1-Description/Analysis

2-Agreement

Description/Analysis

Issue Detail: The Department of Public Works (DPW), Fleet Management Division, has an ongoing requirement for vehicle equipment and installation services for the City's fleet of vehicles. The recommended cooperative agreement will be used to purchase lighting and emergency equipment and installation services to outfit new replacement vehicles.

Policy Considerations: The recommendations in this report are in accordance with City Code Chapter 3.56.

Economic Impacts: None

Environmental Considerations: No environmental review is necessary because the recommendations in this report involve the purchase of vehicle equipment and installation services and are not considered to be a project in accordance with Section 15378(b)(2) of the California Environmental Quality Act guidelines.

Sustainability: Not applicable

Commission/Committee Action: None

Rationale for Recommendation: After reviewing the available purchase options, Fleet Management has determined that using the County of Placer cooperative purchase agreement with Lehr Auto Electric represents the most advantageous purchasing strategy because the agreement offers a complete range of equipment to meet the City's needs and it was competitively bid regionally.

In an ongoing effort to maximize cost savings and staff resources, many government agencies share contracting efforts through cooperative purchasing. This procurement method increases pricing competitiveness and lowers capital costs through volume buying. When comparing the administrative costs of procurement, staff considers product research, source selection, specifications, advertising, staff reports, awarding, protest, and administration of the contract. It is often more cost-effective to eliminate the cost and time spent on these administrative processes and purchase items and services through a cooperative purchasing program. The City has used both regional and national cooperative purchase agreements to complement its own contracting initiatives. Cooperative purchasing enables City departments to evaluate a broader range of contracting opportunities and to share resources with other jurisdictions. Cooperative purchasing also leverages internal and external resources to maximize cost savings opportunities for the City.

Financial Considerations: In determining the recommended spending authorization, Fleet Management staff reviewed the expenditure history and considered future needs. Purchases under the recommended cooperative purchase agreement will be made from the DPW operating budget (Fleet Fund, Fund 6501) and charged to the customer department's multi-year operating project for replacement vehicles and equipment. Sufficient funding is available in the DPW FY2016/17 operating budget for purchases made through June 30, 2017. Purchases made after June 30, 2017 are subject to funding availability in the adopted budget of the applicable fiscal year.

Local Business Enterprise (LBE): Lehr Auto Electric is an LBE.

As used herein, the terms Purchase Order, Blanket Purchase Order, and Contract are interchangeable. As used herein, the term Placer County means Placer County or its officers, agents, employees and volunteers.

- 1. APPLICABLE LAWS AND REGULATIONS.** This Agreement is executed and intended to be performed in the State of California, and the laws of that State shall govern its interpretation and effect. Any legal proceedings on this agreement shall be brought under the jurisdiction of the Superior Court of the County of Placer, State of California. Each party waives any Federal court removal and/or original jurisdiction rights it may have. The contractor shall comply with all local, state and federal laws and regulations related to the performance of the contract to the extent that the same may be applicable. To the extent that a provision of the contract is contrary to the laws of the State of California or the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties, unless terminated by consent of both the Contractor and the County.
- 2. ALTERATIONS TO CONTRACT.** All specifications and plans referred to in this order shall form a part of the contract. This order must be filled exactly as specified. No exceptions, alternates or substitutes will be accepted unless authorized by a written change order. No alteration in any of the terms, conditions, delivery, price, quality, quantities, or specifications of this order will be effective without prior consent of the Purchasing Agent of the County of Placer. No charges will be allowed for packing, wrapping bags, containers, reels, etc. unless otherwise specified.
- 3. ASSIGNMENT.** This contract shall not be assignable by the contractor without the express written approval of the County, and shall not become an asset in any bankruptcy, receivership or guardianship proceedings.
- 4. TIMELY DELIVERY.** Time of delivery is part of the essence of this contract and the order is subject to cancellation for failure to deliver on time.
- 5. INSPECTION AND ACCEPTANCE.** Materials purchased are subject to the acceptance of the County of Placer and if rejected are held subject to the Contractor's risk and expenses incurred for their return. No equipment, supplies or services received by the County pursuant to this contract shall be deemed accepted until the County has had reasonable opportunity to inspect said equipment, supplies or services. All equipment, supplies or services which do not comply with the specifications or requirements of this contract or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected. The County reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- 6. DOCUMENTATION.** Purchase Order / Blanket Purchase Order / Contract Number must appear on all invoices, packing lists, packages, shipping notices, and any correspondence. An itemized packing list shall be enclosed in each box or package.
- 7. MERCHANTABILITY.** The contractor warrants articles supplied under this contract to conform to specifications herein, to be fit and sufficient for the purpose manufactured, merchantable, of good material and workmanship, and free from defect.
- 8. INVOICES AND PAYMENT.** Invoices are to be mailed to the County department specified on the resulting purchase order, blanket purchase order or contract. All invoices must include the purchase order number, blanket purchase order number, or contract number. Failure to comply will result in delayed payments. Submit an original and one (1) copy of the invoice(s) to the invoice address shown on the face of the order. The County will make payment on a Net 30-day basis unless a cash discount is allowed for payment within the time period specified on the face of this purchase order (or blanket purchase order). The payment term shall begin on the date the merchandise is inspected, delivered and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. For the purposes of this section, the beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term. **LATE FEES:** In accordance with Section 926.10 of the California Government Code, Placer County will pay interest at the rate of 6% per annum on invoices which are unpaid 61 or more days beyond the "beginning date" as defined above.
- 9. TAXES.** The County of Placer must pay California state and local sales tax, unless purchase order, blanket purchase order or contract specifically indicates exemptions. The County of Placer is exempt from Federal Excise and Transportation taxes. Exemption certification will be furnished upon request.
- 10. LIENS.** Contractor, by accepting this purchase order, warrants and represents that the goods, wares or merchandise ordered herein are free and clear from all claims and liens of any nature whatsoever.
- 11. INSURANCE.** The contractor shall maintain insurance adequate to protect him from claims under Worker's Compensation Acts, and from claims for damages for personal injury, including death, and damage to property, which may arise from operations under the purchase order, blanket purchase order or contract. The contractor may be required to file with the County of Placer certificates of insurance, naming the County, its agents, officials, and employees as additional insured in dollar limits specified by the County. Failure to furnish such evidence, if required, may be considered default of the contractor.

12. INDEMNIFICATION. Unless indemnification requirements are otherwise stated in this contract, the Contractor hereby agrees to protect, defend, indemnify, and hold Placer County free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character including, but not limited to the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by Placer County arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the County) and without limitation by enumeration, all other claims or demands of every character occurring or any way incident to, in connection with or arising directly or indirectly out of, the contract or agreement. The Contractor agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Contractor. Contractor also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against Contractor or the County or to enlarge in any way the Contractor's liability but is intended solely to provide for indemnification of Placer County from liability for damages or injuries to third persons or property arising from Contractor's performance pursuant to this contract or agreement.

13. PATENT INFRINGEMENT. Contractor shall indemnify and hold harmless County, its agents and employees, against and from any and all actions, suits, liabilities, prosecutions, penalties, settlements, losses, damages, costs, charges, attorney's fees, and all other expenses which may arise directly or indirectly from any claim that any of the products supplied by supplier infringes any patent, copyright, trade secret, or other property right.

16. FORCE MAJEURE. If an emergency or natural disaster causes delay or interferes with the use or delivery of the products/services described in this request, deliveries may be suspended as long as needed to remove the cause or repair the damage. An emergency or natural disaster includes fire, flood, blizzard, strike, accident, consequences of foreign or domestic war, or any other cause beyond the control of the parties. The County reserves the right to acquire from other sources any products/services during any suspension of delivery.

17. RIGHTS AND REMEDIES OF COUNTY. If any item furnished by the contractor fails to conform to bid specifications, or to the sample submitted by the contractor with his/her bid, the County may reject it. Upon rejection, the contractor must promptly reclaim and remove such item without expense to the County, and shall immediately replace all such rejected items with others conforming to such specifications or samples. If the contractor fails to do so, the County has the right to purchase in the open market a corresponding quantity of any such items and to deduct from any monies due the contractor the difference between the price named in the contract or purchase order and the actual cost to the County. If the contractor fails to make prompt delivery of any item, the County has the right to purchase such item in the open market and to deduct from any monies due the contractor the difference between the price named in the contract or purchase order and the actual replacement cost to the County. If the contractor breaches the contract or purchase order, any loss or damage sustained by the County in procuring items which the contractor therein agreed to supply shall be borne and paid for by the contractor. The rights and remedies of the County identified above are in addition to any other rights and remedies provided by law or under the contract. In any legal proceeding brought to enforce the terms of the herein agreement, the prevailing party shall be entitled to an award of reasonable attorney's fees and costs incurred as a result of enforcing the terms of this agreement.

18. NON-APPROPRIATION. In the event that sufficient funds are not appropriated and budgeted for the payment of goods or services described herein, the agreement shall immediately terminate on the last day of the fiscal period for which appropriations were received or other amounts were available to pay the amounts due under the agreement, without penalty or expense to the County of any kind whatsoever, except that the County will be liable for payment of any unpaid invoices for goods or services which were delivered prior to the end of the last fiscal period for which appropriations were made.

19. TERMINATION OF CONTRACT. In the event of a material breach of the contractual obligations by the Contractor, the County may terminate the contract. At its sole discretion, the County may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at minimum the contractor must provide the county within 10 working days from notification a written plan detailing how the contractor intends to cure the breach. If the contractor fails to cure the breach or if circumstances demand immediate action, the County will issue a notice of immediate termination. Blanket Purchase Orders may be terminated by the County without cause upon 30 calendar days' written notice.

20. ENTIRETY OF AGREEMENT. This contract contains the entire agreement of County and Contractor with respect to the subject matter hereof, and no other agreement, statement, or promise made by any party, or to any employee, officer or agent of any party, which is not contained in this contract, shall be binding or valid.

21. VENDOR FINANCIAL STABILITY. If, during the term of any contract the vendor has with the County, it becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the vendor under federal bankruptcy law or any state insolvency law, the vendor shall immediately provide the County with a written notice to that effect and that it shall provide the County any relevant information requested in order for the County to determine whether the vendor has the financial ability to meet its obligations to the County. County reserves the right to cancel the agreement if, in the sole opinion of the County, the vendor is financially unable to meet its obligations under the agreement.

22. COUNTY'S OPTION TO RENEW BLANKET PURCHASE ORDER: In the event that the awarded supplier offers to supply his service(s) to the County of Placer for the exact same price as indicated in the Blanket Purchase Order herein for any succeeding year or agreement period, or in the event the supplier is willing to negotiate to the satisfaction of Placer County any justifiable price increase at the time prior to the succeeding year's contract renewal, and if the service provided by the supplier was to the satisfaction of the County, the County reserves the right to extend the period of the contract on a year-to-year basis to the awarded supplier.

The CONTRACTOR shall save, keep, hold harmless, defend, and indemnify PLACER COUNTY from all damages, costs, or expenses in law or equity that may at any time arise or be set up because of damages to property or personal injury received by reason of or in the course of performing work which may be occasioned by any willful or negligent act or omissions of the CONTRACTOR, any of the CONTRACTOR'S employees, or any subcontractors.

The CONTRACTOR shall be responsible for any liability imposed by law and for death, injury, or damage to property of any person including, but not limited to, workmen, subcontractors, and the public, resulting from any cause whatsoever during the progress of the work or at any time before its completion and final acceptance. If any judgment is rendered against PLACER COUNTY for any injury, death, or damage caused by CONTRACTOR as a result of work performed or completed, pursuant to this agreement, CONTRACTOR shall, at its own expense, satisfy and discharge any judgment.

As used above, the term PLACER COUNTY means PLACER COUNTY, its officers, agents, employees, and volunteers.

Each Workers' Compensation policy shall be endorsed with the following specific language:

Cancellation Notice - "This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to the County of Placer."

Waiver of Subrogation - The workers' compensation policy shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against PLACER COUNTY, its officers, directors, officials, employees, agents or volunteers, which might arise by reason of payment under such policy in connection with performance under this agreement by the CONTRACTOR.

B. One of the following forms is required:

- (1) Comprehensive General Liability;
- (2) Commercial General Liability (Occurrence); or
- (3) Commercial General Liability (Claims Made).

Conformity of Coverages - If more than one policy is used to meet the required coverages, such as a separate umbrella policy, such policies shall be consistent with all other applicable policies used to meet these minimum requirements. For example, all policies shall be Occurrence Liability policies or all shall be Claims Made Liability policies, if approved by PLACER COUNTY as noted above. All certificates and endorsements are to be received and approved by PLACER COUNTY before work commences. No delivery shall be made without a written order by the County, unless otherwise specifically provided for in the contract. If in a subsequent year the vendor offers to supply his goods and service for the same bid price, or in the event the supplier is willing to negotiate to the satisfaction of Placer County any justifiable price increase prior to the succeeding year's contract renewal and if the service provided by the supplier was to the satisfaction of the County, the County of Placer reserves the right to extend the period of the resulting contract on a year-to-year basis. Alternatively, the bid solicitation may set forth specific renewal terms. Bidder certifies that prices charged to the County for non-listed commodities or no-fixed price items are equal to or less than those charged the bidder's most favored customer for comparable quantities under similar terms and conditions.

16. **NON-APPROPRIATION.** In the event that sufficient funds are not appropriated and budgeted for the payment of goods or services described herein, the agreement shall immediately terminate on the last day of the fiscal period for which appropriations were received or other amounts were available to pay the amounts due under the agreement, without penalty or expense to the County of any kind whatsoever, except that the County will be liable for payment of any unpaid invoices for goods or services which were delivered prior to the end of the last fiscal period for which appropriations were made.
17. **RIGHTS AND REMEDIES OF COUNTY FOR DEFAULT.** If any item or service furnished by the vendor fails to conform to bid specifications, or to the sample submitted by the vendor with his bid (if any), or if the vendor fails to deliver the items or perform any services required by the contract in the time and manner prescribed, the County may reject the products and/or services provided. Upon rejection, the vendor must promptly reclaim and remove any rejected items without expense to the County, and shall immediately replace all such rejected items with others conforming to such specifications or samples, and/or correct the service deficiency. If the vendor fails to do so, the County has the right to purchase in the open market a corresponding quantity of the rejected items, or have another firm provide the required service, and to deduct from any monies due the vendor the difference between the price named in the contract or purchase order and the actual cost to the County. If the vendor breaches the contract or purchase order, any loss or damage sustained by the County in procuring items which the vendor therein agreed to supply shall be borne and paid for by the vendor. The rights and remedies of the County identified above are in addition to any other rights and remedies provided by law or under the contract. In any legal proceeding brought to enforce the terms of the herein agreement, the prevailing party shall be entitled to an award of reasonable attorney's fees and costs incurred as a result of enforcing the terms of this agreement.
18. **LOCAL VENDOR PREFERENCE.** A local preference credit of 5.0% for Placer County businesses will be permitted when evaluating bids for supplies, equipment, materials and services that are not part of a public project. Bidders claiming local vendor preference must submit an Affidavit of Eligibility with their bid, unless an authorized affidavit is already on file. Preference criteria and affidavit forms are available on our website at:
<http://www.placer.ca.gov/Departments/Admin/Procurement/LocalVendorPref.aspx>
19. **INVOICES AND PAYMENT TERMS.** Invoices are to be mailed to the County department specified on the resulting purchase order, blanket purchase order or contract. All invoices must include the purchase order number, blanket purchase order number, or contract number. Failure to comply will result in delayed payments. The County will make payment on a Net 30-day basis unless a cash discount is allowed for payment within the time period specified by vendor. The payment term shall begin on the date the merchandise is inspected, delivered and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. For the purposes of this section, the beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term. For the purposes of bid evaluation, the County will only consider discount periods of ten (10) days or more.
20. **LEGAL REQUIREMENTS.** Federal, State, County and local ordinances, rules and regulations, and policies shall govern development, submittal and evaluation of bids and disputes about bids. Lack of knowledge by any bidder about applicable law is not a defense.
21. **ASSIGNMENT.** Any contract awarded shall not be assignable by the vendor without the express written approval of the County, and shall not become an asset in any bankruptcy, receivership or guardianship proceedings.
22. **OTHER AGENCIES.** The successful vendor shall agree to extend Placer County contract prices and terms to other governmental agencies. Any contract resulting from this requirement shall be executed by the successful vendor and the other agency. Placer County will not be a party to "other agency" contracts.
23. **PROTEST AND APPEAL PROCESS.** Any actual or prospective bidder or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Director of Administrative Services in the manner prescribed by Section 10.0 of the Placer County Purchasing Policy. The protest shall be submitted in writing to the Director of Administrative Services within seven (7) calendar days after such aggrieved person or company knows or should have known of the facts giving rise thereto.
24. **RECYCLED PRODUCT PREFERENCE.** A preference of 10% will be given to bids for products meeting the definition of recycled product cited in Public Contract Code Sections 22150 - 22154.
25. **PATENT INFRINGEMENT.** Supplier shall indemnify and hold harmless County, its agents and employees, against and from any and all actions, suits, liabilities, prosecutions, penalties, settlements, losses, damages, costs, charges, attorney's fees, and all other expenses which may arise directly or indirectly from any claim that any of the products supplied by supplier infringes any patent, copyright, trade secret, or other property right.

26. **VENDOR FINANCIAL STABILITY.** If a vendor is currently involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the vendor under federal bankruptcy law or any state insolvency law, the vendor must provide the County with that information as part of its bid/proposal. In accordance with Section 3.12(g) of the Placer County Purchasing Policy Manual and paragraph 8.e. of this document, the County may use information regarding a bidder's financial responsibility when making an award determination.

The County reserves the right to take any action available if it discovers a failure to provide such information to the County, including but not limited to, a determination that the vendor should be declared non-responsible and/or non-responsive, and suspension or debarment of the vendor, in accordance with the processes defined in the Placer County Purchasing Policy Manual.

By submitting a bid/proposal in response to this solicitation, the vendor agrees that if, during the term of any contract it has with the County, it becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the vendor under federal bankruptcy law or any state insolvency law, the vendor will immediately provide the County with a written notice to that effect and that it will provide the County any relevant information requested in order for the County to determine whether the vendor has the financial ability to meet its obligations to the County.

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors
FROM: Brett Wood, Purchasing Manager *BW*
DATE: October 21, 2014
SUBJECT: Patrol Vehicle Equipment and Installation Services – Lehr Auto Electric

ACTION REQUESTED

1. Approve the award of competitive Bid No. 10385 to Lehr Auto Electric of Sacramento, CA for the purchase of patrol vehicle equipment, components, and installation services on an as-needed basis on behalf of the Sheriff-Coroner-Marshall's Office in the maximum amount of \$225,000, funded by the Sheriff-Coroner-Marshall's Office FY 2014-15 budget with no new net County cost, for the period of October 21, 2014 through September 30, 2015;
2. Approve the option to renew the resulting blanket purchase order for three additional one-year terms provided that each renewal amount does not exceed 10 percent in aggregate of the recommended award amount of \$225,000; and
3. Authorize the Purchasing Manager to sign the resulting blanket purchase orders.

BACKGROUND

The Sheriff-Coroner-Marshall's Office requires annual blanket purchase orders (BPOs) for the purchase of patrol vehicle equipment, components, and installation services on an as-needed basis to support the department's fleet maintenance operations. The departments' most recent BPOs expired on September 30, 2014.

On behalf of the Sheriff-Coroner-Marshall's Office, the Procurement Services Division developed Invitation for Bids No. 10385 to solicit competitive bids for the department's patrol vehicle equipment and installation service requirements. The bid was distributed via the County's e-Procurement system to fifty potential bidders and was posted on the County's website. Twenty-four vendors accessed the bid documents online. Lehr Auto Electric was the sole bidder and is the County's most recent provider of patrol vehicle equipment and installation services. Based on the department's satisfaction with the vendor's past contract performance and quality of work, the department concurs with Procurement's recommendation to award Bid No. 10385 to Lehr Auto Electric.

Therefore, your Board's approval is required to proceed with a BPO in the maximum amount of \$225,000 and to authorize the Purchasing Manager to sign the resulting BPO.

FISCAL IMPACT

Upon your Board's approval, a BPO will be awarded to Lehr Auto Electric in the maximum amount of \$225,000 for the period of October 21, 2014 through September 30, 2015. The department's purchases are funded by their annual budget with no net County cost. Funds are not encumbered until products are delivered or services are rendered against the BPO.
