Description/Analysis

Issue Detail: On October 4, 2015, California Task Force Seven (CA TF-7) Red Incident Support Team (IST) representatives were activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) for response to Hurricane Joaquin in South Carolina.

As the sponsoring agency for CA TF-7 Urban Search and Rescue (US&R) program, the City of Sacramento (Fire Department) is responsible for providing trained personnel to staff positions on federal incident support teams, and as a result of this deployment, the City must sign the DHS/FEMA Assistance Award/Amendment contract (EMW-2013-CA-USR-0008, Amendment M003) in the amount of \$61,600, to receive reimbursement for costs associated with deployment activities.

Policy Considerations: Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

Economic Impacts: None

Environmental Considerations: Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA) CEQA Guidelines, Section 15061(b) (3), 15378(b) (2).

Sustainability: There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

Commission/Committee Action: None

Rationale for Recommendation: DHS/FEMA Assistance Award/Amendment contract (EMW-2013-CA-USR-0008, Amendment M003) in the amount of \$61,600, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the Hurricane Joaquin Red IST Deployment.

Financial Considerations: As the sponsoring agency, the City of Sacramento incurs costs related to the alert of the CA TF-7 US&R Team; and DHS/FEMA reimburses expenses directly related to these deployment activities. This amendment allows DHS/FEMA to obligate \$61,600 of federal funds (Fund 2702) to cover labor expenses incurred by the City activities associated with the Hurricane Joaquin Red IST Deployment. Staff is recommending that an operating grant be established (G12702900) with a revenue and expenditure budget of \$61,600.

Local Business Enterprise (LBE): Not applicable.
