Department: Police Department

Division: Metro

Organization No: 2123

Summary:

The Sacramento Police Department is requesting authorization to accept a grant award for \$125,000 from the California State Department of Alcoholic Beverage Control. The grant is for a one-year period from July 1, 2006 to June 30, 2007. The grant will fund the cost of 0.87 FTE for an ABC Liaison Officer to work in conjunction with current staff to enhance education, prevention and enforcement programs. Funding will also provide overtime for officers to work alcohol-related operations.

Committee/Commission Action: None

Background Information:

Over 43 percent of all the permits and over 80 percent of all businesses that have City entertainment permits are located in the downtown Sacramento area. Alcohol-related problems, such as underage drinking, are of significant concern because of the number of young adults and minors attracted to the area's entertainment venues, which include clubs that admit persons under the age of 21.

Over the past several years, the Sacramento Police Department has developed a very effective and successful working relationship with the local ABC office and its investigators. Grant funding for an ABC Liaison Officer will allow enforcement of alcohol-related compliance laws throughout the City of Sacramento.

Financial Considerations:

The total grant award for fiscal year 2007 is \$125,000. These funds are allocated from the California State Department of Alcoholic Beverage Control.

The grant will fund 87 percent of the labor costs of an ABC Liaison Officer during the grant period, as well as overtime costs for officers to work alcohol-related operations. Additionally, the grant will provide for operating expenses, such as a pager, cell phone, equipment and training. The position will require the use of a department vehicle, which is not funded by the grant, to conduct inspections and sting operations.

At the end of the grant period, the Police Department will seek additional funding sources to continue the program. If no funding sources are available, the program will be terminated. If discontinued, the FTE will be absorbed through attrition and the Police Officer staffing will be reduced by 0.87 FTE.

The following table is a breakdown of how the ABC Liaison Officer grant funds will be allocated:

ABC Liaison Officer Grant	
<u>Expenditure</u>	Total
Labor and Benefits	\$97,400
Overtime for Police Officers	18,600
Confidential Funds	2,500
Travel/Training	3,500
Equipment	3,000
Total Grant Award	\$125,000

Environmental Considerations:

This report concerns administrative activities that will not have any significant effect on the environment, and that do not constitute a "project" as defined by the California Environmental Quality Act (CEQA) [CEQA Guidelines Sections 15061(b)(3); 15378(b)(2)].

Policy Considerations:

Execution of this agreement is consistent with the City's mission to protect, preserve, and enhance the quality of life for present and future generations. It is also consistent with past practices of using grant funding to improve law enforcement and community relationships.

Emerging Small Business Development (ESBD):

Purchase of supplies and equipment for this grant will be made in accordance with the City's Emerging and Small Business Development program requirements.
