**Some of my early experience included volunteering in a municipal court and briefly on a zoning board of appeals for a rural township in Wisconsin. After coming to California, my work specific to this application included oversight of a city/state housing rehab project to provide a 30 bed SRO at the Sacramento YWCA. In state government at the California Department of Education (CDE), I managed a large staff to handle complaints and appeals for special education; interpreted state and federal legislation for the California State Board of Education; served as Liaison to the CDE Legal Office for personnel actions and appeals; and, as State Director for Education Technology, provided guidance to school districts and county offices of education on federal and state grants that outfitted classrooms with up-to-date technology for learning.**

I have always believed it is my civic duty and personal responsibility to be involved in the public process of local governance. I am currently a board member of my neighborhood association, and have participated in successful mediation of several local neighborhood issues. I think all of my varied experience regarding legal research and legal issues would be useful in the position of Hearing Examiner.
