Please state the reason you would like to be a member of this board/commission (or attach):

I would like to be a member of the Sacramento Sports Commission because I am extremely interested in how our city can become a destination point for sporting events and teams. I recently graduated from McGeorge School of Law with a Certificate in Public Law and Policy with an emphasis in International Sports and Entertainment Law, which demonstrates my deep personal interest in the subject. Additionally, my most recent position was with the California Assembly Committee on Arts, Entertainment, Sports, Tourism and Internet Media. During my time with this Committee I became even more interested and experienced in sports issues as they relate to Sacramento. I have a lot of ideas on how to promote Sacramento to various sports enterprises.
