**STAFF REPORT**  
June 20, 2006

Honorable Mayor and  
Members of the City Council

**Subject:** Personnel Resolution Covering Unrepresented Officers and Employees

**Location/Council District:** Citywide

**Recommendation:**

It is recommended that the City Council:

1. Adopt the amended Personnel Resolution covering general administrative provisions, hours of work, and other terms and conditions of employment for unrepresented officers and employees.
2. Adopt the amended 2006-07 Salary Schedules for unrepresented exempt management and confidential/administrative employees.

**Contact:** Geri Hamby, Director of Human Resources, 808-7173

**Presenter:** Geri Hamby, Director of Human Resources

**Department:** Human Resources Department

**Division:** Not applicable

**Organization No:** 1521

**Summary:** This City Manager's report recommends the adoption of the Personnel Resolution Covering Unrepresented Officers and Employees and the adoption of the 2006-07 salary schedules for unrepresented classifications, including exempt management and confidential/administrative employees.

The proposed 2006-07 unrepresented salary schedules are based on the findings of the 2005 market salary survey of employers that are comparable to the City of Sacramento. Each year, the Department of Human Resources conducts a market survey of salaries of classifications that are comparable to classifications in the City. This ensures that the City's unrepresented exempt management and confidential/administrative classifications remain competitive in the marketplace. The survey findings are used to establish new

salary ranges for unrepresented classifications and are contained in the proposed salary schedules attached to this report.

The major items are summarized below:

1. Exhibit "A" contains a record of text changes to the City's Personnel Resolution Covering Unrepresented Officers and Employees, effective June 24, 2006. The specific changes to the Personnel Resolution are presented in two versions. The first version, beginning at handwritten page number 8 and ending at handwritten page number 52, depicts the changes that were made to the existing text of the Personnel Resolution. The second version, beginning at handwritten page number 53, and ending at handwritten page number 88, depicts those changes as the amended text would appear in the Personnel Resolution, subject to City Council adoption.
2. Exhibit "B" contains revised salary schedules for unrepresented positions classified as exempt management and confidential/administrative. Unrepresented salary schedules will be effective on June 24, 2006 which is the beginning of the pay period following approval by City Council. As proposed, the revised unrepresented schedules implement findings contained in a 2005 salary survey of employers comparable to the City of Sacramento. The recommended ranges are consistent with the City's Strategic Compensation Plan, implemented by the City Council in 2002. The revised salary schedules do not result in an automatic adjustment to an individual employee's pay. The FY06-07 budget contains a 5% allocation of labor costs for Merit Based Pay. No adjustment is made unless the employee's current salary falls below the minimum of the new salary range. Individual unrepresented employee pay adjustments are accomplished pursuant to Merit Based Pay principles and the City's Salary Administration Policy.

**Committee/Commission Action:**

The proposed salary schedules for unrepresented classifications, prepared using the findings of the 2005 market salary survey of comparable employers, are consistent with City Council direction as adopted in the City's Strategic Compensation Plan. The Plan was forwarded to City Council through the Personnel and Public Employee (P&PE) committee. Finally, the recommendations are consistent with the City's Strategic Plan under our commitment to attract, retain, and develop a highly qualified and diverse workforce.

**Background Information:**

In 2001 the City Council adopted a market-based compensation philosophy which was recommended by the Blue Ribbon Panel. In November 2002, the Administrative Policy Instruction 35 – Salary Administration Policy was implemented. This policy established policy and procedures for salary administration for exempt management, unrepresented confidential/administrative employees and unrepresented non-career employees. Based on survey data obtained, the City adopts competitive salary ranges with sufficient

flexibility to address recruitment or retention issues. The Performance Appraisal System was approved in 2003 and was linked to Merit Based Pay in 2005.

This report recommends that the City Council approve the following recommendations for employees holding classifications covered by the Personnel Resolution Covering Unrepresented Officers and Employees:

**1.      Unrepresented Salary Schedules:**

Pursuant to the findings of the 2005 market salary survey, the salary ranges of unrepresented classifications are adjusted as reflected in Exhibit "B." Consistent with the City's Salary Administration Policy, if current salaries of individual employees fall below the new salary range minimum, their salaries will be adjusted to equal the minimum. It is recommended that the revised salary schedules become effective on June 24, 2006.

**2.      Personnel Resolution:**

This report also recommends the following amendments to the Personnel Resolution, Exhibit "A". Unless otherwise noted, all recommended changes will become effective on June 24, 2006, if adopted by City Council:

- a.      Reorganized Articles of Resolution: Various articles and sections of the resolution have been reorganized to their appropriate sections in order to improve the flow and ease of use of the document. - p. Personal Leave: Section 7.14 has been added to add an additional 24 hours of personal leave for employees who have completed 10 years of service, until 15 years of service has been completed. This change is in line with the negotiated agreements with represented units that have been previously approved.

- t. Notary Pay: Section 8.9 has been added to give employees required to maintain notary registration a biweekly certification pay of fifteen dollars. This section has been added to conform with the negotiated agreements with represented units that have been previously approved.

**Financial Considerations:**

The FY06-07 budget includes the costs of the adoption of the proposed revisions to the Personnel Resolution (Exhibit "A").

Adoption of the proposed unrepresented salary schedules (Exhibit "B") will result in a minor fiscal impact created by adjusting individual salaries to the new minimum salary range. The FY06-07 budget contains sufficient funding to cover this cost.

**Environmental Considerations:** This report covers personnel issues. There are no proposals or projects that would potentially effect the environment as stated in related provisions of the California Environmental Quality Act.

**Policy Considerations:** This report, and the proposals contained herein, promotes the City Council's intent as stated in our Strategic Plan. Specifically, the guiding principles include a commitment to attract, retain, and develop a highly qualified and diverse workforce.

**Emerging Small Business Development (ESBD):** None applicable.
