## Description/Analysis

**Issue:** Sacramento lodging business owners within the district boundaries petitioned the City of Sacramento (City) to establish the STMD in order to provide marketing and sales promotions with the intent to increase tourism and to market Sacramento lodging businesses as tourist, meeting, and event destinations. On May 22, 2012, City Council approved formation of the STMD by Resolution No. 2012-141.

The STMD was formed under the Property and Business Improvement Law of 1994, which requires that an Annual Report (Report) be filed with the City Clerk for City Council approval. The STMD Advisory Board has prepared the Report for FY2014/15, which is on file with the Public Improvement Financing Division of the Department of Finance, which the City Clerk has designated as the custodian of such records. The Report addresses the proposed budget, annual assessment, and services to be provided.

The Report does not change the District boundaries, the rate and methodology of assessment, the scope of services, or any other aspect of the STMD's legal structure as established in the Management District Plan approved at the formation of the STMD.

**Policy Considerations:** Approval of the attached Resolution will authorize the City to levy and collect business assessments in the amount sufficient to provide funding for promotion of Sacramento lodging businesses, marketing of the City, convention and trade show marketing, and other activities related to increasing tourism in the City in FY2014/15, and establish the associated budget.

**Environmental Considerations:** Under California Environmental Quality Act guidelines, administration of the District does not constitute a project and is therefore exempt from review.

**Rationale for Recommendation:** The actions in the recommended resolution are required by the California Streets and Highways Code Part 7 (beginning with Section 36600) of Division 18.

**Financial Considerations:** The District is self-supporting and has no impact to the General Fund. Financing is provided by the levy of assessments upon businesses that benefit from the improvements and services. The District does not plan to issue bonds. The operating budget for the STMD fluctuates with market conditions and room night sales and is adjusted annually to reflect annually-approved Council assessments and expenditure plans.

The total STMD assessment budget is estimated to be \$5.2 million. The City will retain two percent of the amount of assessment collected from businesses within the City to cover the costs of collection and administration. Budget details are provided in the attachments to the Resolution.

## BACKGROUND

Sacramento has had a Tourism BID in place to provide marketing and promotion services for Sacramento lodging establishments since 2000.

### **Assessment**

Annual assessment rates are three percent of gross short-term (stays fewer than 31 days) room rental revenue on lodging businesses in Zone 1, two and one-half percent of gross short-term room rental revenue on lodging businesses in Zone 2, two percent of gross short-term room rental revenue on lodging businesses in Zone 3, and one percent of gross short-term room rental revenue on lodging businesses in Zone 4. More detail is provided in Exhibit B to the Resolution.

### **Services**

The STMD is a benefit assessment district formed by the business owners to fund services such as:

- Promotion of Sacramento lodging businesses
- Marketing efforts that include internet, social media, television ads, and printed promotional materials
- Convention and trade show sales efforts, as well as sales blitzes
- Creation of educational programs for the hospitality industry
- Targeted zone-specific marketing to support and enhance room night sales
- Other activities directly related to increasing tourism and room night sales in Sacramento

This approach has been used successfully in other destination areas throughout the state to improve tourism and drive additional room nights.

### **Boundaries**

The STMD is comprised of approximately 114 businesses in the City and County of Sacramento (County) and includes all lodging businesses located within the boundaries of the City of Sacramento and unincorporated areas of the County. The Boundaries and zones are shown on the Boundary Map attached to the Resolution.

### **Governance**

The Sacramento Convention and Visitors Bureau (SCVB) manages the STMD and has created a seven-member Tourism District Committee (Committee) to approve and manage district funds and activities. The Committee members concurrently serve as SCVB Board Members.

## RESOLUTION NO.

Adopted by the Sacramento City Council

### APPROVING THE ANNUAL REPORT FOR THE SACRAMENTO TOURISM MARKETING DISTRICT AND LEVYING ASSESSMENT FOR FISCAL YEAR (FY) 2014/15

#### BACKGROUND

- A. On May 22, 2012, by Resolution No. 2012-141, City Council approved formation of the Sacramento Tourism marketing District No. 2012-07 (STMD), depicted in Exhibit A, for a five-year term commencing on July 1, 2012. Sacramento lodging business owners within the boundaries of the District petitioned the City of Sacramento (City) to establish the STMD, as a business improvement district, to assess business income in order to provide marketing and sales promotions with the intent to increase tourism and to market Sacramento lodging businesses as tourist, meeting, and event destinations.
- B. The City Council established the STMD under the Property and Business Improvement District Law of 1994 (California Streets and Highway Code, Sections 36600 to 36671) (PBID Law) and has previously levied assessments on businesses in the District to pay for improvements and services to be provided within the District, in accordance with the PBID Law.
- C. Expenditures of STMD funds provide for promotion, marketing, and sales efforts within the STMD, which are intended to increase tourism and room night sales in the City and County of Sacramento. All services are as defined within the Annual Report and by reference made a part of this resolution. The Annual Report is separately bound and on file with the Public Improvement Financing Division of the Finance Department, which the City Clerk has designated as the custodian of such records.
- D. The FY2014/15 rate and methodology of assessment is not changed from the prior year.
