Message	<p> <b>I was in attendance at your last meeting when the Commuttee voted to adopt a recommendation regarding the service and compensation of city council member. The reccommendations read that the City Council service should be "intrepreted as being full" while it states thaere will be 'no change" in the provisioons governing compemnsation. I am very interesting in hearing or reading the City Attorneys legal interpretation of these reccommendations. I undertood from the Committee discussions that "intepreted as full time" means the job will be a "24-7" (24 hour 7 day)oblication as articulated by Dr. Newland. While the "no change" regarding the compension provisions means that Councilmembers could still hold part time employment as do four of the Members at this time. I believe this should be confirmed by the Legal staff or the wording adjusted if necessary to add clarity. Thank you, Rick Bettis</b> </p>
