Description/Analysis

Issue Detail: The Maintenance Services Division of the Department of Public Works has an ongoing need to maintain the landscaped and non-landscaped streetscapes along its transportation corridors. The Division currently has 34 contracts to maintain specific geographically bounded areas of its streetscapes that are routinely bid and awarded on an annual basis. However, the Division also requires landscape maintenance and repair services to address short-term and one-time needs.

Policy Considerations: The recommendations in this report are consistent with AP-4101 – Procurement of Non-Professional Services. City Code section 3.56.230(c) authorizes the City Council to suspend competitive bidding for the purchase of services or supplies when, upon a two-thirds vote, the City Council determines it is in the best interest of the City to do so. In this instance, suspending competitive bidding is necessary in order to award to more than one-bidder.

Economic Impacts: None.

Environmental Considerations:

California Environmental Quality Act (CEQA): Under the CEQA guidelines, continuing administrative or maintenance activities do not constitute a project and are therefore exempt from review.

Sustainability Considerations: The streetscape maintenance services purchased under this agreement will support the goals of the City of Sacramento’s Sustainability Master Plan by improving and optimizing the transportation infrastructure. Further, maintenance of the streetscapes contributes to the quality of life by promoting “greening” within the City.

Rationale for Recommendation: Throughout the course of a year, several one-time requirements arise for short-term routine maintenance of landscaped and non-landscaped areas along the City’s transportation corridors; weed abatement and special cleanup projects; irrigation system repair, removal, and/or replacement; application of pre-emergent, fertilizers, pesticides, and other chemical applications; and removal and/or replacement of plants and small trees.

Establishing a pool of on-call contractors is the most cost-effective and efficient means of obtaining these services. Many of these individual projects are as small as \$250 - \$500, yet require essentially the same time and effort from Staff for contract preparation and management as that of a \$25,000 project. By awarding on-call agreements to the two contractors, Staff will only have to assign individual projects, as they arise, to one of the contractors. The Department of Public Works, with City Council approval, has previously established similar on-call agreements for streetscape maintenance and repair services which have worked well in meeting the City’s needs.

When a landscape maintenance or repair project is identified, each of the contractors is required to submit a proposal for the completion of the project. Proposals will include price quotations for providing all materials, equipment, and labor necessary to complete the project, based upon crew rates and other quoted rates submitted by the contractor in their response to the Invitation for Bid. Staff will accept the individual proposal reflecting the lowest cost to the

City and that is both responsive and responsible. Based upon Staff's competitive process to assign work, each agreement will have a not-to-exceed amount of up to \$200,000 per contract year. However, the aggregate total for both agreements for all work shall not exceed \$200,000 per contract year and the three-year total shall not exceed \$600,000.

On-Call Contractors will likely have multiple assignments throughout a given year. However, they will not be guaranteed any minimum number of assignments during the contract period. There is a possibility that no services may be required by the City from an individual contractor during all or any portion of the contract term. Project requirements will be based upon the availability of funds and actual needs as they occur throughout the contract period. Annual on-call streetscapes maintenance and repair services expenditures average between \$190,000 and \$200,000.

On April 10, 2014, Invitation for Bid B14151681044 was issued for On-Call Streetscape Maintenance and Repair Services. On April 23, 2014, the City received four responsive and responsible bids over \$100,000 requiring Council approval. Based upon the bid results below, Staff recommends award of agreement to the two lowest responsive and responsible bidders: Parker Landscape Development, Inc. and Roush Landscape.

	Roush Landscape Services	Parker Landscape Development	California Landscape Associates	New Image Landscape
Crew Rates	\$97,500.00	\$101,000.00	\$121,800.00	\$153,500.00
Mark-Up	\$0.00	\$490.00	\$1,750.00	\$1,050.00
Bid Total	\$97,500.00	\$101,490.00	\$123,550.00	\$154,550.00
LBE Preference	-\$4,875.00	-\$5,074.50	-\$6,177.50	-\$7,727.50
Bid Evaluation Total	\$92,625.00	\$96,416.50	\$117,372.50	\$146,822.50

The amounts reflected as "Repair Crew Rates" and "Mark-Up" in the bid summary above were calculated based upon estimated requirements established solely for bid evaluation purposes.

Financial Considerations: The two contracts requested will have a combined not-to-exceed amount of \$200,000 per contract year and a three-year not to exceed limit of \$600,000.

Purchases will be made from the Department of Public Works, Maintenance Services Division operating budget. Streetscapes maintenance services are funded primarily by fees from the Citywide Landscaping & Lighting District and 15 special districts. There are no General Funds planned for these services. There is sufficient funding available in the operating budget to support the projected maintenance requirements for Fiscal Year 2014-15.

Local Business Enterprise (LBE): Parker Landscape Development and Roush Landscape Services are both Local Business Enterprises.

NONPROFESSIONAL SERVICES AGREEMENT

SCOPE OF SERVICES

The services provided shall be as set forth in Attachment 1 to Exhibit A, attached hereto and incorporated herein.

SPECIFICATIONS AND SCOPE OF WORK

ON-CALL STREETSCAPES MAINTENANCE AND REPAIR SERVICES

The City of Sacramento maintains over 498 acres of landscaped and non-landscaped medians and streetscapes along its transportation corridors. The City routinely bids and awards contracts to maintain specific geographically bounded areas of its streetscapes. However, the City also requires landscape maintenance and repair services to address short-term and one-time needs. The City intends to make multiple awards to insure continuity of services, by selecting up to four on-call landscape maintenance contractors to complete streetscapes maintenance and repair projects, on an as needed basis.

Any contract(s) resulting from this Invitation for Bid shall be effective for a period not to exceed one year from the date of award. If mutually agreeable to both parties, this contract may be extended on a year-to-year basis; however, in no case shall the renewal extend beyond three (3) years from date of the award of the original contract. The Contractor shall be capable of performing all landscape maintenance and related services as outlined in the Technical Specifications and in conformance with the contract contained herein.

Streetscape maintenance and repair activities are funded by fees from the Citywide Landscaping and Lighting District and 15 special districts.

CONTRACTOR QUALIFICATIONS:

The work to be performed shall be by a licensed landscape maintenance contractor, insured and bonded to do business in the City of Sacramento. Contractor shall have at least seven (7) years actual experience in providing a wide-breadth of high-quality landscape maintenance services for commercial and/or governmental entities. Contractor shall demonstrate the breadth and quality of services offered by providing a minimum of ten (10) satisfactory large-scale commercial and/or government references.

Contractor must possess a valid State of California C27 Landscaping Contractor License, State of California Department of Pesticide Regulation Qualified Applicator License, State of California Agricultural Pest Control Business License, and City of Sacramento Business Operations Tax Certificate at the time the Bid Proposal is submitted to the City.

SCOPE OF WORK:

Contractor must provide all labor, material, tools, and equipment necessary to complete assigned landscape maintenance projects.

The type of work assigned will include, but not be limited to:

- short-term routine maintenance of landscaped and/or non-landscaped areas along transportation corridors;
- weed abatement and special one-time cleanup projects;
- irrigation system repair, removal, and/or replacement; and

- plant and small tree removal and/or replacement.

All work performed shall conform to the City of Sacramento Landscape Maintenance Services General Specifications and Provisions, LS14, dated 3/31/2014. A digital copy of the document is available, upon request, from the Project Manager.

ASSIGNMENT OF WORK:

All work will be assigned on an as-needed basis and be based upon a process of soliciting competitive proposals.

When a landscape maintenance or repair project is identified, each of the on-call contractors will submit a proposal for the completion of the project. Proposals shall include price quotations for providing all materials, equipment, and labor necessary to complete the project, based upon crew rates and other quoted rates submitted by the contractor in response to this Invitation for Bid. The City will accept the individual proposal reflecting the lowest cost to the City, and that is both responsive and responsible.

All assigned maintenance and repair projects shall have prior written authorization from the City before any work is performed. If additional work is required, additional approval from the City must be obtained before the additional work is performed.

Individual contractors are not guaranteed any minimum number of assignments during the contract period. It is possible that no services may be required by the City from an individual Contractor during all or any portion of the contract term. Project requirements will be based upon the City's availability of funds and actual needs as they occur throughout the contract period.

Availability and timely completion of assigned work are critical to the award and maintenance of this agreement. Failure to provide proposals when requested or provide timely services shall be grounds for contract termination.

ASSIGNMENT LOCATIONS:

Citywide. Specific location assignments will be provided when individual project proposals are solicited.

SAFETY AND TRAFFIC CONTROL:

The majority of streetscape maintenance and repair projects is performed either in or near the city's rights-of-way and requires additional safety measures not normally associated with traditional landscape maintenance services. Contractor shall furnish and use proper advance warning signage, warning lights, and equipment in accordance with the California Manual of Temporary Traffic Controls for Construction and Maintenance Work Zones, 2007 Edition in order to protect their workers, the public, and property of others.

Contractor shall conform to all rules and regulations of the California Occupational Safety and Health Act (CalOSHA.) Work shall be performed to all applicable safety rules and regulations. The Contractor is also advised that the City of Sacramento is a "Drug Free Zone."

MARKUP ON MATERIALS:

Contractor shall be allowed to increase the cost of any materials pre-approved by the City for replacement, or installation equal to an agreed upon percentage. Reimbursable expenditures for materials shall be limited to actual expenditures of Contractor for materials that are necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

Percentage markup shall not be used for dump fees, equipment rentals, or any other non-material items. Contractor, upon request by City, will provide itemized price lists and all receipts for materials purchased.

SPECIAL REQUIREMENTS:

- 1. Contact During Normal Hours.** For the term of the contract, Contractor shall maintain a telephone and voicemail/answering machine that will enable the City to contact the Contractor during normal work hours – cellular phones are acceptable. Contractor must respond to any message left by City by not later than the end of the next business day.
- 2. Emergency Contact.** For the term of the contract, Contractor shall maintain an emergency point of contact, who will be accessible by telephone and voicemail/answering machine that will enable the City to make contact with the Contractor after normal work hours and on weekends and holidays – cellular phones are acceptable. Contractor must respond to any message left by City within one (1) hour.

CONTRACT PERIOD:

Any contract resulting from this Invitation for Bid shall be effective from the date of award through midnight, June 30, 2015, with options to extend for two additional years with all terms and conditions remaining the same. Extensions shall be by mutual consent, in writing.

INSURANCE AND BOND REQUIREMENTS:

Insurance requirements are as outlined in Item 4, above, of this Invitation for Bid.

PRICING:

When a landscape maintenance or repair project is identified, each of the pre-approved contractors will submit a proposal for the completion of the project. All maintenance and repairs performed shall be completed at the quoted labor rates and, in addition, authorized materials provided by the Contractor shall be priced in accordance with the discount quoted in the Pricing Schedule. Proposals shall be all-inclusive, no surcharges or additional costs will be allowed. The City will accept the individual proposal reflecting the lowest cost to the City, and that is both responsive and responsible.

The prices quoted to the City shall be as low as, or lower than those charged the Contractor's most favored customer for comparable quantities under similar terms and conditions, in addition to any discounts for prompt payment.

The bid items listed on the Pricing Schedule are for evaluation purposes only. The quantities and items specified are estimates only of the City's requirements. Contractor agrees to furnish more

or less than the estimates at the unit prices quoted in accordance with availability of funds and actual needs as they occur throughout the contract period.

When a helper is required to assist an Irrigation Technician to complete an assigned project, the proposal will be quoted at one-half (½) times the General Gardening Crew rate.

Unplanned and/or emergency work, conducted on hourly basis, outside of normal work hours is calculated at the "Overtime" rate of 1.50 x quoted rate. This section does not apply to quotes provided as part of a project proposal.

COOPERATIVE PURCHASING:

If mutually agreeable to both parties, the use of any resulting contract may be extended to other government agencies. It shall be understood that all terms and conditions as specified herein shall apply. The City of Sacramento will not be an agent, partner or representative of any other government agency as it relates to this specification and is not obligated or liable, including, but not limited to, payment for an order placed by any other government agency.

DISMISSAL OF UNSATISFACTORY EMPLOYEES:

The Contractor shall only furnish employees who are competent and skilled for work under this contract. If, in the opinion of the City, an employee of the Contractor is incompetent or disorderly, refuses to perform in accordance with the terms and conditions of the contract, threatens or uses abusive language while on City property, or is otherwise unsatisfactory, that employee shall be removed from all work under this contract.

DRUG-FREE WORKPLACE POLICY:

The City of Sacramento is committed to providing a safe workplace for its employees and citizens alike. An essential part of this commitment is keeping the work environment free from drugs. In 1989, to assist in the achievement of this end, the City established a Drug-Free Workplace Policy.

As a contractor doing business with the City, it is expected that your firm will also implement a drug-free policy that informs your employees of the dangers and prohibition of drug abuse and that you will join with the City in maintaining a drug-free workplace.

If, in the performance of work under this contract, any employee of the Contractor exhibits unacceptable behavior that may be related to use of drugs or alcohol, the City reserves the right to discuss the employee's behavior with the Contractor. If the unacceptable behavior persists, the City may require that the employee be removed from all work under this contract.

MODIFICATION OF CONTRACT:

The City may order changes in the work herein required and may order extra work in connection with the performance of the contract and the Contractor may comply with such orders, except that:

- A. If changes in requirements or materials are of such a nature as to increase or decrease the cost of any part of the work, the price fixed in the contract will be increased or

decreased by such amount as the Contractor and the Project Manager may agree upon as the reasonable and proper allowance for the increase or decrease in the cost of work.

- B. No order for any alteration, modification, or extra work which will increase or decrease the cost of the work shall be valid unless the resulting increase or decrease in price shall have been agreed upon in writing and approved by the Project Manager. No oral statement of any person whomsoever shall in any manner or degree modify or otherwise affect the terms of this contract, including the requirements of the specifications.

USE OF SUBCONTRACTORS:

No portion of the work or services, except for the purchase of necessary goods and materials, to be supplied hereunder may be subcontracted in whole or in part, nor assigned by the contractor, nor may assignment of any money due or to become due the Contractor under this nonprofessional services agreement be made without the prior written consent of the City.

Where authorized by the City, the Contractor shall select all subcontractors and suppliers on a competitive basis to the maximum practicable extent consistent with the objectives and requirements of the nonprofessional services agreement.

The hourly labor rates quoted must be all inclusive. Bids will be based on an hourly rate, based upon the time the Contractor begins work on site. Cost for travel time should be built in to the hourly rate that is bid. No surcharges or additional costs will be allowed.

In determining the amount bid by each bidder, the City shall disregard mathematical errors in addition, subtraction, multiplication, and division that appear obvious on the face of the Bid Proposal. When such a mathematical error appears on the face of the Proposal, the City shall have the right to correct such error and to compute the total amount bid by said bidder on the basis of the corrected figure or figures.

When an item price is required to be set forth in the Bid Proposal, and the total for the item set forth separately does not agree with a figure which is derived by multiplying the item price times the Project Manager's estimate of the quantity of work to be performed for said item, the item price shall prevail over the sum set forth as the total for the item unless, in the sole discretion of the City, such a procedure would be inconsistent with the policy of the bidding procedure. The total paid for each such item of work shall be based upon the item price and not the total price. Should the Proposal contain only total price for the item and the item price is omitted, the City shall determine the item price by dividing the total price for the item by the Project Manager's estimate of the estimated quantities of work to be performed as items of work.

If the Bid Proposal contains neither the item price nor the total price for the item, then it shall be deemed incomplete and the Proposal shall be disregarded.

NONPROFESSIONAL SERVICES AGREEMENT

GENERAL PROVISIONS

1. Independent Contractor.

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations hereunder, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.
- D. The provisions of this Section 1 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostatting, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

- 8. Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers

to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

9. Term; Suspension; Termination.

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
 - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services render by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

10. Indemnity.

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type

and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

EXHIBIT E

LIVING WAGE REQUIREMENTS (Nonprofessional Service Agreement)

The Living Wage Ordinance

The City of Sacramento's Living Wage Ordinance (the "LWO") is codified as Chapter 3.58 of the Sacramento City Code. The LWO requires certain firms that enter into agreements or contracts (all subsequent references to a "contract" or "contracts" will refer to both contracts and agreements) to provide certain services to or for the CITY, to pay a specified minimum level of compensation to their employees for time spent performing any work on the CITY contract. The LWO also applies to certain subcontractors.

The LWO applies to contracts entered into, amended, or renewed or extended at the CITY's discretion, on or after March 1, 2004 (the "LWO Effective Date").

Contracts and Contractors Covered by the LWO

Determining whether the LWO applies to a specific CITY contract, contractor or subcontractor, depends on whether the contract, contractor and/or subcontractor meet the criteria specified in the LWO for contract type, contract amount, contractor size (# of employees), subcontract amount and subcontractor size (# of employees). These criteria are summarized below.

Contract Type

The LWO applies only to contracts for Nonprofessional Services. Under the LWO, this includes contracts for any services of a nonprofessional character, including but not limited to tree trimming services, repair services for motor vehicles and office equipment, vehicle towing, and security services.

The LWO does not apply to: (1) Incidental services, such as delivery, installation or maintenance, that are provided under contracts for the purchase or lease of equipment, supplies, or other personal property; (2) contracts that are subject to CITY, state, or federal prevailing-wage requirements; (3) contracts for professional services (including but not limited to services rendered by engineers, architects, auditors, banks, consultants, actuaries and attorneys); and (4) contracts with nonprofit corporations that are organized under section 501 of the Internal Revenue Code and have fewer than 100 employees, whether full or part time.

Contract Amount

The LWO applies to contracts entered into or amended after the LWO Effective Date that provide compensation from the CITY of \$100,000 or more. In addition, the LWO applies to a contract entered into or amended after the LWO Effective Date that, by itself, does not reach this amount, if the aggregate value of that contract and of any other Nonprofessional Services contracts covered by the LWO that the CITY has awarded to the same person or firm within the previous 12 months, is \$100,000 or more. IT IS THE CONTRACTOR'S RESPONSIBILITY TO DETERMINE WHETHER THIS AGGREGATE VALUE IS \$100,000 OR MORE, AND TO NOTIFY THE CITY IN WRITING WHENEVER THIS IS THE CASE.

Contractor Size

The LWO only applies to a contractor that has at least 25 employees, working either full or part time. The number of employees that a contractor has is determined by adding the contractor's employees and the employees of any other person or entity deemed to be a "Related Person" under the LWO.^a

Subcontract Amount

The LWO applies to a subcontractor providing services under a covered contract if the amount of the subcontract is at least 25 % of the contract amount, without regard to the number of employees the subcontractor has.

Subcontractor Size

The LWO also applies to a subcontractor providing services under a covered contract if the subcontractor has at least 25 employees, working either full or part time, whether or not the amount of the subcontract is at least 25 % of the contract amount.

Payment of Living Wage to Covered Employees

If a contractor or subcontractor meets the criteria specified in the LWO for contract type, contract amount, contractor size, subcontract amount and/or subcontractor size, the contractor or subcontractor is deemed to be a "Covered Employer" under the LWO. The LWO requires a Covered Employer to provide specified minimum compensation to its employees who perform work directly related to the CITY contract (these employees are called "Covered Employees" under the LWO), for all hours the Covered Employees perform under the CITY contract.^b

^a The LWO provides that a person or entity is a Related Person when any of the following circumstances exists:

- (1) The person or entity and the contractor are both corporations, and (i) share a majority of members of their governing boards, or (ii) have two or more officers in common, or (iii) are controlled by the same majority shareholder or shareholders (control means more than 50% of the corporation's voting power), or (iv) are in a parent-subsidiary relationship (such a relationship exists when one corporation directly or indirectly owns shares possessing more than 50% of another corporation's voting power); or
- (2) The person or entity otherwise controls and directs, or is controlled and directed by, the contractor, as determined by the City Manager.

^b A Covered Employee includes full-time, part-time, contingent, contract and temporary employees, but does not include: (1) individuals who participate in job-training-and-education programs that have, as their express purpose, the provision of basic job skills and education to participants, with the goal of earning a high-school-equivalency diploma and permanent employment; (2) student interns; (3) individuals participating in specialized-training programs; and (4) an employee whose term and conditions of employment are governed by a bona fide collective-bargaining agreement containing an express waiver of the LWO.

The minimum compensation required is as follows:

- (1) If health benefits are provided to Covered Employees and the Covered Employer's contribution for the benefits is at least \$1.50 for each hour, then the rates are as follows:
 - (a) During 2007, the greater of \$10.00 an hour or \$9.00 adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1, 2004, through December 31, 2006.
 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

- (2) If health benefits are not provided to Covered Employees or if health benefits are provided but the Covered Employer's contribution for the benefits is less than \$1.50 for each hour, then the rates are as follows:
 - (a) During 2007, the greater of \$11.50 an hour or \$10.50 adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1, 2004, through December 31, 2006.
 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

Notification to Covered Employees

The LWO requires a Covered Employer to give each existing employee and (at the time of hire) each new employee a copy of the following written notification:

This company may enter into a contract to perform services for the City of Sacramento. If you work on such a contract, then you are entitled to be paid a living wage for each hour so worked. For more information, see Chapter 3.58 of the Sacramento City Code, which can be viewed at <http://portal.cityofsacramento.org>

The LWO requires the above notification to be provided in each language spoken by 10% or more of the Covered Employer's workforce.

The LWO also requires a Covered Employer to inform all employees of their possible right to the federal Earned Income Credit (EIC), and to make available to those employees any forms required to secure advance EIC payments from the Covered Employer.

Subcontractor Compliance

A contractor is responsible for requiring all of its subcontractors who are covered by these requirements to comply with the provisions of the LWO, by including these requirements in all subcontracts covered by the LWO.

Other Provisions of the LWO

Use of Funds Paid Under CITY Contracts

Under the LWO, Covered Employers may not directly use CITY funds to persuade Covered Employees to support or oppose unionization, and Covered Employers may not directly use CITY funds to schedule or hold meetings related to union representation during the Covered Employees' working hours. These restrictions do not apply to expenditures made during good-faith collective bargaining or to expenditures required under bona fide collective-bargaining agreements.

No Reduction in Non-Wage Benefits

Under the LWO, Covered Employers may not fund any wage increases required by the LWO, nor shall Covered Employers otherwise respond to the enactment of the LWO, by reducing the health, insurance, pension, vacation, or other non-wage benefits of any of their employees.

No Retaliation

The LWO prohibits a Covered Employer from taking any adverse action against a Covered Employee because the Covered Employee does any of the following: (1) exercises or asserts his or her rights under the LWO; (2) informs or assists other Covered Employees concerning their rights and the Covered Employer's obligations under the LWO; (3) complains about the Covered Employer's failure to comply with the LWO; or (4) seeks to enforce the LWO.

No Reduction in Collective-Bargaining Wage Rates

The LWO does not require or authorize any Covered Employer to reduce wages set by a collective-bargaining agreement or required under any prevailing-wage law.

Violations and Monitoring

The LWO provides that any violation of the LWO by a CITY contractor constitutes a material breach of the contract, and authorizes the CITY to terminate the contract and pursue all available legal and equitable remedies. In order to monitor compliance, the LWO authorizes the CITY to require Covered Employers to verify their compliance with the LWO by submitting certified payroll records to the CITY, and to take such other steps as may be necessary for the CITY to determine whether the requirements of the LWO have been satisfied.

The LWO also includes provisions authorizing an employee or interested person to file a judicial action against a contractor or subcontractor for violation of the LWO.

Declaration of Compliance

To assure compliance with the LWO, any person or entity entering into a contract to provide Nonprofessional Services to or for the CITY, on or after March 1, 2004, is required to provide the CITY with a signed Declaration of Compliance in the form required by the CITY, prior to the CITY's execution of the contract. The Declaration of

Compliance shall be signed by a duly authorized representative of the person or entity entering into the contract, and, when accepted by the CITY, shall constitute part of the contract.

REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS

- (a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.
- (b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”
- (c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as Attachment “B.”

EXHIBIT A

NONPROFESSIONAL SERVICES AGREEMENT

SCOPE OF SERVICES

The services provided shall be as set forth in Attachment 1 to Exhibit A, attached hereto and incorporated herein.

SPECIFICATIONS AND SCOPE OF WORK

ON-CALL STREETSCAPES MAINTENANCE AND REPAIR SERVICES

The City of Sacramento maintains over 498 acres of landscaped and non-landscaped medians and streetscapes along its transportation corridors. The City routinely bids and awards contracts to maintain specific geographically bounded areas of its streetscapes. However, the City also requires landscape maintenance and repair services to address short-term and one-time needs. The City intends to make multiple awards to insure continuity of services, by selecting up to four on-call landscape maintenance contractors to complete streetscapes maintenance and repair projects, on an as needed basis.

Any contract(s) resulting from this Invitation for Bid shall be effective for a period not to exceed one year from the date of award. If mutually agreeable to both parties, this contract may be extended on a year-to-year basis; however, in no case shall the renewal extend beyond three (3) years from date of the award of the original contract. The Contractor shall be capable of performing all landscape maintenance and related services as outlined in the Technical Specifications and in conformance with the contract contained herein.

Streetscape maintenance and repair activities are funded by fees from the Citywide Landscaping and Lighting District and 15 special districts.

CONTRACTOR QUALIFICATIONS:

The work to be performed shall be by a licensed landscape maintenance contractor, insured and bonded to do business in the City of Sacramento. Contractor shall have at least seven (7) years actual experience in providing a wide-breadth of high-quality landscape maintenance services for commercial and/or governmental entities. Contractor shall demonstrate the breadth and quality of services offered by providing a minimum of ten (10) satisfactory large-scale commercial and/or government references.

Contractor must possess a valid State of California C27 Landscaping Contractor License, State of California Department of Pesticide Regulation Qualified Applicator License, State of California Agricultural Pest Control Business License, and City of Sacramento Business Operations Tax Certificate at the time the Bid Proposal is submitted to the City.

SCOPE OF WORK:

Contractor must provide all labor, material, tools, and equipment necessary to complete assigned landscape maintenance projects.

The type of work assigned will include, but not be limited to:

- short-term routine maintenance of landscaped and/or non-landscaped areas along transportation corridors;
- weed abatement and special one-time cleanup projects;
- irrigation system repair, removal, and/or replacement; and

- plant and small tree removal and/or replacement.

All work performed shall conform to the City of Sacramento Landscape Maintenance Services General Specifications and Provisions, LS14, dated 3/31/2014. A digital copy of the document is available, upon request, from the Project Manager.

ASSIGNMENT OF WORK:

All work will be assigned on an as-needed basis and be based upon a process of soliciting competitive proposals.

When a landscape maintenance or repair project is identified, each of the on-call contractors will submit a proposal for the completion of the project. Proposals shall include price quotations for providing all materials, equipment, and labor necessary to complete the project, based upon crew rates and other quoted rates submitted by the contractor in response to this Invitation for Bid. The City will accept the individual proposal reflecting the lowest cost to the City, and that is both responsive and responsible.

All assigned maintenance and repair projects shall have prior written authorization from the City before any work is performed. If additional work is required, additional approval from the City must be obtained before the additional work is performed.

Individual contractors are not guaranteed any minimum number of assignments during the contract period. It is possible that no services may be required by the City from an individual Contractor during all or any portion of the contract term. Project requirements will be based upon the City's availability of funds and actual needs as they occur throughout the contract period.

Availability and timely completion of assigned work are critical to the award and maintenance of this agreement. Failure to provide proposals when requested or provide timely services shall be grounds for contract termination.

ASSIGNMENT LOCATIONS:

Citywide. Specific location assignments will be provided when individual project proposals are solicited.

SAFETY AND TRAFFIC CONTROL:

The majority of streetscape maintenance and repair projects is performed either in or near the city's rights-of-way and requires additional safety measures not normally associated with traditional landscape maintenance services. Contractor shall furnish and use proper advance warning signage, warning lights, and equipment in accordance with the California Manual of Temporary Traffic Controls for Construction and Maintenance Work Zones, 2007 Edition in order to protect their workers, the public, and property of others.

Contractor shall conform to all rules and regulations of the California Occupational Safety and Health Act (CalOSHA.) Work shall be performed to all applicable safety rules and regulations. The Contractor is also advised that the City of Sacramento is a "Drug Free Zone."

MARKUP ON MATERIALS:

Contractor shall be allowed to increase the cost of any materials pre-approved by the City for replacement, or installation equal to an agreed upon percentage. Reimbursable expenditures for materials shall be limited to actual expenditures of Contractor for materials that are necessary for the proper completion of the Services and shall only be payable if specifically authorized in advance by City.

Percentage markup shall not be used for dump fees, equipment rentals, or any other non-material items. Contractor, upon request by City, will provide itemized price lists and all receipts for materials purchased.

SPECIAL REQUIREMENTS:

- 1. Contact During Normal Hours.** For the term of the contract, Contractor shall maintain a telephone and voicemail/answering machine that will enable the City to contact the Contractor during normal work hours – cellular phones are acceptable. Contractor must respond to any message left by City by not later than the end of the next business day.
- 2. Emergency Contact.** For the term of the contract, Contractor shall maintain an emergency point of contact, who will be accessible by telephone and voicemail/answering machine that will enable the City to make contact with the Contractor after normal work hours and on weekends and holidays – cellular phones are acceptable. Contractor must respond to any message left by City within one (1) hour.

CONTRACT PERIOD:

Any contract resulting from this Invitation for Bid shall be effective from the date of award through midnight, June 30, 2015, with options to extend for two additional years with all terms and conditions remaining the same. Extensions shall be by mutual consent, in writing.

INSURANCE AND BOND REQUIREMENTS:

Insurance requirements are as outlined in Item 4, above, of this Invitation for Bid.

PRICING:

When a landscape maintenance or repair project is identified, each of the pre-approved contractors will submit a proposal for the completion of the project. All maintenance and repairs performed shall be completed at the quoted labor rates and, in addition, authorized materials provided by the Contractor shall be priced in accordance with the discount quoted in the Pricing Schedule. Proposals shall be all-inclusive, no surcharges or additional costs will be allowed. The City will accept the individual proposal reflecting the lowest cost to the City, and that is both responsive and responsible.

The prices quoted to the City shall be as low as, or lower than those charged the Contractor's most favored customer for comparable quantities under similar terms and conditions, in addition to any discounts for prompt payment.

The bid items listed on the Pricing Schedule are for evaluation purposes only. The quantities and items specified are estimates only of the City's requirements. Contractor agrees to furnish more

or less than the estimates at the unit prices quoted in accordance with availability of funds and actual needs as they occur throughout the contract period.

When a helper is required to assist an Irrigation Technician to complete an assigned project, the proposal will be quoted at one-half (½) times the General Gardening Crew rate.

Unplanned and/or emergency work, conducted on hourly basis, outside of normal work hours is calculated at the "Overtime" rate of 1.50 x quoted rate. This section does not apply to quotes provided as part of a project proposal.

COOPERATIVE PURCHASING:

If mutually agreeable to both parties, the use of any resulting contract may be extended to other government agencies. It shall be understood that all terms and conditions as specified herein shall apply. The City of Sacramento will not be an agent, partner or representative of any other government agency as it relates to this specification and is not obligated or liable, including, but not limited to, payment for an order placed by any other government agency.

DISMISSAL OF UNSATISFACTORY EMPLOYEES:

The Contractor shall only furnish employees who are competent and skilled for work under this contract. If, in the opinion of the City, an employee of the Contractor is incompetent or disorderly, refuses to perform in accordance with the terms and conditions of the contract, threatens or uses abusive language while on City property, or is otherwise unsatisfactory, that employee shall be removed from all work under this contract.

DRUG-FREE WORKPLACE POLICY:

The City of Sacramento is committed to providing a safe workplace for its employees and citizens alike. An essential part of this commitment is keeping the work environment free from drugs. In 1989, to assist in the achievement of this end, the City established a Drug-Free Workplace Policy.

As a contractor doing business with the City, it is expected that your firm will also implement a drug-free policy that informs your employees of the dangers and prohibition of drug abuse and that you will join with the City in maintaining a drug-free workplace.

If, in the performance of work under this contract, any employee of the Contractor exhibits unacceptable behavior that may be related to use of drugs or alcohol, the City reserves the right to discuss the employee's behavior with the Contractor. If the unacceptable behavior persists, the City may require that the employee be removed from all work under this contract.

MODIFICATION OF CONTRACT:

The City may order changes in the work herein required and may order extra work in connection with the performance of the contract and the Contractor may comply with such orders, except that:

- A. If changes in requirements or materials are of such a nature as to increase or decrease the cost of any part of the work, the price fixed in the contract will be increased or

decreased by such amount as the Contractor and the Project Manager may agree upon as the reasonable and proper allowance for the increase or decrease in the cost of work.

- B. No order for any alteration, modification, or extra work which will increase or decrease the cost of the work shall be valid unless the resulting increase or decrease in price shall have been agreed upon in writing and approved by the Project Manager. No oral statement of any person whomsoever shall in any manner or degree modify or otherwise affect the terms of this contract, including the requirements of the specifications.

USE OF SUBCONTRACTORS:

No portion of the work or services, except for the purchase of necessary goods and materials, to be supplied hereunder may be subcontracted in whole or in part, nor assigned by the contractor, nor may assignment of any money due or to become due the Contractor under this nonprofessional services agreement be made without the prior written consent of the City.

Where authorized by the City, the Contractor shall select all subcontractors and suppliers on a competitive basis to the maximum practicable extent consistent with the objectives and requirements of the nonprofessional services agreement.

The hourly labor rates quoted must be all inclusive. Bids will be based on an hourly rate, based upon the time the Contractor begins work on site. Cost for travel time should be built in to the hourly rate that is bid. No surcharges or additional costs will be allowed.

In determining the amount bid by each bidder, the City shall disregard mathematical errors in addition, subtraction, multiplication, and division that appear obvious on the face of the Bid Proposal. When an item price is required to be set forth in the Bid Proposal, and the total for the item set forth separately does not agree with a figure which is derived by multiplying the item price times the Project Manager's estimate of the quantity of work to be performed for said item, the item price shall prevail over the sum set forth as the total for the item unless, in the sole discretion of the City, such a procedure would be inconsistent with the policy of the bidding procedure. The total paid for each such item of work shall be based upon the item price and not the total price. Should the Proposal contain only total price for the item and the item price is omitted, the City shall determine the item price by dividing the total price for the item by the Project Manager's estimate of the estimated quantities of work to be performed as items of work.

If the Bid Proposal contains neither the item price nor the total price for the item, then it shall be deemed incomplete and the Proposal shall be disregarded.

As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. 2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.

In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

- 8. Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers

to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

9. Term; Suspension; Termination.

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
 - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services render by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

10. Indemnity.

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type

and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

- 11. Insurance Requirements.** During the entire term of this Agreement, CONTRACTOR shall maintain the insurance coverage described in this Section 11.

Full compensation for all premiums that CONTRACTOR is required to pay for the insurance coverage described herein shall be included in the compensation specified for the Services provided by CONTRACTOR under this Agreement. No additional compensation will be provided for CONTRACTOR's insurance premiums.

- C. The above provisions shall apply in all instances unless prohibited by the funding source for the Contract or Agreement.

EXHIBIT E

LIVING WAGE REQUIREMENTS (Nonprofessional Service Agreement)

The Living Wage Ordinance

The City of Sacramento's Living Wage Ordinance (the "LWO") is codified as Chapter 3.58 of the Sacramento City Code. The LWO requires certain firms that enter into agreements or contracts (all subsequent references to a "contract" or "contracts" will refer to both contracts and agreements) to provide certain services to or for the CITY, to pay a specified minimum level of compensation to their employees for time spent performing any work on the CITY contract. The LWO also applies to certain subcontractors.

The LWO applies to contracts entered into, amended, or renewed or extended at the CITY's discretion, on or after March 1, 2004 (the "LWO Effective Date").

Contracts and Contractors Covered by the LWO

Determining whether the LWO applies to a specific CITY contract, contractor or subcontractor, depends on whether the contract, contractor and/or subcontractor meet the criteria specified in the LWO for contract type, contract amount, contractor size (# of employees), subcontract amount and subcontractor size (# of employees). These criteria are summarized below.

Contract Type

The LWO applies only to contracts for Nonprofessional Services. Under the LWO, this includes contracts for any services of a nonprofessional character, including but not limited to tree trimming services, repair services for motor vehicles and office equipment, vehicle towing, and security services.

The LWO does not apply to: (1) Incidental services, such as delivery, installation or maintenance, that are provided under contracts for the purchase or lease of equipment, supplies, or other personal property; (2) contracts that are subject to CITY, state, or federal prevailing-wage requirements; (3) contracts for professional services (including but not limited to services rendered by engineers, architects, auditors, banks, consultants, actuaries and attorneys); and (4) contracts with nonprofit corporations that are organized under section 501 of the Internal Revenue Code and have fewer than 100 employees, whether full or part time.

Contract Amount

The LWO applies to contracts entered into or amended after the LWO Effective Date that provide compensation from the CITY of \$100,000 or more. In addition, the LWO applies to a contract entered into or amended after the LWO Effective Date that, by itself, does not reach this amount, if the aggregate value of that contract and of any other Nonprofessional Services contracts covered by the LWO that the CITY has awarded to the same person or firm within the previous 12 months, is \$100,000 or more. IT IS THE CONTRACTOR'S RESPONSIBILITY TO DETERMINE WHETHER THIS AGGREGATE VALUE IS \$100,000 OR MORE, AND TO NOTIFY THE CITY IN WRITING WHENEVER THIS IS THE CASE.

Contractor Size

The LWO only applies to a contractor that has at least 25 employees, working either full or part time. The number of employees that a contractor has is determined by adding the contractor's employees and the employees of any other person or entity deemed to be a "Related Person" under the LWO.^a

Subcontract Amount

The LWO applies to a subcontractor providing services under a covered contract if the amount of the subcontract is at least 25 % of the contract amount, without regard to the number of employees the subcontractor has.

Subcontractor Size

The LWO also applies to a subcontractor providing services under a covered contract if the subcontractor has at least 25 employees, working either full or part time, whether or not the amount of the subcontract is at least 25 % of the contract amount.

Payment of Living Wage to Covered Employees

If a contractor or subcontractor meets the criteria specified in the LWO for contract type, contract amount, contractor size, subcontract amount and/or subcontractor size, the contractor or subcontractor is deemed to be a "Covered Employer" under the LWO. The LWO requires a Covered Employer to provide specified minimum compensation to its employees who perform work directly related to the CITY contract (these employees are called "Covered Employees" under the LWO), for all hours the Covered Employees perform under the CITY contract.^b

^a The LWO provides that a person or entity is a Related Person when any of the following circumstances exists:

- (1) The person or entity and the contractor are both corporations, and (i) share a majority of members of their governing boards, or (ii) have two or more officers in common, or (iii) are controlled by the same majority shareholder or shareholders (control means more than 50% of the corporation's voting power), or (iv) are in a parent-subsidiary relationship (such a relationship exists when one corporation directly or indirectly owns shares possessing more than 50% of another corporation's voting power); or
- (2) The person or entity otherwise controls and directs, or is controlled and directed by, the contractor, as determined by the City Manager.

^b A Covered Employee includes full-time, part-time, contingent, contract and temporary employees, but does not include: (1) individuals who participate in job-training-and-education programs that have, as their express purpose, the provision of basic job skills and education to participants, with the goal of earning a high-school-equivalency diploma and permanent employment; (2) student interns; (3) individuals participating in specialized-training programs; and (4) an employee whose term and conditions of employment are governed by a bona fide collective-bargaining agreement containing an express waiver of the LWO.

The minimum compensation required is as follows:

- (1) If health benefits are provided to Covered Employees and the Covered Employer's contribution for the benefits is at least \$1.50 for each hour, then the rates are as follows:
 - (a) During 2007, the greater of \$10.00 an hour or \$9.00 adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1, 2004, through December 31, 2006.
 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

- (2) If health benefits are not provided to Covered Employees or if health benefits are provided but the Covered Employer's contribution for the benefits is less than \$1.50 for each hour, then the rates are as follows:
 - (a) During 2007, the greater of \$11.50 an hour or \$10.50 adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1, 2004, through December 31, 2006.
 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

Notification to Covered Employees

The LWO requires a Covered Employer to give each existing employee and (at the time of hire) each new employee a copy of the following written notification:

This company may enter into a contract to perform services for the City of Sacramento. If you work on such a contract, then you are entitled to be paid a living wage for each hour so worked. For more information, see Chapter 3.58 of the Sacramento City Code, which can be viewed at <http://portal.cityofsacramento.org>

The LWO requires the above notification to be provided in each language spoken by 10% or more of the Covered Employer's workforce.

The LWO also requires a Covered Employer to inform all employees of their possible right to the federal Earned Income Credit (EIC), and to make available to those employees any forms required to secure advance EIC payments from the Covered Employer.

Subcontractor Compliance

A contractor is responsible for requiring all of its subcontractors who are covered by these requirements to comply with the provisions of the LWO, by including these requirements in all subcontracts covered by the LWO.

Other Provisions of the LWO

Use of Funds Paid Under CITY Contracts

Under the LWO, Covered Employers may not directly use CITY funds to persuade Covered Employees to support or oppose unionization, and Covered Employers may not directly use CITY funds to schedule or hold meetings related to union representation during the Covered Employees' working hours. These restrictions do not apply to expenditures made during good-faith collective bargaining or to expenditures required under bona fide collective-bargaining agreements.

No Reduction in Non-Wage Benefits

Under the LWO, Covered Employers may not fund any wage increases required by the LWO, nor shall Covered Employers otherwise respond to the enactment of the LWO, by reducing the health, insurance, pension, vacation, or other non-wage benefits of any of their employees.

No Retaliation

The LWO prohibits a Covered Employer from taking any adverse action against a Covered Employee because the Covered Employee does any of the following: (1) exercises or asserts his or her rights under the LWO; (2) informs or assists other Covered Employees concerning their rights and the Covered Employer's obligations under the LWO; (3) complains about the Covered Employer's failure to comply with the LWO; or (4) seeks to enforce the LWO.

No Reduction in Collective-Bargaining Wage Rates

The LWO does not require or authorize any Covered Employer to reduce wages set by a collective-bargaining agreement or required under any prevailing-wage law.

Violations and Monitoring

The LWO provides that any violation of the LWO by a CITY contractor constitutes a material breach of the contract, and authorizes the CITY to terminate the contract and pursue all available legal and equitable remedies. In order to monitor compliance, the LWO authorizes the CITY to require Covered Employers to verify their compliance with the LWO by submitting certified payroll records to the CITY, and to take such other steps as may be necessary for the CITY to determine whether the requirements of the LWO have been satisfied.

The LWO also includes provisions authorizing an employee or interested person to file a judicial action against a contractor or subcontractor for violation of the LWO.

Declaration of Compliance

To assure compliance with the LWO, any person or entity entering into a contract to provide Nonprofessional Services to or for the CITY, on or after March 1, 2004, is required to provide the CITY with a signed Declaration of Compliance in the form required by the CITY, prior to the CITY's execution of the contract. The Declaration of

Compliance shall be signed by a duly authorized representative of the person or entity entering into the contract, and, when accepted by the CITY, shall constitute part of the contract.

EXHIBIT F

REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS

- (a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.
- (b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”
- (c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as Attachment “B.”

Attachment A

The Ordinance does not require the Employer to provide employee benefits. The Ordinance does require that if certain employee benefits are provided by the Employer, that those benefits be provided without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouse or domestic partner of employees.
