**Experience**

With more than 12 years of experience, Chad Moffett serves as project manager for historic and architectural surveys, preservation planning and historic context development. He specializes in historical research and contextual studies in the fields of architecture, vernacular architecture, agricultural history, and landscape architecture, and historic bridge evaluations nationwide.

Chad manages research and field survey efforts on large municipal and transportation related projects. He has developed database and GIS applications for cultural resource management for municipalities, state agencies and non-profit organizations. Chad has extensive experience in assisting local jurisdictions with meeting local, state, and federal environmental compliance requirements. Chad exceeds the *Secretary of the Interior's Standards* in history and architectural history.

In California he leads research and field survey efforts to complete Phase I surveys, Phase II evaluations, Determinations of Eligibility, and National Register Nominations. He also prepares community historic contexts and historic resource survey reports. Chad works extensively on identifying and evaluating resources for Section 106 and CEQA compliance.

Recent project**Context Statement and Intensive Survey of Route 66
California Preservation Foundation and National Park Service
San Bernardino and Los Angeles counties, California**

Mead & Hunt has been retained by California Preservation Foundation (CPF) and the National Park Service (NPS) to complete a context statement for a Multiple Property Documentation Form (MPDF) for Route 66, a major national highway that extended from Chicago to Santa Monica. This project focuses on the California portion of the route, extending from the Colorado River at Needles to the Pacific Ocean at Santa Monica. The context statement is part of a larger nationwide project undertaken by the NPS to document Highway 66 and provide guidance for the nomination of historic properties along the route.

In addition to the MPDF, the project involves a reconnaissance survey of the entire route in California and an intensive survey of selected portions of the route. Numerous properties along the route were surveyed to identify as candidates that may qualify for listing on the California Register and National Register. A National Register Nomination Form has been completed for the Wigwam Village in San Bernardino under the MPDF. Additional work included GIS mapping of known associated resources along the route. Department of Parks and Recreation (DPR) 523 Forms inventory forms were completed for associated resources that were surveyed within selected portions of the route.

Chad's served as overall project manager. His responsibilities included completing the intensive survey, directing the creation of GIS and database information, completing DPR Forms, assisting with public outreach, and quality review of the MPDF. The MPDF and Nomination will be reviewed by the State Historical Resources Commission In October 2011.

RE: Recommendation for Ms. Kathleen Forrest, City of Sacramento Preservation Commission

Dear Mayor Johnson,

My name is Sarah Allred, and it is my pleasure to provide this letter of recommendation for the appointment of Ms. Kathleen Forrest to the City of Sacramento's Preservation Commission.

On paper, Ms. Forrest's education and professional experience clearly speak for themselves in terms of her qualifications for the Architectural Historian position on the Preservation Commission. I recognize that discerning suitable candidates, based on the review of resumes alone can be difficult when there multiple seemingly equally qualified individuals from which to choose. Thus, recommendations from colleagues who have firsthand experience with the candidate's professional abilities are often the best indicators as to the likelihood of a candidate to be successful in the appointed position. To that end, I wish to convey my admiration and respect for Ms. Forrest and her abilities as a historic preservation professional.

I have worked professionally with Ms. Forrest on a daily basis for nearly two years. Having worked in the cultural resource management and historic preservation disciplines, myself, for over 20 years, Ms. Forrest has demonstrated herself to be a standout individual and public servant in the discipline in terms of her knowledge, expertise, and interpersonal capabilities. I have directly witnessed Ms. Forrest's ability to successfully navigate the regulatory process as it applies to federal, state, and local historic preservation requirements in the context of complex planning issues for large public works developments. Her keen sense of balance between the needs of development and the needs and importance of historic preservation has resulted sound decision-making that has served the best interest of the public and all parties involved.

I hope you will take advantage of this opportunity to appoint Ms. Forrest as an Architectural Historian to the Preservation Commission, as I believe, wholeheartedly, that you and the other members of the Preservation Commission would be more than satisfied with both her performance and dedication. Please do not hesitate to contact me if you have any questions regarding this letter of recommendation.

Sincerely,

Dear Mayor Johnson:

I am writing to express my interest in serving on the City's Preservation Commission in the open Architectural Historian seat. With over ten years of experience in the field of historic preservation and extensive knowledge of the Secretary's Standards for the Treatment of Historic Properties and the California Historical Building Code, I believe I meet the requirements of the position.

I have spent my career working in California and the Southwestern United States, and as a result worked intensively with the history of the western United States from its earliest prehistoric settlement through modern times. During my career in both the private and public sectors I have gained a thorough knowledge of local, state and federal evaluation criteria, and the application and interpretation of the Secretary of the Interior's Standards. As a planner in the City's Preservation Office, I had the unique opportunity to become well acquainted with the history of Sacramento and its architectural resources, the nomination criteria and Commission process, and was tasked with the evaluation and nomination of individual properties and historic districts. I also had the opportunity to hear the community's perspective regarding the preservation and planning policies relative to historic preservation. Additionally, I am familiar with the goals and policies of the City's General Plan and the Historic Preservation Element, the Historic Preservation ordinance, and the historic preservation program.

As a resident of Sacramento I have lived in both the Midtown and Curtis Park neighborhoods and experienced many of the other areas, and am familiar with their distinctive qualities and architectural character. I hold a Master of Science in Historic Preservation from the University of Pennsylvania and, with 10 years of experience in the field, meet the Secretary of the Interior's qualifications as an architectural historian.

I would welcome the opportunity to serve the preservation community and the City of Sacramento in this capacity. I am extremely interested in discussing how my background and experience will be a positive addition to the Preservation Commission and to provide further information. I can be reached anytime via my cell phone, 415-359-6159, and look forward to speaking with you soon.

Sincerely,

Kathleen Forrest

Dear Mayor Kevin Johnson:

I wish to nominate Ms. Kathleen Forrest to fill the Architectural Historian position of the City of Sacramento Preservation Commission. I work with Page & Turnbull—an architecture, historic preservation and planning firm—and met Ms. Forrest in 2008 when she was Project Manager for the City of Sacramento Raised Streets and Hollow Sidewalks project. I enjoyed working with her because she understood the complex nature of the resources and was able to clearly discuss their evaluation and analysis. Although we have not worked together since that time, Ms. Forrest remains a preservation colleague and good friend.

Ms. Forrest exceeds the *Professional Qualifications Standards* for History and Architectural History. She studied historic preservation at the University of Pennsylvania and has been working in the field for several years—first with the Presidio Trust in San Francisco and then as an Associate Planner with the Preservation Office at the City of Sacramento. Her current position with the California State Energy Commission has increased her knowledge of the California Environmental Quality Act and the National Environmental Policy Act as they relate to cultural resources. Ms. Forrest's experience has made her very familiar with historic preservation at the local, state, and federal levels of review.

Ms. Forrest has been actively following projects downtown and in the greater area. Her knowledge of past and current projects would make her invaluable to the Commission.

Perhaps most importantly, Ms. Forrest is an excellent candidate for the position because she is a good listener and strong communicator. Whether she is responding to her three-year-old son or working with a project applicant, she will respond professionally and candidly.

Sincerely yours,

Meg Glynn

Dear Mayor Kevin Johnson,

I am writing this letter to strongly recommend Kathleen Forrest for the City of Sacramento Preservation Commission's Architectural Historian position. I have known Kathleen for six years, professionally and personally.

Kathleen and I have worked together at two different government agencies. During our tenure at both jobs, Kathleen has shown professional qualities such as through knowledge of the California Environmental Quality Act, the National Historic Preservation Act, and the Secretary of the Interior's Standards for the Treatment of Historic Properties. Kathleen is dedicated team player with a strong work ethic that would complement the City of Sacramento's Preservation Commission. For these reasons, I believe Kathleen would be a great asset to the Preservation Commission.

Thank you for taking the time to consider Kathleen for the Architectural Historian position. If you have any questions regarding her abilities, please feel free to email or call me.

Sincerely,

RE: Recommendation for Kathleen Forrest, City of Sacramento Preservation
Commission

Dear Mayor Johnson,

My name is Nora Makarczyk and I have personally known Kathleen Forrest for over six years in both a social and business related capacity.

I am very pleased that Kathleen is applying for the City of Sacramento Preservation Commission's Architectural Historian position. Her skills, personality, and work experience qualify her as an excellent candidate to help the Commission fulfill its mission to preserve the city's historic and cultural resources. She has the ability to understand complex planning issues and regulations, as well as, the soft skills required to build consensus among various parties. I have seen her demonstrate her dedication to Sacramento as a community worth improving and preserving for generations to come.

Thank you in advance for your review of Kathleen's application for this position. She would be a tremendous asset to the Commission. If you have any further questions with regard to her background or qualifications, please do not hesitate to call or email me.

Sincerely,

Nora L. Makarczyk
