## Description/Analysis

**Issue Detail:** The 2012-2013 labor agreements between the City of Sacramento and the Stationary Engineers, Local 39 (Local 39), expired on December 27, 2013. Local 39 represents employees in the Operations and Maintenance Unit, Office and Technical Unit, Professional Unit, Plant Operators Unit, and the General Supervisory Unit. The City and Local 39 negotiated the proposed labor agreements which include the following major terms:

### All Local 39 Agreements:

- Increase salary ranges in terms of bi-weekly rates by 2% effective November 15, 2014; 2½% effective June 27, 2015, and 2½% effective June 24, 2016.
- Create a 15-step salary schedule for employees hired after November 13, 2014, with 2½% between each step. The new salary schedule will be brought to Council for approval.
- Catch-up bonus of \$750 to career and non-career +1,040 employees in December, 2014 because previous contract expired a year ago.
- Classic employees pay 8% of salary to the PERS retirement plan effective November 15, 2014.
- Exclude sick leave as time worked for overtime calculations.
- Limit employee's compensation to 100% while on workers' compensation temporary disability.
- Provide a one-time City contribution of \$2,000 into the Health Savings Account (HSA) for employees who enroll in a high deductible health plan before January 31, 2015.
- Increase employee only health insurance to \$721 monthly on January 1, 2015, and cost-share any increase in 2016.
- Increase employee plus one dependent health insurance to \$883 monthly on January 1, 2014, \$916 monthly on January 1, 2015, and cost-share any increase in 2016.
- Increase employee plus two dependents health insurance to \$1,243 monthly on January 1, 2014, \$1,286 monthly on January 1, 2015, and cost-share any increase in 2016.
- Eliminate the \$15 co-pay health plans effective plan year 2016.
- Contract expiration date of June 23, 2017.

### Miscellaneous Agreement Only (Attachment 1 Redline and Exhibit A Final):

- Pay Instrument Technician Trainee, Instrument Technician I and Instrument Technician II classifications a \$125 per month incentive for maintaining a valid Water Treatment Grade 2 (T-2 water) certification.
- Pay Maintenance Worker and Senior Maintenance Worker classifications in Solid Waste 5% additional pay.
- Pay an incentive of 5% to Park Maintenance Worker I and Park Maintenance Worker II classifications while assigned to the pesticide/herbicide spray crew.
- Pay an incentive of 5% to Park Maintenance Worker II or Park Maintenance Worker III classifications during each full pay period assigned to playground inspector duty.

### Plant Operators Agreement Only (Attachment 2 Redline and Exhibit B Final):

- Provide \$100 per month technology allowance for staff who go on-call/standby and eliminate City-provided cell phones.
- Provide annual December professional enrichment payment of \$600.
- Increase the amount paid to employees who are required to remain on standby for emergency work from \$210 to \$245 per week.

General Supervisory Agreement Only (Attachment 3 Redline and Exhibit C Final):

- Pay an incentive of 5% to Park Supervisors during each full pay period assigned to playground inspector duty.
- Pay Instrumentation Supervisor (Department of Utilities) \$125 per month incentive for maintaining a valid Water Treatment Grade 2 (T-2 water) or higher certification.
- Pay Survey Party Chief 5% above base salary for obtaining and maintaining the Professional Land Surveyor License.
- Provide a \$50 per month technology allowance for Supervising Surveyor and Survey Party Chief.

Pursuant to two letters of understanding, equity adjustments will be provided to classifications that are below market rate. Those classifications include General Helper, Instrument Technician Trainee I/II, Instrumentation Supervisor, Parking Enforcement Officer, Parking Enforcement Supervisor, Property Assistant, Senior Property Assistant, Supervising Property Assistant, Senior Animal Control Officer, Solid Waste Supervisor, and Supervising Surveyor. (Exhibits D-E) In addition, the City and Local 39 have agreed to meet and confer before December 31, 2014 regarding potential equity increases for the following classifications: Instrument Technician Trainee, Instrument Technician I/II, Water Conservation Specialist, Property Assistant and Senior Property Assistant. If it is determined that equity increases are warranted, staff will return to the City Council for approval. (Exhibits D-E)

Pursuant to a third letter of understanding, the City and Local 39 have agreed to establish salaries for the newly created 311 classification series which will be paid 2½% above the current Customer Service Series classifications. (Exhibit F)

The City and Local 39 have also undertaken the standard cleanup of outdated language and incorporated previously negotiated letters of understanding, as shown in Attachments 1, 2, and 3.

**Policy Considerations:** Approval of this action by the City Council is consistent with the City's legal obligations under the Meyers-Milias-Brown Act, adheres to the City's positive labor-management relations program, and provides labor stability.

**Economic Impacts:** None

**Environmental Considerations:** This report concerns administrative activities that will not have a significant effect on the environment and that do not constitute a "project" as defined by the California Environmental Quality Act (CEQA) Guidelines Sections 15061(b)(3) and 15378(b)(2).

**Sustainability:** Not applicable

**Commission/Committee Action:** Not applicable

**Rationale for Recommendation:** Approval of this action will establish three new memoranda of understanding between the City and the Stationary Engineers, Local 39 through June 23, 2017, that provide 7% salary increases which will be partially offset by Local 39 members paying an additional one percent (1%) for a total of eight percent (8%) into their pensions, adding a 15-step salary schedule for new hires, and excluding sick leave for the purposes of calculating overtime. In addition, approval of the letters of understanding will establish equity increases for designated job

classifications within the bargaining units, and establish new job classifications consistent with best practices.

**Financial Considerations:** Local 39 represents over 1,327 full-time equivalent (FTE) positions across all City operations and funds. The total cost for the three-year agreements and the letters of understanding are approximately \$11.75 million, with an annual ongoing cost of \$5.97 million. The General Fund cost for the agreements is approximately \$7.36 million, with an annual ongoing cost of \$3.73 million.

The General Fund will be challenged in the out years unless revenue estimates exceed projections as shown below. Absent significant growth in revenues, reductions in programs and services and/or staffing may be necessary beginning in FY2016/17. Staff will continue to monitor economic activities and revenues and will provide updates to the City Council should significant changes to the forecast become apparent.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

### 1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Operations and Maintenance, Office and Technical, and Professional Units shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days. The City shall not make temporary appointments under this provision for the sole purpose of eroding the bargaining units represented by the Union.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore

have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

### 1.3 CAREER DEVELOPMENT TRAINEES

The City shall have the right during the term of the Agreement to establish Career Development Trainee classifications. Such classifications shall have a flat hourly rate of pay equivalent to ten percent (10%) below Step 1, as applicable, of the salary range of the career classification, as shown in the current salary schedule. (For example, if the "1" step hourly rate of pay is \$9.00 for the career classification for which the career development training is being conducted, the flat hourly rate for the Career Development Trainee would be \$9.00 minus \$.90 or \$8.10.) An employee appointed as a Career Development Trainee shall have non-career (+1,040) status for purposes of benefit eligibility during the term of the appointment.

## ARTICLE 2 – SOLE AGREEMENT

### 2.1 SOLE AGREEMENT

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other Agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

c. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

## ARTICLE 3 – CITY RIGHTS

### 3.1 CITY RIGHTS

The City retains the exclusive right, subject to and in accordance with applicable laws, the City Charter, Civil Service Board Rules and Regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Rules; (e) to dismiss employees because of lack of work or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, and its budget, organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift, or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action may be appropriate to carry out its mission in situations of emergency.

## **ARTICLE 4 – UNION RIGHTS**

### **4.1 PAYROLL DEDUCTIONS**

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; (2) the service fees for non-members as set forth in Section 4.2 of this Agreement; and (3) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.
- (2) If for any reason an employee does not have sufficient funds due him/her to provide for the payment of any of the above payroll deductions after all other authorized or mandatory deductions or garnishments have been made, if any, no such sums shall be payroll

deducted and the Union shall assume the duty of direct collection from the employee.

- (3) Deductions and authorizations shall be separated by type of deduction (Union membership dues, service fees, insurance premiums) and by payee. Additionally, the Union will also receive information as to which employees were required to pay a service fee within a bi-weekly pay period even if such service fee was not payroll deducted.
- (4) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employee and the Union, except the authorization form for service fees shall be completed and executed by solely the employee.
- (5) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues, service fees, or insurance premiums.
- (6) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (7) The City will remit to the Union a check for all of the deductions.
- (8) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below.

Any dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written

financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (c) and (d) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide,

when requesting the City to terminate the employee, the following written notice:

"The Union certifies that       (employee's name)       has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

- (1) a complete statement of the City's position and the facts upon which it is based;

Employees with an original hire date before November 15, 2014, and for the remainder of their continuous employment with the City, shall remain on an eight (8) step salary schedule with five percent (5%) between steps.

Employees with an original hire date on or after November 15, 2014, and for the remainder of their continuous employment with the City, shall have a fifteen (15) step salary schedule consisting of two and one-half percent (2-1/2%) between steps.

Both salary schedules shall have the same top step.

## 6.2 SALARIES

### a. 2014-2015

(1) Effective November 15, 2014, all salary ranges in terms of bi-weekly rates shall be adjusted by two percent (2%), 0.8% of this increase is an offset for classic employees paying one percent (1%) of the employer's portion of PERS retirement plan in Article 22.19.

(2) Career employees and non-career +1040 employees who are on the payroll November 15, 2014, shall be paid \$750; payment to be made on the paycheck that includes December 1, 2014.

### b. 2015-2016

Effective June 27, 2015, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one-half percent (2-1/2%).

### c. 2016-2017

Effective June 24, 2016, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one half percent (2-1/2%).

## **ARTICLE 7 – SALARY ADMINISTRATION**

### **7.1 ORIGINAL APPOINTMENT COMPENSATION RATE**

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointment to non-career positions.

### **7.2 ADVANCEMENT IN RATE OF COMPENSATION**

#### **a. Advancement in Steps**

(1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced

automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.

- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.

Except as provided herein, this Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular

assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986 because the period April 12, 1986 to July 4, 1986 is included in determining the salary step eligibility date.

- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

### 7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

#### a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

#### b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid ~~at the time of departure.~~ and shall be credited with the duration of time spent in their salary step paid at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as applicable, the employee shall be permitted to advance to the maximum step of the original range.

7.7 SALARY CONTINUATION FOR ABSENCES FOR LESS THAN ONE WORK DAY

A salaried employee exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act who works for only a portion of the day shall not have his/her salary reduced that day due to insufficient accrued, usable leave. This provision shall apply only to employees in the Professional Unit.

## 7.8 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in Section 108 of the City Charter. The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

### a. Employee Eligibility

~~For the purpose of determining the year of employee eligibility for longevity pay as provided under Section 108 of the City Charter, only continuous full-time service shall be considered.~~

- ~~(1) Where beginning employment may be intermittent with separate periods of employment in relief, seasonal, limited-term, temporary or part-time positions, only that period of intermittent employment (but excluding employment in part-time positions) immediately preceding the date of regular full-time continuous employment and without loss of time shall be considered.~~
- ~~(2) Leaves of absence without pay shall not constitute a break in service, except such time on leave without pay, when it exceeds six (6) months in a calendar year, shall be deducted in determining the year for an employee's eligibility. Leaves of absence granted for military service shall be considered as full-time continuous service.~~
- ~~(3) Time taken off without pay aggregating six (6) or fewer months in a calendar year shall not constitute a break in service and shall be disregarded in computing the year for an employee's eligibility. However, if such time taken off without pay exceeds six (6) months in any calendar year, the total amount of time so taken off without pay shall be deducted in determining the year for an employee's eligibility, but shall not constitute a break in service.~~
- ~~(4) Where employment is terminated by resignation or discharge and the employee is subsequently reemployed, such time accumulated prior to resignation or discharge shall be forfeited, unless the employee is reinstated, in which case the time absent from City service shall not be considered as a break in service, but shall be deducted in determining the year for an employee's eligibility.~~

- ~~(5) A layoff shall not constitute a break in service and the time accumulated prior to the layoff shall be added to the time after reinstatement for determining the year for an employee's eligibility.~~

### 15.2 DEFINITIONS

a. Layoff A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

(1) **Classification Seniority:** Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay is greater than the top rate of pay of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position has been reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority shall be mutually established by the City and Union. For those classifications which have flexible staffing as defined in the Civil Service Board Rules and Regulations and provided for in the classification specifications, classification seniority shall be defined as the effective date of probationary appointment to the lowest classification in the classification series. For an employee who has downgraded, computation of classification seniority for a job classification lower than that in which the employee holds permanent status, the following seniority shall be counted:

- (a) classification seniority in any higher classification, and
- (b) previous classification seniority in the job classification in which the employee is currently working, and
- (c) present time spent in the job classification in which the employee is currently working.

For a part-time career employee, classification seniority shall be prorated.

(2) **City Service Seniority:** City service seniority shall be defined as the effective date of appointment to the employee's first permanent

career position, or as the effective date of appointment to the employee's first full-time position (or positions) which immediately preceded an appointment to a permanent career position, whichever is greater.

For a part-time career employee, City seniority shall be prorated.

- (3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service. There shall be no adjustment for time spent on an approved unpaid leave of absence.
- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
  - (a) Resignation, except that any employee who is appointed from a reemployment list and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
  - (b) Discharge.
  - (c) Retirement.
  - (d) Layoff in excess of five (5) consecutive years out of the City service.
  - (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade A downgrade shall be defined as a change in job classification to which the top rate of pay is the same or less than the top rate of pay of the employee's present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 15.3(b)(4) of this Article.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladders are as set forth in Exhibit A to this Agreement.

e. Permanent Status For the purposes of this layoff procedure, permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification. An employee in an exempt

classification represented by the Union shall be considered a permanent employee under this Article.

f. Leave of Absence Employees on an approved unpaid leave of absence shall accrue seniority.

g. Department The application of the term "department" for the sole purpose of layoff and/or downgrade of career employees shall mean:

- (1) The Departments of General Services and Public Works shall be considered a single department.
- (2) The Department of Utilities shall be considered a single department.
- (3) The Departments of Parks and Recreation; Community Development; Economic Development; and Convention, Culture and Leisure shall be considered a single department.
- (4) The Departments of Police, Fire, Information Technology, Finance, and Human Resources shall be considered a single department.
- (5) The Charter Offices of the City Attorney, City Clerk, City Manager and City Treasurer shall each be considered a single, separate department.

A function that is assigned to work in a different department as part of an inter-departmental project, but continues to be funded from the original department (op-conned), remains a part of the original department for the purpose of layoff.

Any future departmental reorganization shall be effective for purposes of layoff only after one year from implementation. At the request of the Union, the City agrees to discuss such reorganization at the time of implementation to review the placement of the reorganized function, and the application and impact of this Section, if any.

### 15.3 PROCEDURE

a. Non-Career Employees

- (1) When a layoff is to occur within a job classification within a Department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first, except in the Solid Waste and Parking functions. In these functions, the City may continue working non-career Parking Lot Attendants and up to twenty-five (25) non-career Sanitation Workers regardless of any career employees who may be laid off in the regression ladder in which these job classifications fall. Career Sanitation Workers subject

to layoff shall have the right to bump into the non-career classifications.

- (2) Non-career employees shall be laid off in the order provided by established Department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be laid off in such order as the Department Head shall provide. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder in the Department have been laid off.

b. Career Employees

- (1) Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Board Rules and Regulations. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that the employee meets the qualifications of the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.

- (4) A career employee in an unrepresented classification contained in classification group ~~49-50~~ who is to be laid off, displaced, or demoted shall have the right to downgrade, within the Department and in descending order, to represented classifications in which the employee previously held permanent status provided a vacancy exists.
- (5) Any permanent employee currently working in a classification contained within classification group ~~48-49~~ shall have the right to downgrade, in the same manner as provided in Section 15.3(b)(3), to the last classification in which permanent status was held, if any, provided such classification is contained within regression ladder 1 through ~~4748~~, or classification group ~~4849~~. If such a downgrade is not possible, the employee shall be laid off. If such a downgrade is possible, the employee shall then in the future have the right to downgrade through that new regression ladder only.
- (6) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within ~~48-hours~~five (5) working days of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employees shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (7) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.
- (8) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of a layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least ~~fourteen-thirty~~ (1430) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system~~currently printed on the employee's paycheck~~, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. ~~However, the employee who is on sick leave or injury-on-duty status on the date of layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.~~

#### 15.4 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the current salary schedule.

#### 15.5 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, at the request of laid-off employees.

#### 15.6 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the order of City service seniority, beginning with the employee with the greatest City service seniority. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of five (5) years from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Career employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. If, however, a permanent employee has been recalled or downgraded but has not been recalled to the classification in which permanent status is held within the five (5) year period, said employee shall continue to possess recall rights back to the classification in which permanent status is held, and to any other classifications in the employee's regression ladder which are lower than the classification in which permanent status is held and higher than the classification in which the employee was working at the expiration of the five (5) year period. If said employee is recalled to a classification higher in his/her regression ladder than the employee was working at the expiration of the five (5) year period, the employee shall serve the complete probationary period in such higher classification. If said employee fails to satisfactorily complete the probationary period he/she shall return to the next highest classification in the applicable regression ladder in which a vacancy exists and shall gain permanent status in such classification. In no event shall the employee be required to return to a classification lower than that from which he/she left to take the probationary appointment. Said employee shall then continue to possess recall rights to any higher classification in his/her regression ladder which is lower than the classification in which the employee failed to complete the probationary period but higher than the classification to which the employee returned after failing probation, subject to all provisions stated above.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any

additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under Section 15.2(b) of this Article.

d. A non-career employee (+1,040) laid off pursuant to Section 15.3(a)(1) shall have recall rights back to the job classification from which he/she was laid off for a period of two (2) years. The order of recall shall be as provided in established department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be recalled in such order as determined by the Department Head. No such non-career employees shall be hired or recalled to any regression ladder until such time as all career employees have exhausted or lost their recall rights back to that regression ladder. Non-career (-1,040) employees shall have no recall rights.

e. Career employees holding recall rights may be offered a non-career job of less than 1,040 hours annually, and if said career employee accepts or refuses such non-career jobs of less than 1,040 hours it shall have no effect on said career employee's normal recall rights.

#### 15.7 GENERAL

a. A seniority list shall be made available to the Union on the first working day in September of each year, and after review with the Union, said list shall be posted by each Department and copies made available for ready inspection. A copy shall be furnished free of cost to the Union each September.

b. The City shall immediately after effecting a layoff provide the Union a list of those employees who have been laid off. Said list shall be known as a Recall List and shall be updated as necessary.

c. The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

d. The parties shall have the further right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Units represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

e. Any grievance filed regarding this Article shall be submitted directly to the third step of the grievance procedure as set forth in Article 5.

c. Two (2) employees in the same classification who voluntarily agree shall equally share work hours of one full-time position in a bi-weekly pay period. The program is limited to full-time permanent civil service employees in the same classification and same work unit, except the City may hire a part-time employee to implement or continue the work sharing arrangement in those cases where only one full-time permanent civil service employee voluntarily agrees.

d. Participating employees will receive pro rata benefits, including pro rata City insurance contribution and retirement, and pro rata seniority accrual.

e. A work sharing arrangement may be terminated by the City or by either of the two (2) employees upon submission of written notice to the other parties. Upon receipt of the written notice, the work sharing arrangement will be terminated on a date mutually acceptable to the City and the two (2) employees or thirty (30) calendar days from the date of written notice, whichever occurs first. This option shall apply for the first nine (9) months of the work sharing arrangement. Thereafter, the City may terminate the work sharing arrangement at its discretion.

f. Classification seniority shall prevail, if necessary, upon return to a full-time position or in the event of layoff.

g. The Union District Representative or designee shall have the opportunity to attend the meeting between the City and the two employees at the time the decision is to be made on the work sharing arrangement.

## PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS, LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

## ARTICLE 1 – RECOGNITION

### 1.1 RECOGNITION

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the Plant Operator Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

### 1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Plant Operator Unit shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days. The City shall not make temporary appointments under this provision for the sole purpose of eroding the bargaining units represented by the Union.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

### 1.3 CAREER DEVELOPMENT TRAINEES

The City shall have the right during the term of the Agreement to establish Career Development Trainee classifications. Such classifications shall have a flat hourly rate of pay equivalent to ten percent (10%) below Step 1, as applicable, of the salary range of the career classification, as shown in the current salary schedule. (For example, if the "1" step hourly rate of pay is \$9.00 for the career classification for which the career development training is being conducted, the flat hourly rate for the Career Development Trainee would be \$9.00 minus \$.90 or \$8.10.) An employee appointed as a Career Development Trainee shall have non-career (+1,040) status for purposes of benefit eligibility during the term of the appointment.

## ARTICLE 2 – SOLE AGREEMENT

### 2.1 SOLE AGREEMENT

a. The City and the Union both agree that this Agreement, when signed by both parties hereto, and approved by the City Council, supersedes all other Agreements and supplements and represents the sole agreement between the parties.

b. If during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

## ARTICLE 3 – CITY RIGHTS

### 3.1 CITY RIGHTS

The City retains the exclusive right, in accordance with applicable laws, regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Civil Service Board Rules and Regulations; (e) to dismiss employees because of lack of work, or funds, or for other reasonable cause; (f) to determine the mission of the division and department, its budget, its organization, the number of employees, and the numbers, types, classifications and

grades of positions or employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action that may be appropriate to carry out its mission in situations of emergency.

## **ARTICLE 4 – UNION RIGHTS**

### **4.1 PAYROLL DEDUCTIONS**

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; (2) the service fees for non-members as set forth in Section 4.2 of this Agreement; and (3) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.
- (2) If for any reason an employee does not have sufficient funds due him/her to provide for the payment of any of the above payroll deductions after all other authorized or mandatory deductions or garnishments have been made, if any, no such sums shall be payroll deducted and the Union shall assume the duty of direct collection from the employee.
- (3) Deductions and authorizations shall be separated by type of deduction (union membership dues, service fees, insurance premiums) and by payee. Additionally, the Union will also receive information as to which employees were required to pay a service fee within a bi-weekly pay period even if such service fee was not payroll deducted.

- (4) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employees and the Union, except the authorization form for service fees shall be completed and executed by solely the employee.
- (5) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues, service fees, or insurance premiums.
- (6) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (7) The City must approve any new payroll deductions for insurance premiums for plans to which the City is not the contracting party which are not being payroll deducted as of the effective date of this Agreement.
- (8) The City will remit to the Union a check for all of the deductions.
- (9) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below. In computing such amounts, the Union shall exclude expenditures for members only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.2. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against any employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (b) and (c) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that \_\_\_\_\_ (employee's name) \_\_\_\_\_ has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

## **ARTICLE 7 – SALARY ADMINISTRATION**

### **7.1 ORIGINAL APPOINTMENT COMPENSATION RATE**

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

### **7.2 ADVANCEMENT IN RATE OF COMPENSATION**

a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.

- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986 to July 4, 1986, is included in determining the salary step eligibility date.
- (3) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

### 7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

#### a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

#### b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

#### c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

### 7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which

corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

#### 7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid, at the time of departure, and shall be credited with the duration of time spent within the step occupied, at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

#### 7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as applicable, the employee shall be permitted to advance to the maximum step of the original range.

#### 7.7 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in Section 108 of the City Charter. The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

~~excluding employment in part-time positions) immediately preceding the date of regular full-time continuous employment and without loss of time shall be considered.~~

- ~~(2) Leaves of absence without pay shall not constitute a break in service, except such time on leave without pay, when it exceeds six (6) months in a calendar year, shall be deducted in determining the year for an employee's eligibility. Leaves of absence granted for military service shall be considered as full-time continuous service.~~
- ~~(3) Time taken off without pay aggregating six (6) or fewer months in a calendar year shall not constitute a break in service and shall be disregarded in computing the year for an employee's eligibility. However, if such time taken off without pay exceeds six (6) months in any calendar year, the total amount of time so taken off without pay shall be deducted in determining the year for an employee's eligibility, but shall not constitute a break in service.~~
- ~~(4) Where employment is terminated by resignation or discharge and the employee is subsequently reemployed, such time accumulated prior to resignation or discharge shall be forfeited, unless the employee is reinstated, in which case the time absent from City service shall not be considered as a break in service, but shall be deducted in determining the year for an employee's eligibility.~~
- ~~(5) A layoff shall not constitute a break in service and the time accumulated prior to the layoff shall be added to the time after reinstatement for determining the year for an employee's eligibility.~~
- ~~(6) Persons who become City employees pursuant to the provisions of City Charter Section 93 shall receive credit for time accumulated in the employment of the district, for purposes of determining the year for employee eligibility.~~

~~b. Payment After Eligibility~~

~~Once it has been determined that an employee is eligible for longevity pay, he/she shall receive the allowance as prescribed.~~

- ~~(1) When authorized leave of absence or time off aggregating six (6) or more months is taken during any employment year, longevity payment in the July following shall be made on a pro rata basis.~~
- ~~(2) Upon entrance of an employee into military service, or where an employee is granted a leave of absence following expiration of sick leave credits, such employee shall be paid, in the month of July following the date such leave begins, such longevity pay earned from his/her anniversary date of employment to the date such leave~~

~~begins, on a pro rata basis, but not to exceed the maximum yearly allowance. Such employee shall not thereafter receive longevity pay until his/her return to City service, when he/she shall receive, in the month of July first following his/her return, the pro rata portion of longevity pay from the date of return.~~

- ~~(3) Upon death or retirement of an employee, such employee shall be entitled to receive the pro rata portion of longevity earned on the date of death or retirement, but not to exceed the maximum yearly allowance; in all other cases of termination, longevity pay which would have been paid in the July following had employment continued, shall be forfeited, and there shall be no pro rata payment for longevity.~~
- ~~(4) The longevity pay granted in July of any year shall be considered to have been earned during the preceding employment year ending on or prior to July 1 of each year.~~
- ~~(5) All payments for longevity shall be made on the payday covering the first full pay period in July of each year, except as provided under (3) of this Section.~~

## ARTICLE 12 – LAYOFF

### 12.1 PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

## 12.2 DEFINITIONS

a. Layoff A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work or lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

- (1) **Classification Seniority:** Classification seniority shall be defined as the effective date of probationary appointment to the employee's current job classification, less any time spent in a lower classification due to a downgrade. In the case of an employee who is demoted or whose position is reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority for the reallocated or demoted employee shall be mutually established by the City and the Union at the time of reallocation. Within a regression ladder, computation of classification seniority for a job classification lower than that in which the employee holds permanent status, the following seniority shall be counted: (1) classification seniority in any higher classifications within the regression ladder, and (2) previous classification seniority in the job classification in which the employee is currently working, and (3) present time spent in the job classification in which the employee is currently working, minus any seniority adjustments.
- (2) **City Service Seniority:** City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position.
- (3) **Hire Date Seniority:** Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) **Seniority Adjustments:** Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service. There shall be no adjustment for time spent on an approved unpaid leave of absence.
- (5) **Termination of Seniority:** Termination of classification seniority and City service seniority shall occur upon:
  - (a) Resignation, except that any employee who is appointed from a reemployment list and completes a probationary period, if any, in the position to which he/she was reinstated may count the seniority which he/she accumulated prior to resignation.
  - (b) Discharge.
  - (c) Retirement.

- (d) Layoff in excess of five (5) consecutive years out of the City service.
- (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade A downgrade shall be defined as a change in job classification to which the top rate of pay is less than the top rate of pay of the employee's present classification due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. Regression ladders for the Plant Operator Unit are as follows: .

- (1) Senior Plant Operator  
Plant Operator  
Junior Plant Operator
- (2) Senior Stationary Engineer  
Stationary Engineer
- (3) Senior HVAC Systems Mechanic  
HVAC Systems Mechanic

e. Permanent Status For the purposes of this layoff procedure permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification.

f. Career and Non-Career Career employees shall be those employees in positions which are in the classified service who are required to serve a probationary period. Non-career employees are all other employees covered by this Agreement.

g. Leave of Absence Employees on an approved unpaid leave of absence shall accrue seniority.

h. Department The application of the term "department" for the sole purpose of layoff and/or downgrade of career employees shall mean:

- (1) The Department of General Services shall be considered a single department.
- (2) The Department of Utilities shall be considered a single department.
- (3) The Departments of Parks and Recreation and Convention, Culture & Leisure Department shall be considered a single department.

No future reorganization shall be construed to change this provision except by mutual agreement of the parties.

### 12.3 PROCEDURE

a. Non-Career Employees When layoff is to occur within a job classification within a Department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder have been laid off. Non-career employees shall have no right to downgrade.

b. Career Employees

- (1) Within each job classification in each Department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that: (a) the employee meets all of the qualifications of the lower classification, and (b) can displace any employee in the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee attempting to downgrade is unable to do so, he/she shall be laid off.

- (4) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within ~~two-five~~ (52) normal workdays of receiving notice of layoff. Where employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (5) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, then by random number, if necessary.
- (6) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

#### 12.4 NOTICE OF LAYOFF

In the event of layoff, the City shall send by certified mail return receipt requested a layoff notice to all affected employees. Such notice shall be postmarked at least ~~fourteen~~ ~~thirty~~ (1430) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address currently ~~printed on the employee's paycheck in~~ ~~the City's payroll system~~, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. ~~However, the employee who is on sick leave or injury on duty status on the date of layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.~~

#### 12.5 SALARY IN EVENT OF DOWNGRADE

- a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.
- b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2, "Advancement in Rate of Compensation", with time served in the classification from which the downgrade occurred counting toward salary step advancement.
- c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which

the employee was downgraded, salary step placement shall be at the salary step immediately higher in the permanent classification. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the salary range and respective salary step for the affected classification as set forth in the current salary schedule.

## 12.6 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, on the request of laid-off employees.

## 12.7 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of their downgrade or layoff. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with the employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification to which provisional or probationary status was held at the time of layoff or downgrade. Provisional or probationary employees who had no permanent status in another job classification at the time of layoff shall have no recall rights. Non-career employees shall have no recall rights.

b. Employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5) year period shall gain permanent status for

purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail return receipt requested and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other qualifications of the classification to which he/she is being recalled, that existed at the time of layoff/displacement.

## 12.8 LAYOFF REOPENER

The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

### 13.3 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

### 13.4 DISCIPLINE TOLLING PERIOD

In all disciplinary matters, the City shall issue a letter of intent to discipline within 365 days from the date of discovery of the misconduct by a person authorized to initiate an investigation of the misconduct. ## **PREAMBLE**

This AGREEMENT, hereinafter referred to as the Agreement, entered into by and between the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

## **ARTICLE 1 – RECOGNITION**

### **1.1 RECOGNITION**

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the General Supervisory Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

## **ARTICLE 2 – SOLE AGREEMENT**

### **2.1 SOLE AGREEMENT**

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other Agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

c. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

## **ARTICLE 3 – CITY RIGHTS**

### 3.1 CITY RIGHTS

The City retains the exclusive right, subject to and in accordance with applicable laws, the City Charter, Civil Service Board Rules and Regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Rules; (e) to dismiss employees because of lack of work or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, and its budget, organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift, or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action may be appropriate to carry out its mission in situations of emergency.

## ARTICLE 4 – UNION RIGHTS

### 4.1 PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; and (2) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

- b. All the above payroll deductions shall be subject to the following conditions:
- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.
  - (2) Deductions and authorizations shall be separated by type of deductions (Union membership dues, insurance premiums) and by payee.

- (3) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employee and the Union.
- (4) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues.
- (5) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (6) The City will remit to the Union a check for all of the deductions.
- (7) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below.
- (2) No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.
- (3) The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

### b. Service Fee

In computing such amounts, the Union shall exclude expenditures for members only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any

dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes  
United Way

d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (c) and (d) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that       (employee's name)       has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

i. Employee Rights

c. Stewards shall not conduct Union or representational activities on City time unless prior approval is expressly granted by City management.

#### 4.5 USE OF CITY INFORMATION SYSTEMS

a. The Union shall have the right to reasonable use of the City's existing internal mail system for the limited purpose of communicating with employees who have been designated in writing by the Union as Stewards. The envelope for such mail shall

contain the following information: Steward's name, Department, Division, and work location. The City shall not be held responsible for untimely or lost mail.

b. The Union may have reasonable use of the City's electronic mail (Outlook) system (email) for the limited purpose of communicating with employees who have been designated in writing by the Union as stewards. d. The grieving employee's Division Head or designee shall give his/her answer to the grievance in writing within ~~five (5)~~ ten (10) standard workdays from the time he/she receives the grievance in writing. The answer by the Division Head or designee shall include the following:

(1) a complete statement of the City's position and the facts upon which it is based;

## ARTICLE 6 – SALARY ADJUSTMENTS

### 6.1 SALARY RANGE

Employee salary ranges shall consist of fifteen (15) salary steps. Employees shall be covered under the salary range consisting of Steps 1 through the top step of the classification.

Employees with an original hire date before November 15, 2014, and for the remainder of their continuous employment with the City, shall remain on an eight (8) step salary schedule with five percent (5%) between steps.

Employees with an original hire date following November 15, 2014, and for the remainder of their continuous employment with the City, shall have a fifteen (15) step salary schedule consisting of two and one-half percent (2-1/2%) between steps.

Both salary schedules shall have the same top step.

### 6.2 SALARIES

#### a. 2014-2015

(1) Effective November 15, 2014, all salary ranges in terms of bi-weekly rates shall be adjusted by two percent (2%), 0.8% of this increase is an offset for classic employees paying one percent (1%) of the employer's portion of PERS retirement plan in Article 20.15.

(2) Employees who are on the payroll November 15, 2014, shall be paid \$750; payment to be made on the paycheck that includes December 1, 2014.

#### b. 2015-2016

Effective June 27, 2015, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one-half percent (2-1/2%).

#### c. 2016-2017

Effective June 24, 2016, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one half percent (2-1/2%).

## ARTICLE 7 – SALARY ADMINISTRATION

## 7.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

## 7.2 ADVANCEMENT IN RATE OF COMPENSATION

### a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section shall not apply to non-career employees.

### b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

### c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.
- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

When an employee is promoted into the General Supervisory Unit, the employee shall be placed at the step that would result in a five percent (5%) increase in pay from the prior position, inclusive of any incentives that the employee will lose as a result of the promotion, but not to exceed the maximum rate of the higher classification.

b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

#### 7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

#### 7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid and shall be credited with the duration of time spent in their salary step paid at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall

### 15.1 PURPOSE

This Article provides the procedure to be followed when an employee is to be displaced/laid off from his/her position.

### 15.2 DEFINITIONS

a. Layoff A layoff shall be defined as the dismissal or displacement of at least one employee due to lack of work, lack of funds, abolishment of position, or for other reasons not reflecting discredit on an employee.

b. Seniority

- (1) **Classification Seniority:** Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay is greater than the top rate of pay of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position has been reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority shall be mutually established by the City and the Union. For an employee who has downgraded, computation of classification seniority for a job classification lower than that of which the employee holds permanent status, the following seniority shall be counted:
  - (a) classification seniority in any higher classifications, and
  - (b) previous classification seniority in the job classification in which the employee is currently working, and
  - (c) present time spent in the job classification in which the employee is currently working.

For a part-time career employee, classification seniority shall be prorated.

- (2) **City Service Seniority:** City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position, or as the effective date of appointment to the employee's first full-time position (or positions) which immediately preceded an appointment to a permanent career position, whichever is greater.

For a part-time career employee, City seniority shall be prorated.

- (3) Hire Date Seniority: Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) Seniority Adjustments: Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service. There shall be no adjustment for time spent on an approved unpaid leave of absence.
- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
  - (a) Resignation, except that any employee who is appointed from a reemployment list and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
  - (b) Discharge.
  - (c) Retirement.
  - (d) Layoff in excess of five (5) consecutive years out of the City service.
  - (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. Downgrade A downgrade shall be defined as a change in job classification to which the top rate of pay is the same or less than the top rate of pay of the employee's present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 15.3(b) (4) of this Article.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladders are as set forth in Exhibit A to this Agreement.

e. Permanent Status For the purposes of this layoff procedure, permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification. An employee in an exempt classification represented by the Union shall be considered a permanent employee under this Article.

f. Leave of Absence Employees on an approved unpaid leave of absence shall accrue seniority.

g. Department The application of the term "department" for the sole purpose of layoff and/or downgrade of career employees shall mean:

- (1) The Departments of General Services and Public Works shall be considered a single department.
- (2) The Department of Utilities shall be considered a single department.

- (4) The Departments of Police, Fire, Information Technology, Finance and Human Resources shall be considered a single department.
- (5) The Charter Offices of the City Attorney, City Clerk, City Manager and City Treasurer shall each be considered a single, separate department.

A function that is assigned to work in a different department as part of an inter-departmental project, but continues to be funded from the original department (op-conned), remains a part of the original department for the purpose of layoff.

Any future departmental reorganization shall be effective for purposes of layoff only after one year from implementation. At the request of the Union, the City agrees to discuss such reorganization at the time of implementation to review the placement of the reorganized function, and the application and impact of this Section, if any.

### 15.3 PROCEDURE

#### a. Non-Career Employees

- (1) When a layoff is to occur within a job classification within a department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first, except in the Solid Waste and Parking functions. In these functions, the City may continue working non-career Parking Lot Attendants and up to twenty-five (25) non-career Sanitation Workers regardless of any career employees who may be laid off in the regression ladder in which these job classifications fall. Career Sanitation Workers subject to layoff shall have the right to bump into the non-career classifications.
- (2) Non-career employees shall be laid off in the order provided by established department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be laid off in such order as the Department Head

shall provide. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder in the Department have been laid off.

b. Career Employees

- (1) Within each job classification in each Department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Rules and Regulations. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that the employee meets the qualifications of the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.
- (4) A career employee in an unrepresented classification contained in classification group ~~46-48~~ who is to be laid off, displaced, or demoted shall have the right to downgrade, within the Department and in descending order, to represented classifications in which the employee previously held permanent status provided a vacancy exists.

- (5) Any permanent employee currently working in a classification contained within classification group ~~45-47~~ shall have the right to downgrade, in the same manner as provided in Section 15.3(b)(3), to the last classification in which permanent status was held, if any, provided such classification is contained within regression ladder 1 through ~~4446~~, or classification group ~~4547~~. If such a downgrade is not possible, the employee shall be laid off. If such a downgrade is possible, the employee shall then in the future have the right to downgrade through that new regression ladder only.
- (6) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within ~~forty-eight (48) hours~~ five (5) working days of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employees shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (7) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.
- (8) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of a layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least ~~fourteen (14)~~ thirty (30) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address currently in the City's payroll system ~~printed on the employee's paycheck~~, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees. ~~However, the employee who is on sick leave or injury-on-duty status on the date of layoff notice shall not be laid off or downgraded until the employee returns to work; except that the effective date for recall purposes shall be the date of actual layoff as stated on the layoff notice.~~

#### 15.4 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the current salary schedule.

## 15.5 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, at the request of laid-off employees.

## 15.6 RECALL

a. When a vacancy occurs in a job classification, the laid off or downgraded employee(s) eligible to return to that job classification shall be recalled in the order of City service seniority, beginning with the employee with the greatest City service seniority. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall

have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of five (5) years from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Career employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. If, however, a permanent employee has been recalled or downgraded but has not been recalled to the classification in which permanent status is held within the five (5) year period, said employee shall continue to possess recall rights back to the classification in which permanent status is held, and to any other classifications in the employee's regression ladder which are lower than the classification in which permanent status is held and higher than the classification in which the employee was working at the expiration of the five (5) year period. If said employee is recalled to a classification higher in his/her regression ladder than the employee was working at the expiration of the five (5) year period, the employee shall serve the complete probationary period in such higher classification. If said employee fails to satisfactorily complete the probationary period he/she shall return to the next highest classification in the applicable regression ladder in which a vacancy exists and shall gain permanent status in such classification. In no event shall the employee be required to return to a classification lower than that from which he/she left to take the probationary appointment. Said employee shall then continue to possess recall rights to any higher classification in his/her regression ladder which is lower than the classification in which the employee failed to complete the probationary period but higher than the classification to which the employee returned after failing probation, subject to all provisions stated above.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under Section 15.2(b) of this Article.

d. Career employees holding recall rights may be offered a non-career job of less than 1,040 hours annually, and if said career employee accepts or refuses such non-

career jobs of less than 1,040 hours it shall have no effect on said career employee's normal recall rights.

A seniority list shall be made available to the Union on the first working day in September of each year, and after review with the Union, said list shall be posted by each department and copies made available for ready inspection. A copy shall be furnished free of cost to the Union each September.

b. The City shall immediately after effecting a layoff provide the Union a list of those employees who have been laid off. Said list shall be known as a Recall List and shall be updated as necessary.

c. The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

d. The parties shall have the further right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

~~c. A letter of reprimand issued prior to October 20, 1990, may be pulled at the request of the employee provided there was no additional formal discipline imposed within five (5) years from the date of issue.~~

### 19.2 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

### 19.3 DISCIPLINE TOLLING PERIOD

In all disciplinary matters, the City shall issue a letter of intent to discipline within 365 days from the date of discovery of the misconduct by a person authorized to initiate an investigation of the misconduct. This time limitation shall be extended if any of the conditions referenced in California Government Code sections 3304(d)(2) or 3304(g) exist during the 365 day period.

### 19.43 DISCIPLINE APPEAL HEARING PROCEDURE

a. This arbitration process shall be the exclusive procedure applicable to all employees in the classified service who have completed the probationary period and non-career employees who have passed the trial period.

b. The term "parties" as used in this agreement are the City and the Union. If an individual employee covered by this agreement files an appeal of discipline to the Civil Service Board, and the Union does not pursue such appeal, the employee may pursue such appeal and shall assume all of the rights and responsibilities of the Union in the appeal process pursuant to this agreement, including but not limited to the cost of the arbitrator.

c. The fees of the arbitrator and the court reporter, if used, will be borne equally by the City and the Union.

d. The parties may participate in mediation in an attempt to settle the case before a hearing is scheduled with the arbitrator. Mediation shall be required if requested by either party and the parties will request a mediator from the State Mediation and Conciliation Service (SMCS). All mediation proceedings shall be private. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.

e. After a disciplinary appeal has been filed with the Board, the parties shall mutually select a qualified arbitrator. If the parties fail to select an arbitrator within ten (10) days after the appeal is filed with the Board, the parties shall prepare a joint request to the SMCS for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

f. The hearing shall be scheduled as expeditiously as possible upon the request of either party. If the accepted arbitrator cannot hear the case within a mutually

accepted time, but no later than ninety (90) days of selection, the parties may jointly request another list from the SMCS.

g. The hearing shall be held at a mutually agreeable location which shall be determined by the parties. The City shall make available appropriate facilities for such hearings.

h. The hearing shall be recorded or, at the option of and with the agreement of the parties, reported by a court reporter. If one party requests a copy of the transcript, the requesting party shall pay the full cost. If the parties jointly request the transcript, the cost shall be shared equally.

i. The hearing shall be conducted pursuant to the procedures of Rule 12 of the Rules of the Civil Service Board.

j. The City agrees that employees shall not suffer loss of compensation for time spent as a witness at a discipline arbitration hearing held pursuant to this procedure. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

k. The arbitrator shall prepare a written proposed decision on the matter which shall be sent to the parties.

l. The parties shall have ten (10) days from the mailing of the proposed decision to file exceptions thereto with the arbitrator. Such exceptions shall be based solely on material errors in the determination of facts or conclusions of law, and shall be submitted simultaneously to the arbitrator and the opposing party. The arbitrator shall review the exceptions within ten (10) days of receipt and affirm or amend the proposed decision and file the jointly recommended proposed decision with the parties and the Civil Service Board for action.

m. If no exceptions are filed by the parties, the arbitrator's proposed decision becomes the "jointly recommended proposed decision."

n. The parties agree that any dispute of the jointly recommended proposed decision to the Civil Service Board shall be limited to the grounds specified in Section 1286.2 of the California Code of Civil Procedure.

#### 19.54 WITHDRAWAL OF APPEAL

The employee may withdraw ~~the an~~ appeal ~~of discipline~~ at any time ~~after it has been filed and before~~ prior to a decision by an Arbitrator, Administrative Law Judge or the Civil Service Board has determined the matter. An appeal shall be deemed withdrawn if the employee fails to respond within thirty (30) days to a written request by the City to select a hearing procedure (arbitration hearing or administrative hearing), select an arbitrator, schedule a hearing, or otherwise participate in the appeal process. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

## 19.65 DISCIPLINE AND DOCUMENTED COUNSELING RETENTION

a. Suspensions and pay reductions issued after June 30, 2014, will not be permanently placed in an employee's official personnel file. Suspensions and pay reductions will be withdrawn from the employee's official personnel file five (5) years from the date of issue provided there has not been additional formal discipline imposed during the five-year period. All suspensions and pay reductions removed from the employee's official personnel file will be retained in Labor Relations. Should an employee have subsequent discipline, the earlier disciplines may be used for purposes of progressive discipline.

b. A letter of reprimand issued after October 20, 1990, will be withdrawn from an employee's official personnel file two (2) years from the date of issue provided there has not been additional formal discipline imposed during the two-year period.

c. A letter of reprimand issued prior to October 20, 1990, may be pulled at the request of the employee provided there was no additional formal discipline imposed within five (5) years from the date of issue.

d. Documented counselings will be withdrawn from an employee's department file eighteen (18) months from the date of issue provided there has not been formal discipline imposed during the eighteen-month period. Once removed, the documented counseling may not be used to enhance the subsequent discipline but may be used to demonstrate that the employee is aware of the issue and/or for impeachment purposes.

## **ARTICLE 20 – MISCELLANEOUS**

### **20.1 CIVIL SERVICE RULES**

In the event that any Civil Service Board Rules or Regulations are in conflict with this Agreement, the Agreement shall apply.

### **20.2 SELECTION OF VACANCIES**

a. Whenever a vacancy occurs in a particular job assignment, and the manager elects to permanently fill said vacancy, the vacancy shall be posted for a period of ten (10) calendar days which shall include the duties of the position. Employees holding career status in the classification allocated to that position, and who are assigned to the particular operation in which the vacancy arises, may request to be reassigned to fill said vacancy. The manager shall give first consideration to those employees making such requests before considering any other persons for the vacancy. The term "first consideration" does not mean that employees requesting transfer to the vacant position have first priority to the job or require the appointing authority to appoint an employee from such list to the vacancy, but only assures that such employees shall in fact be given consideration for the position prior to reviewing other candidates.

b. In the event more than one qualified employee requests to fill said vacancy, the assignment shall be based on classification seniority (or in the case of a tie, highest position on the eligible list) provided relative experience and capability in performing the required job functions and relative disruptive effect on the established work schedule are equal.

c. The City shall reassign or prevent the assignment of employees where there is or would be an immediate supervisory/subordinate relationship and the employees have a potential employment conflict of interest due to a parental, spousal or sibling relationship.

d. A vacancy or vacancies resulting from an assignment made hereunder may not be subject to this procedure.

e. It shall be within the discretion of the Department Heads, or their respective designee, to make departmental transfers as in their judgment will best meet the organizational, operational and personnel needs of the departments.

f. This Section does not apply to non-career employees.

### 20.3 PROMOTION FROM WITHIN

In accord with Article VII, Section 84 of the Charter of the City of Sacramento, the City does hereby reaffirm its policy to promote from within whenever possible.

### 20.4 CONSOLIDATION

Prior to entering into an Agreement to consolidate any City function which includes employees represented by Local 39 as the recognized employee organization, the City shall meet with the Union in an attempt to resolve employee problems.

### 20.5 DAMAGE TO PRESCRIPTION GLASSES

a. The City agrees to repair or replace prescription glasses damaged or destroyed while the employee is actively at work provided that the employee furnishes satisfactory proof to the City of such loss.

b. The prescription shall not be more than twenty-four (24) months old to qualify for reimbursement under the Section. All costs to update the prescription shall be borne by the employee.

### 20.6 NON-DISCRIMINATION

The City and the Union agree not to discriminate against any employee for Union activity, race, creed, religion, sex, age, or handicap.

### 20.7 SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by the reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

## 20.8 NON-FAULT VEHICULAR ACCIDENTS

At the request of an employee who was involved in a non-fault vehicular accident while performing City work, the City will provide a letter to the employee stating the accident was non-fault.

## 20.9 ZONAR OR OTHER GLOBAL POSITIONING SYSTEMS (GPS)

Zonar and other GPS devices will be used for purposes of improving departmental efficiencies to include, but not limited to, preserving City resources and preventing idle time. Zonar or GPS data shall not be used by the City as the only factor in gathering data for purposes of discipline. However, the data may be used to substantiate public complaints, support findings or confirm work performance issues for purposes of discipline. A list of vehicles which contain Zonar or other GPS devices will be maintained in the department and provided to employees.

## 20.910 CONTRACTING-OUT

a. The City shall not contract out for goods and services performed by bargaining unit employees which will result in any career employee being laid off without prior consultation with the Union concerning the impact on the terms and conditions of employment of employees covered by this Agreement.

b. Any layoffs resulting from the City's action shall be made pursuant to the layoff provisions of this Agreement.

## 20.4011 STRIKES AND LOCKOUTS

For the duration of this Agreement the Union and its members agree that it shall not call, sanction or engage in any strike, slowdown, suspension or stoppage of work activity, and the City agrees that it shall not cause or engage in any lockout.

## 20.4412 BLOOD BANK TIME

a. The City shall establish a blood bank account with the Sacramento Medical Foundation Blood Center.

b. An employee shall be permitted time off without loss of compensation to donate blood during duty hours when a mobile blood unit vehicle is located at the employee's work site. Time off shall only be granted if work activities are not unduly disrupted. Such paid time off shall not exceed thirty (30) minutes per blood donation, unless extended by City management on a case-by-case basis.

c. Time off without compensation shall be permitted during duty hours in the event an employee wishes to donate blood at the office of the Blood Center. In such case, the employee may be permitted to use accrued vacation, CTO or holiday time.

d. This provision is not intended to authorize any overtime compensation.

## 20.4213 TIME OFF FOR EXAMINATIONS

If a request is made by an employee, such employee shall be released from duty without loss of compensation while competing in City examinations and interviews. The employee must give the immediate supervisor at least three (3) working days' advance notice. Employees shall not be compensated for examination and interview time which occurs during non-duty hours.

## 20.14 SUPERVISING DISPATCHERS USE OF FITNESS CENTER

a. Supervising Dispatchers shall be permitted to use the fitness center at the Communication Center as follows:

(1) Employees Working a 4/10 Schedule – During Meal Period

Supervising Dispatchers who currently have a forty (40) minute paid meal period and wish to exercise in the fitness center shall be permitted to have a sixty (60) minute meal period in order to exercise. The minimum workout time shall be twenty (20) minutes.

(2) Employees Working a 5/8 Schedule – During Normal Shift

Supervising Dispatchers shall be permitted to work out during their normal shift for a maximum of twenty (20) minutes. Employees who chose to work out for more than twenty (20) minutes will do so before or after their normal shift or during their meal period. For example, if an employee who starts work at 8:00 a.m. wishes to work out for thirty (30) minutes at the beginning of his/her shift, he/she will start ten (10) minutes before 8:00 a.m. and will work out until 8:20 a.m. The first ten (10) minutes are unpaid, and the remaining twenty (20) minutes are paid at the regular rate of pay.

b. Supervising Dispatchers who use the fitness center as stated in (a), above, will be required to meet with the Police Department's fitness coordinator for assessment and approval prior to using the fitness center.

c. Although Supervising Dispatchers will be using the fitness center on paid time, the parties agree that participation is not a job requirement in the classification of Supervising Dispatcher, that use of the fitness center is completely voluntary, and that such use is not work related.

d. Supervising Dispatchers will be required to sign a waiver of liability, as shown in Exhibit B, which acknowledges their understanding and acceptance of the conditions for use of the fitness center.

e. Supervising Dispatchers on a 4/10 work schedule, who do not use the fitness center during their regular shift, will continue to have a forty (40) minute paid meal period.

#### 20.4315 TRIAL PERIOD

a. An employee or a former employee appointed to a career classification as a non-career employee on and after November 22, 1986 shall serve a trial period. A former employee is a person who was previously employed with the City but terminated such employment for any reason including the expiration of a limited-term appointment.

b. The trial period shall be a thirty (30) calendar day period beginning with the first day the employee reports to work or until the employee has worked one hundred sixty-eight (168) straight-time hours, whichever occurs last.

c. A non-career employee may be released from his/her position at the discretion of the appointing authority at any time during the trial period without right of appeal to the Civil Service Board. Such release shall be confirmed in writing.

d. This provision shall not be used to circumvent the civil service system in respect to the City's testing practices.

#### 20.4416 PAYROLL ERRORS

a. In the event an error has been made in the payment of an employee's salary, overtime payment or leave accruals, balances or usages, the City shall, for purposes of future compensation, adjust such compensation to the correct amount, giving written notice to the employee.

b. In the event an employee received an overpayment in wages, reimbursement to the City shall be accomplished by:

- (1) Lump sum payment by the employee;
- (2) A one-time deduction from useable vacation, compensating time off (CTO), or holiday credit balances equivalent to the overpayment at the employee's current hourly rate;
- (3) A repayment schedule through payroll deduction; and/or
- (4) Other means, as may be mutually agreed between the parties.

No repayment schedule shall exceed fifty-two (52) pay periods in duration, except that if the employee does not agree to a voluntary repayment schedule, the

overpayment collection shall not exceed twenty-six (26) pay periods. The time period may be extended by a signed agreement between the City and the employee.

c. No action shall be taken to enforce repayment of an overpayment, or to correct an underpayment, unless action is taken within two (2) years from the ending date of the pay period in which the error is discovered. "Action is taken" as used in this Section shall mean written notice to the employee in the case of an overpayment, or written or oral notice to the City in the case of an underpayment error.

**EXHIBIT B – USE OF FITNESS CENTER WAIVER OF LIABILITY**

**SUPERVISING DISPATCHERS**

I understand and agree that I may use the fitness center at the Communications Center during my paid meal period, or if I am on a 5/8 schedule, during my regular shift. I understand that use of the center is voluntary, not a requirement of my job classification or employment with the City, and is not work related.

The City does not anticipate injury to occur during the use of the fitness center; however, it is still a possibility. Knowing the risk, and in consideration of being permitted to use the center during my meal period, I agree to assume all risks connected to such use.

Except as otherwise prohibited by law, I agree to release and discharge the City of Sacramento, its officers, employees, agents, and volunteers from any and all liability for personal injury, death or property damage connected with the use of the fitness center, even though that liability may arise out of their negligence or carelessness.

This release will be a continuing release and will remain in effect until revoked in writing.

## PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by and between the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

## ARTICLE 1 – RECOGNITION

### 1.1 RECOGNITION

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the Operations and Maintenance, Office and Technical, and Professional Units, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

### 1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Operations and Maintenance, Office and Technical, and Professional Units shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days. The City shall not make temporary appointments under this provision for the sole purpose of eroding the bargaining units represented by the Union.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore

have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

### 1.3 CAREER DEVELOPMENT TRAINEES

The City shall have the right during the term of the Agreement to establish Career Development Trainee classifications. Such classifications shall have a flat hourly rate of pay equivalent to ten percent (10%) below Step 1, as applicable, of the salary range of the career classification, as shown in the current salary schedule. (For example, if the "1" step hourly rate of pay is \$9.00 for the career classification for which the career development training is being conducted, the flat hourly rate for the Career Development Trainee would be \$9.00 minus \$.90 or \$8.10.) An employee appointed as a Career Development Trainee shall have non-career (+1,040) status for purposes of benefit eligibility during the term of the appointment.

## ARTICLE 2 – SOLE AGREEMENT

### 2.1 SOLE AGREEMENT

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other Agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

c. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

## **ARTICLE 3 – CITY RIGHTS**

### **3.1 CITY RIGHTS**

The City retains the exclusive right, subject to and in accordance with applicable laws, the City Charter, Civil Service Board Rules and Regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Rules; (e) to dismiss employees because of lack of work or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, and its budget, organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift, or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action may be appropriate to carry out its mission in situations of emergency.

## **ARTICLE 4 – UNION RIGHTS**

### **4.1 PAYROLL DEDUCTIONS**

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; (2) the service fees for non-members as set forth in Section 4.2 of this Agreement; and (3) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

- b. All the above payroll deductions shall be subject to the following conditions:
- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.

- (2) If for any reason an employee does not have sufficient funds due him/her to provide for the payment of any of the above payroll deductions after all other authorized or mandatory deductions or garnishments have been made, if any, no such sums shall be payroll deducted and the Union shall assume the duty of direct collection from the employee.
- (3) Deductions and authorizations shall be separated by type of deduction (Union membership dues, service fees, insurance premiums) and by payee. Additionally, the Union will also receive information as to which employees were required to pay a service fee within a bi-weekly pay period even if such service fee was not payroll deducted.
- (4) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employee and the Union, except the authorization form for service fees shall be completed and executed by solely the employee.
- (5) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues, service fees, or insurance premiums.
- (6) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (7) The City will remit to the Union a check for all of the deductions.
- (8) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay

an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below.

- (2) No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.
- (3) The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

b. Service Fee

The service fee required in subsection (a) shall be an amount not to exceed the Union's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Union shall exclude expenditures for members only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes  
United Way  
Firefighters Burn Institute

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Union, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

## 6.2 SALARIES

### a. 2014-2015

- (1) Effective November 15, 2014, all salary ranges in terms of bi-weekly rates shall be adjusted by two percent (2%), 0.8% of this increase is an offset for classic employees paying one percent (1%) of the employer's portion of PERS retirement plan in Article 22.19.
- (2) Career employees and non-career +1040 employees who are on the payroll November 15, 2014, shall be paid \$750; payment to be made on the paycheck that includes December 1, 2014.

### b. 2015-2016

Effective June 27, 2015, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one-half percent (2-1/2%).

### c. 2016-2017

Effective June 24, 2016, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one half percent (2-1/2%).

## **ARTICLE 7 – SALARY ADMINISTRATION**

### 7.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointment to non-career positions.

### 7.2 ADVANCEMENT IN RATE OF COMPENSATION

#### a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility

date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.

- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.

Except as provided herein, this Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986 because the period April

12, 1986 to July 4, 1986 is included in determining the salary step eligibility date.

- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

### 7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

#### a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

#### b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid and shall be credited with the duration of time spent in their salary step paid at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as applicable, the employee shall be permitted to advance to the maximum step of the original range.

7.7 SALARY CONTINUATION FOR ABSENCES FOR LESS THAN ONE WORK DAY

A salaried employee exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act who works for only a portion of the day shall not have his/her salary reduced that day due to insufficient accrued, usable leave. This provision shall apply only to employees in the Professional Unit.

## 7.8 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in [Section 108 of the City Charter](#). The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

## ARTICLE 8 – HEALTH AND WELFARE

One-half (1/2) of such contributions will be made to eligible employees on each of the first two (2) paydays in a calendar month for insurance coverage the first and second halves of that month, respectively.

b. Eligible employees shall receive a City contribution for each such pay period if the employee is paid for one (1) or more hours of salary. Employees who are paid less than one (1) hour salary per pay period may continue elected coverage limited to the City's medical, dental, vision, disability, and life insurance plans for up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by personal remittance or other arrangement for payment of the full premiums of any insurance elected to be continued.

Except as provided herein, the City dollars shall be applied toward the premiums for City-sponsored medical, dental, and vision insurance plans for eligible employees and qualified dependents, if any. The amount of City contribution for each of the first two (2) pay periods of each month shall be based on the number of hours for which the employee was paid in that bi-weekly pay period: 64 or more hours paid = 100% contribution; 40-63.9 hours paid = 50% contribution.

b. To be eligible for City dollars under this Section, the non-career employee must be paid for a minimum of forty (40) hours of work on each payday. If the employee fails to be paid for the minimum forty (40) hours necessary to receive the City contribution, the City shall deduct from the employee's paycheck the amount needed to pay for the insurance plans which the employee has selected. If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee

to pay for the remaining amount. Failure to do so before the end of the calendar month including such paycheck(s) shall automatically drop the employee from the City-sponsored insurance program until the next open enrollment period.

### **9.1 WORKDAY, WORKWEEK**

a. The workweek for employees covered by this Agreement shall begin at 12:01 a.m. Saturday, and end at 12:00 midnight the following Friday. The employees' workweek shall consist of forty (40) working hours during the said seven (7) day period. This paragraph does not apply to non-career employees.

b. The City may establish a workweek schedule consisting of forty (40) hours in increments of four ten (10) hour workdays or five eight (8) hour workdays, or a 9-80 workweek schedule consisting of four nine (9) hour workdays, four nine (9) hour workdays, and one eight (8) hour workday during an eighty (80) hour bi-weekly period.

The City agrees to discuss with the Union thirty (30) days in advance of implementation of the four ten (10) workweek or 9-80 workweek schedule. Every effort will be made to schedule such workdays consecutively and avoid back-to-back workweeks, unless a separate written workweek agreement is entered into by the City and the Union.

c. All employees covered by this Agreement, except those employees on a straight eight (8) hour workday, shall be allowed a lunch period, to be used as the employee desires within accepted standards, of not less than thirty (30) minutes nor more than one (1) hour which may be scheduled generally in the middle of the work shift. If an employee is required to work during his/her lunch period, and if no alternate lunch period is taken, at the approval of the employee's supervisor said time shall be compensated at the applicable overtime rate if the hours worked exceed that of his/her scheduled work shift. This paragraph does not apply to non-career employees.

d. Employees shall be given at least ten (10) workdays notice prior to a permanent change in their assigned hours of work. If an employee's shift or days off are changed without the above notification, he/she shall be paid the overtime rate for all hours worked on the first day of the new shift. This paragraph applies to career employees and to those non-career (+1,040) employees who have a permanent shift schedule. Every effort will be made to give employees as much notice as possible for any change of shift or days off.

## 9.2 REST PERIODS

a. Each employee covered by this Agreement will be afforded rest periods. These rest periods will be as currently administered by their respective departments.

b. The length of the rest periods will be fifteen (15) minutes during the first half of an employee's work shift, and fifteen (15) minutes during the last half of an employee's work shift, unless the City and Union agree otherwise in writing. Non-career employees shall be entitled to a fifteen (15) minute rest period during every four (4) hours of scheduled work.

c. The City shall notify employees or post in each work location a policy statement regarding when rest periods shall be taken. In the event it is deemed necessary to change an established rest period within a work organization, notification will be given to the Union prior to implementing such change.

## 9.3 VOLUNTARY WORK FURLOUGH PROGRAM

Pursuant to the Furlough/Reduced Work Week Policy, the City may establish for full-time career employees a voluntary work furlough/reduced work week consisting of a full day of unpaid leave on a variable schedule or a work schedule which is modified on a regular fixed basis to less than forty (40) hours per week. Employees shall apply for participation in the program pursuant to the conditions set forth in the rules and procedures governing this citywide program.

## ARTICLE 10 – OVERTIME COMPENSATION

### 10.1 OVERTIME/COMPENSATING TIME OFF (CTO)

a. Employees required to work in excess of their regularly scheduled shift, forty (40) hours per workweek, or on a recognized holiday shall be compensated for such work time at one and one-half (1-1/2) times their regular rate of pay. All paid time shall count as time worked for the purposes of calculating overtime. Effective December 26, 2015, all paid time shall count as time worked for the purposes of calculating overtime with the exception of sick leave.

b. Overtime compensation shall be paid by cash payment or CTO as determined by the appointing authority or designee. The scheduling of CTO must be approved in advance by the appointing authority or designee.

c. Employees may accrue up to one hundred and sixty (160) hours of CTO. The City may cash out those CTO hours accumulated in excess of eighty (80) hours at any time provided that the use of such time off has not been previously approved.

d. Overtime work shall be distributed equally insofar as possible among qualified career employees engaged in the same activities or any one classification in accordance with the criteria established herein.

e. The City shall determine which employees are qualified for overtime based on the following factors:

- (1) Employee classification
- (2) Job location
- (3) Shift
- (4) Completion of started assignment
- (5) Emergency
- (6) Desire to work overtime
- (7) Employee availability

f. The City shall review its distribution of overtime every three (3) months. It is understood that the nature of certain work assignments does not easily permit equal distribution of overtime, and in such cases exception may be made to equal distribution. Disputes over equal distribution of overtime may be resolved pursuant to the grievance procedure.

g. The City shall not adjust a regular workweek schedule during said workweek to avoid payment of overtime.

## 10.2 COURT OVERTIME

### a. Court Overtime

- (1) This Section applies when an employee is subpoenaed to appear in the litigation of a public offense in his/her capacity as an employee of the City of Sacramento. For the purposes of this Section "subpoenaed to appear" shall be defined as being served with a subpoena in California Penal Code Sections 1326 through 1332, or a "subpoena request form" used by the Sacramento Police Department.
- (2) When an employee is subpoenaed to appear in court and is not scheduled to be on duty, during the time of his/her appearance, upon reporting to the court the employee will receive a minimum of four (4) hours pay at time and one-half, or the actual amount of time spent in court, whichever is greater.
- (3) When such court appearance on off-duty time requires the employee to be in attendance before and after the lunch recess, such lunch time will be included in determining the employee's court overtime pay.
- (4) When the employee's court appearance is scheduled within two (2) hours after the end of the employee's work hours, the employee will be compensated at the rate of time and one-half for a minimum of two (2) hours for such court appearance. If the employee's court extends beyond the two (2) hour minimum, the employee will receive four (4) hours pay at time and one-half, or the actual amount of time spent in court, whichever is greater.
- (5) When the employee's court appearance is scheduled within two (2) hours prior to the beginning of the employee's work hours, the employee will be compensated at the rate of time and one-half for a minimum of two (2) hours for such court appearance.
- (6) When an employee is on vacation more than two hundred (200) miles from Sacramento and the vacation is interrupted by a court appearance, the employee shall be paid a minimum of four (4) hours pay at the rate of double time for such court appearance, and shall be given an additional vacation day for each day at court appearance and travel time, if such travel time is at least one full day. (Travel time is defined as seven (7) hours.) However, for an employee to be eligible for compensation under this subsection the employee must, upon receiving the subpoena, notify both his/her immediate supervisor and the Court Liaison Office of the scheduled vacation/court appearance conflict.

b. Telephone Standby Time

- (1) When an employee is placed on telephone standby by the District Attorney, or the judge of the court, the employee is required, at no cost to the City, to notify the Court Liaison Office, and the employee's immediate supervisor, of the court order. If the standby requirement has been confirmed by the Department, the employee will be compensated at the rate of one and one-half (1-1/2) times his/her regular rate of pay for only those hours that the court is actually in session.
- (2) There shall be no telephone overtime for an employee merely answering his/her personal telephone.
- (3) This Section does not preclude the employee from contacting the court, District Attorney, his/her office, or the Court Liaison Office at his/her own discretion. However, these calls will not be compensated.

c. Cancellation of Appearances

Notice of cancellation will be given to employees three (3) hours prior to court or at the end of last shift prior to court. In the event that such notice is given within the three (3) hours, employees will receive two (2) hours of overtime at the rate of time and one-half. Notification to employees prior to three (3) hours will eliminate overtime compensation.

Said employees who work less than five-eighths (5/8) of their regular work shift in the period extending from 6:00 p.m. to 6:00 a.m., shall be compensated for those hours worked (to the nearest one-half hour) within this period by payment of an additional five percent (5%) of their base pay for such hours.

The City shall review quarterly the hours actually worked and compare those hours to the BAP assigned to an employee. - (3) The following classifications shall accrue holiday credit:

Property Assistant/Senior Property Assistant  
Parking Lot Attendant/Senior Parking Lot Attendant

(2) Administration

- (a) The scheduling of floating holiday time must be approved in advance by the appointing authority or designated representative.
- (b) An employee may carry over from the preceding calendar year a maximum of eight (8) hours of floating holiday accrual. Except for the eight (8) hour carry-over, all floating hours accrued and not used by the end of the pay period which includes January 8 shall be paid to the employee in cash at the straight-time rate on the payday covering that pay period.

The City agrees that the creation of an annual leave program shall not be implemented without an express written agreement by the Union. The City agrees to waive its rights under all applicable policies, rules and regulations to impose an annual leave program absent written agreement with the Union for the duration of the Agreement. If no agreement regarding an annual leave program is reached following the meet and confer, the annual leave program shall not be implemented or imposed.

b. Integration of Vacation With Workers' Compensation

Where a career employee sustains an injury covered by workers' compensation and has utilized all of the one year "injury-on-duty time" as provided under City Charter Section 253, or former City Charter Section 167, as the case may be, and consequently is receiving straight workers' compensation temporary disability payments, the employee will be allowed to utilize (while off work) accrued vacation time in partial day increments in addition to receiving workers' compensation temporary disability payments with the total aggregate payment of temporary disability and vacation pay not to exceed one hundred percent (100%) of the employee's regular rate of pay. As a condition of so using such accrued vacation, however, the employee is required to continuously utilize accrued vacation until accrued vacation is exhausted or he/she returns to work. This provision also applies to any accrued leave with the exception as noted in 12.4 Sick Leave.

c. Vacation Scheduling

- (1) The time at which the employee shall be granted a vacation is at the approval of the Department Head. The Department shall determine the number and classification of employees who can be off on vacation on any given day. However, in an effort to accommodate the employee's requested vacation schedule each Department shall open to bid vacation scheduling thirty-one (31) days prior to November 1st of each year. Classification seniority shall govern where more than one employee bids for the same period. In case of

a tie, the employee with the greatest amount of continuous City service shall be senior.

- (2) Non-career (+1,040) employees shall be eligible to bid for vacation after all career employees have bid. Date of last hire shall determine seniority for non-career employees. Non-career employees shall bid for vacation on the basis of said seniority.
- (3) The final vacation schedule as approved by the Department Head shall be permanently posted in the employee work area not later than the first Friday of December.
- (4) Annual vacations applied for other than during the open bid period will be granted with the approval of the Department Head or his/her authorized representative. Such request shall not be unreasonably denied.
- (5) In no event may a senior employee bump a junior employee from a vacation period after the thirty-one (31) day bidding period has run. However, employees may trade vacation periods if all trading employees agree. Changes in the vacation schedule may be amended with the approval of the Department Head or authorized representative.
- (6) An employee who has bid for and scheduled a vacation of forty (40) hours or more shall provide the Department with a minimum two (2) week notice of cancellation if they later decide not to take the time off. Unless there are operational staffing needs which preclude bidding the time off, the Department shall post the available time for employees to bid consistent with (c) (1) above.
- (7) Employees covered by this Agreement are entitled to schedule accumulated and unused vacation credits in increments of one hour or more.

d. Notice of Loss of Vacation

with the Rules and Regulations of the Civil Service Board, one-third (1/3) of the employee's accrued sick leave may be used after exhaustion of injury-on-duty time; however, the combination of temporary disability payments and sick leave pay shall not exceed one hundred percent (100%) of the employee's regular rate of pay. Such usage shall not exceed the maximum amount of the employee's accumulation. A part-time career or non-career (+1,040) employee shall earn sick leave on a pro rata basis.

- (2) An employee in active service of the City eligible to accumulate sick leave credits may in January each year, receive a cash payment for twenty-five percent (25%) of the unused portion of sick leave credits accumulated during the preceding calendar year from January 1 through December 31, provided the employee shall have to his/her credit on December 31, immediately preceding the date for payment, a total of at least sixty (60) sick leave days (480 hours) accumulated. The employee shall be paid for such percentage of sick leave accumulation at the rate of pay which the employee was receiving on January 1 of each year in which payment is made. The amount of time for which an employee is paid shall be deducted from the employee's total accumulation.

  - (ii) In the alternative, eligible employees may convert any or all of their total sick leave credits accrued as of the date of their retirement pursuant to the PERS contract with the City. If the employee converts less than the full

balance of sick leave to service credit, the employee may receive payment equal to thirty-three and one-third percent (33-1/3%) of the remaining sick leave credits after conversion to PERS.

- (b) PERS members hired on or after January 1, 2005, shall not be eligible for payment of any portion of accumulated sick leave credits, though employees may convert the sick leave balance to service credit pursuant to the PERS contract with the City upon separation of employment for retirement.
- (c) No employee whose services are terminated by reason of discharge for cause shall be eligible for payment of any portion of accumulated sick leave credits.

(2) SCERS

Upon termination of any employee in SCERS eligible to accumulate sick leave credits for reasons of retirement, resignation, and/or layoff after service for a period of not less than two (2) years, or death, such employee (or those entitled by law to the possession of the estate of a deceased employee) shall receive payment for thirty-three and one-third percent (33-1/3%) of the total sick leave credits accumulated (to the nearest full day) by the employee on the date of such retirement, resignation, layoff, or death. No employee whose services are terminated by reason of discharge for cause, or by reason of resignation or layoff prior to the completion of two (2) years of service, shall be eligible for payment of any portion of accumulated sick leave credits.

c. Reinstatement of Sick Leave After Return From Layoff

Any employee who is laid off and receives payment for thirty-three and one-third percent (33-1/3%) of his/her total accumulated sick leave credits shall be credited with the remaining sixty-six and two-thirds percent (66-2/3%) of his/her accumulated sick leave credits if and when said employee is recalled. If said employee thereafter leaves City service after being recalled and is entitled to payment of his/her accumulated sick leave credits under this Section, said employee shall only receive payment for thirty-three and one-third percent (33-1/3%) of those sick leave credits which accrued after the date of recall.

d. Utilization of Sick Leave

Use of sick leave is governed by Civil Service Board Rule 16, Attachment A to the Civil Service Board Rules and Regulations.

e. Except as provided herein, no payments made or sick leave credits accumulated shall be construed or deemed to constitute retirement benefits payable to employees of the City.

f. The Rules and Regulations of the Civil Service Board relating to the administration of sick leave privileges and benefits shall apply to all eligible employees.

g. Sick Leave Verification

The City and the Union will meet and confer no later than June 30, 2015, to establish a Citywide sick leave policy.

Effective upon Council approval of this Agreement, departments shall notify and receive approval from the Citywide Leave Administrator in the Department of Human Resources, Administration Division prior to placing employees on sick leave verification to ensure compliance with appropriate City policies. Employees placed on sick leave verification may request to be removed after six (6) months, or earlier based upon appropriate City policy. If it is determined by the Citywide Leave Administrator in the Department of Human Resources, Administration Division that the employee is in compliance with the policy, the employee shall be removed from sick leave verification. If the employee is not in compliance, the employee may request to be removed on a monthly basis thereafter.

a. When an employee is absent from work to testify in response to a subpoena issued by a court of competent jurisdiction in a non-work related matter to which the employee is not a party, or to serve on a jury or to report for jury duty examination, the employee shall be granted pay for those hours which the employee is absent for such reason. The City may require the employee to elect to be on telephone alert and remain on the job until such time as called to testify or serve jury duty. When an employee is required to be on telephone alert, the employee will cooperate with the court or jury commissioner and the City will be responsible to ensure that the employee is available. Pay for work time lost shall be computed at the employee's regular rate of pay at the time of such absence. The employee shall return all witness fees or jury remuneration received, less transportation allowance, to the City.

b. If a swing shift or graveyard shift employee has served in excess of one-half the scheduled shift in court or on jury duty, the employee will notify the supervisor in advance of the start time so he/she will be excused from the shift. If the employee is in court or on jury duty less than one-half of the shift, the employee will be required to work.

c. In lieu of the shift after service on court leave, a graveyard shift employee may request to take off the shift prior to court leave, provided that if the employee serves less than one-half of the shift, he/she will be required to use vacation or other leave accruals to cover the shift.

d. To receive pay for work time lost, an employee must provide the City with a statement signed by an official of the court certifying the employee's service as a witness or juror or appearance in court for such purposes, the date or dates of attendance, the time released from attendance and the compensation paid exclusive of any transportation and subsistence allowance.

Court-appointed legal guardians and foster parents do not qualify for parental leave.
- (3) Eligible employees shall have the right to only one leave of absence per pregnancy or adoption regardless of the number of children involved (e.g., twins). The duration of City-paid leave shall not change based on a change in employment status, such as from part-time to full-time career.

b. Seniority

- (1) **Classification Seniority:** Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay is greater than the top rate of pay of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position has been reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority shall be mutually established by the City and Union. For those classifications which have flexible staffing as defined in the Civil Service Board Rules and Regulations and provided for in the classification specifications, classification seniority

shall be defined as the effective date of probationary appointment to the lowest classification in the classification series. For an employee who has downgraded, computation of classification seniority for a job classification lower than that in which the employee holds permanent status, the following seniority shall be counted:

- (a) classification seniority in any higher classification, and
- (b) previous classification seniority in the job classification in which the employee is currently working, and
- (c) present time spent in the job classification in which the employee is currently working.

For a part-time career employee, classification seniority shall be prorated.

- (5) Termination of Seniority: Termination of classification seniority and City service seniority shall occur upon:
  - (a) Resignation, except that any employee who is appointed from a reemployment list and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
  - (b) Discharge.
  - (c) Retirement.

- (d) Layoff in excess of five (5) consecutive years out of the City service.
- (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 15.3(b)(4) of this Article.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladders are as set forth in Exhibit A to this Agreement.

- (5) The Charter Offices of the City Attorney, City Clerk, City Manager and City Treasurer shall each be considered a single, separate department.

A function that is assigned to work in a different department as part of an inter-departmental project, but continues to be funded from the original department (op-conned), remains a part of the original department for the purpose of layoff.

Any future departmental reorganization shall be effective for purposes of layoff only after one year from implementation. At the request of the Union, the City agrees to discuss such reorganization at the time of implementation to review the placement of the reorganized function, and the application and impact of this Section, if any.

### 15.3 PROCEDURE

#### a. Non-Career Employees

- (1) When a layoff is to occur within a job classification within a Department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first, except in the Solid Waste and Parking functions. In these functions, the City may continue working non-career Parking Lot Attendants and up to twenty-five (25) non-career Sanitation Workers regardless of any career employees who may be laid off in the regression ladder in which these job classifications fall. Career Sanitation Workers subject to layoff shall have the right to bump into the non-career classifications.
- (2) Non-career employees shall be laid off in the order provided by established Department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be laid off in such order as the Department Head shall provide. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder in the Department have been laid off.

#### b. Career Employees

- (1) Within each job classification in each department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Board Rules and Regulations. If the employee does hold permanent status in another job classification,

he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.

- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that the employee meets the qualifications of the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.
- (4) A career employee in an unrepresented classification contained in classification group 50 who is to be laid off, displaced, or demoted shall have the right to downgrade, within the Department and in descending order, to represented classifications in which the employee previously held permanent status provided a vacancy exists.
- (5) Any permanent employee currently working in a classification contained within classification group 49 shall have the right to downgrade, in the same manner as provided in Section 15.3(b)(3), to the last classification in which permanent status was held, if any, provided such classification is contained within regression ladder 1 through 48, or classification group 49. If such a downgrade is not possible, the employee shall be laid off. If such a downgrade is possible, the employee shall then in the future have the right to downgrade through that new regression ladder only.
- (6) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within five (5) working days of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employees shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (7) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be

determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.

- (8) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of a layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least thirty (30) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the current salary schedule.

#### 15.5 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only

those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, at the request of laid-off employees.

## 15.6 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the order of City service seniority, beginning with the employee with the greatest City service seniority. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of five (5) years from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Career employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. If, however, a permanent employee has been recalled or downgraded but has not been recalled to the classification in which permanent status is held within the five (5) year period, said employee shall continue to possess recall rights back to the classification in which permanent status is held, and to any other classifications in the employee's regression ladder which are lower than the classification in which permanent status is held and higher than the classification in which the employee was working at the expiration of the five (5) year period. If said employee is recalled to a classification higher in his/her regression ladder than the employee was working at the expiration of the five (5) year period, the employee shall serve the complete probationary period in such higher classification. If said employee fails to satisfactorily complete the probationary period he/she shall return to the next highest classification in the applicable regression ladder in which a vacancy exists and shall gain permanent status in such classification. In no event

shall the employee be required to return to a classification lower than that from which he/she left to take the probationary appointment. Said employee shall then continue to possess recall rights to any higher classification in his/her regression ladder which is lower than the classification in which the employee failed to complete the probationary period but higher than the classification to which the employee returned after failing probation, subject to all provisions stated above.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under Section 15.2(b) of this Article.

d. A non-career employee (+1,040) laid off pursuant to Section 15.3(a)(1) shall have recall rights back to the job classification from which he/she was laid off for a period of two (2) years. The order of recall shall be as provided in established department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be recalled in such order as determined by the Department Head. No such non-career employees shall be hired or recalled to any regression ladder until such time as all career employees have exhausted or lost their recall rights back to that regression ladder. Non-career (-1,040) employees shall have no recall rights.

e. Career employees holding recall rights may be offered a non-career job of less than 1,040 hours annually, and if said career employee accepts or refuses such non-career jobs of less than 1,040 hours it shall have no effect on said career employee's normal recall rights.

## 15.7 GENERAL

a. A seniority list shall be made available to the Union on the first working day in September of each year, and after review with the Union, said list shall be posted by each Department and copies made available for ready inspection. A copy shall be furnished free of cost to the Union each September.

b. The City shall immediately after effecting a layoff provide the Union a list of those employees who have been laid off. Said list shall be known as a Recall List and shall be updated as necessary.

c. The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

d. The parties shall have the further right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Units represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

e. Any grievance filed regarding this Article shall be submitted directly to the third step of the grievance procedure as set forth in Article 5.

The program is limited to full-time permanent civil service employees in the same classification and same work unit, except the City may hire a part-time employee to implement or continue the work sharing arrangement in those cases where only one full-time permanent civil service employee voluntarily agrees.

d. Participating employees will receive pro rata benefits, including pro rata City insurance contribution and retirement, and pro rata seniority accrual.

e. A work sharing arrangement may be terminated by the City or by either of the two (2) employees upon submission of written notice to the other parties. Upon receipt of the written notice, the work sharing arrangement will be terminated on a date mutually acceptable to the City and the two (2) employees or thirty (30) calendar days from the date of written notice, whichever occurs first. This option shall apply for the first nine (9) months of the work sharing arrangement. Thereafter, the City may terminate the work sharing arrangement at its discretion.

f. Classification seniority shall prevail, if necessary, upon return to a full-time position or in the event of layoff.

g. The Union District Representative or designee shall have the opportunity to attend the meeting between the City and the two employees at the time the decision is to be made on the work sharing arrangement.

h. The parties agree that the work sharing plan will be reviewed after a two (2) year trial period at which time either party may terminate the plan by serving written notice on the other party within thirty (30) calendar days of the review date.

### **20.3 IN-LIEU DISCIPLINE**

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

### **20.4 DISCIPLINE TOLLING PERIOD**

In all disciplinary matters, the City shall issue a letter of intent to discipline within 365 days from the date of discovery of the misconduct by a person authorized to initiate

an investigation of the misconduct. This time limitation shall be extended if any of the conditions referenced in California Government Code sections 3304(d)(2) or 3304(g) exist during the 365 day period.

b. The term "parties" as used in this agreement are the City and the Union. If an individual employee covered by this agreement files an appeal of discipline to the Civil Service Board, and the Union does not pursue such appeal, the employee may pursue such appeal and shall assume all of the rights and responsibilities of the Union in the appeal process pursuant to this agreement, including but not limited to the cost of the arbitrator.

c. The fees of the arbitrator and the court reporter, if used, will be borne equally by the City and the Union.

The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

f. The hearing shall be scheduled as expeditiously as possible upon the request of either party. If the accepted arbitrator cannot hear the case within a mutually accepted time, but no later than ninety (90) days of selection, the parties may jointly request another list from the State Mediation and Conciliation Service.

g. The hearing shall be held at a mutually agreeable location which shall be determined by the parties. The City shall make available appropriate facilities for such hearings.

h. The hearing shall be recorded or, at the option of and with the agreement of the parties, reported by a court reporter. If one party requests a copy of the transcript, the requesting party shall pay the full cost. If the parties jointly request the transcript, the cost shall be shared equally.

i. The hearing shall be conducted pursuant to the procedures of Rule 12 of the Rules and Regulations of the Civil Service Board.

j. The City agrees that employees shall not suffer loss of compensation for time spent as a witness at a discipline arbitration hearing held pursuant to this procedure. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

k. The arbitrator shall prepare a written proposed decision on the matter which shall be sent to the parties.

l. The parties shall have ten (10) days from the mailing of the proposed decision to file exceptions thereto with the arbitrator. Such exceptions shall be based solely on material errors in the determination of facts or conclusions of law, and shall be submitted simultaneously to the arbitrator and the opposing party. The arbitrator shall review the exceptions within ten (10) days of receipt and affirm or amend the proposed decision and file the jointly recommended proposed decision with the parties and the Civil Service Board for action.

m. If no exceptions are filed by the parties, the arbitrator's proposed decision becomes the "jointly recommended proposed decision."

n. The parties agree that any dispute of the jointly recommended proposed decision to the Civil Service Board shall be limited to the grounds specified in Section 1286.2 of the California Code of Civil Procedure.

## 20.6 WITHDRAWAL OF APPEAL

The employee may withdraw an appeal of discipline at any time prior to a decision by an Arbitrator, Administrative Law Judge, or the Civil Service Board. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

Suspensions and pay reductions will be withdrawn from the employee's official personnel file five (5) years from the date of issue provided there has not been additional formal discipline imposed during the five-year period. All suspensions and pay reductions removed from the employee's official personnel file will be retained in Labor Relations. Should an employee have subsequent discipline, the earlier disciplines may be used for purposes of progressive discipline.

b. A letter of reprimand issued after October 20, 1990, will be withdrawn from an employee's official personnel file two (2) years from the date of issue provided there has not been additional formal discipline imposed during the two-year period.

d. Documented counselings will be withdrawn from an employee's department file eighteen (18) months from the date of issue provided there has not been formal discipline imposed during the eighteen-month period. Once removed, the documented counseling may not be used to enhance subsequent discipline but may be used to demonstrate that the employee is aware of the issue and/or for impeachment purposes.

## **ARTICLE 21 – CLASSIFICATION AND PAY**

### **21.1 NEW OR REVISED JOB CLASSIFICATIONS**

a. It is recognized that the establishment of new or revised job classifications within the Units covered by this Agreement may be warranted because of changes in job content or services offered by the City. Under such circumstances, the City shall prepare and submit to the Union the proposed descriptions and proposed appropriate rate ranges for such job classifications as will have been determined to be within the Unit covered by this Agreement not less than fifteen (15) days prior to submission of the job classification to the Civil Service Board. Upon request of the Union, the fifteen (15) day period will be extended by an additional ten (10) days.

b. The Union and the City shall meet prior to submission of the proposed descriptions to the Civil Service Board and shall make every reasonable effort to reach agreement on a joint proposal to the Civil Service Board. The Union and the City shall follow provisions of applicable state law and the City's Employer-Employee Relations Policy regarding negotiations of an appropriate salary range for any revised entry or revised promotional classification covered by this Agreement.

c. The Union shall have the right to file an appeal to the Civil Service Board regarding job classification.

d. The City shall submit all job announcements for positions covered under this Agreement to the Union not less than five (5) days prior to publication by the City.

### 22.2 FILLING PERMANENT VACANCIES

a. Whenever a vacancy occurs in a particular job assignment, and the manager elects to permanently fill said vacancy, the vacancy shall be posted for a period of ten (10) calendar days which shall include the duties of the position. Employees holding career status in the classification allocated to that position, and who are assigned to the particular operation in which the vacancy arises, may request to be reassigned to fill said vacancy. The manager shall give first consideration to those employees making such requests before considering any other persons for the vacancy. The term “first consideration” does not mean that employees requesting transfer to the vacant position have first priority to the job or require the appointing authority to appoint an employee from such list to the vacancy, but only assures that such employees shall in fact be given consideration for the position prior to reviewing other candidates.

b. In the event more than one qualified employee requests to fill said vacancy, the assignment shall be based on classification seniority (or in the case of a tie, highest position on the eligible list) provided relative experience and capability in performing the required job functions and relative disruptive effect on the established work schedule are equal.

c. The City shall reassign or prevent the assignment of employees where there is or would be an immediate supervisory/subordinate relationship and the employees have a potential employment conflict of interest due to a parental, spousal or sibling relationship.

d. A vacancy or vacancies resulting from an assignment made hereunder may not be subject to this procedure.

e. It shall be within the discretion of the Department Heads, or their respective designee, to make departmental transfers as in their judgment will best meet the organizational, operational and personnel needs of the departments.

f. This Section does not apply to non-career employees.

### 22.3 TEMPORARY ASSIGNMENT AND SHIFT CHANGES

a. When a temporary assignment arises within twenty-four (24) hours of the shift, the supervisor shall assign an employee to cover the work as required by the needs of the operation.

b. When a temporary assignment arises within the pay period and there is advance notice of the assignment, the supervisor may solicit and select from qualified volunteers provided that there is no disruption in meeting the business needs of the operation. If there are no volunteers, the supervisor shall designate an employee to work the assignment.

c. When a long-term temporary assignment arises with a minimum of fifteen (15) days advance notice, the type of work and duration shall be posted for three (3) days. The supervisor shall solicit and select from qualified volunteers provided that there is no disruption in meeting the business needs of the operation. If there are no volunteers, the supervisor shall designate an employee to work the assignment.

d. To the extent possible, the supervisor will seek to distribute temporary assignments among all qualified employees.

e. There are operations with multiple functions which may be assigned and/or reassigned based on the function priority and operational need of the organization. Insofar as it is reasonable, the expressed assignment preferences of employees shall be considered when making such assignments/reassignments provided that there is no disruption in meeting the business needs of the operation.

f. Every effort will be made to give employees as much notice as possible for any temporary change of assignment or shift.

g. Recycling and Solid Waste

When a Recycling and Solid Waste employee who is assigned to a route has notified the City that he/she will be off work for four (4) or more work weeks on a City-

approved leave of absence, the City shall post the vacancy for four (4) days as a temporary bid for floating employees, which are employees who do not have a designated route. When the employee who is on leave returns to work, the floating employee shall return to floating status. If the employee on leave separates from City service, promotes or transfers, then the vacancy becomes permanent and shall be subject to the standard post and bid requirements.

#### 22.4 PROMOTION FROM WITHIN

In accord with Article VII, Section 84 of the Charter of the City of Sacramento, the City does hereby reaffirm its policy to promote from within whenever possible.

#### 22.5 CONSOLIDATION

Prior to entering into an Agreement to consolidate any City function which includes employees represented by Local 39 as the recognized employee organization, the City shall meet with the Union in an attempt to resolve employee problems.

#### 22.6 WORKERS COMPENSATION

In recognition of the three (3) calendar day waiting period for temporary disability payments required by the Labor Code for Workers Compensation, a non-career (+1,040) employee with three (3) months, or more, of continuous service may apply available sick leave during such waiting period to the extent that his/her weekly income (salary, sick leave and/or disability payments) does not exceed earnings for scheduled hours during a given workweek. If sick leave is not available for all or part of the three (3) calendar day waiting period, for those days payment(s) for which sick leave is not available will be made by the City based on applicable temporary disability payment amounts, as provided by the Labor Code, for such waiting period.

#### 22.7 NON-DISCRIMINATION

The City and the Union agree not to discriminate against any employee for Union activity, race, creed, religion, sex, age, handicap, or the exercise of their rights pursuant to Section 3502 of the Government Code.

#### 22.8 SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by the reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

## 22.9 EMPLOYEE PERFORMANCE EVALUATIONS

a. Each City department shall have the right to conduct employee performance appraisals on a department-wide basis for career and/or non-career employees at the discretion of the appointing authority.

b. An employee in a classification requiring a twelve (12) month probationary period shall receive no less than four (4) performance evaluations, at reasonable intervals, during the probationary period.

c. A career employee who disagrees with a performance evaluation may within ten (10) workdays from the date of the performance evaluation:

- (1) Write a rebuttal statement for attachment to the performance evaluation form; and
- (2) Informally appeal to the supervisor of the reviewer, but in no case higher than the Department Head.

d. Appeals on employee performance evaluations are not subject to the grievance procedure.

## 22.10 TELEWORK PROGRAM

The City may establish for the term of this Agreement a TeleWork program for represented employees in accordance with the City's present TeleWork Program with the following exceptions:

a. The City will decide the classifications and positions which are feasible for a Tele Work program. The Union may recommend classifications and positions for inclusion in telework.

b. The Union representative or designee shall have the opportunity to attend the meeting between the City and the employee at the time of the decision on a telework arrangement.

c. A telework arrangement may be terminated by the City or by the employee upon submission of written notice to the other party. Upon receipt of the written notice, the telework arrangement will be terminated on a date mutually acceptable to the City and the employee or thirty (30) calendar days from the date of written notice should there be no mutual agreement.

## 22.11 CONTRACTING-OUT

a. The City shall not contract out for goods and services performed by bargaining unit employees which will result in any career employee being laid off without prior consultation with the Union concerning the impact on the terms and conditions of employment of employees covered by this Agreement.

b. Any layoffs resulting from the City's action shall be made pursuant to the layoff provisions of this Agreement.

#### 22.12 VIDEO DISPLAY TERMINALS

a. Except for critical work situations in the Communications Center and City emergencies, employees assigned to video display terminals shall be provided with alternate work so they will not be required to work continuously on such terminals more than sixty (60) consecutive minutes. This provision is not intended to provide for additional break periods.

b. Employees operating video display terminals experiencing glare problems should notify their immediate supervisor who will contact the City Safety Officer. The Safety Officer will visit the worksite and take the necessary corrective action.

#### 22.13 ZONAR OR OTHER GLOBAL POSITIONING SYSTEMS (GPS)

Zonar and other GPS devices will be used for purposes of improving departmental efficiencies to include, but not limited to, preserving City resources and preventing idle time. Zonar or GPS data shall not be used by the City as the only factor in gathering data for purposes of discipline. However, the data may be used to substantiate public complaints, support findings or confirm work performance issues for purposes of discipline. A list of vehicles which contain Zonar or other GPS devices will be maintained in the department and provided to employees.

#### 22.14 STRIKES AND LOCKOUTS

For the duration of this Agreement the Union and its members agree that it shall not call, sanction or engage in any strike, slowdown, suspension or stoppage of work activity, and the City agrees that it shall not cause or engage in any lockout.

Further, the City shall have the right to deny all usage of sick leave by any employee where the City Manager has reasonable cause to believe the sick leave usage is related to a sick-out or any other form of concerted activity.

#### 22.15 TIME OFF FOR EXAMINATIONS

If a request is made by an employee, such employee shall be released from duty without loss of compensation while competing in City examinations and interviews. The employee must give the immediate supervisor at least three (3) working days' advance notice. Employees shall not be compensated for examination and interview time which occurs during non-duty hours.

#### 22.16 BLOOD BANK TIME

a. The City shall establish a blood bank account with the Sacramento Medical Foundation Blood Center.

b. An employee shall be permitted time off without loss of compensation to donate blood during duty hours when a mobile blood unit vehicle is located at the employee's worksite. Time off shall only be granted if work activities are not unduly disrupted. Such paid time off shall not exceed thirty (30) minutes per blood donation, unless extended by City management on a case-by-case basis.

c. Time off without compensation shall be permitted during duty hours in the event an employee wishes to donate blood at the office of the Blood Center. In such case, the employee may be permitted to use paid accrued vacation, CTO or holiday time.

d. This provision is not intended to authorize any overtime compensation.

## 22.17 EMERGENCY RESPONSE

a. Employees may be assigned and/or reassigned for emergency reasons including, but not limited to, storm duty. In consideration of the individual employee's safety and sleep needs, the number of additional hours which an employee may work, and the time off between hours worked shall be established jointly by the supervisor and employee. The supervisor may determine that an employee is to be released from the shift when, in the judgment of the supervisor, the employee is no longer capable of performing the job safely.

b. In consideration of employee safety, if the emergency response is prolonged, the supervisor will provide appropriate break times and areas, available emergency equipment, reporting responsibilities and other necessary support to allow the employee to perform effectively in the emergency.

c. Where feasible, the City will allow employees not assigned to traditional emergency operations to volunteer to serve in an emergency capacity and to be trained for such assignments. The employee who volunteers for these assignments will be paid at their regular hourly rate of pay for such assignments without regard to the duties performed, and shall be utilized as needed to fill in for or supplement employees regularly assigned to the operation.

d. Nothing in this Section shall be construed to limit management's right to assign or reassign employees in an emergency.

## 22.18 PAYROLL ERRORS

a. In the event an error has been made in the payment of an employee's salary, overtime payment or leave accruals, balances or usages, the City shall, for purposes of future compensation, adjust such compensation to the correct amount, giving written notice to the employee.

b. In the event an employee received an overpayment in wages, reimbursement to the City shall be accomplished by:

- (1) Lump sum payment by the employee;

- (2) A one-time deduction from useable vacation, compensating time off (CTO), or holiday credit balances equivalent to the overpayment at the employee's current hourly rate;
- (3) A repayment schedule through payroll deduction; and/or
- (4) Other means, as may be mutually agreed between the parties.

No repayment schedule shall exceed fifty-two (52) pay periods in duration, except that if the employee does not agree to a voluntary repayment schedule, the overpayment collection shall not exceed twenty-six (26) pay periods. The time period may be extended by a signed agreement between the City and the employee.

c. No action shall be taken to enforce repayment of an overpayment, or to correct an underpayment, unless action is taken within two (2) years from the ending date of the pay period in which the error is discovered. "Action is taken" as used in this Section shall mean written notice to the employee in the case of an overpayment, or written or oral notice to the City in the case of an underpayment error.

## 22.19 PERS RETIREMENT PLAN AND CONTRIBUTION

a. Miscellaneous employees are covered by the following Public Employees Retirement System (PERS) Plan – Classic Members:

- Modified 2% at age 55
- One-year highest compensation
- 2% COLA
- 25% survivor continuation
- 50% industrial disability

b. Effective June 30, 2012, "classic members" as defined by PERS, shall pay the seven percent (7%) member contribution to the PERS retirement plan. Classic members shall qualify for the 2% at 55 benefit formula and retirement shall be based upon the highest twelve (12) consecutive months of compensation.

c. Effective November 15, 2014, "classic members" shall pay eight percent (8%) of salary to the PERS retirement plan. If necessary, the contract with PERS shall be amended to reflect the eight percent (8%) employee contribution rate for classic members.

d. Member Contribution to PERS Retirement Plan – New Members

of the total normal cost as required by PEPRA, and retirement shall be based upon the highest thirty-six (36) consecutive months of compensation.

#### 22.20 TERM

## PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS, LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

## ARTICLE 1 – RECOGNITION

### 1.1 RECOGNITION

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the Plant Operator Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

### 1.2 EMPLOYEES COVERED BY THIS AGREEMENT

Any employee working in a job classification in the Plant Operator Unit shall be covered by this Agreement except as hereinafter provided. Additionally, any career employee covered by this Agreement who accepts a temporary appointment to a classification outside this Agreement shall continue to be covered by this Agreement for a period of ninety (90) calendar days. Such temporary appointment shall be treated as an out-of-classification assignment. Similarly, a career employee not covered by this Agreement who accepts a temporary appointment to a classification covered by this Agreement shall not fall under the provisions of this Agreement for a period of ninety (90) calendar days. The City shall not make temporary appointments under this provision for the sole purpose of eroding the bargaining units represented by the Union.

The following terms are defined as used throughout this Agreement:

Career Employees: Those employees having either probationary or permanent status in a classification covered by this Agreement.

Non-Career Employees: Employees working in a classification covered by this Agreement who are not required to serve a probationary period and who therefore have neither probationary nor permanent status. There are the following two (2) categories of non-career employees:

(+1,040): These non-career employees work, within one year of each date of employment, in excess of 1,040 hours during a continuous period of employment of more than six (6) months.

(-1,040): These non-career employees work, within one year of each date of employment, 1,040 or less hours. Included in this category are all non-career employees who do not fall under the (+1,040) definition.

### 1.3 CAREER DEVELOPMENT TRAINEES

The City shall have the right during the term of the Agreement to establish Career Development Trainee classifications. Such classifications shall have a flat hourly rate of pay equivalent to ten percent (10%) below Step 1, as applicable, of the salary range of the career classification, as shown in the current salary schedule. (For example, if the "1" step hourly rate of pay is \$9.00 for the career classification for which the career development training is being conducted, the flat hourly rate for the Career Development Trainee would be \$9.00 minus \$.90 or \$8.10.) An employee appointed as a Career Development Trainee shall have non-career (+1,040) status for purposes of benefit eligibility during the term of the appointment.

## ARTICLE 2 – SOLE AGREEMENT

### 2.1 SOLE AGREEMENT

a. The City and the Union both agree that this Agreement, when signed by both parties hereto, and approved by the City Council, supersedes all other Agreements and supplements and represents the sole agreement between the parties.

b. If during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

## ARTICLE 3 – CITY RIGHTS

### 3.1 CITY RIGHTS

The City retains the exclusive right, in accordance with applicable laws, regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Civil Service Board Rules and Regulations; (e) to dismiss employees because of lack of work, or funds, or for other reasonable cause; (f) to determine the mission of the division and department, its budget, its organization, the number of employees, and the numbers, types, classifications and

grades of positions or employees assigned to an organization unit, work project, shift or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action that may be appropriate to carry out its mission in situations of emergency.

## **ARTICLE 4 – UNION RIGHTS**

### **4.1 PAYROLL DEDUCTIONS**

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; (2) the service fees for non-members as set forth in Section 4.2 of this Agreement; and (3) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.
- (2) If for any reason an employee does not have sufficient funds due him/her to provide for the payment of any of the above payroll deductions after all other authorized or mandatory deductions or garnishments have been made, if any, no such sums shall be payroll deducted and the Union shall assume the duty of direct collection from the employee.
- (3) Deductions and authorizations shall be separated by type of deduction (union membership dues, service fees, insurance premiums) and by payee. Additionally, the Union will also receive information as to which employees were required to pay a service fee within a bi-weekly pay period even if such service fee was not payroll deducted.

- (4) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employees and the Union, except the authorization form for service fees shall be completed and executed by solely the employee.
- (5) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues, service fees, or insurance premiums.
- (6) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (7) The City must approve any new payroll deductions for insurance premiums for plans to which the City is not the contracting party which are not being payroll deducted as of the effective date of this Agreement.
- (8) The City will remit to the Union a check for all of the deductions.
- (9) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below. No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.

The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

b. Service Fee

The service fee required in subsection (a) shall be an amount not to exceed the Union's uniformly-applied standard initiation fee, periodic dues and general assessments. In computing such amounts, the Union shall exclude expenditures for members only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.2. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes  
United Way  
Firefighter Burn Institute

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Union, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against any employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (b) and (c) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that \_\_\_\_\_ (employee's name) \_\_\_\_\_ has failed to tender the agency shop service fee, or payment in lieu of service fee,

required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

i. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

c. 2016-2017

Effective June 24, 2016, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one-half percent (2-1/2%).

## **ARTICLE 7 – SALARY ADMINISTRATION**

### **7.1 ORIGINAL APPOINTMENT COMPENSATION RATE**

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

### **7.2 ADVANCEMENT IN RATE OF COMPENSATION**

a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this

provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.

(4) This Section shall not apply to non-career employees.

b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986 to July 4, 1986, is included in determining the salary step eligibility date.
- (3) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

### 7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

#### a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

#### b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

#### c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

### 7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

### 7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid, and shall be credited with the duration of time spent within the step occupied, at the time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

## 7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, as applicable, the employee shall be permitted to advance to the maximum step of the original range.

## 7.7 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in [Section 108 of the City Charter](#). The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

# ARTICLE 8 – HEALTH AND WELFARE

## 8.1 CONTRIBUTION TO FULL-TIME AND PART-TIME CAREER EMPLOYEES

a. The City shall administer a Cafeteria Plan benefits program for employees consistent with Internal Revenue Code Section 125. The City agrees to make contributions (City dollars) as defined below. One-half (1/2) of such contributions will be made to eligible employees on each of the first two (2) paydays in a calendar month for insurance coverage the first and second halves of that month, respectively.

b. Eligible employees shall receive a City contribution for each such pay period if the employee is paid for one (1) or more hours of salary. Employees who are paid less than one (1) hour salary per pay period may continue elected coverage limited to the City's medical, dental, vision, disability and life insurance plans for up to six (6) months, or the period of time permitted by the Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by personal remittance or other arrangement for payment of the full premiums of any insurance elected to be continued.

c. All terms and conditions of medical, dental, vision, disability, and basic life insurance sponsored by the City will be as outlined in certificates of coverage and related insurance contracts.

## 8.2 CONTRIBUTION TO NON-CAREER EMPLOYEES

a. The City agrees to contribute City dollars as provided below, on either a 100% or 50% basis, for non-career (+1,040) employees. Except as provided herein, the City dollars shall be applied toward the premiums for City-sponsored medical, dental, and

vision insurance plans for eligible employees and qualified dependents, if any. The amount of City contribution for each of the first two (2) pay periods of each month shall be based on the number of hours for which the employee was paid in that bi-weekly pay period: 64 or more hours paid = 100% contribution; 40-63.9 hours paid = 50% contribution.

b. To be eligible for City dollars under this Section, the non-career employee must be paid for a minimum of forty (40) hours of work on each payday. If the employee fails to be paid for the minimum forty (40) hours necessary to receive the City contribution, the City shall deduct from the employee's paycheck the amount needed to pay for the insurance plans which the employee has selected. If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee to pay for the remaining amount. Failure to do so before the end of the calendar month including such paycheck(s) shall automatically drop the employee from the City-sponsored insurance program until the next open enrollment period.

The City shall review quarterly the hours actually worked and compare those hours to the BAP assigned to an employee. Adjustments to the assigned BAP shall be made to reflect the hours actually worked during the prior quarter. The new BAP shall form the basis of the floating holiday accrual for the employee for the next quarter. Employees with an assigned BAP less than .5 shall not receive this benefit.
  - (b) An employee terminating for any reason or going on a leave of absence without pay for a period exceeding ninety (90) calendar days shall be paid for all accrued floating holiday time at the straight-time rate.

The City agrees that the creation of an annual leave program shall not be implemented without an express written agreement by the Union. The City agrees to waive its rights under all applicable policies, rules and regulations to impose an annual leave program absent written agreement with the Union for the duration of the Agreement. If no agreement regarding an annual leave program is reached following the meet and confer, the annual leave program shall not be implemented or imposed.

b. Integration of Vacation With Workers' Compensation

Where a career employee sustains an injury covered by workers' compensation and has utilized all of the one year "injury-on-duty time" as provided under City Charter Section 253, or former City Charter Section 167, as the case may be, and consequently is receiving straight workers' compensation temporary disability payments,

the employee will be allowed to utilize (while off work) accrued vacation time in partial day increments in addition to receiving workers' compensation temporary disability payments with the total aggregate payment of temporary disability and vacation pay not to exceed one hundred percent (100%) of the employee's regular rate of pay. As a condition of so using such accrued vacation, however, the employee is required to continuously utilize accrued vacation until accrued vacation is exhausted or he/she returns to work. This provision also applies to any accrued leave with the exception as noted in 9.4, Sick Leave.

c. Vacation Scheduling

- (1) Employees shall submit a written request on or before May 1 of each year to receive priority for the vacation period desired. Vacations will be assigned on a "first come, first served" basis as work schedules permit. In the event two (2) employees request the same vacation period simultaneously, the conflict will be resolved in favor of the employee with the greater seniority within the current classification. In case of a tie, the vacation preference of the employee with the greatest City service seniority shall prevail. Seniority shall be exercised only once by each employee in each successive choice of vacation periods. Requests for vacation after May 1 will be granted only where vacancies exist or manpower requirements permit. Employees may request vacations of any duration, which may be granted with the approval of the Department Head. The supervisor may approve any vacation request which is not submitted in writing at least twenty-four (24) hours prior to the requested vacation period.
- (2) Non-career employees shall be eligible to request vacation after career employees have done so.

f. Career and Non-Career Career employees shall be those employees in positions which are in the classified service who are required to serve a probationary period. Non-career employees are all other employees covered by this Agreement.

g. Leave of Absence Employees on an approved unpaid leave of absence shall accrue seniority.

h. Department The application of the term "department" for the sole purpose of layoff and/or downgrade of career employees shall mean:

- (1) The Department of General Services shall be considered a single department.
- (2) The Department of Utilities shall be considered a single department.
- (3) The Departments of Parks and Recreation and Convention, Culture & Leisure Department shall be considered a single department.

No future reorganization shall be construed to change this provision except by mutual agreement of the parties.

### 12.3 PROCEDURE

a. Non-Career Employees When layoff is to occur within a job classification within a Department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder have been laid off. Non-career employees shall have no right to downgrade.

b. Career Employees

- (1) Within each job classification in each Department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority, beginning with the employee with the least such seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that: (a) the employee meets all of the qualifications of the lower classification, and (b) can displace any employee in the lower classification. If there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither

provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee attempting to downgrade is unable to do so, he/she shall be laid off.

- (4) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within five (5) normal workdays of receiving notice of layoff. Where employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (5) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, then by random number, if necessary.
- (6) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

#### 12.4 NOTICE OF LAYOFF

In the event of layoff, the City shall send by certified mail return receipt requested a layoff notice to all affected employees. Such notice shall be postmarked at least thirty (30) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address currently in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees.

#### 12.5 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2, "Advancement in Rate of Compensation", with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification,

provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher in the permanent classification. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the salary range and respective salary step for the affected classification as set forth in the current salary schedule.

## 12.6 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, on the request of laid-off employees.

## 12.7 RECALL

a. When a vacancy occurs in a job classification, the laid-off or downgraded employee(s) eligible to return to that job classification shall be recalled in the inverse order of their downgrade or layoff. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with the employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification to which provisional or probationary status was held at the time of layoff or downgrade. Provisional or probationary employees who had no permanent status in another job classification at the time of layoff shall have no recall rights. Non-career employees shall have no recall rights.

b. Employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be

the employee's last day of work in the classification from which he/she is downgraded. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5) year period shall gain permanent status for purposes of layoff in the classification to which the employee downgraded, or is currently working at the time recall rights are lost, whichever is higher in the regression ladder.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail return receipt requested and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other qualifications of the classification to which he/she is being recalled, that existed at the time of layoff/displacement.

## 12.8 LAYOFF REOPENER

The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

## **ARTICLE 13 – DISCIPLINE**

b. Appeals filed pursuant to this Article shall be filed at Step 2 of the grievance procedure. However, disciplinary action shall be grievable for non-career Stationary Engineer and Senior Stationary Engineer employees who have worked in excess of 1,040 hours since their last date of hire. Disciplinary action shall be grievable for non-career Junior Plant Operator, Plant Operator, and Senior Plant Operator employees who have worked in excess of 2,080 hours since their last date of hire. Hours worked as a Career Development Trainee shall not count toward the 1,040 or 2,080 hours needed to qualify to appeal discipline.

c. A non-career employee may be released from his or her position at the discretion of the appointing authority at any time prior to working 1,040 hours or 2,080 hours, whichever is applicable, without right of appeal. Such release shall be confirmed in writing.

A letter of reprimand issued on or after October 27, 1990, shall not be appealable, except the employee may have an administrative review of the reprimand by submitting a request in writing within seven (7) calendar days to the Director of Human Resources. The Director or designee will schedule a private meeting within seven (7) calendar days of receipt of the written request to hear the employee's response. A final written decision will be rendered by the Director or designee within seven (7) calendar days of the meeting. This Section shall not be subject to the Grievance Procedure.

b. When issuing a letter of reprimand, the City shall provide to the employee all available information upon which the reprimand is based, including but not limited to, fact-finding transcripts and written complaints filed. The City is not required to prepare transcriptions of audio-taped interviews to meet this obligation. However, if a transcript of audio-taped interviews is prepared, the City shall provide the transcript.

## 13.3 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

## 13.4 DISCIPLINE TOLLING PERIOD

In all disciplinary matters, the City shall issue a letter of intent to discipline within 365 days from the date of discovery of the misconduct by a person authorized to initiate an investigation of the misconduct. This time limitation shall be extended if any of the conditions referenced in California Government Code sections 3304(d)(2) or 3304(g) exist during the 365 day period.

## 13.5 DISCIPLINE APPEAL HEARING PROCEDURE

b. The term "parties" as used in this agreement are the City and the Union. If an individual employee covered by this agreement files an appeal of discipline to the Civil Service Board, and the Union does not pursue such appeal, the employee may pursue such appeal and shall assume all of the rights and responsibilities of the Union in the appeal process pursuant to this agreement, including but not limited to the cost of the arbitrator.

c. The fees of the arbitrator and the court reporter, if used, will be borne equally by the City and the Union.

d. The parties may participate in mediation in an attempt to settle the case before a hearing is scheduled with the arbitrator. Mediation shall be required if requested by either party and the parties will request a mediator from the State Mediation and Conciliation Service. All mediation proceedings shall be private. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.

e. After a disciplinary appeal has been filed with the Board, the parties shall mutually select a qualified arbitrator. If the parties fail to select an arbitrator within ten (10) days after the appeal is filed with the Board, the parties shall prepare a joint request to the State Mediation and Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

f. The hearing shall be scheduled as expeditiously as possible upon the request of either party. If the accepted arbitrator cannot hear the case within a mutually accepted time, but no later than ninety (90) days of selection, the parties may jointly request another list from the State Mediation and Conciliation Service.

g. The hearing shall be held at a mutually agreeable location which shall be determined by the parties. The City shall make available appropriate facilities for such hearings.

h. The hearing shall be recorded or, at the option of and with the agreement of the parties, reported by a court reporter. If one party requests a copy of the transcript, the requesting party shall pay the full cost. If the parties jointly request the transcript, the cost shall be shared equally.

i. The hearing shall be conducted pursuant to the procedures of Rule 12 of the Rules and Regulations of the Civil Service Board.

j. The City agrees that employees shall not suffer loss of compensation for time spent as a witness at a discipline arbitration hearing held pursuant to this procedure. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

k. The arbitrator shall prepare a written proposed decision on the matter which shall be sent to the parties.

l. The parties shall have ten (10) days from the mailing of the proposed decision to file exceptions thereto with the arbitrator. Such exceptions shall be based solely on material errors in the determination of facts or conclusions of law, and shall be submitted simultaneously to the arbitrator and the opposing party. The arbitrator shall review the exceptions within ten (10) days of receipt and affirm or amend the proposed decision and file the jointly recommended proposed decision with the parties and the Civil Service Board for action.

m. If no exceptions are filed by the parties, the arbitrator's proposed decision becomes the "jointly recommended proposed decision."

n. The parties agree that any dispute of the jointly recommended proposed decision to the Civil Service Board shall be limited to the grounds specified in Section 1286.2 of the California Code of Civil Procedure.

### 13.6 WITHDRAWAL OF APPEAL

The employee may withdraw an appeal of discipline at any time prior to a decision by an Arbitrator, Administrative Law Judge, or the Civil Service Board. An appeal shall be deemed withdrawn if the employee fails to respond within thirty (30) days to a written request by the City to select a hearing procedure (arbitration hearing or administrative hearing), select an arbitrator, schedule a hearing, or otherwise participate in the appeal process. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

## **PREAMBLE**

This AGREEMENT, hereinafter referred to as the Agreement, entered into by and between the CITY OF SACRAMENTO, hereinafter referred to as the City, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

## **ARTICLE 1 – RECOGNITION**

### **1.1 RECOGNITION**

a. The City hereby recognizes the Union as the exclusive bargaining agent for all employees in the General Supervisory Unit, as defined in the City's Employer-Employee Relations Policy, and agrees to meet and confer and otherwise deal exclusively with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law.

b. The Union will not object to the State Mediation and Conciliation Service or the American Arbitration Association conducting an election pursuant to the City's Employer-Employee Relations Policy.

## **ARTICLE 2 – SOLE AGREEMENT**

### **2.1 SOLE AGREEMENT**

a. This Agreement when signed by the parties hereto, and approved by the City Council, supersedes all other Agreements and supplements, and represents the sole agreement between the parties.

b. Neither party shall be obligated to meet and confer during the term of this Agreement on any matter within the scope of bargaining. However, if during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the authorized representative of the City and the Union. Any such changes validly made shall become a part of this Agreement and subject to its terms.

c. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

## **ARTICLE 3 – CITY RIGHTS**

### **3.1 CITY RIGHTS**

The City retains the exclusive right, subject to and in accordance with applicable laws, the City Charter, Civil Service Board Rules and Regulations, and the provisions of this Agreement, (a) to direct employees in the performance of their duties; (b) to hire, promote, transfer and assign employees; (c) to classify employees in accordance with applicable Charter, ordinance and Civil Service Board Rule provisions; (d) to discipline employees in accordance with applicable Rules; (e) to dismiss employees because of lack of work or for other reasonable cause; (f) to determine the mission of its Divisions and Departments, and its budget, organization, the number of employees, and the numbers, types, classifications and grades of positions or employees assigned to an organization unit, work project, shift, or tour of duty, and the methods and technology of performing its work; and (g) to take whatever action may be appropriate to carry out its mission in situations of emergency.

## **ARTICLE 4 – UNION RIGHTS**

### **4.1 PAYROLL DEDUCTIONS**

a. In addition to continuing existing payroll deductions for group insurance plans to which the City is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for: (1) the normal and regular monthly Union membership dues, initiation fees, and assessments; and (2) the insurance premiums for City plans, not to exceed three (3) insurance deductions per member.

The City will deduct five dollars (\$5) per month from the employee's wages under the terms of this Agreement, on the basis of individually signed, voluntary authorized deduction forms. It is agreed that these authorized deductions for the Local 39 Federal Political Action Committee (PAC) are not conditions of membership in Stationary Engineers, Local 39 or of employment with the City and that the Local 39 Federal PAC will use such monies in making political contributions in connection with federal, state, and local elections. Payments shall be made on a separate check to Local 39 Federal PAC, accompanied by monthly reports reflecting employee name and contribution amounts on forms provided by the Local 39 Federal PAC, shall be remitted to 1620 North Market Boulevard, Sacramento, CA 95834.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City. Such forms shall be those which are currently used. Any changes or modifications shall be agreed upon between the City and Union.

- (2) Deductions and authorizations shall be separated by type of deductions (Union membership dues, insurance premiums) and by payee.
- (3) Such deductions shall be made only upon submission to the Benefits Section, Department of Human Resources, of the said authorization form duly completed and executed by the employee and the Union.
- (4) The Union will be responsible for notifying the Benefits Section of any changes in the amounts to be payroll deducted from the paychecks of employees who have authorization forms on file with the City. Such notification shall be in the form of a letter signed by the authorized representative of the Union certifying a change in dues.
- (5) The Union agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever, and against any suit instituted against the City arising from its deductions for dues, service fees, or insurance or other programs sponsored by the Union.
- (6) The City will remit to the Union a check for all of the deductions.
- (7) Employees recalled pursuant to Article 15 shall immediately be enrolled upon recall into the union dues deduction, service fee, assessment, or religious objection service fee payment that existed at the time of layoff, as appropriate.

## 4.2 AGENCY SHOP

### a. General

- (1) As a condition of continued employment, all career employees who are paid one or more hours salary (including injury-on-duty time under the City Charter) during a bi-weekly pay period, and all non-career (+1,040) employees who are paid forty (40) or more hours salary during a bi-weekly pay period shall be a member of the Union or pay an agency shop service fee to the Union in an amount determined as set forth in subsection (b) below.
- (2) No employee shall be required to pay the service fee during the first sixty (60) calendar days of employment.
- (3) The provisions of this Section shall remain in effect during the term of this Agreement and any mutually agreed upon extension of that term.

### b. Service Fee

The service fee required in subsection (a) shall be an amount not to exceed the Union's uniformly-applied standard initiation fee, periodic dues and general

assessments. In computing such amounts, the Union shall exclude expenditures for members only benefits and Union expenditures for political and ideological purposes unrelated to collective bargaining, contract administration and grievance adjustment. Any dispute as to the service fee or the amount thereof shall be directed solely to the Union, and the City shall not be a party to the dispute.

Both the service fee and the Union dues may be paid to the Union through payroll deductions as set forth in Section 4.1. There is no obligation on the part of the City to provide payroll deduction for the three (3) organizations listed in subsection (c).

c. Religious Objection

Any employee otherwise required to pay a service fee under this Section, and who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of continued employment. Such an employee shall be required as a condition of continued employment, in lieu of the service fee, to pay a sum equal to the service fee otherwise payable under this Section to a non-religious, non-labor charitable fund exempt from taxation under Internal Revenue Code Section 501(c)(3). Upon request of the Union, such employee shall be required to submit to the Union proof of payment of the in-lieu-of service fee. For purposes of this Section, such employees shall choose from the following three (3) organizations:

March of Dimes  
United Way  
Firefighter Burn Institute

Employees claiming a religious exemption shall be required to file a written statement under oath or affirmation with the Union, which identifies the religious organization by name, if any, and which provides in detail that the employee and the organization meet all of the requirements for claiming the religious exemption.

d. Disclosure and Reporting

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees covered by this Section within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the City with a copy of such financial reports.

e. Hold Harmless

The Union shall promptly refund to the City any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the City harmless from any and all claims, demands, costs (including any costs incurred by the City in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the City in the adoption or administration of this Section. This hold harmless and indemnity agreement shall include but not be limited to employee legal actions of any sort or nature against the City based upon or related to this Section. Further, in the event that the City undertakes disciplinary action against an employee pursuant to this Section, this hold harmless and indemnity agreement shall cover all costs and expenses, including any costs incurred by the City in defense of a lawsuit.

f. Change of Law

In the event there is a change in the law whereby any provision hereof becomes invalid or if for any reason any provision of this Section is rendered unlawful by any published appellate court decision, this Section shall be forthwith deemed amended to comply with the change or decision in question.

g. Discipline Procedure

No employee shall be terminated under this Section unless:

- (1) The Union first has notified the employee by letter, explaining that he/she is delinquent in not tendering the required service fee, or payment in lieu of service fee pursuant to subsections (c) and (d) above, specifying the current amount of the delinquency, and warning the employee that unless such service fee, or payment in lieu of service fee, is tendered within thirty (30) calendar days, the employee will be reported to the City for termination as provided in this Section; and
- (2) The Union has furnished the City with written proof that the procedure of subsection (1) above has been followed, or has supplied the City with a copy of the letter sent to the employee and notice that he/she has not complied with the request. The Union must further provide, when requesting the City to terminate the employee, the following written notice:

"The Union certifies that       (employee's name)       has failed to tender the agency shop service fee, or payment in lieu of service fee, required as a condition of employment under this Agreement and that under the terms thereof, the City shall terminate the employee."

No employee who is on injury-on-duty time under the City Charter shall be terminated under this Section.

h. Duty of Fair Representation

The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include but not be limited to all matters related to collective bargaining, discipline, contract administration, and grievance processing.

i. Employee Rights

Employees covered by this Agreement shall have all rights specified in Government Code Section 3502.5(b).

4.3 BULLETIN BOARDS

a. In addition to providing the Union with a locked bulletin board at City Hall, space shall be provided on City property, at locations mutually agreed upon, for Union bulletin boards for the posting of the following types of notices:

- (1) Union recreational and social activities
- (2) Union steward elections
- (3) Union appointments and results of Union elections
- (4) Union meetings

b. Such other notices may be mutually agreed upon by the Union and the Department of Human Resources. Bulletin boards are for the sole purpose of such notices as are listed above. The board size shall be no larger than three (3) feet by four (4) feet.

4.4 STEWARDS

a. The City recognizes that the Union has established Stewards, who consist of career City employees represented by the Union. A current list of Stewards shall be made available to the Director of Human Resources, together with any changes thereto.

b. Stewards shall be designated in accordance with areas mutually agreed upon by the Union and the City. The Union will not exceed a ratio of one (1) Steward to every fifty-five (55) represented employees.

c. Stewards shall not conduct Union or representational activities on City time unless prior approval is expressly granted by City management.

#### 4.5 USE OF CITY INFORMATION SYSTEMS

a. The Union shall have the right to reasonable use of the City's existing internal mail system for the limited purpose of communicating with employees who have been designated in writing by the Union as Stewards. The envelope for such mail shall contain the following information: Steward's name, Department, Division, and work location. The City shall not be held responsible for untimely or lost mail.

b. The Union may have reasonable use of the City's electronic mail (Outlook) system (email) for the limited purpose of communicating with employees who have been designated in writing by the Union as stewards. Stewards may, with the advance approval of Department management, have reasonable use of City email to fulfill their role as a Steward.

## ARTICLE 6 – SALARY ADJUSTMENTS

### 6.1 SALARY RANGE

Employee salary ranges shall consist of fifteen (15) salary steps.

Employees with an original hire date before November 15, 2014, and for the remainder of their continuous employment with the City, shall remain on an eight (8) step salary schedule with five percent (5%) between steps.

Employees with an original hire date following November 15, 2014, and for the remainder of their continuous employment with the City, shall have a fifteen (15) step salary schedule consisting of two and one-half percent (2-1/2%) between steps.

Both salary schedules shall have the same top step.

### 6.2 SALARIES

#### a. 2014-2015

- (1) Effective November 15, 2014, all salary ranges in terms of bi-weekly rates shall be adjusted by two percent (2%), 0.8% of this increase is an offset for classic employees paying one percent (1%) of the employer's portion of PERS retirement plan in Article 20.15.
- (2) Employees who are on the payroll November 15, 2014, shall be paid \$750; payment to be made on the paycheck that includes December 1, 2014.

#### b. 2015-2016

Effective June 27, 2015, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one-half percent (2-1/2%).

#### c. 2016-2017

Effective June 24, 2016, all salary ranges in terms of bi-weekly rates shall be adjusted by two and one half percent (2-1/2%).

## ARTICLE 7 – SALARY ADMINISTRATION

### 7.1 ORIGINAL APPOINTMENT COMPENSATION RATE

The rate of compensation upon original appointment shall normally be Step 1, as applicable. However, if the City Manager or designee finds that the appointee has extraordinary qualifications, or that a higher step is necessary in order to recruit, appointment at any step in the range may be made. This provision shall apply to original appointments to career positions and appointments to non-career positions.

### 7.2 ADVANCEMENT IN RATE OF COMPENSATION

#### a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks (1,040 hours) of service, an employee shall be advanced to the next higher step of the salary range of the classification. Employees who thereafter maintain a normally satisfactory level of performance shall be advanced automatically at fifty-two (52) week (2,080 hours) intervals to succeeding steps of the assigned salary range.
- (2) Time spent on leave of absence without pay of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For such leaves in excess of ten (10) consecutive working days, all leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in his/her current classification and who is at a salary step lower than top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section shall not apply to non-career employees.

#### b. Denial of Step Increase and Reduction in-Grade

Employees who do not maintain a satisfactory level of performance may be denied advancement, and may be reduced within grade upon approval of the appointing authority. Employees in the civil service who are denied advancement, or who are reduced in-grade, shall have the right to appeal to the Civil Service Board in accordance with its Rules and Regulations. (This subsection shall not apply to non-career employees.)

#### c. Effective Date of Step Increases/Payroll Changes

All payroll changes shall be effective on the first day of the bi-weekly pay period following the date the employee became eligible for a pay increase, which bi-

weekly pay period shall begin at 12:01 a.m. Saturday of the first week, and end at 12:00 midnight on the Friday of the second week.

d. Effective Date of Salary Step Increase Upon Extension of Probationary Period

- (1) If the probationary period is extended due to light duty, sick leave, or injury-on-duty time, the salary step increase will be delayed for the period of the extension. However, the probationary period shall only be extended if the time exceeds thirty (30) consecutive calendar days.
- (2) For an employee in a classification with a six (6) month probationary period who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on injury-on-duty time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.
- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.

- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

### 7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

#### a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1, as applicable, of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

When an employee is promoted into the General Supervisory Unit, the employee shall be placed at the step that would result in a five percent (5%) increase in pay from the prior position, inclusive of any incentives that the employee will lose as a result of the promotion, but not to exceed the maximum rate of the higher classification.

#### b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

#### c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

### 7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

### 7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid and shall be credited with the duration of time spent in their salary step paid at the

time of departure. The period of time separated from City service shall not be included in the calculation of the anniversary date for future in-grade salary adjustments.

b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

#### 7.6 RATES HIGHER THAN TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below top step, the employee shall be permitted to advance to the maximum step of the original range.

#### 7.7 SALARY CONTINUATION FOR ABSENCES OF LESS THAN ONE WORK DAY

A salaried employee exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act who works for only a portion of the day shall not have his/her salary reduced that day due to insufficient accrued, usable leave.

#### 7.8 LONGEVITY PAY

Employee eligibility for longevity pay shall be determined as provided in [Section 108 of the City Charter](#). The amount to be paid annually on the second check in July after twenty (20) years of City service shall be one hundred dollars (\$100), and after twenty-five (25) years of City service, an additional two hundred dollars (\$200), for a total of three hundred dollars (\$300).

#### 7.9 SECTION 401(A) MONEY PURCHASE PLAN

An IRS Section 401(a) Plan shall be available to supervisors and effective November 15, 2014, participation shall be mandatory. The City will contribute two percent (2%) of salary and the employee shall contribute two percent (2%) of salary to the 401(a) Plan.

## ARTICLE 8 – HEALTH AND WELFARE

### 8.1 CONTRIBUTION TO FULL-TIME AND PART-TIME CAREER EMPLOYEES

a. The City shall administer a Cafeteria Plan benefits program for employees consistent with [Internal Revenue Code Section 125](#). The City agrees to make contributions (City dollars) as defined below. One-half (1/2) of such contributions will be made to eligible employees on each of the first two (2) paydays in a calendar month for insurance coverage the first and second halves of that month, respectively.

b. Eligible employees shall receive a City contribution for each such pay period if the employee is paid for one (1) or more hours of salary. Employees who are paid less than one (1) hour salary per pay period may continue elected coverage limited to the City's medical, dental, vision, disability, and life insurance plans for up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by personal remittance or other arrangement for payment of the full premiums of any insurance elected to be continued.

### 8.2 CONTRIBUTION TO NON-CAREER EMPLOYEES

a. The City agrees to contribute City dollars as provided below, on either a 100% or 50% basis, for non-career (+1,040) employees. Except as provided herein, the City dollars shall be applied toward the premiums for City-sponsored medical, dental, and vision insurance plans for eligible employees and qualified dependents, if any. The amount of City contribution for each of the first two (2) pay periods of each month shall be based on the number of hours for which the employee was paid in that bi-weekly pay period: 64 or more hours paid = 100% contribution; 40-63.9 hours paid = 50% contribution.

b. To be eligible for City dollars under this Section, the non-career employee must be paid for a minimum of forty (40) hours of work on each payday. If the employee fails to be paid for the minimum forty (40) hours necessary to receive the City contribution, the City shall deduct from the employee's paycheck the amount needed to pay for the insurance plans which the employee has selected. If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee to pay for the remaining amount. Failure to do so before the end of the calendar month including such paycheck(s) shall automatically drop the employee from the City-sponsored insurance program until the next open enrollment period.

b. Seniority

(1) Classification Seniority: Classification seniority shall be defined as the effective date of probationary appointment to the employee's present job classification including any time spent in a higher job classification, but less any time spent in a lower job classification due to a downgrade. The term higher classification shall mean a job classification in which the top rate of pay is greater than the top rate of pay of the employee's present job classification. For any employee who has not served a probationary period in his/her present job classification, or any employee whose position has been reallocated in accord with applicable Civil Service Board Rules and Regulations, classification seniority shall be mutually established by the City and the Union. For an employee who has downgraded, computation of classification seniority for a job classification lower than that of which the employee holds permanent status, the following seniority shall be counted:

(a) classification seniority in any higher classifications, and

- (b) previous classification seniority in the job classification in which the employee is currently working, and
- (c) present time spent in the job classification in which the employee is currently working.

For a part-time career employee, classification seniority shall be prorated.

- (2) **City Service Seniority:** City service seniority shall be defined as the effective date of appointment to the employee's first permanent career position, or as the effective date of appointment to the employee's first full-time position (or positions) which immediately preceded an appointment to a permanent career position, whichever is greater.

For a part-time career employee, City seniority shall be prorated.

- (3) **Hire Date Seniority:** Hire date seniority shall be defined as the employee's first date of hire to any position with the City.
- (4) **Seniority Adjustments:** Classification seniority and City service seniority shall be adjusted (reduced) in calendar days to reflect time spent on layoff from City service. There shall be no adjustment for time spent on an approved unpaid leave of absence.
- (5) **Termination of Seniority:** Termination of classification seniority and City service seniority shall occur upon:
  - (a) Resignation, except that any employee who is appointed from a reemployment list and completes a probationary period, if any, in the position to which he/she was reemployed may count the seniority which he/she accumulated prior to resignation.
  - (b) Discharge.
  - (c) Retirement.
  - (d) Layoff in excess of five (5) consecutive years out of the City service.
  - (e) Failure to comply, report, or respond to a recall notice within fourteen (14) calendar days from the date of postmark on the recall notice.

c. **Downgrade** A downgrade shall be defined as a change in job classification to which the top rate of pay is the same or less than the top rate of pay of the employee's

present classification, due to a layoff. A downgrade shall only be allowed to the appropriate classification within the employee's regression ladder, except as provided in Section 15.3(b) (4) of this Article.

d. Regression Ladder A regression ladder shall be defined as a classification series through which an employee may downgrade. The regression ladders are as set forth in Exhibit A to this Agreement.

e. Permanent Status For the purposes of this layoff procedure, permanent status is attained in a job classification when an employee has successfully completed his/her probationary period in that job classification. An employee in an exempt classification represented by the Union shall be considered a permanent employee under this Article.

f. Leave of Absence Employees on an approved unpaid leave of absence shall accrue seniority.

g. Department The application of the term "department" for the sole purpose of layoff and/or downgrade of career employees shall mean:

- (1) The Departments of General Services and Public Works shall be considered a single department.

A function that is assigned to work in a different department as part of an inter-departmental project, but continues to be funded from the original department (op-conned), remains a part of the original department for the purpose of layoff.

Any future departmental reorganization shall be effective for purposes of layoff only after one year from implementation. At the request of the Union, the City agrees to discuss such reorganization at the time of implementation to review the placement of the reorganized function, and the application and impact of this Section, if any.

## 15.3 PROCEDURE

### a. Non-Career Employees

- (1) When a layoff is to occur within a job classification within a department, all non-career employees in the regression ladder in which that job classification is found shall be laid off first, except in the Solid Waste and Parking functions. In these functions, the City may continue working non-career Parking Lot Attendants and up to twenty-five (25) non-career Sanitation Workers regardless of any career employees who may be laid off in the regression ladder in which these job classifications fall. Career Sanitation Workers subject to layoff shall have the right to bump into the non-career classifications.
- (2) Non-career employees shall be laid off in the order provided by established department procedures. If such procedures have not been established on the effective date of this Agreement, non-career employees shall be laid off in such order as the Department Head shall provide. In no event shall a career employee suffer a layoff until all non-career employees in the affected regression ladder in the Department have been laid off.

### b. Career Employees

- (1) Within each job classification in each Department in which a layoff occurs, employees shall be laid off in the following order: first, all provisional employees; second, all probationary employees in the order of their classification seniority; and, third, permanent employees in the order of their classification seniority, beginning with the employee with the least such seniority.
- (2) Any provisional or probationary employee who is affected by a layoff or displaced by a downgrading employee shall return to the last Department and job classification in which the employee holds permanent status, if any. If the employee does not hold permanent status in another job classification, he/she shall be laid off; the name of such employee may be restored to an eligible list in accordance with applicable Civil Service Rules and Regulations. If the employee does hold permanent status in another job classification, he/she shall then be treated as a permanent employee in that job classification with respect to any layoff in that job classification.
- (3) Any permanent employee who is to be laid off or displaced shall have the right to downgrade, within the Department, in descending order, to job classifications within his/her regression ladder, provided that the employee meets the qualifications of the lower classification. If

there are any provisional employees in such lower classification, the provisional employee with the least City service seniority shall be displaced first. If there are no provisional employees in the lower classification, the probationary employee with the least City service seniority shall be displaced. If there are neither provisional nor probationary employees in the lower classification, the permanent employee with the least City service seniority shall be displaced, provided that the downgrading employee has greater City service seniority. If the permanent employee is unable to downgrade to any job classification within the appropriate regression ladder, he/she shall be laid off.

- (4) A career employee in an unrepresented classification contained in classification group 48 who is to be laid off, displaced, or demoted shall have the right to downgrade, within the Department and in descending order, to represented classifications in which the employee previously held permanent status provided a vacancy exists.
- (5) Any permanent employee currently working in a classification contained within classification group 47 shall have the right to downgrade, in the same manner as provided in Section 15.3(b)(3), to the last classification in which permanent status was held, if any, provided such classification is contained within regression ladder 1 through 46, or classification group 47. If such a downgrade is not possible, the employee shall be laid off. If such a downgrade is possible, the employee shall then in the future have the right to downgrade through that new regression ladder only.
- (6) An employee may accept layoff in lieu of the opportunity to downgrade by notifying Labor Relations within five (5) working days of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employees shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.
- (7) If two (2) or more employees have an equal amount of classification seniority, the senior employee shall be determined on the basis of greater City service seniority. If two (2) or more employees have an equal amount of City service seniority, the senior employee shall be determined on the basis of greater hire date seniority, or by lowest random number in the event of a tie.
- (8) The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.

c. Notice of Layoff

In the event of a layoff, the City shall send by certified mail a layoff notice to all affected employee(s). Such notice shall be postmarked at least thirty (30) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address currently in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees.

#### 15.4 SALARY IN EVENT OF DOWNGRADE

a. An employee who is downgraded through a regression ladder pursuant to this Article shall be paid in the new classification the salary range step closest to the monthly pay rate received immediately prior to downgrade providing there is no increase in pay.

b. If appointed in the lower classification at other than top step, future salary step adjustment shall be made in accordance with Section 7.2 "Advancement in Rate of Compensation" with time served in the classification from which the downgrade occurred counting toward salary step advancement.

c. Upon subsequent recall through a regression ladder the employee shall not receive in the next higher classification less than that received in the lower classification, provided however, that upon subsequent placement in the classification from which the employee was downgraded, salary step placement shall be at the salary step previously held. If, however, said salary step is less than that received in the classification to which the employee was downgraded, salary step placement shall be at the salary step immediately higher. The anniversary date for future in-grade salary adjustments shall be the date of recall to the permanent classification.

d. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the current salary schedule.

#### 15.5 FRINGE BENEFITS

a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.

b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, vision, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget

Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage, at the time of layoff.

c. Assistance with this insurance option, unemployment benefits, and the availability of retirement benefits or refunds as governed by the City Charter will be provided by the Benefits Division, Department of Human Resources, at the request of laid-off employees.

## 15.6 RECALL

a. When a vacancy occurs in a job classification, the laid off or downgraded employee(s) eligible to return to that job classification shall be recalled in the order of City service seniority, beginning with the employee with the greatest City service seniority. When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Permanent employees who were laid off or downgraded are eligible to return to the job classification in which permanent status is held within their regression ladder, or to lower classifications within the same regression ladder, but shall have no recall rights to any job classification in which provisional status was held at the time of layoff or downgrade. Permanent employees who held probationary status in another job classification on the date of layoff shall be eligible to return to the job classification in which probationary status was held for a period of five (5) years from the date of layoff; but upon such return must serve the complete probationary period for such job classification.

b. Career employees shall be entitled to recall rights for a period of five (5) consecutive years from the effective date of layoff or downgrade. The effective date of layoff shall be the employee's last day of work. The effective date of downgrade shall be the employee's last day of work in the classification from which he/she is downgraded. If, however, a permanent employee has been recalled or downgraded but has not been recalled to the classification in which permanent status is held within the five (5) year period, said employee shall continue to possess recall rights back to the classification in which permanent status is held, and to any other classifications in the employee's regression ladder which are lower than the classification in which permanent status is held and higher than the classification in which the employee was working at the expiration of the five (5) year period. If said employee is recalled to a classification higher in his/her regression ladder than the employee was working at the expiration of the five (5) year period, the employee shall serve the complete probationary period in such higher classification. If said employee fails to satisfactorily complete the probationary period he/she shall return to the next highest classification in the applicable regression ladder in which a vacancy exists and shall gain permanent status in such classification. In no event shall the employee be required to return to a classification lower than that from which he/she left to take the probationary appointment. Said employee shall then continue to possess recall rights to any higher classification in his/her regression ladder which is lower than the classification in which the employee failed to complete the probationary period but higher than the classification to which the employee returned after failing probation, subject to all provisions stated above.

c. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the mailing address as shown on the employee's last paycheck unless a more recent address has been furnished by the laid off/downgraded employee. To expedite recall, more than one employee may be notified of an opening. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the date of postmark on the recall notice. If said employee fails to report to work within fourteen (14) calendar days, he/she will lose all recall rights. An employee who has been laid off or downgraded shall be required to meet the physical and other minimum qualifications of the classification to which he/she is recalled. Any additional qualifications established during said employee's layoff shall be waived with regard to an employee holding recall rights to that job classification except as required by law. An employee who accepts recall shall receive all seniority to which he/she is entitled under Section 15.2(b) of this Article.

d. Career employees holding recall rights may be offered a non-career job of less than 1,040 hours annually, and if said career employee accepts or refuses such non-career jobs of less than 1,040 hours it shall have no effect on said career employee's normal recall rights.

## 15.7 GENERAL

a. A seniority list shall be made available to the Union on the first working day in September of each year, and after review with the Union, said list shall be posted by each department and copies made available for ready inspection. A copy shall be furnished free of cost to the Union each September.

b. The City shall immediately after effecting a layoff provide the Union a list of those employees who have been laid off. Said list shall be known as a Recall List and shall be updated as necessary.

c. The City or the Union shall have the right, at any time during the term of this Agreement, to initiate discussions between the parties as to possible alternatives to layoff. The City, however, retains the right to proceed with layoffs according to the procedures set forth in this Agreement at any time including, but not limited to that time, if any, during which an impasse on layoff alternatives is being resolved.

d. The parties shall have the further right, at any time during the term of this Agreement, to initiate discussions on possible alternatives to layoff to correct any adverse impact a proposed layoff would have on minorities and women employees in the Unit represented by the Union. If such discussions are initiated but the parties fail to reach agreement, the present layoff procedure shall continue in full force and effect.

e. Any grievance filed regarding this Article shall be submitted directly to the third step of the grievance procedure as set forth in Article 5.

The Department shall replace the jeans only when the damage is caused by circumstances which arise out of employment, and not from ordinary wear incidental to normal use and employment.

## 16.7 SOLID WASTE UNIFORMS

The Policies and Procedures Manual for the Solid Waste Division (which shall be incorporated by reference) shall be amended to give employees in the classification of Solid Waste Supervisor the choice of collared shirts or t-shirts and pants or jeans, or any combination thereof.

# **ARTICLE 17 – SAFETY SHOES AND SAFETY GLASSES**

## 17.1 SAFETY SHOES

a. Where the City requires that safety shoes be worn by employees as a condition of employment, the City shall reimburse said employees for the cost of an acceptable safety shoe, inserts, and/or repairs for safety shoes up to a maximum of \$200 per pair, or up to a maximum of \$250 if special order of the safety shoes is required, and generally no more than two (2) pair per fiscal year. c. To be eligible for the above reimbursement, the employee must obtain prior authorization from his/her supervisor before purchasing the required safety glasses, and must submit the receipt to the supervisor to verify the cost and substantiate the reimbursement. ## **ARTICLE 18 – CLASSIFICATION AND PAY**

### **18.1 NEW OR REVISED JOB CLASSIFICATIONS JOB CLASSIFICATIONS**

a. It is recognized that the establishment of new or revised job classifications within the Unit covered by this Agreement may be warranted because of changes in job content or services offered by the City. Under such circumstances, the City shall prepare and submit to the Union the proposed descriptions and proposed appropriate rate ranges for such job classifications as will have been determined to be within the Unit covered by this Agreement not less than fifteen (15) days prior to submission of the job classification to the Civil Service Board. Upon request of the Union, the fifteen (15) day period will be extended by an additional ten (10) days.

b. The Union and the City shall meet prior to submission of the proposed descriptions to the Civil Service Board and shall make every reasonable effort to reach agreement on a joint proposal to the Civil Service Board. The Union and the City shall follow provisions of applicable state law and the City's Employer-Employee Relations Policy regarding negotiations of an appropriate salary range for any revised entry or revised promotional classification covered by this Agreement.

c. The Union shall have the right to file an appeal to the Civil Service Board regarding job classification.

d. The City shall submit all job announcements for positions covered under this Agreement to the Union not less than five (5) days prior to publication by the City.

e. In the event the Employer-Employee Relations Policy is revised in respect to the assignment of classifications to representation units, either party may reopen this Section for the purpose of reaching mutual agreement on the procedural changes which may need to be made under this Section.

## ARTICLE 19 – DISCIPLINE

### 19.1 LETTER OF REPRIMAND

a. A letter of reprimand issued on or after October 20, 1990, shall not be appealable, except the employee may have an administrative review of the reprimand by submitting a request in writing within seven (7) calendar days to the Director of Human Resources. The Director or designee will schedule a private meeting within seven (7) calendar days of receipt of the written request to hear the employee's response. A final written decision by the Director or designee will be rendered within seven (7) calendar days of the meeting. This Section shall not be subject to the Grievance Procedure.

b. When issuing a letter of reprimand, the City shall provide to the employee all available information upon which the reprimand is based, including but not limited to, fact-finding transcripts and written complaints filed. The City is not required to prepare transcriptions of audio-taped interviews to meet this obligation. However, if a transcript of audio-taped interviews is prepared, the City shall provide the transcript.

### 19.2 IN-LIEU DISCIPLINE

By mutual agreement between the appointing authority or designee and the employee, an employee suspended from duty without pay may forfeit accumulated holiday, compensating time off, and/or vacation credits equal to the number of hours of suspension in lieu of such suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the forfeited credits. This provision shall not be subject to the grievance procedure.

### 19.3 DISCIPLINE TOLLING PERIOD

In all disciplinary matters, the City shall issue a letter of intent to discipline within 365 days from the date of discovery of the misconduct by a person authorized to initiate an investigation of the misconduct. This time limitation shall be extended if any of the conditions referenced in California Government Code sections 3304(d)(2) or 3304(g) exist during the 365 day period.

### 19.4 DISCIPLINE APPEAL HEARING PROCEDURE

a. This arbitration process shall be the exclusive procedure applicable to all employees in the classified service who have completed the probationary period and non-career employees who have passed the trial period.

b. The term "parties" as used in this agreement are the City and the Union. If an individual employee covered by this agreement files an appeal of discipline to the Civil Service Board, and the Union does not pursue such appeal, the employee may pursue such appeal and shall assume all of the rights and responsibilities of the Union in the appeal process pursuant to this agreement, including but not limited to the cost of the arbitrator.

c. The fees of the arbitrator and the court reporter, if used, will be borne equally by the City and the Union.

d. The parties may participate in mediation in an attempt to settle the case before a hearing is scheduled with the arbitrator. Mediation shall be required if requested by either party and the parties will request a mediator from the State Mediation and Conciliation Service (SMCS). All mediation proceedings shall be private. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.

e. After a disciplinary appeal has been filed with the Board, the parties shall mutually select a qualified arbitrator. If the parties fail to select an arbitrator within ten (10) days after the appeal is filed with the Board, the parties shall prepare a joint request to the SMCS for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

f. The hearing shall be scheduled as expeditiously as possible upon the request of either party. If the accepted arbitrator cannot hear the case within a mutually accepted time, but no later than ninety (90) days of selection, the parties may jointly request another list from the SMCS.

g. The hearing shall be held at a mutually agreeable location which shall be determined by the parties. The City shall make available appropriate facilities for such hearings.

h. The hearing shall be recorded or, at the option of and with the agreement of the parties, reported by a court reporter. If one party requests a copy of the transcript, the requesting party shall pay the full cost. If the parties jointly request the transcript, the cost shall be shared equally.

i. The hearing shall be conducted pursuant to the procedures of Rule 12 of the Rules of the Civil Service Board.

j. The City agrees that employees shall not suffer loss of compensation for time spent as a witness at a discipline arbitration hearing held pursuant to this procedure. The Union agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

k. The arbitrator shall prepare a written proposed decision on the matter which shall be sent to the parties.

l. The parties shall have ten (10) days from the mailing of the proposed decision to file exceptions thereto with the arbitrator. Such exceptions shall be based solely on material errors in the determination of facts or conclusions of law, and shall be submitted simultaneously to the arbitrator and the opposing party. The arbitrator shall review the exceptions within ten (10) days of receipt and affirm or amend the proposed

decision and file the jointly recommended proposed decision with the parties and the Civil Service Board for action.

m. If no exceptions are filed by the parties, the arbitrator's proposed decision becomes the "jointly recommended proposed decision."

n. The parties agree that any dispute of the jointly recommended proposed decision to the Civil Service Board shall be limited to the grounds specified in Section 1286.2 of the California Code of Civil Procedure.

#### 19.5 WITHDRAWAL OF APPEAL

The employee may withdraw an appeal of discipline at any time prior to a decision by an Arbitrator, Administrative Law Judge or the Civil Service Board. An appeal shall be deemed withdrawn if the employee fails to respond within thirty (30) days to a written request by the City to select a hearing procedure (arbitration hearing or administrative hearing), select an arbitrator, schedule a hearing, or otherwise participate in the appeal process. The written request shall be certified and sent to the employee's mailing address as shown in the City's payroll system.

#### 19.6 DISCIPLINE AND DOCUMENTED COUNSELING RETENTION

a. Suspensions and pay reductions issued after June 30, 2014, will not be permanently placed in an employee's official personnel file. Suspensions and pay reductions will be withdrawn from the employee's official personnel file five (5) years from the date of issue provided there has not been additional formal discipline imposed during the five-year period. All suspensions and pay reductions removed from the employee's official personnel file will be retained in Labor Relations. Should an employee have subsequent discipline, the earlier disciplines may be used for purposes of progressive discipline.

b. A letter of reprimand issued after October 20, 1990, will be withdrawn from an employee's official personnel file two (2) years from the date of issue provided there has not been additional formal discipline imposed during the two-year period.

c. A letter of reprimand issued prior to October 20, 1990, may be pulled at the request of the employee provided there was no additional formal discipline imposed within five (5) years from the date of issue.

d. Documented counselings will be withdrawn from an employee's department file eighteen (18) months from the date of issue provided there has not been formal discipline imposed during the eighteen-month period. Once removed, the documented counseling may not be used to enhance the subsequent discipline but may be used to demonstrate that the employee is aware of the issue and/or for impeachment purposes.

## ARTICLE 20 – MISCELLANEOUS

### 20.1 CIVIL SERVICE RULES

In the event that any Civil Service Board Rules or Regulations are in conflict with this Agreement, the Agreement shall apply.

### 20.2 SELECTION OF VACANCIES

a. Whenever a vacancy occurs in a particular job assignment, and the manager elects to permanently fill said vacancy, the vacancy shall be posted for a period of ten (10) calendar days which shall include the duties of the position. Employees holding career status in the classification allocated to that position, and who are assigned to the particular operation in which the vacancy arises, may request to be reassigned to fill said vacancy. The manager shall give first consideration to those employees making such requests before considering any other persons for the vacancy. The term “first consideration” does not mean that employees requesting transfer to the vacant position have first priority to the job or require the appointing authority to appoint an employee from such list to the vacancy, but only assures that such employees shall in fact be given consideration for the position prior to reviewing other candidates.

b. In the event more than one qualified employee requests to fill said vacancy, the assignment shall be based on classification seniority (or in the case of a tie, highest position on the eligible list) provided relative experience and capability in performing the required job functions and relative disruptive effect on the established work schedule are equal.

c. The City shall reassign or prevent the assignment of employees where there is or would be an immediate supervisory/subordinate relationship and the employees have a potential employment conflict of interest due to a parental, spousal or sibling relationship.

d. A vacancy or vacancies resulting from an assignment made hereunder may not be subject to this procedure.

e. It shall be within the discretion of the Department Heads, or their respective designee, to make departmental transfers as in their judgment will best meet the organizational, operational and personnel needs of the departments.

f. This Section does not apply to non-career employees.

### 20.3 PROMOTION FROM WITHIN

In accord with Article VII, Section 84 of the Charter of the City of Sacramento, the City does hereby reaffirm its policy to promote from within whenever possible.

## 20.4 CONSOLIDATION

Prior to entering into an Agreement to consolidate any City function which includes employees represented by Local 39 as the recognized employee organization, the City shall meet with the Union in an attempt to resolve employee problems.

## 20.5 DAMAGE TO PRESCRIPTION GLASSES

a. The City agrees to repair or replace prescription glasses damaged or destroyed while the employee is actively at work provided that the employee furnishes satisfactory proof to the City of such loss.

b. The prescription shall not be more than twenty-four (24) months old to qualify for reimbursement under the Section. All costs to update the prescription shall be borne by the employee.

## 20.6 NON-DISCRIMINATION

The City and the Union agree not to discriminate against any employee for Union activity, race, creed, religion, sex, age, or handicap.

## 20.7 SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by the reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

## 20.8 NON-FAULT VEHICULAR ACCIDENTS

At the request of an employee who was involved in a non-fault vehicular accident while performing City work, the City will provide a letter to the employee stating the accident was non-fault.

## 20.9 ZONAR OR OTHER GLOBAL POSITIONING SYSTEMS (GPS)

Zonar and other GPS devices will be used for purposes of improving departmental efficiencies to include, but not limited to, preserving City resources and preventing idle time. Zonar or GPS data shall not be used by the City as the only factor in gathering data for purposes of discipline. However, the data may be used to substantiate public complaints, support findings or confirm work performance issues for purposes of discipline. A list of vehicles which contain Zonar or other GPS devices will be maintained in the department and provided to employees.

## 20.10 CONTRACTING-OUT

a. The City shall not contract out for goods and services performed by bargaining unit employees which will result in any career employee being laid off without

prior consultation with the Union concerning the impact on the terms and conditions of employment of employees covered by this Agreement.

b. Any layoffs resulting from the City's action shall be made pursuant to the layoff provisions of this Agreement.

#### 20.11 STRIKES AND LOCKOUTS

For the duration of this Agreement the Union and its members agree that it shall not call, sanction or engage in any strike, slowdown, suspension or stoppage of work activity, and the City agrees that it shall not cause or engage in any lockout.

#### 20.12 BLOOD BANK TIME

a. The City shall establish a blood bank account with the Sacramento Medical Foundation Blood Center.

b. An employee shall be permitted time off without loss of compensation to donate blood during duty hours when a mobile blood unit vehicle is located at the employee's work site. Time off shall only be granted if work activities are not unduly disrupted. Such paid time off shall not exceed thirty (30) minutes per blood donation, unless extended by City management on a case-by-case basis.

c. Time off without compensation shall be permitted during duty hours in the event an employee wishes to donate blood at the office of the Blood Center. In such case, the employee may be permitted to use accrued vacation, CTO or holiday time.

d. This provision is not intended to authorize any overtime compensation.

#### 20.13 TIME OFF FOR EXAMINATIONS

If a request is made by an employee, such employee shall be released from duty without loss of compensation while competing in City examinations and interviews. The employee must give the immediate supervisor at least three (3) working days' advance notice. Employees shall not be compensated for examination and interview time which occurs during non-duty hours.

#### 20.14 SUPERVISING DISPATCHERS USE OF FITNESS CENTER

a. Supervising Dispatchers shall be permitted to use the fitness center at the Communication Center as follows:

(1) Employees Working a 4/10 Schedule – During Meal Period

Supervising Dispatchers who currently have a forty (40) minute paid meal period and wish to exercise in the fitness center shall be permitted to have a sixty (60) minute meal period in order to exercise. The minimum workout time shall be twenty (20) minutes.

(2) Employees Working a 5/8 Schedule – During Normal Shift

Supervising Dispatchers shall be permitted to work out during their normal shift for a maximum of twenty (20) minutes. Employees who chose to work out for more than twenty (20) minutes will do so before or after their normal shift or during their meal period. For example, if an employee who starts work at 8:00 a.m. wishes to work out for thirty (30) minutes at the beginning of his/her shift, he/she will start ten (10) minutes before 8:00 a.m. and will work out until 8:20 a.m. The first ten (10) minutes are unpaid, and the remaining twenty (20) minutes are paid at the regular rate of pay.

b. Supervising Dispatchers who use the fitness center as stated in (a), above, will be required to meet with the Police Department's fitness coordinator for assessment and approval prior to using the fitness center.

c. Although Supervising Dispatchers will be using the fitness center on paid time, the parties agree that participation is not a job requirement in the classification of Supervising Dispatcher, that use of the fitness center is completely voluntary, and that such use is not work related.

d. Supervising Dispatchers will be required to sign a waiver of liability, as shown in Exhibit B, which acknowledges their understanding and acceptance of the conditions for use of the fitness center.

e. Supervising Dispatchers on a 4/10 work schedule, who do not use the fitness center during their regular shift, will continue to have a forty (40) minute paid meal period.

#### 20.15 TRIAL PERIOD

a. An employee or a former employee appointed to a career classification as a non-career employee on and after November 22, 1986 shall serve a trial period. A former employee is a person who was previously employed with the City but terminated such employment for any reason including the expiration of a limited-term appointment.

b. The trial period shall be a thirty (30) calendar day period beginning with the first day the employee reports to work or until the employee has worked one hundred sixty-eight (168) straight-time hours, whichever occurs last.

c. A non-career employee may be released from his/her position at the discretion of the appointing authority at any time during the trial period without right of appeal to the Civil Service Board. Such release shall be confirmed in writing.

d. This provision shall not be used to circumvent the civil service system in respect to the City's testing practices.

## 20.16 PAYROLL ERRORS

a. In the event an error has been made in the payment of an employee's salary, overtime payment or leave accruals, balances or usages, the City shall, for purposes of future compensation, adjust such compensation to the correct amount, giving written notice to the employee.

b. In the event an employee received an overpayment in wages, reimbursement to the City shall be accomplished by:

- (1) Lump sum payment by the employee;
- (2) A one-time deduction from useable vacation, compensating time off (CTO), or holiday credit balances equivalent to the overpayment at the employee's current hourly rate;
- (3) A repayment schedule through payroll deduction; and/or
- (4) Other means, as may be mutually agreed between the parties.

No repayment schedule shall exceed fifty-two (52) pay periods in duration, except that if the employee does not agree to a voluntary repayment schedule, the overpayment collection shall not exceed twenty-six (26) pay periods. The time period may be extended by a signed agreement between the City and the employee.

c. No action shall be taken to enforce repayment of an overpayment, or to correct an underpayment, unless action is taken within two (2) years from the ending date of the pay period in which the error is discovered. "Action is taken" as used in this Section shall mean written notice to the employee in the case of an overpayment, or written or oral notice to the City in the case of an underpayment error.

## 20.17 PERS RETIREMENT PLAN AND CONTRIBUTION

New members shall qualify for the 2% at 62 benefit formula, shall contribute fifty percent (50%) of the total normal cost as required by PEPRA, and retirement shall be based upon the highest thirty-six (36) consecutive months of compensation.

**EXHIBIT B – USE OF FITNESS CENTER WAIVER OF LIABILITY**

**SUPERVISING DISPATCHERS**

I understand and agree that I may use the fitness center at the Communications Center during my paid meal period, or if I am on a 5/8 schedule, during my regular shift. I understand that use of the center is voluntary, not a requirement of my job classification or employment with the City, and is not work related.

The City does not anticipate injury to occur during the use of the fitness center; however, it is still a possibility. Knowing the risk, and in consideration of being permitted to use the center during my meal period, I agree to assume all risks connected to such use.

Except as otherwise prohibited by law, I agree to release and discharge the City of Sacramento, its officers, employees, agents, and volunteers from any and all liability for personal injury, death or property damage connected with the use of the fitness center, even though that liability may arise out of their negligence or carelessness.

This release will be a continuing release and will remain in effect until revoked in writing.
