Title: **Ordinance Amendment: Cable Television Commission Joint Powers Agreement**

Location/Council District: Citywide

Recommendation: 1) Review an **Ordinance** amending Section 5.28.320 of the Sacramento City Code extending the term of the Cable Television Commission Joint Powers Agreement to December 31, 2024 and providing for an annual meeting requirement; and 2) Pass for Publication the Ordinance title as required by Sacramento City Charter 32c to be adopted January 30, 2007.

Description/Analysis

Issue: The Sacramento Metropolitan Cable Television Commission approved a Resolution on February 2, 2006 recommending amendments to the Joint Powers Agreement. Commission staff and legal counsel were directed to contact the member agencies requesting consideration and adoption of amendments to their respective agency Ordinances.

Policy Considerations: It is in the best interest of the City to amend the Sacramento City Code extending the term of the Cable Television Commission to December 31, 2024 (one year after the termination of the cable franchise), and providing for an annual meeting requirement instead of a quarterly meeting requirement.

Environmental Considerations: NA

Commission/Committee Action: This item was approved to come before the full Council by the Law and Legislation Committee on January 16, 2007.

Rationale for Recommendation: The Sacramento Metropolitan Cable Television Commission requests each member agency extend the term of the Joint Powers Agreement through the term of the franchise (2023) and for one year thereafter to permit for the conclusion of the Commission’s business at the end of 2024.

The current termination date of December 2007 was consistent with the original franchise with Sacramento Cable. An option has been exercised and the franchise term now ends on December 23, 2023 and the Commission recommends that the sunset date be extended to 2024 so that its member agencies maintain their maximum flexibility. The Commission and the Joint Powers Agency (JPA) members would not be prevented from acting to dissolve the JPA on an earlier date; in fact, the proposed Ordinance changes include a review of the Commission in 2010 if not initiated earlier by the JPA members or Commission staff.

The decision to employ a part time Executive Director encourages the reduction of required Commission meetings to one annually; however the Commission would have the authority to meet more often.

Other JPA member agencies have been asked to adopt similar Ordinance amendments.

Financial Considerations: NA

Emerging Small Business Development (ESBD): NA

Subject: Sacramento Metropolitan Cable Television Commission Joint Powers Agreement; Introduce An Ordinance Amending Meeting Requirements Of The Sacramento Metropolitan Cable Television Commission And Extending The Term Of The Commission

Contact: Robert Davison, Commission Executive Director 874-6926
Paul Hahn 874-5889

Overview

The Joint Powers Agreement (the "JPA") that created the Sacramento Metropolitan Cable Television Commission (the "Commission") is included in the Cable Television Ordinance of the Sacramento County Code. Adoption of the attached Ordinance will allow for the JPA to be amended to provide for one annual meeting and extend the term of the Commission to December 31, 2024.

Recommendation

Introduce the attached Ordinance Amending Meeting Requirements of the Sacramento Metropolitan Cable Television Commission and Extending the Term of the Commission, waive the first reading, and continue to September 12, 2006 for adoption.

Measures/Evaluation

Not Applicable

Fiscal Impact

There are no fiscal impacts to the County from the changes to the JPA.

BACKGROUND

The JPA that created the Commission (Section 5.50.112 of the Sacramento County Code (SCC)) is included in the Cable Television Ordinance (SCC Chapter 5.50). On February 2, 2006, the Commission proposed amendments to the JPA, approved the attached resolution and directed staff and legal counsel to contact the Member Agencies and request they consider and adopt the proposed amendments.

DISCUSSION

Attached is a letter from Harriet A. Steiner, Commission Counsel, dated January 25, 2006, that explains the need and justification for the proposed amendments. The following summarizes the two proposed amendments:

I. Sunset Date

The Commission’s termination date is currently December 2007 which was four years after the original Franchise with Sacramento Cable would have expired. The franchise term has since been extended and now ends on December 23, 2023. The amendment to the JPA proposes to extend the Commission’s sunset date to December 2024, one year after the termination date of the franchise. This date is recommended to provide the Commission and its Member Agencies maximum flexibility. The Commission and the JPA members would not be prevented from acting to dissolve the JPA on an earlier date, and in fact, the proposed ordinance change includes a review of the Commission in 2010 if not initiated earlier by the JPA members or Commission staff

2. Regular Meetings

The current JPA requires the Commission to hold regular meetings at least once per quarter. With the Commission’s decision to employ a part time Executive Director, it is appropriate to streamline the Commission meetings by reducing the number of required meetings. The Commission would still have the authority to meet as often as it wants.

Adoption of the attached Ordinance will allow for the JPA to be amended to provide for one annual meeting and extend the term of the commission to December 31, 2024. Staff recommends that you introduce the Ordinance today, waive the reading, and continue it until September 12, 2006, for adoption.

Respectfully submitted,

APPROVED

RE Proposed Amendments to the Commission's Joint Powers Agreement

www.mhalaw.com

RECOMMENDATION:

- A. Approve the Attached Resolution and proposed amendments to the Joint Powers Agreement ("JPA") to:
 - (1) extend the term of the JPA and the Commission through 2024, one year after the termination of the cable franchise; and
 - (2) provide for an annual required Commission meeting, rather than required quarterly meetings
- B. Direct Commission staff and legal counsel to contact the member agencies and request that they consider and adopt the proposed amendments

BACKGROUND

I. Sunset Date

The JPA that created the Commission is included in the Cable Franchise Ordinances of each of the member agencies. The Commission's termination date is now December 2007. This termination date was consistent with the original Franchise with Sacramento Cable. The original franchise would have expired in 2003 with the Commission's existence terminating four years later in 2007.

However, as part of the settlement of the cable litigation with Sacramento Cable, in 1988, the Amended and Restated Franchise Resolution provided for an optional extension of the original cable franchise term by 20 years to 2023. This option has been exercised and the franchise term now ends on December 23, 2023.

At the time of the settlement, the member agencies did not also take action to adjust the JPA so that the Commission's sunset date would be after the expiration of the franchise. In all likelihood, the Commission's sunset date was overlooked in the press of crafting a settlement at that time.

Thus, in reverse of the original dates, the JPA now dissolves before the Franchise ends rather than after the Franchise ends. If the sunset date is not extended, the Commission will have to begin the process of winding down the Commission's affairs within the next six months.

We recommend that the Commission's sunset date be extended to December 2024, one year after the termination date of the franchise, to permit for the winding up of the franchise and the Commission's business, as necessary.

We are recommending that the sunset date be extended to 2024 so that the Commission and its member agencies

maintain their maximum flexibility. The Commission and JPA members can act to dissolve the JPA at any time.

As the Commission is aware, there is one cable franchise that covers all of the franchise area. This franchise will stay as a single franchise regardless of whether the Commission is dissolved or stays in place. In addition, Channel 14 will continue to require joint action to operate, again regardless of whether the Commission is dissolved or stays in place there will only be one shared channel. Therefore, in our opinion, the most flexible and expeditious action to take is to continue the Commission so that a single administrator of the franchise and Channel 14 stays in place for the term of the franchise.

As an alternative, the Commission could decide to recommend an extension of the Commission for three or four years, to see whether federal legislation will affect the Commission and the franchise. However, although we anticipate that there will be many changes in cable regulation in the next years, we have no way of predicting what these changes will be, what year changes might take effect and what the impact might be on the Commission and the franchise. Therefore, we recommend that the JPA be extended through the term of the franchise. If changes in federal or state legislation warrant the dissolution of the Commission prior to 2024, the member agencies can take this step at the time of their choosing. The proposed JPA amendment calls for a review in 2010 to evaluate the status of the Commission and whether any actions affecting the Commission should be considered.

Thus, it is recommended that the Commission adopt a resolution recommending to the JPA members that they each adopt identical changes to the JPA agreement which extend the JPA term from December 31, 2007 to December 31, 2024.

2. Regular Meetings

The JPA requires that the Commission hold regular meetings at least once per quarter. With the decision to employ a part time Executive Director, it is appropriate to streamline the Commission meetings by reducing the number of required meetings to once per year (i.e. for adoption of the budget and distribution of franchise fees to the member agencies). The Commission would still have the authority to meet as often as necessary to conduct the business of the Commission.
