Description/Analysis

Issue Detail: As a result of voter approval and implementation of Proposition 49, the State of California has approved grants for an After-School Education and Safety program (ASES) for the Sacramento City Unified School District (SCUSD). With the State ASES program funds, SCUSD has requested the Parks and Recreation Department to continue to operate the ASES program at Sam Brannan Middle School for the next fiscal year, at a reimbursement rate not to exceed \$105,000. City Council authorization is required for the City Parks and Recreation Department to operate the program in a service provider capacity and because the total contract amount is over \$100,000.

The start date for services is set as August 1, 2015 and extends through June 30, 2016. Council is requested to approve the agreement now as SCUSD did not finalize the contract and send it to the City until after the program start date.

Policy Considerations: The provision of City services to the SCUSD is consistent with Parks and Recreation Department's after-school enrichment programs, which are also provided to other school districts in the City.

Economic Impacts: None.

Environmental Considerations: This agreement to provide services is an administrative activity which is exempt from environmental review under Section 15378(b) (5) of the California Environmental Quality Act (CEQA) Guidelines.

Sustainability: This program has been reviewed to ensure its consistency with the goals, policies, and targets of the City's Sustainability Master Plan (SMP).

Commission/Committee Action: None.

Rationale for Recommendation: The ASES program will provide after-school education for approximately 125 youth daily.

Financial Considerations: The availability of Proposition 49 funding allows for continued ASES programming at Sam Brannan Middle School. The District will reimburse the City up to \$105,000 for this program in this fiscal year. Most of the costs incurred by the City in the operation of the agreement will be reimbursed by the school district; an in-kind general fund match of \$21,000 will be provided through the Teen Services general fund budget.

Local Business Enterprise (LBE): Purchase of supplies and equipment to provide these services will be made in accordance with the City's Local Business Enterprise program requirements.
