## Description/Analysis

**Issue Detail:** City staff requests adoption of a Resolution to suspend competitive bidding and approve an agreement with Borges & Mahoney Company to purchase sixteen Halogen emergency valve actuators for the Groundwater Well Rehabilitation Project (Z14110100).

**Policy Considerations:** City Code Section 3.56.230 allows the City Council to suspend competitive bidding for a purchase of equipment if determined to be in the City's best interests. City staff believes that suspending competitive bidding to authorize this purchase from Borges & Mahoney will save a significant amount of staff time and costs and, as such, is in the best interests for the City, for reasons further explained in the Rationale for Recommendation below.

**Economic Impacts:** None

**Environmental Considerations:** The Community Development Department, Environmental Planning Services has reviewed the project and has determined that the project is exempt from the California Environmental Quality Act (CEQA) under CEQA Guidelines sections 15301 (b & d) and 15302. The project consists of operation and maintenance of existing utilities (City drinking water wells) involving negligible or no expansion of use; and the rehabilitation of deteriorated facilities or mechanical equipment to meet current standards of public health and safety. The project also consists of the replacement of existing structures and facilities (fencing, fluoride systems, and electrical systems) on the same site with the same purpose as the facilities being replaced.

**Sustainability:** This agreement is consistent with the 2030 General Plan and with the goals and targets of the City's Sustainability Master Plan. The City is committed to developing an efficient and dependable groundwater supply that will increase the City's water supply reliability and support a surface water/groundwater conjunctive use program. Staff's recommendation is consistent with the City's Strategic Plan Goals of achieving sustainability, livability, and expanding economic development throughout the City.

**Commission/Committee Action:** None

**Rationale for Recommendation:** The Department of Utilities (DOU) has 29 groundwater wells currently using the Halogen emergency valve actuator to meet the requirements of the City's Risk Management Plan (RMP) for storage of chlorine at the well sites. The emergency valve actuators are calibrated and certified by the manufacturer annually as required by the City's RMP. Currently, there are two groundwater well rehabilitation projects (Phase 2A and Phase 3) under construction which include sixteen well sites. The sixteen well sites have older Halogen emergency valve actuators that are soon to be obsolete and will no longer be certified by the manufacturer. It is in the City's best interests to purchase the Halogen emergency valve actuators for the remaining wells on a "sole source" basis, instead of conducting a competitive bidding process, because (1) Borges & Mahoney Company is the sole authorized vendor of this equipment to this region; (2) suspending competitive bidding will save significant staff time and resources; (3) installing the same equipment on all of the City's potable wells will ensure uniformity and cost efficiency for staff operation and safety training, equipment maintenance and replacement, and monitoring and operation of the communications within the SCADA system for the entire water system; and (4) replacement of the obsolete actuators ensures the City will continue to meet the RMP requirements for the groundwater well sites.

**Financial Considerations:** The contract with Borges & Mahoney Company is for a total not-to-exceed amount of \$155,000 for sixteen Halogen emergency valve actuators. There are sufficient funds in Z14110100 for this agreement.

**Local Business Enterprise (LBE):** Borges & Mahoney Company is not a LBE. DOU was unable to find any authorized suppliers of the Halogen emergency valve actuator located in the Sacramento region. The Economic Development Department has issued a waiver of the LBE participation requirement for this purchase.

## Background

The Department of Utilities (DOU) has 29 groundwater wells currently using the Halogen emergency valve actuator to meet the requirements of the City's Risk Management Plan (RMP) for storage of chlorine at the well sites. Each year, the emergency valve actuators are calibrated and certified by the manufacturer as required by the City's RMP. Without these valves being tested and certified annually, the City would not be permitted to have chlorine on-site and the groundwater wells would need to be taken off-line.

Currently, there are two groundwater well rehabilitation projects (Phase 2A and Phase 3) under construction which include sixteen well sites. The sixteen well sites have older Halogen emergency valve actuators that are soon to be obsolete and will no longer be certified by the manufacturer. To ensure the City continues to meet the RMP requirements for the sites, a newer model of the emergency valve actuators needs to be installed.

It is in the City's best interests to purchase the Halogen emergency valve actuators for the remaining wells on a "sole source" basis, instead of conducting a competitive bidding process, because Borges & Mahoney Company is the sole authorized vendor of this equipment to this region and it will save significant staff time and resources. Also, installing the same equipment on all of the City's potable wells will ensure uniformity and cost efficiency for staff operation and safety training, equipment maintenance and replacement, and monitoring and operation of the communications within the SCADA system for the entire water system. This also ensures the City will continue to meet the RMP requirements for the groundwater well sites.

DOU is requesting approval of a contract to purchase sixteen new Halogen emergency valve actuators from Borges & Mahoney Company for the sixteen wells sites.

## **RESOLUTION NO. 2015-**

Adopted by the Sacramento City Council

### **SUSPENDING COMPETITIVE BIDDING FOR THE PURCHASE OF HALOGEN EMERGENCY VALVE ACTUATORS**

#### **BACKGROUND**

- A. The Department of Utilities (DOU) has 29 groundwater wells currently using the Halogen emergency valve actuator to meet the requirements of the City's Risk Management Plan (RMP) for storage of chlorine at the well sites.
- B. The emergency valve actuators are calibrated and certified by the manufacturer annually as required by the City's RMP.
- C. Currently, there are two groundwater well rehabilitation projects (Phase 2A and Phase 3) under construction which include sixteen well sites. The sixteen well sites have older Halogen emergency valve actuators that are soon to be obsolete and will no longer be certified by the manufacturer.
- D. Staff recommends that the City Council suspend competitive bidding for the equipment purchase needed to replace the outdated Halogen emergency valve actuators at the sixteen well sites.
- E. Under the City Charter and City Code, the City Council can suspend competitive bidding for an equipment purchase when it determines, on a 2/3 vote, that it is in the City's best interests to do so.
- F. It is in the City's best interests to purchase the Halogen emergency valve actuators for the remaining wells on a "sole source" basis, instead of conducting a competitive bidding process, because (1) Borges & Mahoney Company is the sole authorized vendor of this equipment to this region; (2) suspending competitive bidding will save significant staff time and resources; (3) installing the same equipment on all of the City's potable wells will ensure uniformity and cost efficiency for staff operation and safety training, equipment maintenance and replacement, and monitoring and operation of the communications within the SCADA system for the entire water system; and (4) replacement of the obsolete actuators ensures the City will continue to meet the RMP requirements for the groundwater well sites.

#### **BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

Section 1. Competitive bidding is suspended for the purchase of Halogen emergency

valve actuators to be installed for the Groundwater Well Rehabilitation project (Z14110100) in the best interests of the City.

Section 2. The City Manager or the City Manager's designee is authorized to execute an agreement with Borges & Mahoney Company, to purchase sixteen Halogen emergency valve actuators, in an amount not-to-exceed \$155,000.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that

are valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. A violation by CONTRACTOR of this Section 6 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

**7. CONTRACTOR Information.**

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term “information” shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party’s trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY’s failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR’s proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked “trade secret” when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff’s attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual “trade secret”

designation of such information.

- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

**8. Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

**9. Term; Suspension; Termination.**

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
  - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.

- (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

**10. Indemnity.**

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

- 11. Insurance Requirements.** During the entire term of this Agreement, CONTRACTOR shall maintain the insurance coverage described in this Section 11.

Full compensation for all premiums that CONTRACTOR is required to pay for the insurance coverage described herein shall be included in the compensation specified for the Services

## EXHIBIT E

### REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

#### INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the “Ordinance”), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

#### APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor’s operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

#### DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

“Contract” means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. “Contract” also means a written agreement for the exclusive use (“exclusive use” means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City’s use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

“Contract” shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

#### **CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION**

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

#### **EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS**

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”
