- A. After receipt of a notice of termination and except as otherwise directed by the County, the Supplier shall:
 - Stop performance under the Master Agreement on the date and to the extent specified in such notice, and
 - Complete performance of such part of the Master Agreement as shall not have been terminated by such notice.
- B. All material including books, records, documents, or other evidence bearing on the costs and expenses of the Supplier under the Master Agreement shall be maintained by the Supplier in accordance with paragraph 1.33.9 (Record Retention and Inspection/Audit Settlement) of this RFP.

TERMINATION FOR DEFAULT

The County may, by written notice to the Supplier, terminate the whole or any part of the Master Agreement, if, in the judgment of County's Purchasing Agent or designee:

- Supplier has materially breached the Master Agreement; or
- Supplier fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under the Master Agreement; or
- Supplier fails to demonstrate a high probability of timely fulfillment of performance requirements under the

		PAGE 26

Master Agreement, or of any obligations of the Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- A. In the event that the County terminates the Master Agreement in whole or in part as provided herein, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated.
- B. The Supplier shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Supplier shall continue the performance of the Master Agreement to the extent not terminated under the provisions of this sub-paragraph.
- C. Except with respect to defaults of any Subcontractor, the Supplier shall not be liable for any such excess costs of the type identified herein if its failure to perform the Master Agreement arises out of causes beyond the control and without the fault or negligence of the Supplier. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Supplier. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Supplier and Subcontractor, and without the fault or negligence of either of them, the Supplier shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Supplier to meet the required performance schedule. As used in this paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.
- C. If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Supplier was not in default under the provisions herein, or that the default was excusable under the provisions, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Termination for Convenience, as described herein.
- D. The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

TERMINATION FOR IMPROPER CONSIDERATION

The County may, by written notice to the Supplier, immediately terminate the right of the Supplier to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by the Supplier, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Supplier's performance pursuant to the Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Supplier as it could pursue in the event of default by the Supplier.

- A. The Supplier shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- B. Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

TERMINATION FOR INSOLVENCY

The County may terminate the Master Agreement in the event of the occurrence of any of the following:

- A. Insolvency of the Supplier. The Supplier shall be deemed to be insolvent if it has ceased to pay its debts

for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Supplier is insolvent within the meaning of the Federal Bankruptcy Code;

B. The filing of a voluntary or involuntary petition regarding the Supplier under the Federal Bankruptcy Code; the appointment of a Receiver or Trustee for the Supplier; or the execution by the Supplier of a general assignment for the benefit of creditors.

The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

TERMINATION FOR NON APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Master Agreement, the County shall not be obligated for the Supplier's performance hereunder or by any provision of the Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for use under the Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated, then the Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Supplier in writing of any such non-allocation of funds at the earliest possible date.

VALIDITY

If any provision of the Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of the Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

WAIVER

No waiver by the County of any breach of any provision of the Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of the Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth herein shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

WARRANTY AGAINST CONTINGENT FEES

The Supplier warrants that no person or selling agency has been employed or retained to solicit or secure the Master Agreement upon any contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Supplier for the purpose of securing business. For breach of this warranty, the County shall have the right to terminate the Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

PARTICIPATING MUNICIPALITIES

Excluding any local awards, the County has designated U.S. Communities Government Purchasing Alliance (herein U.S. Communities) as the agency to provide administrative services related to purchases by other governmental entities (Participating Public Agencies) under the Master Agreement. At the County's sole discretion and option, and upon Supplier entering into the requisite U.S. Communities Administration Agreement, Participating Agencies may acquire products under the Master Agreement. Such acquisitions shall be at the prices stated in the Master Agreement, or lower.

The awarded Supplier(s) must deal directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment. The County is acting as

Contracting Agent for the Participating Public Agencies and shall not be held liable for any costs, damages, etc. incurred by any other Participating Public Agency.

In no event shall the County be considered a dealer, remarketer, agent or representative of the Supplier.

PRE-PRINTED TERMS AND CONDITIONS

Pre-printed terms and conditions/bidders contract documents. Bidders pre-printed terms and conditions or restrictions commonly appearing on the reverse side of letters submitted with the bid and/or bidders specifications material and contract documents will be disregarded in the absence of a positive written statement from Bidder and approved in writing by the County Purchasing Agent that all or a particular portion of such writings are in addition to or supersede the County terms and conditions.

The County of Los Angeles reserves the right to bid individual large requirements when deemed in the best interests of the County.

RETURN OF GOODS RECEIVED

In bidding, Proposer agrees to accept for full credit any merchandise returned in good condition within five days after receipt of goods without any handling charges; however, no return shall be made of any material which has been put into operation other than for test. When products delivered fail to meet specification, cost of inspection shall be for account of vendor.

CANCELLATION

Any agreement formulated from this inquiry may be cancelled by either party upon (ninety) 90 days written notice. The County may continue to place orders against said agreement until the effective date of such cancellation.

PRICING

Except as specifically noted herein, category product price proposals shall be firm, fixed prices for one year after the award for core list items and discount off manufacturer price list for all other items. In all cases, the County will reserve the right to reject any price increases during the terms of the Master Agreement. The County reserves the right to negotiate pricing and to add and delete items.

PRICE ADJUSTMENTS

All price adjustment requests must be submitted no less than 60 days prior to implementation. All upward price adjustments must be supported by manufacturers letter(s) substantiating the requested increase, the percent increase and must be approved by County Purchasing Agent. Price decreases will be accepted any time during the contract period with 60 day notice.

MASTER AGREEMENT TERM

The Master Agreement term shall be for a period of three (3) years from the date of award, with two (2) additional 12-month extension options which may be exercised at the sole discretion of the County.

The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this agreement or impose other penalties as specified in this agreement.

CONTRACTOR RESPONSIBILITY AND DEBARMENT

1. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
2. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the contract, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 5 years, and terminate any or all existing contracts the Contractor may have with the County.
3. The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is, the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

6. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

7. These terms shall also apply to (subcontractors/subconsultants) of County Contractors.

PROHIBITION AGAINST USE OF CHILD LABOR

1. Not knowingly sell or supply to COUNTY any products, goods, supplies or other personal property produced or manufactured in violation of child labor standards set by the International Labor Organizations through its 1973 Convention concerning Minimum Age for Employment.
2. Upon request by COUNTY, identify the country/countries of origin of any products, goods, supplies or other personal property bidder sells or supplies to COUNTY, and

Should COUNTY discover that any products, goods, supplies or other personal property sold or supplied by VENDOR to COUNTY are produced in violation of any international child labor conventions, VENDOR shall immediately provide an alternative, compliant source of supply.

Failure by VENDOR to comply with the provisions of this clause will be grounds for immediate cancellation of this Purchase Order or termination of this Agreement and award to an alternative vendor.

A. Jury Service Program.

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service policy.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. This policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

STANDARD TERMS & CONDITIONS	TERM CONTRACT AWARD CONTRACT NO: MA-IS-1340234-4

2. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the County. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a Copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the county's satisfaction that Contractor either continues to remain outside of the Jury service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

PRICE SPECIFIC CONTRACTS AND PURCHASE ORDERS

Vendors are entitled to receive payment for goods received by, or services provided to the county specific to the Contract or Purchase Order price amount. Under no circumstances will those Suppliers, Contractors or Vendors who supply goods or otherwise contract services with the County of Los Angeles be entitled to or paid for expenditures beyond the Contract or Purchase Order amounts. Vendors are prohibited from accepting prepayment for goods or services without the express written approval of the County Purchasing Agent.

ASSIGNMENT BY CONTRACTOR

A. Contractor shall not assign its rights or delegate its duties under the Agreement, or both whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by county to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor, may have against county.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without county's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

COUNTY OF LOS ANGELES
ARRA STANDARD TERMS AND CONDITIONS ADDENDUM
FOR CONTRACTS AND GRANTS
AUGUST 27, 2009 (Revised)
Attachment I

If this contract or grant involves the use of funds from the federal American Recovery and Reinvestment Act of 2009, Pub. L. 111-5 ("Recovery Act"), the following terms and conditions apply. As used in this Section, "Contractor/Grantee" means the contractor or grantee receiving Recovery Act funds from the County of Los Angeles ("County") under this agreement.

1. The Contractor/Grantee specifically agrees to comply with each of the terms and conditions contained herein.
2. Contractor/Grantee understands and acknowledges that the federal stimulus funding process is still evolving and that new requirements for Recovery Act compliance may still be forthcoming from federal government and the County of Los Angeles. Accordingly, Contractor/Grantee specifically agrees that both it and subcontractors/sub-grantees will comply with all such requirements during the contract period.

DUNS NUMBER

All contractors are required to provide the County with their unique Dun & Bradstreet Data Universal numbering System D-U-N-S number prior to award.

CONFLICTING REQUIREMENTS

Contractor/Grantee agrees that, to the extent Recovery Act requirements conflict with County of Los Angeles requirements, the Recovery Act requirements shall control.

FALSE CLAIMS ACT

Contractor/Grantee agrees that it shall promptly refer to an appropriate federal inspector general any credible evidence that a principal, employee, agent, sub-grantee, subcontractor or other person has submitted a claim under the federal False Claims Act, as amended, 31 U.S.C. 3729-3733, or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.

ENFORCEABILITY

Contractor/Grantee agrees that if Contractor/Grantee or one of its subcontractors/sub-grantees fails to comply with all applicable federal and state requirements governing the use of Recovery Act funds, the County of Los Angeles may withhold or suspend, in whole or in part, funds awarded under the program, or recover misspent funds following an audit. This provision is in addition to all other remedies available to the County of Los Angeles under all applicable state and federal laws.

INSPECTION OF RECORDS

Contractor/Grantee agrees that it shall permit the United States Comptroller General or his representative or the appropriate inspector general appointed under section 3 or 8G of the federal Inspector General Act of 1978, as amended, 5 U.S. App. 3 and 8(g), or his representative to: (1) examine any records that directly pertain to, and involve transactions relating to, any activities funded with funds appropriated or otherwise made available by the Recovery Act; and (2) interview any officer or employee of Contractor\Grantee or any of its subcontractors/sub-grantees regarding the activities funded with funds appropriated or otherwise made available by the Recovery Act.

JOB POSTING REQUIREMENTS

Section 1512 of the Recovery Act requires states receiving stimulus funds to report on jobs created and retained as a result of the stimulus funds. Contractors/Grantees who receive Recovery Act funded contracts are required to provide the County an estimate of the number of new positions created and filled, positions retained, or previously existing unfilled positions that are filled or retained as the result of the contract.

PROHIBITION ON USE OF RECOVERY ACT FUNDS

Contractor/Grantee agrees that none of the funds made available under this contract may be used for any casino or other gambling establishment, aquarium, zoo, golf course, swimming pools, or similar projects.

REPORTING REQUIREMENTS

Pursuant to Section 1512 of Title XV of the Recovery Act, County departments receiving Recovery Act funds must submit a report to the federal government no later than ten (10) calendar days after the end of each calendar quarter. Accordingly, the contractor agrees to provide the County with such information, no later than five (5) calendar days after the end of each calendar quarter, as is required by the County to comply with ARRA reporting requirements. Standard data elements and federal Instructions for use in complying with reporting requirements under Section 1512 of the Recovery Act, are pending review by the federal government, and were published in the Federal Register, 74 Federal Register, 14824 (April 1, 2009), and are to be provided online at www.FederalReporting.gov. The contractor must provide any other information reasonably requested by the County or required by state or federal law or regulation.

SUBCONTRACTOR REQUIREMENTS

Contractor/Grantee agrees that it shall include these standard terms and conditions, including this requirement, in any of its subcontracts or sub-grants in connection with projects funded in whole or in part with funds available under the Recovery Act.

WAGE REQUIREMENTS

Contractor/Grantee agrees that, in accordance with Section 1606 of Title XVI of the Recovery Act, both it and its subcontractors shall fully comply with this section in that, notwithstanding any other provision of law, and in a

manner consistent with the other provisions of the Recovery Act, all laborers and mechanics employed by contractors and subcontractors on projects funded in whole or in part with funds available under the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality, as determined by the United States Secretary of Labor in accordance with Subchapter IV of Chapter 31 of Title 40 of the United States Code. The Secretary of Labor's determination regarding the prevailing wages applicable in the Commonwealth of Virginia are located at: <http://www.gpo.gov/davisbacon/va.html>

WHISTLEBLOWER PROTECTION

Contractor/Grantee agrees that both it and its subcontractors/sub-grantees shall comply with Section 1553 of the Recovery Act, which prohibits all non-federal Contractor/Grantees of Recovery Act funds, Including the County of Los Angeles, and all contractors and grantees of the County of Los Angeles from discharging, demoting or otherwise discriminating against an employee for disclosures by the employee that the employee reasonably believes are evidence of (1) gross mismanagement of a contract or grant relating to Recovery Act funds; (2) a gross waste of Recovery Act funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of Recovery Act funds; (4) an abuse of authority related to implementation or use of Recovery Act funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract) or grant, awarded or issued relating to Recovery Act funds. A. Jury Service Program.

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service policy.

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. 2. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard and is approved as such by the County. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a Copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the county's satisfaction that Contractor either continues to remain outside of the Jury service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

PRICE SPECIFIC CONTRACTS AND PURCHASE ORDERS

Vendors are entitled to receive payment for goods received by, or services provided to the county specific to the Contract or Purchase Order price amount. Vendors are prohibited from accepting prepayment for goods or services without the express written approval of the County Purchasing Agent.

ASSIGNMENT BY CONTRACTOR

Contractor shall not assign its rights or delegate its duties under the Agreement, or both whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by county to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which Contractor, may have against county.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without county's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
