**Contact Information:** Antonio Ablog, Senior Planner, (916) 808-7702

**Project Name:** Aspen 1 – New Brighton Planned Unit Development

**Subject:** Revised/Additional Exhibits.

Attached are supplemental report exhibits updating/augmenting the Council report dated 11/10/2015.

Included are:

1. An updated Development Agreement

The updated Development is attached in its entirety; however, the only amendment is the addition of the following language which is the developer's commitment to provide at least 10% of the project's dwelling units as affordable dwelling units consistent with the City's Mixed Income Housing Ordinance

### **6.12**

**Mixed Income Ordinance Exemption.** LANDOWNERS shall produce at least 10% of the Project's total dwelling units as "affordable dwelling units," defined in Planning and Development Code section 17.712.020, to qualify for an exemption under section 17.712.040.B. To the extent the affordable dwelling units are rental units, LANDOWNERS shall restrict those units to affordable rent in exchange for regulatory incentives provided by this Agreement including the certainty of development rights. All affordable dwelling units must have a Regulatory Agreement between LANDOWNERS and the Sacramento Housing and Redevelopment Agency recorded on title, requiring the units to remain

affordable for no less than 30 years. To secure compliance with that requirement, the Regulatory Agreement must be recorded against all residentially zoned portions of the Property before, and as a condition of, the recording of the first final subdivision map. The Regulatory Agreement must include provisions that do all of the following:

- (a)** Require that the design of all the affordable dwelling units be compatible with the rest of the Project in appearance, materials, and finished quality.
- (b)** Require that the affordable dwelling units include a mix of bedrooms to accommodate households of different sizes.
- (c)** Require that the affordable dwelling units comply with federal and state laws on accessibility, and comply with all local laws.
- (d)** Establish the location of the affordable dwelling units.
- (e)** Establish the timing of construction so that the affordable dwelling units are built concurrently with the market rate units in the Project, notwithstanding Section 2.2 of this Agreement.

2. An updated annexation map and property description

The annexation area has not change, but an improved Annexation Map will replace the existing exhibit for Attachment 9, the annexation resolution. An annexation property description will augment this new map, also to be included as an exhibit to the annexation resolution.

Both of these exhibits are to be included as exhibits to Attachment 16, the Rezone Ordinance to clarify which areas are subject to annexation/prezone.

3. An overall property description

The overall property bounds description is to be included as an exhibit to Attachment 23, the Project Resolution to augment the Tentative Map description of the property.

AND  
FRUITRIDGE ROAD LAND CO.**

**FOR**

**NEW BRIGHTON ASPEN 1**

This DEVELOPMENT AGREEMENT (hereinafter "Agreement") is made and entered into as of this \_\_\_\_\_ day of \_\_\_\_\_, 2015, by and between the CITY OF SACRAMENTO, a municipal corporation (hereinafter the "CITY"), and TEICHERT LAND CO., a California Corporation, AND FRUITRIDGE LAND CO., a California Corporation (hereinafter collectively the "LANDOWNERS". The CITY and LANDOWNERS hereinafter may be referred to collectively as the "Parties" or in the singular as "Party," as the context requires.

**RECITALS**

This Agreement is entered into on the basis of the following facts, understandings and intention of the Parties. These Recitals are intended to paraphrase and summarize this Agreement; however, the Agreement is expressed below with particularity and the Parties intend that their specific rights and obligations be determined by those provisions and not by the Recitals. In the event of an ambiguity, these Recitals may be used as an aid in interpretation of the intentions of the Parties.

A. **Definitions.** These Recitals use certain capitalized terms that are defined in Section 1.0 of this Agreement. The Parties intend to refer to those definitions when a capitalized term is used but is not defined in these Recitals.

B. **Authority.** To strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risks of development, in 1979 the Legislature of the State of California adopted Article 2.5 of Chapter 4 of Division 1 of the Government Code, commencing at section 65864 (the "Statute"), which authorizes the CITY to enter into this binding Agreement with LANDOWNERS in order to establish certain rights and obligations of the Parties relative to Development of the Property for the Project. The authority for the CITY's approval of this Agreement is contained in the Statute, the City Charter, the Procedural Ordinance, other applicable City ordinances, resolutions and procedures. CITY and

LANDOWNERS desire to enter into this Agreement pursuant to the provisions of the Statute in order to provide for the orderly Development of the Project on the Property.

C. **Property Subject to Agreement.** LANDOWNERS own certain legal or equitable interests in the Property which is located within the City. LANDOWNERS seek to develop the Property for the Project consistent with the General Plan, as the General Plan may have been amended as part of the process for approval of the Project.

D. **Procedural Requirements.** The City Planning Commission and the City Council held duly noticed public hearings on the approval of the Project Entitlements, and approval of this Agreement.

E. **Environmental Compliance.** The Final Environmental Impact Report prepared for the Project was certified as adequate and complete and specific findings, Mitigation Measures, and a Mitigation Monitoring Program were approved by the City Council to allow for the Development of the Project.

F. **General Plan Compliance.** LANDOWNERS desire to facilitate implementation of the General Plan, and LANDOWNERS therefore agree to develop the Property for the Project in a manner consistent with the policies, terms and conditions of the General Plan, provided that LANDOWNERS are assured that no subsequent changes in the General Plan after the Effective Date which would affect LANDOWNERS' Vested Rights shall apply to the Property or the Project during the term of this Agreement, except as expressly provided herein, particularly in regards to Subsequent Approvals and application of a Subsequent Rule.

G. **Project Entitlements.** Development of the Property for the Project in accordance with the terms and conditions of this Agreement will provide for the orderly growth and Development of the Property in accordance with the requirements, policies, goals, standards, and objectives of the General Plan, Community Plan, Zoning Ordinance, Subdivision Ordinance, and other applicable provisions of the City Code. This Agreement limits the CITY's rights to revoke, terminate, change or amend the Project Entitlements, or to require the LANDOWNERS to comply with any ordinances or resolutions enacted after the Effective Date that conflict with or impede Development of the Property for the Project, except as expressly provided herein, particularly in regards to Subsequent Approvals and application of a Subsequent Rule.

H. **Procedural Ordinance.** The City Council adopted the Procedural Ordinance by which CITY will consider, adopt, amend and subsequently review development agreements by and between CITY and a given landowner. The Procedural Ordinance, and as it may be amended in the future after the Effective Date in accordance with the Statute, shall apply to the approval, review, amendment and enforcement of this Agreement. CITY and LANDOWNERS have taken all actions mandated by, and have fulfilled all requirements set forth in, the Procedural Ordinance for the adoption of this Agreement by the City Council.

I. **Agreement Voluntary.** This Agreement is voluntarily entered into by LANDOWNERS in order to secure a Vested Right to develop the Property for the Project and to limit the CITY's right to subject the Property and Development of the Project to ordinances, policies, rules and regulations that may be enacted in the future which conflict, supplant, or are contrary to the express terms and conditions set out herein. This Agreement is voluntarily entered into by CITY in the exercise of its legislative discretion in order to assure the implementation of the General Plan and Community Plan, and in consideration of the agreements and undertakings of LANDOWNERS as specified in the Project Entitlements, Special Conditions, and Mitigation Measures. The Parties are entering into this Agreement voluntarily in consideration of the rights conferred and the obligations incurred as specified herein.

J. **Consideration.** Development of the Property in accordance with the terms of this Agreement requires major investment by LANDOWNERS in Public Facilities, as well as Dedications and Reservations of land for public benefit and purposes, and a substantial commitment of the resources of LANDOWNERS to achieve the public purposes and benefits of the Project for the CITY. By entering into this Agreement, CITY will receive such benefits, the assurances of implementation of the General Plan and Community Plan as applied to the Property, and the Development of the Property, which is currently vacant and/or underutilized, that will generate new tax revenues for the CITY. By entering into this Agreement, LANDOWNERS will obtain Vested Rights to proceed with Development of the Property for the Project in accordance with the Agreement's terms and conditions, and CITY's approval of the Project Entitlements may increase the value of LANDOWNERS' Property.

K. **Consistency Findings.** The City Council has reviewed and approved this Agreement. It finds that this Agreement is consistent with the General Plan, Community Plan, and Land Use and Development Regulations. The implementation of this Agreement is in the best interest of CITY because it promotes the health, safety and general welfare of its existing and future residents. The potential environmental impacts of Development of the Project on the Property were adequately considered in the environmental documentation prepared by CITY, and adoption of the Adopting Ordinance complies in all respects with the CEQA. This Agreement provides assurances that the Project will not proceed without the timely provision of Public Facilities and Public Services required to serve the Project. This Agreement is just, reasonable, and fair and equitable under the circumstances facing the CITY, and it provides sufficient benefits to the community to justify entering into this Agreement.

**2.1 Term.** The Term of this Agreement shall mean and include the Initial Term plus any Extension Period, unless it is sooner cancelled by a Party for default as provided in Sections 7.6 and 7.7, or terminated for convenience or for other reasons as provided in Section 7.8.

**2.1.1 Initial Term and Extensions.** The Term of this Agreement shall commence on the Effective Date and may extend for specified periods thereafter based on the length of the Initial Term and each Extension Period.

**2.1.1.1 Initial Term.** Twenty (20) years after the Effective Date.

**2.1.1.2 Extension Options.** LANDOWNERS shall have the right to renew this agreement on its terms and conditions, subject to any amendments, if any, as follows:

- (a) As of the Exercise Date, LANDOWNERS shall not be in material default of this Agreement. The term “Exercise Date” shall mean the date that LANDOWNERS give written notice of their intention to extend the term of this Agreement, in accordance with the provisions of Section 9.2.
- (b) To exercise the option to extend the term of this Agreement, LANDOWNERS shall give CITY written notice of LANDOWNERS’ intention to exercise its option and notice must be given no more than 180 days prior to expiration of the initial term or any extension term, nor later than 15 days prior to the expiration of the initial term or any extension term
- (c) LANDOWNERS shall be limited to two (2) extension periods consisting of five (5) years each.

**2.1.2** [This section intentionally omitted]

**2.1.3 Maximum Term.** Except as provided in Sections 2.1.4, 2.1.5, 2.1.6 and 9.7 with respect to moratoriums, litigation, and cancellation or modification for default, the Parties specifically intend that under no circumstances shall the Term of this Agreement extend beyond Thirty (30) years, unless this Agreement is amended in accordance with Section 2.3.

**2.1.4 Effect of Moratoriums on Term of Agreement.** If a Subsequent Rule is enacted prior to the expiration of the Term of this Agreement that limits the rate of Development over time or governs the sequence of Development of the Project, and that Subsequent Rule applies to the Property as provided in Section 4.9, the Term of this Agreement shall be extended by the amount of time that the Subsequent Rule is in effect on the Property.

**2.1.5 Effect of Litigation on Term of Agreement.** Pursuant to Section 4.3.3, if litigation is filed under Section 4.3.3, or if a third party brings litigation as described in Section 7.1, the Term of this Agreement shall be extended by the amount of time between the date the litigation was filed and the date of the final judgment if the law, regulation or action that was the subject of the litigation had the effect of preventing or suspending Development of the Property for the Project and the final judgment allowed this Agreement to remain in full force and effect.

**2.1.6 Effect of Litigation Over Cancellation or Modification for Default.** Pursuant to Section 7.7.2, if LANDOWNERS institute legal proceedings to obtain judicial relief from CITY modifying or canceling this Agreement for LANDOWNERS' default, the expiration of the Term of this Agreement shall be tolled during the period of the legal proceedings if there be a judicial determination invalidating or reversing the CITY's cancellation or modification of this Agreement.

## **2.2 Development Timing.**

**2.2.1 Project Schedule.** This Agreement contains no requirement that LANDOWNERS must initiate or complete Development of the Project or any phase thereof, or Development of the Property or any portion thereof, within the Term of this Agreement or within any period of time set by CITY. It is the intention of this provision that LANDOWNERS be able to develop the Property for the Project in accordance with LANDOWNERS' own schedule; provided, however, that Development of the Property is substantially consistent with the Development Plan, as evaluated in the Final Environmental Impact Report and subject to the conditions set out in the Project Entitlements and Special Conditions. Any act which is required to be completed within a specific time period under the terms and conditions of the Project Entitlements or Special Conditions shall be timely completed as provided therein, and any phasing provisions that are set out in a Subsequent Approval shall be applicable to the Project.

**2.2.2 Application of Subsequent Rule Affecting Rate of Development.** Except for moratoriums as addressed in Section 4.9, no Subsequent Rule which limits the rate of development over time shall be applicable to the Property or the Project. However, nothing herein shall be construed to relieve LANDOWNERS from any time conditions, phasing provisions, or schedule compliance as set out herein, or to excuse the timely completion of any act which is required to be completed within a specified time period, as set out in the Project

Entitlements, Special Conditions, any other provision of this Agreement, any applicable provision in the City Code or the Land Use and Development Regulations, or any applicable Subsequent Rule.

## **2.3 Amendments, Suspension or Termination of Agreement.**

**2.3.1 Amendments.** Except as otherwise expressly provided herein, this Agreement may be amended from time to time by the mutual written consent of the Parties in accordance with the express terms of this Agreement, the provisions of Government Code section 65868, and the Procedural Ordinance. No waiver, alteration, or modification of this Agreement shall be valid unless it is made in writing and signed by the Parties.

**2.3.2 Requests for Development Plan and Project Changes.** The Parties acknowledge that nothing contained herein is intended to limit LANDOWNERS' right to apply to CITY for changes in the Development Plan and Project Entitlements, and amendments to the Land Use and Development Regulations, to allow for additional or different Development, or for a reduction in the level of Development, from that set out in and contemplated by this Agreement, subject to compliance with CEQA, Subsequent Rules, applicable state and City laws and regulations, and the applicable provisions of this Agreement. Nothing herein shall be construed as limiting the exercise of the discretion by CITY in reviewing and approving or denying any such application.

**2.3.3 Substantive Changes Related to the Project and Project Entitlements.** Substantive changes to this Agreement, the Development Plan, Project Entitlements, or Special Conditions by LANDOWNERS will necessitate an amendment to this Agreement to incorporate the revised Development Plan and the applicable changes to the terms and conditions of the Project Entitlements, Special Conditions, and related documents and agreements. A "substantive change" to this Agreement, the Development Plan, Project Entitlements, or Special Conditions is one that changes the Term of this Agreement or for which an application is made to modify any of the following: the permitted uses; density or intensity of use; height or size of buildings; provisions for reservation and dedication of land; conditions, terms, restrictions and requirements relating to subsequent discretionary actions; monetary contributions by a landowner; or any other material term or condition of this Agreement. If either Party notifies the other Party that an amendment is needed due to the proposed substantive changes to this Agreement, the Development Plan, Project Entitlements, or Special Conditions, the Parties shall meet and negotiate in good faith the terms of an amendment to this Agreement. The scope of the good faith negotiation is limited to such amendment(s) necessary to effectuate the substantive changes to the Development Plan contemplated in this Section 2.3.3, and shall not reopen other provisions of this Agreement not affected by the proposed amendment(s). The CITY may suspend or withhold a Subsequent Approval if reasonably required by the circumstances then existing at the time of the proposed change in the Development Plan, Project Entitlements, or Special Conditions until the Parties can come to an agreement on the terms of such an amendment or mutually agree to the termination of this Agreement.

**2.3.4 Minor Changes.** This Agreement need not be amended to allow for changes to this Agreement, the Development Plan, Project Entitlements, or Special Conditions that are not substantive, as described in section 2.3.3 and the Procedural Ordinance, but rather are minor in character. The Parties acknowledge that refinement and further implementation of the Development Plan may demonstrate that certain minor changes may be appropriate with respect to Project details and performance of the Parties under this Agreement, and the Parties desire to retain a certain degree of flexibility with respect to such details and performances. If and when the Parties find and mutually agree that clarifications, minor changes, or minor adjustments are necessary or appropriate, they shall effectuate such clarifications, changes or adjustments through an operating written memorandum approved by the Parties, with the City Manager acting on behalf of CITY. After execution, the operating memorandum shall be attached to this Agreement. Further minor changes as necessary from time to time may be agreed upon by the Parties by subsequent written approval of the Parties. Unless required by the Statute or the Procedural Ordinance, no operating memorandum shall require prior notice or public hearing, nor shall it constitute an amendment to or termination for convenience in whole or in part of this Agreement. Minor changes subject to this subsection 2.3.4 shall include planning director plan review amendments and special permit minor modifications.

**2.3.5 Termination.** This Agreement will terminate at the earlier of the date when (i) the Term expires, (ii) it is terminated for convenience as provided in this Agreement, or (iii) it is cancelled for default as provided in Sections 7.6 and 7.7.

**2.4 Interests of LANDOWNERS.** LANDOWNERS represent that LANDOWNERS own a legal or equitable interest in the Property and that all other Persons holding legal or equitable interests in the Property, including the Lender, if any, have executed and are bound by this Agreement.

**2.5 Binding Covenants.** The burdens of this Agreement shall be covenants that run with the land and shall be binding upon the owners of the Property including, without limitation, LANDOWNERS, affiliates of LANDOWNERS, Lenders, if any, and Assignees. The benefits of this Agreement shall inure to the Parties and to their Assignees subject to compliance with Section 2.6.

**2.6 Assignment.**

**2.6.1 Right to Assign.** LANDOWNERS shall have the right to freely sell, alienate, transfer, assign, lease, license and otherwise convey all or any portion of the Property and improvements thereon as part of a contemporaneous and related sale, assignment or transfer of their interests in the Property, or any portion thereof, without the consent of CITY; provided that no partial transfer shall be permitted to cause a violation of the Subdivision Map Act (Government Code § 66410 et seq.). LANDOWNERS shall notify CITY of any sale, transfer or assignment of all of LANDOWNERS' interests in all or any portion of the Property by providing written notice thereof to CITY in the manner provided in Section 9.2 not later than thirty (30)

days before the effective date of such sale, transfer, or assignment. LANDOWNERS' failure to provide such notice to CITY shall not invalidate such sale, transfer, or assignment; however, any successor in interest in ownership of all or a portion of the Property shall not benefit from the Vested Rights conferred herein without executing and delivering to CITY an Assignment and Assumption Agreement.

**2.6.2 Release.** LANDOWNERS shall remain obligated to perform all terms and conditions of this Agreement unless the purchaser, transferee or Assignee delivers to CITY a fully executed Assignment and Assumption Agreement to assume all of the obligations of LANDOWNERS under this Agreement and to comply with all of the terms and conditions of this Agreement with respect to the Property, or such portion thereof sold, transferred or assigned, for Development of the Project. The form of the Assignment and Assumption Agreement shall be in substantial conformance with the form provided as Exhibit I. Upon such execution and delivery of the Assignment and Assumption Agreement, CITY shall release LANDOWNERS from all duties, liabilities and obligations under this Development Agreement with respect to the interest(s) sold, assigned or transferred only if LANDOWNERS are not in default under this Agreement as of the effective date of the Assignment.

**2.6.3 Assignees.** The Assignee shall be obligated and bound by the terms and conditions of this Agreement if it executes the Assignment and Assumption Agreement, and shall be the beneficiary hereof and a party hereto, only with respect to the Property, or such portion thereof, sold, assigned, or transferred to Assignee by LANDOWNERS. The Assignee shall observe and fully perform all of the duties and obligations of LANDOWNERS under this Agreement, as such duties and obligations pertain to the portion of the Property sold, assigned, or transferred. CITY shall release Assignee from all duties, liabilities and obligations under this Development Agreement of LANDOWNERS with respect to the interest(s) that are not sold, assigned or transferred to Assignee. Any such assumption agreement shall be deemed to be to the satisfaction of the City Attorney if executed substantially in form of the Assignment and Assumption Agreement attached hereto as Exhibit I and incorporated herein by this reference, or such other form as shall be proposed by LANDOWNERS and approved by the City Attorney prior to the effective date of the assignment.

## **2.7 Plan or Project Entitlement Amendments Involving Assignees.**

**2.7.1 By Assignee.** If an Assignee files an application with CITY that proposes to amend the Development Plan, Project Entitlements, Special Conditions, or the Land Use and Development Regulations and such amendment could affect the Vested Rights of LANDOWNERS or of another Assignee(s), CITY shall endeavor to provide reasonable notice to LANDOWNERS and/or any other Assignee(s) before acting on such application. CITY shall not be required to obtain the prior approval of LANDOWNERS or of the other Assignee(s) to approve such application notwithstanding the terms of this Agreement or an Assumption and Assignment Agreement.

**2.7.2 By LANDOWNERS.** If a LANDOWNER files an application with CITY that proposes to amend the Development Plan, Project Entitlements, or the Land Use and Development Regulations and such amendment could affect the Vested Rights of an Assignee(s), CITY shall not be required to provide notice or obtain the prior approval of the Assignee(s), notwithstanding the terms of this Agreement or an Assumption and Assignment Agreement. CITY shall only be required to provide notice to adjacent landowners of the application pursuant to then applicable provisions of the Zoning Ordinance and City Code.

**2.7.3 Approval Rights.** LANDOWNERS shall be solely responsible for obtaining any prior approval rights over applications to amend the Development Plan, Project Entitlements, or the Land Use and Development Regulations by an Assignee(s), and for obtaining any waivers of LANDOWNERS' applications by an Assignee(s), at the time a LANDOWNER sells, transfers or assigns a portion of the Property to a third party which may become an Assignee to this Agreement. The provisions in this Section 2.7 shall apply to LANDOWNERS' successors in interest, to each initial Assignee(s) and its successors in interest, and to all property owners and affiliates of all or a portion of the Property during the Term of this Agreement.

**2.7.4 CITY Processing.** In processing an application as described in this Section 2.7, CITY shall have the sole exclusive discretion to approve or deny a Discretionary Action or a Ministerial Action after the Effective Date, subject to Section 3.2, and consistent with the terms of this Agreement.

**2.7.5 Indemnity.** LANDOWNERS and any Assignee(s) that files an application as described in this Section 2.7 shall defend and indemnify CITY in any third-party action claiming that CITY has violated LANDOWNERS' and/or an Assignee(s)'s Vested Right under this Agreement in approving such application, in accordance with the provisions of Section 7.1; provided, however, that the indemnity provided in this Section 2.7.5 shall not extend to claims that are caused by the gross negligence or willful misconduct of CITY.

**2.8 Annexation.** If the obligations and commitments of the Parties set forth in this Agreement are contingent upon the annexation of all or a portion of the Property into the jurisdictional limits of the City, CITY shall cooperate with the Sacramento County Local Agency Formation Commission in expediting the annexation process so as to facilitate annexation of the Property as soon as feasible following the Effective Date. The terms and obligations of this Agreement shall become effective as to the Property being annexed as of the date of annexation.

### **3.0 VESTED DEVELOPMENT RIGHTS**

**3.1 Entitlement to Develop Project.** Subject to the express terms, conditions, reservations, and exclusions as set out in this Agreement, CITY hereby grants to LANDOWNERS Vested Rights to develop the Property for the Project in accordance with the terms and conditions set out in the Development Plan, Project Entitlements, and Special Conditions, and in accordance with the Land Use and Development Regulations. The General Plan shall control in regards to any conflicts between LANDOWNERS' Vested Rights and the Land Use and Development

Regulations. In Development of the Property for the Project, LANDOWNERS shall not be subject to compliance with any Subsequent Rule except as expressly set forth in this Agreement. The Development Plan, Project Entitlements, Special Conditions, and Vested Rights, which authorize and limit Development of the Property for the Project in accordance with their respective terms, are intended to be construed in harmony with each other.

**3.1.1 Compliance with Project Entitlements.** The Parties acknowledge that the Subsequent Approvals will be consistent with and apply the terms and conditions of the Development Plan, Project Entitlements (including the Design Guidelines and Mitigation Measures), and Special Conditions. In addition, the location, size and type of land uses in the Development Plan may be conditioned or restricted as permitted under the Land Use and Development Regulations and as otherwise provided herein. Nothing contained in this Agreement is intended or may be construed as an assurance or representation by CITY to LANDOWNERS that the Development Plan can be fully implemented within the Term of this Agreement or that LANDOWNERS will be able to fully exercise their Vested Rights.

**3.1.2 Development Inconsistent with Development Plan.** If LANDOWNERS submit an application to CITY for Development that differs from the Development Plan, Project Entitlements (including the Design Guidelines, and Mitigation Measures), and Special Conditions, but that does not require an amendment to this Agreement as provided in Section 2.3.4, then LANDOWNERS' Vested Rights under this Agreement will be adjusted to include the modifications upon approval of the application by CITY. Such adjustment in the Vested Rights shall be considered and implemented as a minor change under Section 2.3.4 of this Agreement. If an application proposes or requires a substantive change to the Development Plan, Project Entitlements (including the Design Guidelines and Mitigation Measures), Special Conditions, or Land Use and Development Regulations under Section 2.3.3, then the right to develop the Property in accordance with the terms and conditions of that application, if approved, will not be vested under this Agreement unless and until this Agreement is amended to incorporate the approval pursuant to Section 2.3.3.

## **3.2 Subsequent Approvals.**

**3.2.1 Scope.** Development of the Property for the Project is subject to all required Discretionary Actions and Ministerial Actions that have not otherwise been approved by CITY or City Agency prior to the Effective Date. Subsequent Approval(s) would include, without limitation, approval of tentative and final parcel and subdivision maps, additional tentative subdivision maps to further subdivide a parcel, special permits, variances, plan review, design review, preservation review, and grading permits and Building Permits required for Development of the Project and consistent with the Development Plan. Upon approval by CITY, LANDOWNERS' Vested Rights under this Agreement shall be deemed to include the Subsequent Approval(s).

**3.2.2 Processing.** Nothing contained in this Agreement shall preclude CITY from its right and responsibility to review applications for entitlements submitted by a LANDOWNER in

accordance with its normal and usual procedures and practices, as they may exist at the time the application is accepted as complete, or is otherwise deemed complete by operation of law. CITY shall not unreasonably deny, delay or condition any Subsequent Approval required for Development of the Project that is necessary or desirable to the exercise of LANDOWNERS' Vested Rights under this Agreement as long as the application is in compliance with the Development Plan, Project Entitlements, Special Conditions, and the Land Use and Development Regulations.

**3.2.3 Conditions.** In reviewing and approving applications for Subsequent Approvals that are Discretionary Actions, CITY may exercise its independent judgment and may impose terms, conditions, restrictions, and requirements (collectively "Conditions") as follows:

**3.2.3.1** CITY may impose Conditions that are consistent with this Agreement and the policies, goals, standards and objectives of the Development Plan, Project Entitlements, Special Conditions, and Land Use and Development Regulations as may be necessary to comply with all applicable legal requirements and policies of CITY pertaining to such Discretionary Actions.

**3.2.3.2** CITY may impose Conditions that are inconsistent with the provisions of this Agreement, if: (i) CITY and LANDOWNERS mutually agree to the inconsistent Conditions, or (ii) the Subsequent Approval is subject to compliance with a Subsequent Rule as provided in this Agreement, or (iii) the Conditions are imposed as a mitigation measure for compliance with CEQA, NEPA or a related environmental statute as described in Section 4.1, or (iv) additional Public Facilities are necessary to serve the Development of the Property as proposed in a LANDOWNER's entitlement application or changes in the location or size of Public Facilities is required as described in Section 4.8.

**3.2.4 Additional Discretionary Actions.** CITY shall not apply any Subsequent Rule that creates a requirement for any new or additional Subsequent Approvals for the Project, other than additional Ministerial Actions, except as provided in Sections 3.3. and 4.0.

### **3.3 Subsequent Rules.**

#### **3.3.1 Limitation on Application of Subsequent Rules.**

**3.3.1.1** Subject to Section 4.0 and except as otherwise set forth in this Agreement, during the Term of this Agreement, CITY shall not apply any Subsequent Rule as a term, condition, restriction or requirement of a Subsequent Approval if it would conflict with or impede the Vested Rights of LANDOWNERS as set out in this Agreement without LANDOWNERS' express written consent. The terms "conflict" and "impede" would include, without limitation, Subsequent Rules that would directly or indirectly modify the Project Entitlements or would substantially increase the cost of Development in order to comply with the Subsequent Rule. Application of a Subsequent Rule relating to new or increases in Development Fees and Assessments are addressed in Section 4.0.

**3.3.1.2** To the extent that any Subsequent Rule which is applicable to the Property or the Project is not in conflict with or does not impede the Vested Rights of LANDOWNERS as set out in this Agreement, or is otherwise made applicable by other provisions of this Agreement, such Subsequent Rule shall be applicable to Development of the Property.

**3.3.2 No General Limitation on Future Exercise of Police Power.** The CITY retains its right to exercise its broad and general police powers and to apply such powers within the Property, except when such exercise would expressly conflict with or impair a Vested Right granted to LANDOWNERS under this Agreement, as provided in Section 3.3.1.

**3.3.3 No Limit on Power of CITY to Adopt Subsequent Rule.** Notwithstanding anything contained herein to the contrary, this Agreement does not limit the power and right of the CITY to amend, repeal, suspend, or otherwise modify the Land Use and Development Regulations, or to adopt and amend from time to time other ordinances, resolutions, rules, and procedures governing development within the City, provision and financing of Public Facilities or Public Services, and any other matters that may be related to or affect Development of the Project on the Property or the subject matter of this Agreement; however, such Subsequent Rule shall only apply to the Property or the Project as provided in Sections 3.3 and 4.0 or as otherwise provided in this Agreement.

**3.3.4 Beneficial Changes.** To the extent that any Subsequent Rules would benefit LANDOWNERS and LANDOWNERS desire that the Land Use and Development Regulations as amended should be applicable to Subsequent Approvals, LANDOWNERS shall notify CITY in writing of its desire to be subject to the amended Land Use and Development Regulations, and the Parties shall mutually agree to amend this Agreement in accordance with Section 2.3 if needed.

## **4.0 EXCLUSIONS FROM VESTED RIGHTS**

### **4.1 Environmental Compliance.**

**4.1.1 CEQA Compliance.** The CITY prepared and certified the Final Environmental Impact Report for the Project and imposed certain Mitigation Measures in compliance with CEQA for approval of the Development Plan and Project Entitlements. CITY and LANDOWNERS shall comply with and perform the Mitigation Measures when and where applicable to each Party as specified in the Mitigation Monitoring Program. Because this Agreement and the Mitigation Measures are intended to mitigate all significant environmental impacts of the Project which can feasibly be mitigated, CITY shall not impose any additional mitigation measures as a condition of any Subsequent Approval, except mitigation measures that CITY determines it is required to impose under CEQA for the approval or certification of any mitigated negative declarations or subsequent or supplemental environmental impact reports that are required to be approved or certified under CEQA prior to taking action on such Subsequent Approval. Nothing contained in this Agreement limits the CITY's ability to comply with CEQA, the CEQA Guidelines, and the CITY's CEQA procedures, and as they may be amended from time to time.

**4.1.2 NEPA Compliance.** If the scope of the Project includes Public Facilities that are to be funded in part with federal funds or requires approval of a federal agency, the CITY shall comply with the National Environmental Policy Act (NEPA), the Council on Environmental Quality regulations, and other related federal environmental statutes and regulations. If the environmental reports required for compliance with NEPA have not been completed prior to the Effective Date, the CITY may impose additional mitigation measures as a condition of any Subsequent Approval as CITY is required to impose for compliance with NEPA and other related federal environmental statutes and regulations that are set out as conditions of, or the basis for, approval of a categorical exclusion, environmental assessment, environmental impact statement, or permit by the applicable federal agency for construction of Public Facilities undertaken by CITY or LANDOWNERS located within the Property or required for Development of the Project.

**4.2 Retained Right to Discretionary Design Review.** Notwithstanding anything contained herein to the contrary, this Agreement does not limit CITY's Discretionary Actions regarding design review of all buildings and structures proposed to be developed on the Property in accordance with the Land Use and Development Regulations, Project Entitlements and PUD Guidelines. In conducting any design review, CITY will apply the PUD Guidelines and, where the PUD Guidelines do not apply, the City Guidelines. CITY shall exercise its review in such a manner that does not reduce the square footage or the floor area ratio for the subject site as otherwise allowed under the PUD Guidelines, City Guidelines or other Project Entitlements and the Land Use and Development Regulations. CITY retains the right to reasonably modify or amend the City Guidelines, though they shall only apply to the Project to the extent as such amendments are consistent with the Project Entitlements, Development Plan, and Land Use and Development Regulations and do not conflict with or impede LANDOWNERS' Vested Rights.

**4.3 Changes Mandated by Other Agencies.**

**4.3.1 Amendment or Suspension of Agreement.** Nothing in this Agreement shall preclude the application to the Property of a Subsequent Rule if the terms and conditions set out in a Subsequent Rule are specifically mandated by changes in state or federal laws or regulations or by action of a Public Agency after the Effective Date. If state or federal laws or regulations or an action by a Public Agency either (i) prevents or precludes LANDOWNERS' or CITY's compliance with one or more provisions of this Agreement, or (ii) requires changes in the Development Plan, Project Entitlements, Special Conditions, or Subsequent Approvals, the Parties shall meet and confer in good faith to determine whether the laws, regulations, or actions apply to the Property and/or the Project and whether suitable amendments to this Agreement can be made to maintain LANDOWNERS' Vested Rights and the CITY and LANDOWNERS obligations as set out in this Agreement. If the Parties are unable to agree on the terms of an amendment to this Agreement to comply with such laws, regulations, and actions, the Parties shall consider whether suspension of the applicable provision(s) of this Agreement is appropriate, and if so, the terms and conditions of such suspension. If the Parties are unable to agree on the terms of an amendment or suspension with respect to the applicable provision(s) of this Agreement, any Party shall have the right to terminate this Agreement for its convenience in whole or in part by complying with the noticing procedures set out in Section 9.2.

**4.3.2 No Liability of CITY.** To the extent that any actions of federal or state agencies, actions of Public Agencies, or actions of CITY required by federal or state agencies or Public Agencies, and taken in good faith to prevent adverse impacts upon CITY by state or federal agencies or Public Agencies, have the effect of preventing, delaying, or modifying Development of the Property for the Project, CITY shall not in any manner be liable to LANDOWNERS for such prevention, delay or modification. Such actions may include, without limitation: (i) flood plain or wetlands designations, (ii) the imposition of air quality measures or sanctions, (iii) the imposition of traffic congestion or travel restriction measures, and (iv) the imposition of new or additional restrictions related to environmental contamination of the Property, regardless as to whether such conditions were known or unknown as of the Effective Date. CITY's actions to comply with such federal or state laws and regulations or actions of Public Agencies shall not be arbitrary or capricious. Nothing contained herein shall be construed as precluding CITY's contractual defenses of impossibility of performance or frustration of purpose to the extent recognized by California law.

**4.3.3 Reserved Right to Contest Laws, Regulations and Actions.** CITY and/or LANDOWNERS shall have the right to institute litigation challenging the validity of the laws, regulations or actions of federal and state agencies and Public Agencies as described in Section 4.3.1. If such litigation is filed, this Agreement shall remain in full force and effect until a final judgment affecting this Agreement's force and effect is issued; provided, however, that if any action that CITY would take in furtherance of this Agreement would be rendered invalid, facially or otherwise, by the contested law, regulation, or action, CITY shall not be required to undertake such action until the litigation is resolved or the law, regulation, or action is otherwise determined invalid, inapplicable, or is repealed. If the final judgment invalidates the law, regulation, or action, or determines that it does not affect the validity of this Agreement or the obligations of the Parties as set out in this Agreement, this Agreement shall remain in full force and effect. The Term of this Agreement shall be extended by the amount of time between the date when the litigation was filed and the date of the final judgment if the law, regulation, or action had the effect of preventing or suspending Development of the Property for the Project and the final judgment allowed this Agreement to remain in full force and effect.

#### **4.4 Building Codes.**

**4.4.1 No Limit on Right of CITY Regarding Uniform Codes or Standards and Local Amendments.** Notwithstanding anything in this Agreement to the contrary, this Agreement does not limit the right of CITY to adopt building, plumbing, electrical, fire, and similar uniform codes, and Public Facilities standards and specifications, or to adopt modifications of and local amendments to those uniform codes and standards and specifications, from time to time, and to require development of the Property and the Project to comply with those uniform codes and standards and specifications in effect at the time of plan review or Building Permit issuance for the Project, regardless as to whether the plans and Building Permits are requested for the Project Entitlements or for Subsequent Approvals.

**4.5 No Effect on Right to Tax, Assess, or Levy Fees or Charges.** Notwithstanding anything in this Agreement to the contrary, this Agreement does not limit the power and right of

the CITY to impose new or increases in existing taxes or assessments on, or to require payment of application, processing, inspection, or building permit fees and related charges by, LANDOWNERS or any other entity or owner of property in the City. All applications by LANDOWNERS for CITY approvals, permits and entitlements shall be subject to the application fees, processing fees, inspection fees and other similar fees within the control of the CITY that are in force and effect as of the date that the application or other request for approval is filed.

**4.6 Development Fees.** Except as provided in Exhibit J, LANDOWNERS shall be subject to the imposition of any new or increased development impact fees (Government Code § 66000 et seq.) or other fee, as defined in Section 1.21 as Development Fees, pursuant to the nexus study that is prepared to implement the new or increased development impact fee or program, as such nexus study may be amended from time to time.

**4.7 Health and Safety and Supervening Laws.** Notwithstanding the provisions in Section 3.3.1, during the Term of this Agreement the CITY may adopt and apply a Subsequent Rule to Subsequent Approvals if: (i) CITY upon notice and hearing, in the reasonable exercise of its discretion and based upon findings of fact and determinations of law, certifies to LANDOWNERS that application of a Subsequent Rule is necessary to protect persons or property from a condition which could create a serious risk to the health or safety of the public in general or to residents or employees who are occupying or will occupy the Property; or (ii) such Subsequent Rule is mandated or required by supervening federal, state, or Public Agency law, regulation or action enacted prior to or after the Effective Date. The foregoing two options include, without limitation, any flood control restrictions or requirements that may be adopted on a city-wide or lesser basis that encompasses the Property.

**4.8 Changes in Location or Size of Public Facilities.** If at the time of the required Dedication or Reservation of land to CITY, City Agency, or Public Agency for Public Facilities as specified in this Agreement, the location or the quantity of land required for the Public Facilities has changed from that depicted or specified in this Agreement, the Development Plan, the Project Entitlements, or the Special Conditions to such a significant degree or extent that could not reasonably have been anticipated as of the Effective Date such that the location or quantity is inconsistent with this Agreement, the Development Plan, the Project Entitlements, or the Special Conditions, the Parties shall meet and negotiate and in good faith endeavor to reach agreement on any amendments to this Agreement needed to allow Development of the Property for the Project in a reasonable manner, taking into account the changes in Public Facilities needed to serve the Project that arose after the Effective Date. If agreement is reached between the Parties, the procedures specified in Section 2.3 shall apply to amend this Agreement. If agreement is not reached, any Party shall have the right to terminate this Agreement for its convenience in whole or in part by providing notice as specified in Section 9.2.

**4.9 Suspension of Development.** No Subsequent Rule enacted prior to the expiration of the Term of this Agreement which purports to limit the rate of Development over time or to govern

the sequence of Development of the Project shall apply to the Property, except when the CITY enacts a moratorium pursuant to a declaration of a local emergency or a state of emergency which suspends development rights, the moratorium encompasses the Property or the Project, and the basis for enactment of the moratorium complies with the provisions of Section 4.7.

## **5.0 CITY'S OBLIGATIONS AND COMMITMENTS**

**5.1 CITY's Good Faith in Processing.** Subject to the provisions of this Agreement and LANDOWNERS' compliance with each and every term and condition herein, CITY agrees that it will accept in good faith for processing, review, and Discretionary or Ministerial Action, all complete applications for tentative parcel maps, zoning, planned unit development designation, planned unit development guidelines, schematic plans, parcel maps, subdivision maps, special permits, variances, design review, preservation review, Building Permits, or other entitlements for Development of the Property for the Project in accordance with the Development Plan, Project Entitlements, Special Conditions, Land Use and Development Regulations, and the terms of this Agreement. CITY shall inform the LANDOWNERS, upon request, of the necessary submission requirements for each application for a permit or other entitlement for Development and shall review said application and shall schedule the application for review and Discretionary Action by the appropriate CITY board, commission or City Council or for Ministerial Action by CITY staff.

**5.2 Allocation Procedures for Uses, Units, and Building Sizes.** CITY procedures and approvals for allocating the land uses, housing unit numbers and types, and densities and building square footages approved for the Project among the various parcels of land and portions thereof comprising the Property shall be in conformance with the Development Plan, Project Entitlements, and Special Conditions. Unless otherwise specified in the Development Plan, Project Entitlements, and Special Conditions, the allocation of nonresidential square footages and housing units shall be as identified in Subsequent Approvals for the Project. The appropriate entitlement to address the allocation of building square footage and housing units shall be determined by CITY. Allocations for residential development by type of housing unit and density shall be determined in the subdivision mapping process, unless CITY determines that some other method is appropriate under the circumstances.

**5.3 Extension of Entitlements.** All subdivision tentative maps, special permits, or any other land use entitlements of potentially limited duration previously, contemporaneously, or subsequently approved for the Property subject to this Agreement, as set out in the Development Plan, Project Entitlements, and Subsequent Approvals, shall be valid for a minimum term equal to the then remaining Term of this Agreement (including the Initial Term and any Extension Period resulting from exercise by LANDOWNERS of the options provided for in Section 2.1), or for the period stated in the Zoning Ordinance as it reads on the date of approval of the entitlement, whichever is longer, but in no event for a longer period than the maximum period of time permitted by the Subdivision Map Act (Government Code § 66410 et seq.) or Government Code for such land use entitlements. The provisions of Section 8.5 relating to estoppel certificates shall apply to any request made by LANDOWNERS to CITY with respect to the life

of any entitlement covered by this Section 5.3. Nothing in this Section 5.3 shall be construed, or operate, to extend the Term of this Agreement.

**5.4 Reconfiguration of Parcels.** LANDOWNERS shall have the right to file applications with CITY for subdivision, lot line adjustment, lot mergers, or for master parcelization of all or part of the Property, for the purpose of Reconfiguration of the Property. Such applications shall be processed and Discretionary Action taken in accordance with the provisions of this Agreement. Where Reconfiguration requires a special permit, variance, planned unit development designation, or other entitlement applicable to the Property or portion thereof which is subject to the application, CITY reserves the right to require such entitlements as a condition of approving the application. CITY shall process such Subsequent Approvals in a manner consistent with the Development Plan and Project Entitlements as provided in Section 3.2.

**5.5 Public Facilities Financing Proceedings.**

**5.5.1 Proceedings Initiated by LANDOWNERS.** If LANDOWNERS desire to initiate proceedings for the formation of a Public Financing Mechanism to fund the construction of Public Facilities required to be funded or constructed by LANDOWNERS pursuant to the conditions of approval of the Project Entitlements or Special Conditions, LANDOWNERS shall file an application with CITY for that purpose in accordance with the Assessment District Policy Manual, as same may be amended from time to time, or such other policy document as may after the Effective Date be adopted by the City Council as a substitute therefor. CITY agrees to diligently process any such application, provided that such application: (i) is complete and is accompanied by payment of City fees applicable on the date of filing of the application; (ii) otherwise complies with the City Code as it exists on the date of the application, including but not limited to the Assessment District Policy Manual; (iii) is consistent with City policies and procedures; (iv) provides for a property value to lien ratio and other financial terms that are reasonably acceptable to CITY; (v) provides for all funding requirements established by CITY for the purpose of payment of the costs of outside consultants needed, in CITY's sole discretion, to establish the Public Financing Mechanism; and (vi) provides that the specific consultants (e.g., bond counsel, financial advisors, underwriters, or other consultants as may be necessary under the circumstances) shall be selected by CITY in its sole discretion.

**5.5.2 Alternative Financing Methods.** Notwithstanding any other provision of this Agreement to the contrary, CITY agrees that upon request made by LANDOWNERS, CITY will consider making exceptions to the Assessment District Policy Manual to allow for alternative methods of financing Public Facilities; provided, however, that CITY reserves its discretion to condition use of any such alternatives on satisfaction of performance preconditions and to consider underwriting considerations and criteria. Further, CITY may in its reasonable discretion deny any such request upon grounds, including, without limitation, consistency of application of its policies and the potential for establishing negative precedent.

**5.5.3 Maintenance Districts.** LANDOWNERS may, following the procedures specified in Section 5.5.1, request that CITY establish one or more maintenance districts for the

purpose of financing the maintenance of landscaping, lighting, or other Public Facilities, whereunder lands benefiting from the Public Facilities and their maintenance are assessed for a proportionate share of the maintenance cost.

**5.6 Annual Review.** In accordance with Government Code § 65865.1 and the Procedural Ordinance, CITY shall annually during the Term review the extent of good faith compliance by LANDOWNERS with the terms of this Agreement. Failure of CITY to conduct the Annual Review shall not constitute a waiver by CITY or LANDOWNERS of the right to conduct future Annual Review or to otherwise enforce the provisions of this Agreement, nor shall a Party have or assert any defense to such enforcement by reason of any such failure. The failure of CITY to undertake such review, shall not, in itself, invalidate the terms of this Agreement or excuse any party hereto from performing its obligations under this Agreement. The Annual Review shall be limited in scope to compliance with the terms and conditions of this Agreement.

**5.6.1 Proceedings.** The procedures specified in the Procedural Ordinance for conduct of the Annual Review by the City Manager and City Council shall apply to each Annual Review of this Agreement. At least ten (10) days prior to the commencement of any Annual Review by the City Council, CITY shall deliver to LANDOWNERS a copy of any public staff reports and other documents to be used or relied upon in conducting the review. LANDOWNERS shall be permitted an opportunity to respond to CITY's evaluation of LANDOWNERS' performance by written and oral testimony at the public hearing to be held before the City Council, if LANDOWNERS so elects. At the conclusion of the Annual Review, CITY shall make written findings and determinations on the basis of substantial evidence, as to whether or not LANDOWNERS or their successors and any Assignees have complied in good faith with the terms and conditions of this Agreement.

**5.6.2 Failure of Compliance.** Any determination by the City Council of LANDOWNERS' failure to comply with the terms and conditions of this Agreement shall be a default subject to the notice requirements and cure periods set forth in Section 7.6.

## **6.0 LANDOWNERS' OBLIGATIONS AND COMMITMENTS**

**6.1 Project Entitlements and Special Conditions.** LANDOWNERS shall be obligated to comply with the terms and conditions set out in the Project Entitlements and Special Conditions for Development of the Property for the Project, and with the terms and conditions of this Agreement. When required to obtain a Subsequent Approval, LANDOWNERS shall execute a mitigation monitoring agreement and such other agreements as may be necessary in CITY's judgment to implement any Mitigation Measure and the Mitigation Monitoring Program or to comply with other terms of this Agreement, and shall fully cooperate with CITY in implementing the Mitigation Measures and Mitigation Monitoring Program and the terms of such other agreements.

**6.2 LANDOWNERS' Waivers.** LANDOWNERS hereby agree to the provisions of the Protest Waiver, which is a comprehensive waiver of protest rights with respect to CITY's establishment and implementation of Public Financing Mechanisms and Development Fees, and in levying assessments and taxes pursuant thereto, and CITY's actions in implementing the Project Entitlements and Special Conditions. As set forth in the Protest Waiver, LANDOWNERS reserve the right to protest the actual amount of any fee, assessment, or tax levy, or other CITY charge imposed on or allocated to the Property pursuant to the Project Entitlements, Special Conditions, or this Agreement. The Protest Waiver shall be binding on LANDOWNERS by LANDOWNERS' execution of this Agreement if LANDOWNERS fail to separately execute the Protest Waiver provided as Exhibit E.

**6.3 Public Facilities Construction by LANDOWNERS.** When required by the conditions of approval of the Development Plan, Project Entitlements, Special Conditions, and/or Subsequent Approvals, or by any applicable reimbursement agreements, and in accordance with CITY specifications and standards in effect as of the date of construction, LANDOWNERS shall diligently construct the specified Public Facilities required for Development of the Property for the Project substantially consistent with the Development Plan.

**6.4 Park and Open Space Development.** At the time of filing final subdivision map(s), CITY may require LANDOWNERS to develop some or all of the parks and open spaces located within that final map, as provided in the Special Conditions or as may be specified in the Tentative Map conditions, under the terms of CITY's standard form Park Credit/Reimbursement Agreement. LANDOWNERS shall receive credit for the cost of developing those parks and open spaces as provided in City Code Chapter 18.44.

**6.5 Levies Imposed by Public Agencies.** LANDOWNERS shall be responsible for: (i) all fees (including Development Fees), charges, assessments, special taxes, and levies of any sort imposed by any federal, state or Public Agency in the future as a charge for financing of Public Facilities and Public Services for the Project and for Mitigation Measures imposed for the purpose of mitigation of environmental impacts associated with the provision of the Public Facilities or Public Services; (ii) all special benefit assessments, special taxes, and levies of any sort associated with construction of or maintenance of Public Facilities, where the Property is located within a district formed for that purpose by any federal, state, or Public Agency; and (iii) ad valorem real estate taxes and utility fees and taxes. If any of the fees, charges, assessments, special taxes, or levies covered by this Section 6.5 are imposed and/or collected by or with the assistance of CITY, LANDOWNERS shall nevertheless be responsible therefor. Failure to pay such fees, charges, assessments, taxes, or levies when due shall be a default under this Agreement. However, nothing in this Agreement shall be construed to limit LANDOWNERS' right to protest, in accordance with applicable provisions of law, the formation of any assessment district, the amount of any assessment levied by or on behalf of such district on the Property or any portion thereof, or the nature and amount of any tax, fee, assessment, or charge imposed, except as provided in Section 6.2.

**6.6 Local, State and Federal Laws.** LANDOWNERS shall assure that the construction of the Project is carried out in conformity with all applicable federal and state laws and regulations, and the laws and regulations of Public Agencies which have jurisdiction over Development of the Property. Before commencement of Development of the Property, including, without limitation, grading of land or construction of any buildings, structures, or other works of improvement upon the Property, LANDOWNERS shall at their own expense secure any and all certifications and permits which may be required by any federal or state agency or a Public Agency having jurisdiction over such development. LANDOWNERS shall permit only persons or entities that are duly licensed in the State of California, County of Sacramento, and City of Sacramento, as applicable, to perform grading, development, or construction work on the Property for Development of the Project.

**6.7 Transfer of Land.** As set forth in the Development Plan, Project Entitlements, and Special Conditions, LANDOWNERS have agreed to transfer lands by Dedication or Reservation that are needed for Public Facilities to CITY, City Agency, or Public Agency as specified or appropriate. LANDOWNERS shall transfer the land required to be transferred by Dedication to CITY, City Agency, or Public Agency utilizing the Irrevocable Offer of Dedication agreement form provided as Exhibit G or by placing a Dedication or an Irrevocable Offer of Dedication, as directed by CITY, on a final subdivision or parcel map in accordance with Government Code §§ 66439 and 66447. LANDOWNERS shall transfer the land required to be transferred by Reservation to CITY or to a Public Agency utilizing the Reservation form provided as Exhibit H and in accordance with Government Code section 66480. LANDOWNERS shall transfer the land required to be transferred by Dedication or by Reservation at such time as is either: (i) required pursuant to a condition or term of any entitlement for use or Development of the Property; or (ii) requested by CITY, City Agency or Public Agency where LANDOWNERS have not applied for an entitlement for use or Development of the Property, but the land is needed, in CITY's, City Agency's and/or Public Agency's sole discretion, for purposes of construction and improvement of Public Facilities. CITY shall accept such transfers of land by Dedication or Reservation, as provided therein.

**6.8 Allocation Dispute Resolution.** Where a dispute exists between LANDOWNERS, Assignee, and/or any successor or successors in interest with respect to any matter involving the CITY's allocation of the land uses, housing units, densities and building square footages for or on the Property in compliance with the Development Plan and Project Entitlements as set out in Section 5.2, such dispute shall be resolved by arbitration, utilizing the commercial arbitration procedures of the American Arbitration Association, or some other alternative dispute resolution procedure mutually agreed upon by the parties involved in the dispute. In no case shall CITY, City Agency, Public Agency, and their respective elective and appointive members of boards, commissions, officers, agents and employees be a party to such dispute or to the dispute resolution procedures. All of the provisions of this Agreement relating to LANDOWNERS' obligation to defend and indemnify CITY and payment of CITY costs shall apply to all disputes relating directly or indirectly to such allocation.

**6.9 Annual Report.** LANDOWNERS shall annually, within thirty (30) days after each anniversary of the Effective Date, submit to the City Manager a brief written report on the progress of Development of the Property for the Project as authorized under this Agreement during the prior twelve (12) month period. The annual report shall include, at a minimum, (i) the additional square footage of commercial and office development and the number of housing units constructed or under construction, (ii) the Public Facilities constructed or under construction by LANDOWNERS, and (iii) the land Dedications and Reservations conveyed to CITY, City Agency, or Public Agency. The CITY will review the annual report in accordance with Section 5.6. LANDOWNERS shall pay a processing fee for each annual review in the amount established by resolution of the City Council.

**6.10 Indemnification.** LANDOWNERS agree to defend and indemnify CITY, City Agency, Public Agency and their respective elective and appointive members of boards, commissions, officers, agents and employees against any liability for damage or claims for damage for personal injury, including death, or property damage, arising out of or relating in any way to actions or activities to Develop the Property, whether undertaken by LANDOWNERS or LANDOWNERS' affiliates, contractors, subcontractors, agents or employees. Said indemnification pursuant to this Section 6.10 shall not extend to claims that are based on an indemnified Party's gross negligence or willful misconduct.

**6.11 Reimbursement for Agreement Costs.** LANDOWNERS agree to reimburse the CITY for reasonable and actual expenses incurred by CITY that relate directly to CITY's review, consideration, and execution of this Agreement. Such expenses include, without limitation, recording fees, ordinance publishing fees, any special meeting and notice costs, and staff time, including preparation or staff reports relating to approval of this Agreement and the Adopting Ordinance, and preparation and review of this Agreement and any changes requested by LANDOWNERS or by the City Attorney's Office. The cost for the preparation, processing and review of this Agreement by the City Attorney's Office is \$140.00 per hour. Such expenses shall be paid by LANDOWNERS within thirty (30) days of receipt of a detailed written statement of such expenses.

**6.12 Mixed Income Ordinance Exemption.** LANDOWNERS shall produce at least 10% of the Project's total dwelling units as "affordable dwelling units," defined in Planning and Development Code section 17.712.020, to qualify for an exemption under section 17.712.040.B. To the extent the affordable dwelling units are rental units, LANDOWNERS shall restrict those units to affordable rent in exchange for regulatory incentives provided by this Agreement including the certainty of development rights. All affordable dwelling units must have a Regulatory Agreement between LANDOWNERS and the Sacramento Housing and Redevelopment Agency recorded on title, requiring the units to remain affordable for no less than 30 years. To secure compliance with that requirement, the Regulatory Agreement must be recorded against all residentially zoned portions of the Property before, and as a condition of, the recording of the first final subdivision map. The Regulatory Agreement must include provisions that do all of the following:

- (a) Require that the design of all the affordable dwelling units be compatible with the rest of the Project in appearance, materials, and finished quality.
- (b) Require that the affordable dwelling units include a mix of bedrooms to accommodate households of different sizes.
- (c) Require that the affordable dwelling units comply with federal and state laws on accessibility, and comply with all local laws.
- (d) Establish the location of the affordable dwelling units.
- (e) Establish the timing of construction so that the affordable dwelling units are built concurrently with the market rate units in the Project, notwithstanding Section 2.2 of this Agreement.

## **7.0 LITIGATION, DEFAULT, AND TERMINATION**

### **7.1 Litigation by Others.**

**7.1.1 Third Party Challenge to Agreement or Entitlements.** The Parties agree to cooperate in good faith in the defense of any litigation (which shall include any and all claims, actions, or other proceedings of any kind) instituted by a third party challenging the validity of any portion of this Agreement, or its application or effectiveness, at any time during its Term, including without limitation (i) any litigation by a third party challenging the proceedings taken for its approval (including the CEQA requirements), (ii) any litigation by a third party challenging the validity of any of the Project Entitlements (including CEQA challenges), (iii) any litigation by a third party to enforce the application of a voter approved initiative to Development of the Property for the Project, or (iv) any litigation by a third party challenging any other act undertaken by the Parties in furtherance of this Agreement or its terms, including without limitation Subsequent Approvals.

**7.1.2 Defense, Indemnity, and Release.** In all such litigation, the following shall apply:

**7.1.2.1** CITY will promptly notify LANDOWNERS of any litigation filed and served on CITY arising out of, concerning, or in any way connected to this Agreement or the Project, or any portion of either. The CITY may, in its sole discretion, either defend such litigation or tender its defense to LANDOWNERS.

**7.1.2.2** If CITY determines to defend the litigation itself, LANDOWNERS shall be entitled, subject to court approval, to join in or intervene in the action on their own behalf, or to advocate in favor of validity of this Agreement or any challenged entitlement. In such a case, each Party shall bear its own attorney fees and costs.

**7.1.2.3** If CITY determines to tender the defense of the litigation to LANDOWNERS, CITY shall promptly notify LANDOWNERS of its determination. LANDOWNERS shall, upon such notice from CITY, at LANDOWNERS' expense, defend,

indemnify, and hold harmless CITY, its officers, employees, and agents, and each and every one of them, from and against the litigation, including the issuance of or the refusal to issue any permits prior to or during the pendency of the action. LANDOWNERS' obligation to indemnify and hold harmless shall include all damages, costs of suit, fees (including attorney's fees awarded under Code of Civil Procedure section 1021.5 or otherwise), and expenses of every type and description, including the cost of preparing the administrative record, fees, and/or costs reasonably incurred by CITY for its staff attorneys or outside attorneys, and any fees and expenses incurred in enforcing this provision, where such damages, costs of suit, fees, and expenses are claimed by or awarded to any party against CITY or otherwise incurred by the CITY. CITY shall have the right to approve the legal counsel providing the CITY's defense under this Section 7.1.2, which approval shall not be unreasonably withheld. If a conflict of interest arises between CITY and LANDOWNERS in the joint defense of the action, then, in CITY's sole discretion, LANDOWNERS shall provide CITY separate legal counsel acceptable to CITY at LANDOWNERS' reasonable expense, or CITY shall retain its own counsel at CITY's expense. LANDOWNERS shall have the right to settle such litigation without CITY's consent thereto, provided LANDOWNERS accept the defense and obligation without reservation, and that such settlement does not obligate CITY to make any payment or perform any obligation, or otherwise prejudice CITY, as determined by CITY in its sole discretion. LANDOWNERS shall bear all attorney fees and costs associated with such defense from and after the date of the tender. However, CITY may at any time after the tender elect to assume representation of itself; in that event, from and after the date CITY gives notice of its election to do so, CITY shall be responsible for its own attorney fees and costs incurred thereafter.

**7.1.2.4** With respect to approvals and entitlements governed by the Subdivision Map Act, California Government Code section 66410 et seq., the obligations under this Agreement shall be construed to be consistent with and shall apply to the extent permitted under California Government Code section 66474.9. In these cases, if CITY should fail to promptly notify LANDOWNERS of the litigation or cooperate fully in the defense, LANDOWNERS shall not thereafter be responsible to defend, indemnify, and hold harmless the City or its agents, officers, and employees to the extent California Government Code section 66474.9 applies. LANDOWNERS shall not be required to pay or perform any settlement of such claim, action, or proceeding unless the settlement is approved in writing by LANDOWNERS.

**7.1.2.5** LANDOWNERS unconditionally and forever release and discharge CITY, its officers, employees, and agents, and each and every one of them, from all liabilities, claims, demands, damages, and costs (including reasonable attorneys' fees and litigation costs through final resolution on appeal) that in any way arise from, or are connected with, the issuance of or the refusal to issue any building or other permit for the Project while any litigation concerning the Application, the Project, or any portion of either, is pending. This release and discharge covers all claims, rights, liabilities, demands, obligations, duties, promises, costs, expenses, damages, and other losses or rights of any kind, past, present, and future, whatever the theory of recovery, and whether known or unknown, patent or latent, suspected or unsuspected, fixed or contingent, or matured or unmatured. LANDOWNERS hereby waive all rights they

have or may have in the future under section 1542 of the California Civil Code, which provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which is known by him must have materially affected his settlement with the debtor.

**7.1.3 Effect of Judgment.** If, in such litigation, a final judgment or other final order is issued by the court which has the effect of invalidating or rendering ineffective, in whole or in part, any provision of this Agreement or the Agreement itself, or any Project Entitlement or Subsequent Approval, the following shall apply:

**7.1.3.1** If the judgment or order includes a provision for attorney fees and/or costs of the successful party or parties, LANDOWNERS shall pay the entire cost thereof, without right of offset, contribution, or indemnity from CITY, irrespective of anything to the contrary in the judgment or order.

**7.1.3.2** CITY and LANDOWNERS shall meet and endeavor, in good faith, to attempt to reach agreement on any amendments needed to allow Development of the Property for the Project to proceed in a reasonable manner, taking into account the terms and conditions of the court's judgment or order. If agreement is reached, the procedures for amending this Agreement as specified in Section 2.3 shall apply. If agreement is not reached, either party shall have the right to terminate this Agreement for its convenience by giving the other party notice as provided in Section 9.2.

**7.1.3.3** If amendment is not required, and the court's judgment or order requires CITY to engage in other or further proceedings, CITY agrees to comply with the terms of the judgment or order expeditiously, subject to LANDOWNERS' payment of CITY's costs to comply with the terms of the judgment or order.

**7.1.4 No CITY Liability for Damages.** Notwithstanding any other provision of law or any provision of this Agreement to the contrary, in no event shall CITY, City Agency, Public Agency, or their respective elective and appointive members of boards, commissions, and officers, agents and employees be liable to LANDOWNERS in damages in any litigation instituted by a third party as described in this Section 7.1.

**7.2 Force Majeure and Enforced Delay.** In addition to other specific provisions of this Agreement, performance by either Party hereunder shall not be deemed in default where delay or inability to perform is due to: (i) war, insurrection, terrorist acts, riots or other civil commotions; (ii) vandalism or other criminal acts; (iii) strikes, walkouts, or other labor disputes; (vi) acts of God, including floods, earthquakes, fires, casualties, or other natural calamities; (v) enactment of

conflicting or supervening federal or state laws or regulations; (vi) shortages of materials and supplies or delivery interruptions; or (vii) litigation instituted by third parties challenging the validity of this Agreement or Subsequent Approvals. A Party's financial inability to perform shall not be a ground for claiming an enforced delay. The Party claiming force majeure or enforced delay shall notify the other Party of its intent to claim a permitted delay and the specific ground for such delay as soon as is reasonable based on the circumstances. Upon request of either Party, a written extension of time for such cause shall be granted for the period of the force majeure or enforced delay, and the Term of this Agreement shall be extended by amendment in accordance with Section 2.3.

**7.3 Waiver.** Except as otherwise expressly provided herein to the contrary, by entering into this Agreement LANDOWNERS waive their rights to challenge the fairness or appropriateness, as applied to the Property and/or the Project, of: (i) the Development Plan, Project Entitlements, Special Conditions; (ii) Public Financing Mechanisms and Development Fees; (iii) the Dedications and Reservations for Public Facilities and Public Services; (iv) the Inclusionary Housing Ordinance; (v) the Land Use and Development Regulations; and (v) all actions implemented in furtherance of the foregoing as specified herein.

**7.4 Legal Actions by Parties.** In addition to the provisions set out in Sections 7.6 and 7.7, and any other rights or remedies as set out in this Agreement, either Party may institute legal action to cure, correct, or remedy any default by any other Party to this Agreement, to enforce any covenant or obligation herein, or to enjoin any threatened or attempted violation hereunder. Subject to any mutual extensions, notice, and opportunity to cure, the term "default" shall mean a material failure of performance or a substantial and unreasonable delay in performance by either Party of any of term, condition, obligation, or covenant of this Agreement. Default by either Party may include, without limitation, a material failure to: (i) transfer land for Public Facilities as required by Dedication or Reservation, (ii) undertake construction of Public Facilities, and/or (iii) implement or comply with the terms and conditions of the Project Entitlements, including the Mitigation Measures, and the Special Conditions.

**7.4.1 No CITY Liability for Damages.** Notwithstanding any other provision of law or any provision of this Agreement to the contrary, in no event shall CITY, City Agency, Public Agency or their respective elective and appointive members of boards, commissions, and officers, agents, and employees be liable in damages for any breach, default, or violation of this Agreement, it being specifically understood and agreed that the Parties' sole legal remedy for a breach, default, or violation of this Agreement shall be a legal action in mandamus, specific performance, or other injunctive or declaratory relief to enforce the provisions of this Agreement.

**7.4.2 Limitation of Legal Actions.** No initiation of legal proceedings shall be filed by a Party unless such action is filed within one hundred and eighty (180) days from the date of discovery by the aggrieved Party of the facts underlying the claim of default, and the date of discovery being that the date that the facts became known or should have become known to the aggrieved Party based on the circumstances of the default.

**7.4.3 Applicable Law and Venue.** This Agreement shall be construed and enforced in accordance with the laws of the State of California, the state in which the Agreement is signed. The Parties agree to submit any disputes arising under the Agreement to a court of competent jurisdiction located in Sacramento, California. Nothing in this Agreement shall be construed to prohibit the Parties from engaging in alternative dispute resolution processes prior to initiating legal proceedings, including, without limitation, mediation and arbitration, upon the discretion and mutual consent of the Parties.

**7.4.4 Standard of Review.** LANDOWNERS agree and acknowledge that CITY has approved and entered into this Agreement in the sole exercise of its legislative discretion and that the standard of review of the validity and meaning of this Agreement shall be that accorded legislative acts of CITY. To the extent CITY acts in an adjudicatory manner for any Subsequent Approval by conducting hearings, receiving evidence, and making findings of fact, such actions shall be reviewed under principles of administrative mandamus in accordance with applicable law.

**7.5 Attorney Fees.** In any arbitration, quasi-judicial, administrative, or judicial proceeding (including appeals), brought by either Party to enforce or interpret any covenant or any of such Party's rights or remedies under this Agreement, including any action for declaratory or equitable relief, the prevailing party shall be entitled to reasonable attorneys' fees and all costs, expenses, and disbursements in connection with such action, including the costs of reasonable investigation, preparation, and professional or expert consultation, which sums may be included in any judgment or decree entered in such action in favor of the prevailing party. For purposes of this Section 7.5 and any other portion of this Agreement relating to attorney fees, reasonable attorneys fees of the City Attorney's Office shall be \$140 per hour inclusive of direct, indirect, and overhead costs and applicable CITY staff costs, such as costs for record preparation, shall be calculated at maximum of \$140 per hour inclusive of direct, indirect, and overhead costs.

**7.6 Default.** Subject to any extensions of time by mutual consent of the Parties, and subject to the cure provisions set forth herein, any default (as that term is defined in Section 7.4) of this Agreement shall constitute a breach, and the non-defaulting Party may cancel this Agreement for default.

**7.6.1 LANDOWNERS Default.** In addition to any other remedy specified in this Agreement, if notice of default has been given by CITY to LANDOWNERS, CITY shall not be obligated to issue any Building Permit or grant any Subsequent Approval for the Project until such time as the default is cured. If notice of default is given by CITY with respect to only a portion of the Property or the Project that is affected by LANDOWNERS' default as specified in the CITY's notice of default, only those Building Permits and Subsequent Approvals applicable to that portion of the Property and/or the Project shall be affected by the suspension of Building Permits and Subsequent Approvals until the such time as the default is cured. In no event shall a default of an Assignee of a portion of the Property prevent LANDOWNERS from receiving Building Permits and Subsequent Approvals for the remainder of the Property pursuant to the

terms of the Assignment and Assumption Agreement, except as specified herein. In no event shall a default of LANDOWNERS prevent an Assignee from receiving Building Permits and Subsequent Approvals for Assignee's portion of the Property pursuant to the terms of the Assignment and Assumption Agreement, except as specified herein.

**7.6.2 CITY Default.** In addition to any other remedy specified in this Agreement, if notice of default has been given by LANDOWNERS to CITY, any resulting delays in LANDOWNERS' performance caused by CITY's default shall not constitute a LANDOWNER default, or be grounds for termination or cancellation of this Agreement.

**7.6.3 Nonwaiver.** Waiver of any default under this Agreement by either Party shall not constitute a continuing waiver or a waiver of any subsequent default either of the same or of another provision of this Agreement.

**7.6.4 No Cross Default.** Where a portion of the Property has been transferred in accordance with the Assignment provisions of this Agreement and notice of default has been given by CITY to an Assignee: (i) neither LANDOWNERS nor any non-defaulting Assignee shall be liable for the default of that Assignee; (ii) the rights of LANDOWNERS and non-defaulting Assignees under this Agreement shall not be affected by the default of that Assignee; and (iii) CITY shall not be in default or otherwise liable to LANDOWNERS or a non-defaulting Assignee for the CITY's action to declare a default. In no event shall a default of an Assignee of a portion of the Property prevent LANDOWNERS or non-defaulting Assignees from receiving Building Permits and Subsequent Approvals for the remainder of the Property pursuant to the terms of the Assignment and Assumption Agreement, except as specified herein. In no event shall a default of LANDOWNERS prevent non-defaulting Assignees from receiving Building Permits and Subsequent Approvals for the remainder of the Property pursuant to the terms of the Assignment and Assumption Agreement, except as specified herein. Notwithstanding the foregoing, CITY, in its sole discretion, shall have the right, following notice and hearing, to terminate this Agreement, as to some or all non-defaulting Parties and Assignees, for CITY's convenience, if CITY certifies to the non-defaulting Parties and Assignees that the default of the defaulting Party or Assignee would prevent or impede CITY's performance of its obligations to the non-defaulting Parties and Assignees under this Agreement.

**7.6.5 Cure Period.** In the event of an alleged default of any term or condition of this Agreement, the Party alleging such default shall give the other Party notice in writing as provided in Section 9.2 specifying the nature of the alleged default, the manner in which said default may be satisfactorily cured, and a reasonable period of time in which to cure the default, which shall not be less than thirty (30) days. If requested by either Party, the Parties shall meet and confer in an attempt to resolve the matter raised by the notice of default. During any such cure period, the Party charged shall not be considered in default for purposes of cancellation or termination of this Agreement and neither Party may institute legal proceedings related to the alleged default.

**7.7 Remedies After Expiration of Cure Period.** After expiration of the cure period, if the alleged default has not been cured in the manner set forth in the notice and to the satisfaction of the Party issuing the default notice, the non-defaulting Party may at its option: (i) institute legal proceedings to obtain appropriate judicial relief including, without limitation, mandamus, specific performance, injunctive relief, or cancellation of this Agreement; or (ii) give the other Party notice of intent to cancel this Agreement.

**7.7.1 Public Hearing.** If notice of intent to cancel this Agreement is given by the non-defaulting Party, CITY shall schedule the matter for public hearing before the City Council to review the matter and make specific written findings regarding the alleged default pursuant to Government Code section 65868 and the Procedural Ordinance. Where LANDOWNERS are the Party alleged to be in default, CITY shall provide LANDOWNERS: (i) a reasonable opportunity to respond to all allegations of default at such public hearing; (ii) at least thirty (30) days prior written notice of the date, time, and place of the public hearing; and (iii) copies of all CITY staff reports prepared in connection therewith at least five (5) days prior to the hearing. LANDOWNERS shall be given an opportunity to be heard at the public hearing. The burden of proof whether a LANDOWNER is in default shall be on CITY, the burden of proof whether the CITY is in default shall be on the LANDOWNERS, and the burden on whether default has been properly cured shall be on the Party alleged to be in default.

**7.7.2 Cancellation or Modification of Agreement—LANDOWNERS Default.** At the conclusion of the public hearing, if the City Council finds, based on substantial evidence, that either of the LANDOWNERS was in default and the default has not been cured to the satisfaction of CITY, or if the City Council determines that because of the default a serious risk to the public health or safety exists, this Agreement shall be either cancelled for breach as of the date of the City Council's determination, or the City Council may modify this Agreement and impose such conditions as are reasonably necessary to address the default and/or protect the interests of the CITY and the public. LANDOWNERS may thereafter institute legal proceedings to obtain appropriate judicial relief including, without limitation, mandamus, specific performance, or injunctive relief. Expiration of the Term of this Agreement shall be tolled during the period of legal proceedings if there be a judicial determination invalidating or reversing the CITY's cancellation or modification of this Agreement.

**7.8 Termination for Convenience.**

**7.8.1 Termination Upon Completion of Development.** This Agreement shall terminate as to each parcel of land contained within the Property when that parcel of land: (i) has been fully developed; (ii) all occupancy permits for the buildings constructed thereon have been issued by CITY; (iii) CITY has accepted the Public Facilities constructed by LANDOWNERS thereon or required to serve that parcel; (iv) CITY, City Agency and/or Public Agency has accepted the Dedications or Reservations thereon; and (v) all of LANDOWNERS' obligations in connection therewith as set out in this Agreement are satisfied, as reasonably determined by CITY. CITY shall, upon written request made by LANDOWNERS to CITY's Community Development Department, determine if the Agreement has terminated with respect to any parcel

of land contained within the Property, and shall not unreasonably withhold termination as to that parcel if LANDOWNERS' obligations therewith are satisfied. LANDOWNERS shall pay to CITY a fee commensurate with the cost of processing the request and making such a determination, including, without limitation, CITY's administrative and legal expenses. Such fee shall be determined in accordance with CITY's established fees and charges then in effect.

**7.8.2 Multi Family and Single Family Residential Projects.** This Agreement shall automatically terminate and be of no further force and effect as to any single family residence or multi-family building, and the lot or parcel upon which said residence or building is located, when CITY has issued an occupancy permit for that residence or building.

**7.8.3 Termination Upon Mutual Consent of the Parties.** This Agreement may be terminated prior to the expiration of the Term by mutual written agreement of the LANDOWNERS and CITY and/or between CITY and Assignee, and any such termination shall not be binding on Assignee or LANDOWNERS, as applicable, if it has not executed the written agreement with CITY.

**7.8.4 Termination by Expiration of Term.** This Agreement shall expire as of the date of the expiration of the Term, without notice or any further action of either Party, unless at least fifteen (15) days prior to said expiration, the Term is extended by mutual agreement of the Parties as set out in an amendment.

**7.8.5 Termination for Convenience.** Whenever this Agreement expressly provides for the termination of this Agreement for convenience, the terminating Party shall exercise such right to terminate the Agreement for its convenience by providing the other Party with written notice of termination as provided in Section 9.2 at least thirty (30) days prior to the effective date of termination as set out in the notice.

**7.9 Recorded Notice of Termination or Cancellation.** Upon termination or cancellation of this Agreement, CITY shall, on its own initiative and/or upon LANDOWNERS' request, record a notice of such termination or cancellation against the Property or specific parcels of land in a form satisfactory to the City Attorney that the Agreement has been terminated or cancelled. The notice shall be recorded by CITY within thirty (30) days after CITY's determination that this Agreement is terminated or cancelled. The aforesaid notice may specify, and LANDOWNERS agree, that termination or cancellation shall not affect in any manner any continuing obligations under this Agreement which survive its termination or cancellation as set out herein or in a recorded covenant.

**7.10 Effect of Cancellation/Termination on LANDOWNERS' Obligations.** Cancellation or termination of this Agreement as to the Property or any portion thereof shall not affect any of the LANDOWNERS' obligations to comply with the Development Plan, Project Entitlements, Special Conditions, Public Financing Mechanisms, Development Fees, Land Use and Development Regulations, and Subsequent Approvals. The foregoing includes, without limitation, tentative maps, special permits, plan reviews, variances, Building Permits, and all

other entitlements, permits, and approvals issued for the Property and/or the Project prior to the effective date of cancellation or termination which are required: (i) for LANDOWNERS to complete construction of any improvements on the Property for which a final map had been recorded or Building Permit had been issued; (ii) for CITY to provide any Public Facilities and/or Public Services to serve improvements on the Property either completed prior to the effective date of cancellation or termination or to be completed under the Building Permits issued and final maps recorded prior to the effective date, or to serve residents and businesses that are then occupying the Property or will occupy the Property under the Building Permits issued and final maps recorded prior to the effective date; and (iii) for LANDOWNERS' performance of obligations under the Land Use and Development Regulations, Project Entitlements, or Special Conditions which had otherwise been deferred under the terms of this Agreement. Notwithstanding the cancellation or termination of this Agreement or anything contained herein to the contrary, LANDOWNERS shall also be obligated to comply with any covenants of this Agreement that are to survive after cancellation or termination of this Agreement, whether express or implied, or which have been recorded against the Property under the terms of a separate agreement.

## **8.0 LENDER PROVISIONS**

### **8.1 Lender Rights and Obligations.**

**8.1.1 No Impairment.** Neither of the LANDOWNERS entering into this Agreement nor their defaults under this Agreement shall alter, defeat, render invalid, diminish, or impair the lien of any Mortgage or Deed of Trust on the Property made in good faith by the Lender and for value. This Agreement shall not prevent or limit either LANDOWNER in any manner, at that LANDOWNER's sole discretion, from encumbering its Property or any portion thereof or any improvement thereon by any Mortgage, Deed of Trust, or other security instrument securing financing with respect to development of the Property or adjacent properties for the Project.

**8.1.2 Prior to Lender Possession.** No Lender shall have any obligation or duty under this Agreement to construct or complete the construction of improvements, or to guarantee such construction or completion, and shall not be obligated to pay any fees or charges which are liabilities of LANDOWNERS or LANDOWNERS' successors in interest, but shall otherwise be bound by all of the terms and conditions of this Agreement which pertain to the Property or such portion thereof in which it holds an interest. Nothing in this Section 8.1 shall be construed to grant to a Lender rights beyond those of LANDOWNERS hereunder, or to limit any remedy CITY has hereunder in the event of default by LANDOWNERS, including, without limitation, suspension, cancellation for breach, and/or refusal to grant entitlements with respect to the Property.

**8.1.3 Lender in Possession.** A Lender who comes into possession of the Property, or any portion thereof, pursuant to foreclosure of a Mortgage or Deed of Trust, or a deed in lieu of foreclosure, shall not be obligated to pay any fees or charges which are obligations of LANDOWNERS, and which remain unpaid as of the date such Lender takes possession of the Property or portion thereof. However, a Lender shall not be eligible to apply for or receive

entitlements with respect to Development of the Property for the Project, or otherwise be entitled to Develop the Property or devote the Property to any uses or to construct any improvements thereon, other than the Development contemplated or authorized by this Agreement and subject to all of the terms and conditions hereof, including payment of all fees and charges (delinquent, current, and accruing in the future), and entering into an Assignment and Assumption Agreement to assume all obligations of LANDOWNERS hereunder. No Lender, or successor thereof, shall be entitled to the rights and benefits of the LANDOWNERS hereunder or entitled to enforce the provisions of this Agreement against CITY unless and until such Lender or successor thereof qualifies as a recognized Assignee under the provisions of Section 2.6 of this Agreement and Lender cures LANDOWNERS' default to the CITY's satisfaction as provided in Section 8.3.

**8.2 Notice of LANDOWNER's Default.** If CITY receives notice from a Lender requesting a copy of any notice of default given a LANDOWNER hereunder and specifying the address for service thereof, then CITY shall deliver to such Lender within thirty (30) days of sending the notice of default to such LANDOWNER a copy of the default notice.

**8.3 Lender's Right to Cure.** Each Lender shall have the right (but not the obligation) during the same period of time available to LANDOWNERS to cure or remedy, on behalf of a LANDOWNER, the default claimed and set forth in CITY's written default notice. Such action shall not entitle a Lender to develop the Property or otherwise partake of any benefits of this Agreement unless such Lender shall assume and perform all obligations of such LANDOWNER hereunder under the terms of the Assignment and Assumption Agreement.

**8.4 Other CITY Notices.** If CITY receives notice from a Lender requesting a copy of any notice, including a notice of default, issued by CITY to LANDOWNERS pursuant to the terms of this Agreement, a copy of said notices shall be sent to Lender at the address provided herein within thirty (30) days of sending the notice to LANDOWNERS.

**8.5 Estoppel Certificates.** Either Party may, at any time, and from time to time, deliver written notice to the other Party requesting such other Party to issue a writing known as an estoppel certificate, certifying that, to the knowledge of the certifying Party: (i) this Agreement is in full force and effect and a binding obligation of the Parties; (ii) this Agreement has not been amended or modified either orally or in writing, or if so amended, identifying the amendments; and (iii) the requesting Party is not in default in the performance of its obligations under this Agreement, or if in default, describing therein the nature and amount of any such defaults. A Party receiving a request hereunder shall execute and return such estoppel certificate, or give a written detailed response explaining why it will not do so, within thirty (30) days following the receipt of each such request. Each Party acknowledges that such an estoppel certificate may be relied upon by third parties acting in good faith, including Lenders. An estoppel certificate provided by CITY establishing the status of this Agreement with respect to the Property or any portion thereof shall be in recordable form and may be recorded at the expense of the Party requesting the certificate.

**9.3 Integrated Documents/Entire Agreement.** This Agreement, the Exhibits, and the documents incorporated by reference in this Agreement or in the Exhibits are to be considered as one document and default of any of the provisions contained herein or therein shall be considered a default of this Agreement. This Agreement, including the Exhibits and documents incorporated herein by reference, integrates all of the terms and conditions related or incidental to its subject matter and constitutes the entire agreement between the Parties with respect to the subject matter of this Agreement.

**9.4 Severability.** If any provision of this Agreement is held invalid, void, or unenforceable, but the remainder of the Agreement can be enforced without failure of material consideration to any Party, then this Agreement shall not be affected, and it shall remain in full force and effect, unless amended or modified by mutual consent of the Parties as provided in Section 2.3. If any provision of this Agreement is held invalid, void, or unenforceable, and the remainder of the Agreement cannot be enforced without failure of material consideration to any Party, either Party shall have the right, in its sole discretion, to terminate this Agreement for its convenience upon providing written notice of such termination to the other Party and specifying the effective date thereof. If either Party so elects to terminate this Agreement, such election shall not affect in any manner the terms and conditions of any entitlement granted by CITY with respect to the Property, or any portion thereof, prior to the termination date, except as specified in Section 7.10.

**9.5 Precedence.** If any direct conflict or inconsistency arises between this Agreement and the Land Use and Development Regulations, or between this Agreement and a Subsequent Rule, the provision of this Agreement shall have precedence and shall control over the conflicting or inconsistent provisions of the Land Use and Development Regulations or the Subsequent Rule, except as provided in Sections 3.3 and 4.0.

**9.6 Recording.** The City Clerk shall cause a copy of this Agreement to be recorded with the Sacramento County Recorder no later than ten (10) days following the Effective Date. If the Sacramento County Recorder refuses to record any Exhibit, the City Clerk may replace it with a single sheet bearing the Exhibit identification letter, title of the Exhibit, the reason it is not being recorded, and that the original Exhibit, certified by the City Clerk, is in the possession of the City Clerk and will be reattached to the original when it is returned by the Sacramento County Recorder to the City Clerk.

**9.7 Referendum.** CITY shall not submit the Adopting Ordinance to a referendum by action of the City Council on its own motion without LANDOWNERS' written consent. This Agreement shall not become effective if a referendum petition is filed challenging the validity of the Adopting Ordinance. If the Adopting Ordinance is the subject of a referendum, LANDOWNERS shall have the right to terminate this Agreement for its convenience by providing written notice to CITY as provided in Section 9.2 not later than thirty (30) days after the referendum petition is certified as valid by the County elections officer, or such later time as allowed in writing by the City Manager. The Parties' obligation to perform under this Agreement

shall be suspended pending the outcome of any such referendum election. The Term of this Agreement shall be extended by the amount of time between the date the petition for referendum is certified as valid by the County elections office and the date on which the results of the special election are certified as valid by the County elections officer.

**9.8 Construction.** This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the Parties. All Parties have had the opportunity to be represented by legal counsel of their own choice in the preparation of this Agreement, and no presumption or rule that "an ambiguity shall be construed against a drafting party" shall apply to the interpretation or enforcement of any provision hereof. Captions on sections and subsections are provided for convenience only and shall not be deemed to limit, amend, or affect the meaning of the provision to which they pertain, and shall be disregarded in the construction and interpretation of this Agreement.

**9.9 Time.** Time is of the essence of each and every provision hereof.

**9.10 Waiver.** No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the Party against whom enforcement of a waiver is sought. No waiver of any right or remedy in respect of any occurrence or event shall be deemed a waiver of any right or remedy in respect of any other occurrence or event.

**9.11 No Third Parties Benefited.** This Agreement is made and entered into for the sole protection and benefit of Parties and their successors and Assignees, including Lenders. No Person who is not a qualified successor of a Party or an Assignee pursuant to Sections 2.6 and 8.1.3 of this Agreement, or who has not become a party by duly adopted amendment to this Agreement, may claim the benefit of any provision of this Agreement.

**9.12 Effect of Agreement Upon Title to Property.** In accordance with the provisions of Government Code section 65868.5, from and after the time of recordation of this Agreement, the Agreement shall impart such notice thereof to all persons as is afforded by the recording laws of the State of California. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties to this Agreement.

**9.13 Survivorship.** The LANDOWNERS' obligations arising under this Agreement pertaining to indemnity and attorneys fees as set out in Sections 2.7.5, 6.8, 6.10, 7.1 and 7.5, and LANDOWNERS' rights and obligations regarding approved entitlements as set out in Section 7.10, shall survive the expiration, termination, or cancellation of this Agreement.

**9.14 Covenant of Good Faith and Cooperation.** CITY and LANDOWNER'S agree that each of them shall at all times act in good faith and cooperate with one another in order to carry out the terms of this Agreement. Any information which is readily available and required by one Party from the other Party in order to carry out that Party's obligations under this Agreement shall be provided to that Party within a reasonable period of time and at no cost.

**9.15 Prior Agreements.** There are no oral or written representations, understandings, undertakings or agreements between the Parties related to Development of the Property that are not contained in or expressly referred to in this Agreement, and any such representations, understandings, undertakings, or agreements are superseded by this Agreement. No evidence of any such representations, understandings, undertakings, and agreements shall be admissible in any proceeding of any kind or nature related to the terms and conditions of this Agreement, or its interpretation or default. This Agreement is specifically intended by the Parties to supersede all prior written agreements, if any, for the Development of the Property which may exist between CITY and LANDOWNERS, except as may be specified in the Special Conditions. The provisions of Sections 2.7.5, 6.8, 6.10, and 7.1 of this Agreement relating to indemnification and defense of CITY by LANDOWNERS shall be applicable to any claim whatsoever against CITY by an Assignee or a third party arising out of or in any way relating to any existing or future agreement between the Parties, or between LANDOWNERS and City Agency, relating to the Development of the Property.

**9.16 Power of Eminent Domain.** It is understood that LANDOWNERS may be required by CITY to utilize its best good faith efforts to acquire certain parcels and land and rights-of-way which are not currently owned by LANDOWNERS and necessary to construct the Public Facilities as required by CITY to serve the Project. Should it become necessary due to LANDOWNERS' failure to acquire such lands and rights-of-way, the CITY shall negotiate the purchase of the needed land and rights of way to allow LANDOWNERS or CITY to construct the Public Facilities that are required to be constructed by LANDOWNERS or CITY to serve the Project under this Agreement. If necessary, in accordance with the procedures established by State law, CITY may use its power of eminent domain to condemn such lands and rights-of-way. LANDOWNERS shall pay for CITY's costs associated with CITY's acquisition and condemnation proceedings unless such costs are paid through a Public Financing Mechanism or Development Fee. If CITY is unable or prevented from acquiring or condemning the necessary land and rights-of-way to enable LANDOWNERS or CITY to construct the Public Facilities required under this Agreement, then the Parties will meet to negotiate the terms of an amendment to this Agreement, including, without limitation, changes to the Project Entitlements and LANDOWNERS' Vested Rights. Nothing in this Section 9.16 is intended or shall be deemed to constitute a determination or resolution of necessity by CITY to initiate condemnation proceedings and nothing in this Section 9.16 or in this Agreement is intended or shall be construed to constitute a prohibition against CITY or City Agency to exercise its power of eminent domain to condemn LANDOWNERS' Property.

**9.17 Counterparts.** This Agreement may be executed in any number of counterparts and shall be deemed duly executed when each of the Parties has executed such a counterpart.

**9.18 Authority.** Each of the signatories to this Agreement represent that he or she is authorized to sign the Agreement on behalf of such Party, all approvals, acts, ordinances, and consents which must be obtained to bind such Party have been obtained, no further approvals,

acts, ordinances, or consents are required to bind such Party to this Agreement, and he or she is signing to guarantee the performance of such Party's obligations under this Agreement.

**9.19 Final Form of Exhibits.** It is the intention of the Parties, and the Parties expressly agree, that the Exhibits to this Agreement may be modified by CITY, in cooperation with LANDOWNERS, after City Council approval of the Adopting Ordinance and execution of this Agreement by the Parties, and prior to recordation, in order to conform the contents of the Exhibits to the final City Council approval of the Project.

**NEW BRIGHTON SPD**

#### **17.446.010 Purpose and goals.**

A. The New Brighton Special Planning District (“New Brighton SPD”) encompasses an area historically referred to as the Brighton Township dating to the 1880’s. Most recently the area has been the site of extensive sand and gravel mining, and presents the opportunity for development of an urban infill and reuse community. The purpose of the New Brighton SPD is to work in concert with the New Brighton Planned Unit Development (PUD) Guidelines to guide development of a mix of single-family and multi-family housing, commercial centers, urban farming areas, educational facilities, and recreational parks and open spaces.

B. The goals of the New Brighton SPD are as follows:

1. Create, facilitate, and encourage the flexible transition of the New Brighton SPD from historic industrial uses to a new urban mixed-use development;
2. Provide a greater mix of permitted and conditionally permitted uses and income types, while promoting the harmonious co-existence of these land uses by emphasizing high quality architecture and site planning.
3. Foster healthy communities through urban farming, community gardens, and a comprehensive network of open space, trails, and recreational amenities.
4. Allow for the continued use and orderly transition of existing industrial uses to urban land uses.

#### **17.446.020 New Brighton SPD Boundaries.**

The New Brighton SPD is comprised of approximately 232 acres of property located at the southwest corner of Jackson Highway and South Watt Avenue as illustrated by Figure 1.

#### **17.446.030 Conflicting Requirements.**

Development within the New Brighton SPD shall be subject to the regulations and development standards set forth in this Chapter, in addition to the regulations of this Title and Code. If a conflict between the provisions of this Chapter and other provisions of this Title and Code occurs, the provisions of this Chapter shall apply.

#### **17.446.040 New Brighton Planned Unit Development.**

The boundaries of the New Brighton SPD are coterminous with the boundaries of the New Brighton Planned Unit Development. All development in the New Brighton SPD is subject to Chapter 17.452 relating to development in a planned unit development.

#### **17.446.050 Continuation of Industrial Uses.**

All industrial uses existing in the New Brighton SPD that become nonconforming upon rezoning with a New Brighton SPD suffix , including all then existing buildings, structures, and equipment, may continue in operation, and shall not be subject to Chapter 17.232 with respect to additions, enlargements, relocation, repair and reconstruction, change to another nonconforming use , or discontinuance, until such time as the use is terminated and able to transition to the land uses established in the New Brighton SPD Industrial uses that may continue include:

- Surface mining and reclamation
- Aggregate pre-wash facility
- Conveyor line and related facilities
- Soil drying beds and ponds
- Water ponds and related facilities
- Agricultural fields.

#### **17.446.060 A - Agricultural Zone.**

##### **A. Purpose.**

The primary purpose of this zone is to promote wellness and create community through the introduction of an urban farm in the heart of the New Brighton SPD. The A Zone is the primary zone for the urban farm which implements the overall vision of the New Brighton SPD by providing a place to produce, showcase, and distribute local produce. This zone is intended to provide support for all aspects of the urban farm including education, food production, housing, retail sales, and restaurants, with a requirement that a minimum of 15 acres be utilized for general agricultural activities involving the raising, producing, and keeping of plants and livestock.

##### **A. Allowed Uses.** The following uses are permitted in the A zone within the New Brighton SPD:

1. The permitted uses found in Title 17.200.110A (A zone) and 17.216.610A (C-1 zone). Exception: Up to a maximum of 50 residential units are permitted in the 28± acres of A zone in the SPD.
2. The conditional uses found in Title 17.200.110B (A zone) and 17.216.610B (C-1 zone) subject to conditional use permit review and approval. Exception: "Assembly- cultural, religious, social use" as defined in Title 17.108.020 is a permitted use without a conditional use permit.
3. A maximum of 15,000 square feet of manufacturing/production facilities related to agriculture products produced in the 28 acres of A zone (such as the pressing of olive oil, the packing of fruit) is permitted.

4. The accessory uses found in Title 17.200.110C and Title 17.216.610C.

### 17.446.070 AOS – Agricultural-Open Space Zone

In addition to the permitted and conditional uses listed in 17.200.210A and B, a produce stand not exceeding 120 square feet is a permitted use and a produce stand exceeding 120 square feet is permitted subject to Zoning Administrator conditional use permit review and approval.

### 17.446.070 Other Zones

Development in all zones other than the A and AOS zones within the New Brighton SPD shall be subject to the regulations of the underlying zone and the adopted PUD Development Guidelines and Schematic Plan.

### **PROTEST WAIVER PROVISIONS**

LANDOWNERS understand and agree that financing and maintenance of the Public Facilities required under the Development Plan, Project Entitlements, and Special Conditions may be accomplished through a variety of Public Financing Mechanisms, including, without limitation, a combination of special assessment districts, tax districts (such as Mello-Roos Community Facilities Districts), and Development Fees, all of which mechanisms are designed to spread the cost of the Public Facilities in accordance with benefit to the properties included in such Public Financing Mechanisms and other fee programs and methodologies. LANDOWNERS further understand and agree that an important component of this Agreement is LANDOWNERS' advance consent to the formation of, or implementation of, any such Public Financing Mechanisms, and LANDOWNERS' agreement not to protest or contest such formation, implementation or fee imposition.

Accordingly, LANDOWNERS agree for themselves, their constituents, successors and assigns that they fully, finally, and forever waive and relinquish any right they may have to protest or contest the formation or implementation of any Public Financing Mechanism to fund and maintain Public Facilities, together with any rights they may have to contest the imposition of any related fees, assessments, taxes, or other charges. Nothing in this Agreement, however, shall prevent LANDOWNERS from presenting CITY any information or opinions regarding any Public Financing Mechanism that CITY may from time to time consider establishing or imposing, which information or opinions relate to the dollar amount of any fees, assessments, taxes or other charges imposed by CITY.

If a Public Financing Mechanism or Development Fee is proposed for adoption by CITY, which Public Financing Mechanism or Development Fee directly and significantly conflicts with the Nexus Study adopted by the City Council in connection with establishment of the financing mechanism or fee, LANDOWNERS shall have the right to protest only the actual amount of the directly and significantly conflicting proposed fee, charge, special tax, or assessment proposed to be levied, charged, assessed or taxed against the Property by virtue of the proposed Public Financing Mechanism or Development Fee . However, LANDOWNERS' right to protest, or object shall be waived unless LANDOWNERS' protest or objection is made at or before the time of the public hearing wherein the proposed Public Financing Mechanism or Development Fee is established by the City Council.

LANDOWNERS shall not have the right, in connection with any land use entitlement proceeding with respect to the Property, to judicially challenge the Public Financing Mechanism

or Development Fee, or the fees, charges, assessments or special taxes as applied to the Property or the Project for Public Facilities, and waive any statutory or common law right to withhold payment or to pay such fees, charges, assessment or special taxes under protest. For purposes of this Agreement, "fees, charges, assessments or special taxes" shall include any monetary exaction or payment required to be paid by LANDOWNERS by virtue of or relating to Development of the Property.

Without limiting the generality of the foregoing, LANDOWNERS for themselves, their constituents, successors and assignees specifically, as to the Property, agree to the following:

(1) Waive, and hereby grant advance consent to the formation and implementation of any and all special assessment districts, tax districts (such as Mello-Roos Community Facilities Districts), fee districts or other Public Financing Mechanisms of a similar nature recommended or established by CITY for the purpose of financing and maintaining Public Facilities .

Without limiting the generality of the foregoing, LANDOWNERS specifically waive: (i) the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 of the Streets and Highways Code, beginning at section 2800), together with associated provisions of the California Constitution; (ii) the provisions of any other statute designed to provide a protest or contest procedure in connection with formation and implementation of a district or similar financing mechanism; and (iii) the provisions of any procedure embodied in the Sacramento City Code designed to provide a protest or contest procedure in connection with formation and implementation of a district or similar financing mechanism.

(2) Waive, and hereby grant advance consent to the establishment or imposition of any and all Development Fees and special fees, exactions, development fees, assessments, taxes or other charges established by CITY for the purpose of financing and maintenance of Public Facilities. Without limiting the generality of the foregoing, LANDOWNERS specifically waive: (i) to the extent applicable, those statutory and constitutional provisions specified in paragraph (1) above; and (ii) the provisions of Government Code sections 66000, et seq., or any other provision of law providing a procedure for contest or protest of establishment or imposition of Development Fees, and special fees, exactions, development fees, assessments, taxes or other charges of a similar nature.

(3) Agree to: (i) affirmatively petition CITY, where applicable, for the formation of all special districts and other Public Financing Mechanisms that have been or will be in the future selected or recommended by CITY ; (ii) execute an irrevocable proxy or proxies when necessary (such as in the formation of, or imposition of taxes relative to, a Mello-Roos Community Facilities District) authorizing a representative designated by CITY, who will vote in favor of establishing the specific Public Financing Mechanism in question; and (iii) execute immediately upon presentation any document which is required or convenient for the formation of the district or facilitation of the particular Public Financing Mechanism.

LANDOWNERS agree and specifically represent to CITY that it is fully aware of all of its legal rights relative to the waivers, advance consents and other agreements set forth herein, having been fully advised by its own independent attorneys. Having such knowledge and understanding of its rights, LANDOWNERS have nevertheless voluntarily entered into the Agreement, of which this Exhibit is a material part. LANDOWNER is aware that CITY is relying on the representations contained in this Exhibit in entering into the Agreement.

C. The purpose of this Reservation Agreement is to specify the purchase price and schedule for acquisition of the Reservation Parcel.

## AGREEMENT

NOW, THEREFORE, LANDOWNERS AND PUBLIC AGENCY HEREBY AGREE AS FOLLOWS:

1. Property Ownership

LANDOWNERS hereby certify that they are the owner in fee title of the real property situated in the City of Sacramento as depicted in Exhibit A, which is attached hereto and incorporated herein by this reference ("Property").

2. Consideration for Reservation

LANDOWNERS' offer to reserve a portion of the Development Property for future sale to PUBLIC AGENCY as described herein is made in furtherance of a condition of approval by the City of Sacramento for LANDOWNER to develop the Property.

If a conflict between Exhibits A and B, Exhibit B shall prevail.

4. Purchase Price

In accordance with Government Code section 66480, the purchase price for the Reservation Parcel shall be based on the fair market value of the property at the time of the filing of the tentative map that encompasses the Reservation Parcel, plus the taxes paid and any other costs incurred by LANDOWNERS for the maintenance of the Reservation Parcel, including interest costs incurred on any loan covering the Reservation Parcel, from the date of filing of the referenced tentative map to the date of acquisition.

5. Documents and Agreements

At the time of filing the tentative map that encompasses the Reservation Parcel, the LANDOWNERS shall provide PUBLIC AGENCY the following documents that were prepared within the prior six months: (i) an appraisal of the fair market value of the Reservation Parcel prepared by a licensed MAI appraiser, (ii) a phase I environmental site assessment of the Reservation Parcel, (iii) a preliminary title report for the

Reservation Parcel, and a (iv) a form purchase and sale agreement for transfer of title to the Reservation Parcel.

6. Acquisition Schedule

In accordance with Government Code section 66480, PUBLIC AGENCY shall have two years from the date of the filing of the final subdivision or parcel map that encompasses the Reservation Parcel, and such longer period if LANDOWNERS are obligated to complete improvements to the Reservation Parcel and such improvements are not completed within the referenced two year period, to close escrow to acquire the Reservation Parcel. 7. Acquisition of Reservation Parcel

LANDOWNERS shall negotiate with PUBLIC AGENCY in good faith to determine the fair market value of the Reservation Parcel, the purchase price, and reasonable terms and conditions of the purchase and sale agreement. PUBLIC AGENCY shall have the sole and absolute discretion to determine whether to purchase the Reservation Parcel at the price and based on the terms and condition in this Agreement and the documents referenced in Section 5, above. Nothing contained in this Agreement shall be construed as binding the PUBLIC AGENCY to purchase the Reservation Parcel.

8. Encumbrances and Improvements

From the date of this Agreement and until PUBLIC AGENCY acquires the Reservation Parcel, or provides written notice to LANDOWNERS of PUBLIC AGENCY's determination to terminate this Agreement and release LANDOWNERS from their obligation to set aside the Reservation Parcel for acquisition by PUBLIC AGENCY, LANDOWNERS shall not construct or cause to be constructed on the Reservation Parcel: (i) any structures, including, without limitation, buildings, driveways, or signs; (ii) any utilities not existing on the Reservation Parcel as of the Effective Date of this Agreement; or (iii) the planting of any trees, although Reservation Parcel may be landscaped.

9. Hazardous Substances

To the best of LANDOWNERS' knowledge, there are no notices or other information giving LANDOWNERS reason to believe that any conditions existing on the Reservation Parcel or in the vicinity thereof subject or could subject an owner of the Reservation Parcel to potential liabilities under any federal, state or local law, statute, ordinance, regulation, rule, order, decree, or other governmental requirement that pertains to the regulation of Hazardous Substances and/or the protection of public health and safety or the environment, including, but not limited to, the ambient air, soil, soil vapor, groundwater, surface water or land use. As used in this offer, the term "Hazardous

Substances” means any substance, material, waste or other pollutant or contaminant that is or becomes designated, classified and/or regulated as hazardous or toxic under any federal, state or local law, statute, ordinance, regulation, rule, order, decree, or other governmental requirement now in effect or later enacted. Any liability associated with the presence of any Hazardous Substances on or adjacent to any portion of the Reservation Parcel shall be governed by the provisions of Section 10 below, regardless of whether any inspection, examination, sampling, testing, assessment or other investigation is conducted by PUBLIC AGENCY prior to close of escrow.

LANDOWNERS further agree and understand that PUBLIC AGENCY does not, and shall not be deemed to, waive any rights against LANDOWNERS which it may have by reason of the aforesaid indemnity and hold harmless agreement because of any insurance coverage available to PUBLIC AGENCY. ### **AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing recitals which are specifically incorporated into the body of this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

**1. Effective Date; Termination.** This Assignment shall be effective as of the "Closing Date," as defined in the Exchange Agreement (the "Effective Date"). If the Exchange Agreement terminates prior to the closing thereunder, this Assignment shall automatically terminate and the Parties shall have no further obligations hereunder.

**2. Assignment and Assumption.** As of the Effective Date, LANDOWNERS hereby assign and transfer to ASSIGNEE any and all of LANDOWNERS' rights under the Development Agreement as they relate to the Assigned Parcel(s), and ASSIGNEE hereby accepts and assumes all of the duties and obligations of LANDOWNERS under the Development Agreement as they relate to the Assigned Parcel(s). ASSIGNEE hereby agrees to observe and fully perform all of the duties and obligations of LANDOWNERS under the Development Agreement, and to be subject to all of the terms and conditions thereof, with respect to the Assigned Parcel(s).

**3. Assumption Terms and Conditions.** LANDOWNERS and ASSIGNEE understand and agree that this Assignment is subject in particular to Section 2.6 of the Development Agreement, which reads as follows:

**“2.6 Assignment.**

**2.6.1 Right to Assign.** LANDOWNERS shall have the right to freely sell, alienate, transfer, assign, lease, license and otherwise convey all or any portion of the Property and improvements thereon as part of a contemporaneous and related sale, assignment or transfer of its interests in the Property, or any portion thereof, without the consent of CITY; provided that no partial transfer shall be permitted to cause a violation of the Subdivision Map Act (Government Code § 66410 et seq.). LANDOWNERS shall notify CITY of any sale, transfer or assignment of all of LANDOWNERS' interests in all or any portion of the Property by providing written notice thereof to CITY in the manner provided in Section 9.2 not later than thirty (30) days before the effective date of such sale, transfer or assignment. LANDOWNERS' failure to provide such notice to CITY shall not invalidate such sale, transfer or assignment; however, any successor in interest in ownership of all or a portion of the Property shall not benefit from the Vested Rights conferred herein without executing and delivering to CITY an Assignment and Assumption Agreement.

**2.6.2 Release.** LANDOWNERS shall remain obligated to perform all of terms and conditions of this Agreement unless the purchaser, transferee or Assignee delivers to CITY a fully executed Assignment and Assumption Agreement to assume all of the obligations of LANDOWNERS under this Agreement and to comply with all of the terms and conditions of this Agreement with respect to the Property, or such portion thereof sold, transferred or assigned, for Development of the Project. Upon such execution and delivery of the Assignment and Assumption Agreement, CITY shall release LANDOWNERS from all duties, liabilities and obligations under this Development Agreement with respect to the interest(s) sold, assigned or transferred only if LANDOWNERS are not in default under this Agreement as of the effective date of the Assignment.

2.6.3 **Assignees.** The Assignee shall be obligated and bound by the terms and conditions of this Agreement if it executes the Assignment and Assumption Agreement, and shall be the beneficiary hereof and a party hereto, only with respect to the Property, or such portion thereof, sold, assigned, or transferred to Assignee by LANDOWNERS. The Assignee shall observe and fully perform all of the duties and obligations of LANDOWNERS under this Agreement, as such duties and obligations pertain to the portion of the Property sold, assigned, or transferred. CITY shall release Assignee from all duties, liabilities and obligations under this Development Agreement of LANDOWNERS with respect to the interest(s) that are not sold, assigned or transferred to Assignee. Any such assumption agreement shall be deemed to be to the satisfaction of the City Attorney if executed substantially in form of the Assignment and Assumption Agreement attached hereto as Exhibit I and incorporated herein by this reference, or such other form as shall be proposed by LANDOWNERS and approved by the City Attorney prior to the effective date of the assignment.”

4. **Assignee Development Agreement.** At the request of the City, ASSIGNEE agrees to enter into a separate development agreement with respect to the Assigned Parcel(s) in accordance with the same terms and conditions as set out in the Development Agreement, subject only to those changes in the Development Agreement that are mutually agreed to by both City and ASSIGNEE, and subject to processing of the approval of that development agreement in accordance with City’s Procedural Ordinance.

5. **No Cross-Default.** The Parties acknowledge and agree that the respective obligations of LANDOWNERS and ASSIGNEE under the Development Agreement shall be separate and independent from one another, such that a default by LANDOWNERS of any of the LANDOWNERS’ duties and obligations will not constitute a default under the Development Agreement by ASSIGNEE, and a default by ASSIGNEE of any of the ASSIGNEE’s duties and obligations will not constitute a default under the Development Agreement by LANDOWNERS, and the City’s rights and remedies under the Development Agreement shall apply only to the Party, and the Property or Assigned Parcel(s), that is the subject of the default. Any duties and obligations under the Development Agreement that apply to both the Property and the Assigned Parcel(s) must be complied with by both LANDOWNERS and ASSIGNEE, but as separate obligations.

6. **Successors and Assigns.** All of the covenants, terms and conditions set forth in this Assignment shall be binding upon and shall inure to the benefit of the Parties and to their respective heirs, successors and assigns.

ASSIGNEE further agrees that: (i) LANDOWNERS have furnished ASSIGNEE with a copy of all documents and materials containing or relating to terms and

conditions of development of the Assigned Parcel(s); (ii) ASSIGNEE has read and understands all of the terms and conditions of said documents and materials; and (iii) with such knowledge and understanding, which includes the nature and extent of the fees, taxes, assessments and other public financing mechanisms and obligations inherent in such documents and materials, nevertheless has voluntarily, freely and knowingly assumed and agreed to perform all of obligations and requirements, and be bound by all of the provisions of such documents and materials, in addition to the express terms and conditions of the Development Agreement.

This Assignment contains the entire agreement of the Parties, no other understanding whether verbal, written or otherwise exists between the Parties, and no prior verbal or written communications regarding this Assignment shall be binding on any Party.
