Description/Analysis

Issue Detail: California Government Code Sections 30061-30063 establish a Supplemental Law Enforcement Services Account (SLESA) in each county treasury for the purpose of the Citizens' Option for Public Safety (COPS) Program and requires monies from this fund to be distributed amongst the cities within each county in accordance with the relative population of each incorporated city. The estimated Fiscal Year (FY) 2016/17 allocation for the City of Sacramento is \$747,978.

Policy Considerations: The recommendations contained in this report are consistent with City Council Resolution 2016-0216, which requires City Council approval to establish an operating grant and adjust budgets by \$100,000 or more.

Economic Impacts: None

Environmental Considerations: Not applicable.

California Environmental Quality Act (CEQA): This funding is exempt from the CEQA process as it will not cause a direct or indirect physical change in the environment and therefore does not constitute a "project" as defined in CEQA Guidelines, Sections 15061(b)(3), 15378(b)(2) and 21065(b).

Sustainability: Not applicable.

Commission/Committee Action: Not applicable

Rationale for Recommendation: COPS Program funding is distributed in accordance with the above referenced sections of the California Government Code. Use of the funds is restricted to those activities which directly support frontline municipal police services. These funds will be utilized to improve operations including the purchase of new safety equipment, replacement of worn equipment and software, and support for specialized units, such as Air Operations, Special Weapons and Tactics (SWAT) Team and Forensics.

Financial Considerations: This funding does not require additional resources from the City's General Fund, however funds must be used to supplement, not supplant, existing resources.

Local Business Enterprise (LBE): Purchases with this funding will be made in accordance with the City's LBE program, when applicable.

Resolution No.
