Message	I ahv been following local, state and national politics for sometime now. There appears to be almost a trend of misbehavior of politicians engaging in inappropriate sexual liaisons, abuse of campaign funds, and abuse of power. On a local level, with respect to the former and latter misdeeds, our own Mayor and the Waters Planning Department matter appear to fill the bill. Accordingly, I am supporting the idea of the formulation of an Ethics Commissionn to handle these matters.
