Description/Analysis

Issue Detail: The U.S. Department of Veterans Affairs (VA) has awarded the Department of Parks and Recreation (DPR), Access Leisure, a Veterans Adaptive Sports Program Grant in the amount of \$66,967 for the federal Fiscal Year (FY) 2015-2016. This funding will provide DPR with the financial resources to increase and expand the number of quality adaptive sports opportunities to disabled veterans and members of the Armed Forces at local, regional and national levels.

Policy Considerations: The recommendations contained in this report are consistent with City Council Resolution 2014-0179, which requires City Council approval to establish a grant that requires matching funds from City Resources.

Economic Impacts: None

Environmental Considerations: Not applicable.

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: Acceptance of the grant funding will allow the DPR to provide and facilitate recreation programs and services to injured, ill and wounded Veterans and active duty members of the Armed Forces, so that each athlete can optimize the experience of living. This is accomplished through a variety of Veterans Adaptive Sports Programs creating opportunities for individuals with physical and or visual disabilities to access competitive and recreational sports, outdoor education and residential camp experiences.

Financial Considerations: This grant requires matching funds equal to \$32,070. Of this amount, \$20,922 will be transferred from DPR operations (general funds) to the grant project (G19100300) and the remaining \$11,148 will come from donations of goods, services and monetary donations received by Gifts to Share, Inc. for the program. There are adequate resources within DPR's, Access Leisure operating budget to meet the in-kind requirement of \$20,922. Fundraising and product donation efforts will fulfill the "Other Sources" in-kind requirements and donors will be asked to forward their contributions to Gifts to Share, Inc. for this purpose.

Local Business Enterprise (LBE): Procurement activities for grant-related services and supplies will be conducted in accordance with the requirements of the City's LBE program, where applicable.

8. Standards for Financial Management Systems, prescribes a Recipient's system that controls and accounts for Federal funds and cost sharing under the award and produces financial reports.

The financial management system must enable Recipients to meet the following OMB requirements:

- a) Financial Reporting. For financial reports required by the award, Recipients must provide accurate, current, and complete financial information about the federally assisted activities. If sub-awards are executed under the award, Recipients must have reasonable procedures for ensuring the receipt of financial reports from each sub-recipient in sufficient time to allow the Recipient to prepare reports.
- b) Accounting Records. Recipients must maintain records that adequately identify the sources of funds for federally assisted activities and the purposes for which funds are to be used. The records must contain information about the award and any sub-award, including authorizations, obligations, un-obligated balances, assets, liabilities, outlays or expenditures, and any program income. The accounting records must be supported by source documentation, such as cancelled checks, paid bills, payrolls, and time and attendance records.
- c) Internal Control. Recipients must maintain effective control over and accountability for all cash, real and personal property, and other assets under the award. Recipients must adequately safeguard all of these assets and ensure that they are used only for authorized purposes.
- d) Budget Control. Recipients must be able to compare actual expenditures or outlays with the approved budget.
- e) Allowable Costs. Recipients must have established procedures for determining the reasonableness, allocability, and allowability of costs in accordance with the applicable Federal cost principles, program regulations, or other OMB requirements.
- f) Cash Management. Recipients must have procedures for minimizing the time elapsing between the transfer of any advance payments of funds under the award and disbursement of the funds for direct program costs and the proportionate share of any allowable indirect or facilities and administrative costs. Recipients must ensure that the timing and amount of any payments to sub-recipients under the award conform to this standard.
- g) Requirement for Performance Data. In comparing actual expenditures or outlays with budget amounts, as required, Recipients must relate financial information to performance data. For this purpose, VA will accept estimates based on available documentation.

Award Number: VA-ASP-2015-01

19. Nondiscrimination Policies

You must execute your project (e.g., productions, workshops, programs, etc.) in accordance with the following laws, where applicable.

- a) **Title VI of the Civil Rights Act of 1964**, as amended, provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance. We may ask you to respond to specific questions or provide additional information in accordance with the Act. If there are environmental implications, we will determine whether a categorical exclusion may apply, to undertake an environmental assessment or to issue a "finding of no significant impact," pursuant to applicable regulations and 42 U.S.C. Section 4332.
- b) **The National Historic Preservation Act of 1966**, as amended, applies to any Federal funds that would support either the planning or major renovation of any structure eligible for or on the National Register of Historic Places, in accordance with Section 106. This law also applies to project activities, such as new construction, that would affect such properties. We will consult with your State Historic Preservation Officer, as appropriate, to determine the impact of your plan or renovation on the structure or any affected properties. Any change in your design, renovation, or construction plans must be submitted to us for review and approval prior to undertaking any of the proposed changes. You may be asked to provide additional information on your project to ensure compliance with the Act (16 U.S.C. Sections 470, 470-1).

20. Debarment and Suspension. You must comply with requirements regarding debarment and suspension in Subpart C of 2 CFR Part 180.

In these circumstances, we may need to act quickly to protect the interest of the government by suspending your funding while we undertake an investigation of the specific facts. We may coordinate our suspension actions with other Federal agencies that have an interest in our findings. A suspension may result in your debarment from receiving Federal funding government-wide for up to three years.

21. **The Drug Free Workplace Act** requires you to publish a statement about your drug-free workplace program. You must give a copy of this statement to each employee (including consultants and temporary personnel) who will be involved in award-supported activities at any site where these activities will be carried out.

If any site visit is made by the grantor on the premises of the recipient, a sub-recipients, or subcontractor, the recipient shall provide, and shall require its sub-recipients and subcontractors to provide all reasonable facilities and assistance for the safety and convenience of the government representatives in the performance of their duties. All site visits and evaluations shall be performed in such a manner that will not unduly interfere with or delay the work.

Award Date: 09/23/2014

24. Lobbying. You may not conduct political lobbying, as defined in the statutes, regulations and OMB Circulars, within your Federally-supported project. In addition, you may not use Federal funds for lobbying specifically to obtain awards. For definitions and other information on these restrictions, refer to the following

- a) "No part of the money appropriated by any enactment of Congress shall, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law, ratification, policy, or appropriation, whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy, or appropriation; but this shall not prevent officers or employees of the United States or of its departments or agencies from communicating to any such Member or official, at his request, or to Congress or such official, through the proper official channels, requests for any legislation, law, ratification, policy, or appropriations which they deem necessary for the efficient conduct of the public business, or from making any communication whose prohibition by this section might, in the opinion of the Attorney General, violate the Constitution or interfere with the conduct of foreign policy, counter-intelligence, intelligence, or national security activities." (18 USC § 1913. Lobbying with appropriated moneys).
- b) 2 CFR Part 200.450 – "Lobbying" Regulation clarifies that lobbying is an unallowable project cost. The Regulation generally defines lobbying as conduct intended to influence the outcome of elections or to influence elected officials regarding pending legislation, either directly or through specific lobbying appeals to the public.
- c) Certification Regarding Lobbying to Obtain Awards. Section 319 of Public Law 101-121, codified at 31 U.S.C. Sec. 1352, prohibits the use of Federal funds in lobbying members and employees of Congress, as well as employees of Federal agencies, with respect to the award or amendment of any Federal grant, cooperative agreement, contract, or loan. While non-Federal funds may be used for such activities, they may not be included in your project budget, and their use must be disclosed to the awarding Federal agency. Disclosure of lobbying activities by long-term employees (employed or expected to be employed for more than 130 days) is, however, not required. In addition, the law exempts from definition of lobbying certain professional and technical services by applicants and awardees

We strongly advise you to review OMB's and VA's regulations carefully. They are published at 2 CFR 200.450 and 38 CFR Part 45, and can be found at www.ecfr.gov.

Award Number: VA-ASP-2015-01

Award Date: 09/23/2014

28. Payments

For registered Recipients in the U.S. Department of Health and Human Services Payment Management System (PMS-SMARTLINK), instructions for submitting requests for payment may be found at <http://www.dpm.psc.gov/>. If recipients submit a payment request electronically, they may submit requests as frequently as required to meet needs to disburse funds for program purposes.

Recipients that do not submit requests electronically through PMS-SMARTLINK must request payment by submitting a signed "Request for Advance or Reimbursement" Standard Form 270 (SF-270) to the award program office.

Whenever it is administratively feasible to do so; recipients are to time each request for advance so that payments of VA funds are received on the same day of the need to disburse the funds for direct program costs (and the proportionate share of any allowable indirect or facilities and administrative costs). When same day transfers are not feasible, advance payments should not exceed three days' estimated cash needs.
