Please state the reason you would like to be a member of this board/commission (or attach):
I am an ardent arts and community advocate with a good background knowledge of the mission and work of the Sacramento Metropolitan Arts Commission (I am the chair of the CAEP sub-committee and have served on the Poet Laureate and Arts Education committees and various panels). As a trusted community leader, I offer the Commission connections to the poetry community and beyond. As a community college instructor, I offer my connections to adult education and access to emerging artists. As a practicing and publishing author, I have current knowledge of the challenges and opportunities posed to artists and the community. I believe great art makes a great community, and I am dedicated to seeing Sacramento's arts and artists thrive. Picasso said: "All children are artists. The problem is how to remain an artist once [s]he grows up." I want to continue to work so that those desiring to can express themselves through art.
