November 14, 2011

Dear Honorable Mayor and City Council Members,

Please accept this letter and application as my intent to apply and represent the community for an appointed seat as a Civil Service Board Member. I am seeking for an appointment to the Civil Service Board based on my background, experience and knowledge in the Staffing & Recruiting Industry. Through my years in the personal services industry, I have worked in many types of organizations but none gave me as much pleasure as working with the community and in staffing & recruiting industries.

After working as a successful Recruiter, I started my own Staffing Consulting Firm which provided me an opportunity to see if I had what it took to produce on my own. I have built my reputation on providing quality and outstanding customer service for both the Jobseekers and the Employers that seek my services. I am also well respected and valued in the corporate world and in the community. Throughout my corporate and entrepreneurial career, I have obtained awards and recognitions such as, *Excellence Award and Business Development Recruiter of Excellence Award 2008* presented by Volt Services Group; *Exceptional Woman of Excellence Award 2009* presented by Sacramento Cultural Hub. With these successes, I felt obligated to assist others in obtaining and reaching their full potential and I transitioned that experience and knowledge in to helping women start their own business through my company Women in Bizness, Inc. Through this entrepreneurial effort, I have had the privilege to honor some of Sacramento's industry leaders, host entrepreneurial conferences and honorary dinners to support local business owners and entrepreneurs of this great city.

With my background and experience in the staffing and recruiting industry; my dedication to the citizens and community of Sacramento, I believe I would be a valuable asset and a great Member of the City of Sacramento's Civil Service Board. I am a dedicated individual and I go above and beyond in personal service, confidentiality, and providing the most ethical, professional standards in community service and the recruiting and staffing industry. I hope you accept my application and soon welcome me as a new appointed Member of the Civil Service Board. Thank you for reviewing my application for the opportunity to serve on the Civil Service Board of Sacramento. I look forward to serving with you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bailey". The signature is stylized with a large, flowing initial "B" and a cursive "ailey" following it.
