Subject: RE: Interviews: Sacramento Disabilities Advisory Committee

Hi Katia –

Sorry this is coming at the last minute today. I intended to send you more detailed information and my photo but I can not access the information remotely that I thought I would be able to (I'm out of town).

I am interested in serving on this commission to help people with disabilities have equal access to programs, services, and buildings. Also to be an advocate and raise awareness. Anyone of us could at any time become disabled and I'd like to be a part of educating people on this.

This is a very brief description of my knowledge and experience. I was on the ADA implementation team for the Board of Prison Terms; Program manager for California Department of Corrections and Rehabilitation on statewide implementation of ADA within the juvenile facilities; I've conducted ADA site surveys and considered a subject matter expert. Academy instructor on Equal Employment Opportunity, Disability Awareness, and the ADA. Additionally I have been a member of the National Association of ADA Coordinators.

If you would like additional information please let me know and I would be happy to meet with anyone when I return on Monday.

Karen Moreno
