Description/Analysis

Issue Detail: The Department of Parks and Recreation has an ongoing need to purchase athletic, physical education, and recreation equipment for its sports programs and activities. Using an existing cooperative purchasing agreement for these purchases is advantageous to the City as the specifications meet the needs of the Department and will result in cost and time savings. Authorization is required in order to use the Region 4 Education Service Center's ("Region 4 ESC") contract with BCN Sports, LLC (attached) to issue purchase orders for such equipment. Region 4 ESC, located in Houston Texas, issued a competitive solicitation process that stated that other government agencies may purchase products through their contract. The Region 4 ESC contract term is through August 2019. Authorization is also requested to allow for supplemental equipment purchases to be made on an as-needed basis at retail vendors such as Big 5, Cabela's, Excel Fitness, REI, Sportsman's Warehouse, Greater Sacramento Softball Association and Wilderness Archery. These proposed actions are consistent with the City Council's past approvals with regard to purchasing recreational equipment through cooperative agreements and from retail vendors.

Policy Considerations: In accordance with City Code 3.56.240, purchase of supplies through cooperative purchasing agreements approved by City Council without competitive bidding is allowed where it is advantageous to the City. The cooperative agreement with BSN Sports, LLC meets the Department's specifications and will result in cost savings because of the competitive bidding that was undertaken by.

This report also requests authorization for supplemental purchases from retail vendors because the total annual expenditure at each retail store may exceed the API \$5,000 threshold for direct purchases and would otherwise require seeking bids and retail vendors do not bid on public contracts.

Economic Impacts: None

Environmental Considerations: This report concerns continuing administrative activities and is not a "project" for the purposes of CEQA pursuant to section 15378(b)(2) of the CEQA Guidelines.

Sustainability: The purchase of athletic, physical education, and recreation equipment for sports activities been reviewed for consistency with the goals, policies, and targets of the City's Sustainability Master Plan (SMP), the Parks and Recreation Sustainability Plan, and the 2035 General Plan. The equipment will advance the goals, policies, and targets of these plans by improving the health of residents through access to a diverse mix of wellness and recreation activities.

Commission/Committee Action: None

Rationale for Recommendation: The use of the Region 4 ESC cooperative purchasing agreement enables the Parks and Recreation Department to purchase for athletic, physical education and recreation equipment at a competitive price and expeditiously.

The volume and types of product required by Parks and Recreation programs requires additional purchases from retail vendors, which require either purchase orders or use of procurement credit cards.

Financial Considerations: The estimated cost of equipment and related supplies to be purchased from BSN Sports, LLC from October 1, 2016 through September 30, 2019 is \$296,000. The estimated cumulative cost of supplemental athletic, physical education, and recreation equipment to be purchased from Big 5, Cabela's, Excel Fitness, REI, Sportsman's Warehouse, Greater Sacramento Softball Association and Wilderness Archery is not to exceed \$100,000 annually. These purchases are subject to funding availability in the adopted operating budget for the applicable fiscal year.

Local Business Enterprise (LBE): Cooperative purchasing agreements awarded by other government agencies would not include LBE participation. The Department will use local retail vendors for supplemental purchases when available.

BSN Sports will also continue to search for and acquire team dealers and brands to expand our network, product offering and reach deeper into individual communities to ensure we remain the largest institutional sporting goods dealer while offering the best service and value inside our business category.

13. What differentiates your company from competitors?

BSN Sports differs from its competitor's with its size, product offerings and customer service. When a call has been received and the customer is approaching the 10 second limit and no one has answered, the call will be routed to one of the nearly XXX outbound sales reps who will then act as customer service for the customer. All outbound and "front line" employees are trained to take care of any problem and know when to escalate the issue should it be necessary. BSN Sports keeps three service centers with the main service center consisting of 20 people fielding all the customer service calls we receive in the day. The front line keeps their phones available Monday through Friday, including some holidays from 7:30 AM to 6:00 PM CST.

Appendix G: **VALUE ADD**

Please include any additional products and/or services not included in the original scope of the solicitation that you think will enhance and/or add value to this contract for participating agencies. Region 4 ESC respectfully reserves the right to determine if value add proposed is considered within the scope of this RFP and deemed advantageous to their agency as well as member agencies.

At approximately XXXX in sales, BSN Sports is the largest marketer, manufacturer, and direct distributor in the institutional sporting goods market. With size comes the strongest domestic and international buying power in the industry allowing us to keep product costs down by leveraging our buying power in negotiations. This size also allows the company significant borrowing power against its inventory and receivables – a true luxury that small competitors do not enjoy.

With our size and model, we have the best position to pass real savings to our end users and provide customers with pricing that is lower than most local suppliers on comparable product. BSN's "factory direct" distribution model, eliminates in many cases the traditional manufacturer to distributor markup that most of our competitors incorporate.

Additionally, our XXXX of in-stock product along with over 100,000 name brand and house brand products to choose from provides our customers with fast shipping and the broad product selection and service that they demand. This strategic in-stock position allows BSN Sports to get product to most of our customers in 3 days or less. We took the idea of fast shipping a step further with a program we call "Quick Ship", getting the items we stock in those warehouses out within 24 hours of the order being placed, even things like bleachers, soccer goals, and goal posts. We can save our customers hundreds of dollars on a single order by eliminating the need to pay for expedited shipping since we move the product out the door so quickly.

Finally, we believe we are the only company in our space that invoices our customers complete. What this means is if we back order one item from their order of say 10 items, we do not invoice them until all 10 items have been shipped. We have found that invoice complete is a service that our customers welcome as it greatly reduces their paper clutter.

When you add it all up, we believe BSN Sports offers the best overall value and customer experience in the institutional sporting goods industry where our focus is to provide a positive and memorable experience to all of our customers by being their number one vendor of choice!

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

Filing Process:

Starting on January 1, 2016, the commission will make available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site starting on January 1, 2016.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when REGION 4 EDUCATION SERVICE CENTER expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when REGION 4 EDUCATION SERVICE CENTER expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by REGION 4 EDUCATION SERVICE CENTER resulting from this procurement process.

The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lgs/lfn/lfnmenu.shtml).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used "as-is", subject to edits as described herein.
 - e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed.
