Honorable Mayor and
Members of the City Council

Title: Ordinance Adding Chapter 5.94 to the Sacramento City Code Regarding the Regulation of Pedicabs

Location/Council District: Citywide

Recommendation: Adopt: 1) an Ordinance adding chapter 5.94 to the Sacramento City Code regarding the regulation of pedicabs; 2) a Resolution approving the City Manager's pedicab rules; and 3) a Resolution approving the fees related to pedicab administration and enforcement.

Contact: Bob Rose, Chief of Code Enforcement, Code Enforcement Department, (916) 808-5947

Presenters: Bob Rose, Chief of Code Enforcement, Code Enforcement Department, (916) 808-5947; Ed Cox, Program Analyst, Department of Transportation, (916) 808-8434

Department: Code Enforcement

Division: Business Compliance

Organization No: 4652

Description/Analysis

Issue: The pedicab ordinance establishes rules for pedicab (bicycle taxi) operation. The ordinance addresses permit and appeal procedures, reporting of accidents and general operation, and enforcement. The accompanying City Manager's Pedicab Rules, included in Exhibit A of the resolution (Attachment 3), were created to more effectively address items that may need to adapt to changing conditions, such as street restrictions and Old Sacramento pedicab stand locations. The Rules can be changed at the staff level, thus allowing more flexibility and timeliness. The pedicab ordinance and City Manager's pedicab rules were submitted as a Pass for Publication (PFP) on March 6, 2007.

Policy Considerations: Pedicabs are a non-polluting form of transportation and support the City Council's strategic planning focus areas of sustainability and liability.

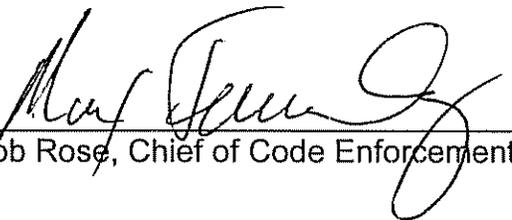

Environmental Considerations: This report is not considered a project under the California Environmental Quality Act (CEQA).

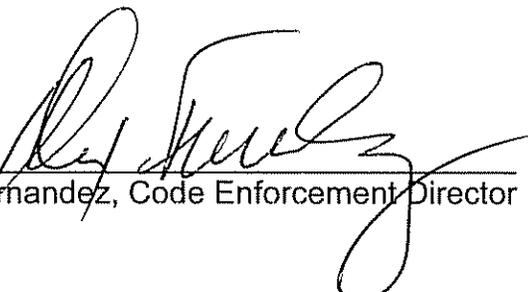

Committee/Commission Action: The Law and Legislation Committee directed staff on April 4, 2006, to draft an ordinance regulating pedicabs. Staff brought the Pedicab Ordinance and City Manager's Pedicab Rules before the Law and Legislation Committee on January 16, 2007. At that time, the Committee approved the proposed Pedicab Ordinance and City Manager's Pedicab Rules and recommended that they be forwarded to the Mayor and City Council for adoption.

Rationale for Recommendation: Pedicabs are a non-polluting form of transportation in a region facing serious air quality and vehicular traffic problems. They are popular with tourists and offer a relatively inexpensive small-business opportunity for entrepreneurs. Establishing reasonable rules for their operation sets the stage for such individuals while protecting the public's health, safety, and welfare.

Financial Considerations: There should be no operating budget impact because permit fees are expected to cover the cost of processing applications and issuing permits. Other costs associated with enforcement and administration will be covered by the Code Enforcement Department's operating budget. The operational impact is expected to be minimal because of the small number of applications that staff anticipates receiving.

Emerging Small Business Development (ESBD): No goods or services are being purchased.

Attachment 1**Background**

Stakeholder outreach: The pedicab ordinance and City Manager's Rules are based on feedback received from the Law and Legislation Committee, community stakeholders, staff from other departments and agencies, and on similar ordinances from other cities.

A total of six community stakeholder meetings were held over June, July, and December of 2006. Groups invited included taxi and horse-drawn carriage operators, potential pedicab operators, ethnic chambers of commerce, bicycle advocates, Westfield Mall staff, the Downtown Partnership, the Midtown Business Association, and city staff, including Old Sacramento management. Staff discussed the proposed ordinance at the Disabilities Advisory Commission's December 14, 2006, meeting.

Pedicab Ordinance: Major components:

- Permit and appeal procedures: Permits will be required for pedicab owners, drivers, and pedicab vehicles.
- Reporting of accidents, and general pedicab operation: Sets standards for passenger loading and unloading, and refers to City Manager's Pedicab Rules.
- Enforcement: Authorizes the City Manager to enforce and administer the ordinance.

City Manager's Pedicab Rules: All holders of pedicab owner, driver, and/or vehicle permits must have a signed copy of the Rules on file with the Revenue Division. The Rules address the following:

- Driver conduct: Drivers must be neat, professional, and safe.
- Parking and standing: Establishes downtown areas where pedicabs may park.
- Passenger pick up and drop off: Specific restrictions in Old Sacramento.
- Traveling: Restricted streets.
- Pedestrianways such as sidewalks and the like: Pedicabs not allowed on most sidewalks, with specific exceptions, including the K Street Mall.

Americans with Disabilities Act: At the January 16, 2007, Law and Legislation hearing regarding this ordinance, it was requested that additional research be done to determine the experiences of other cities with pedicab ordinances in dealing with the Americans with Disabilities Act (ADA). Attorneys for the cities of San Diego, San Francisco, Long Beach, Santa Barbara, and Lodi were contacted. All of them related that their jurisdictions had never dealt with ADA issues as they relate to pedicabs, and have never had any complaints or lawsuits concerning pedicabs and the ADA. Further, none of the pedicab ordinances from those cities contains language which specifically addresses ADA compliance.

Additional considerations: The City Manager's Pedicab Rules state that pedicabs are allowed on the K Street Mall sidewalks from 7th to 14th streets. However, section 12.44.070 of the City Code states that with specific exceptions, bicycles may not be ridden on the K Street Mall. On February 20, 2007, the Law and Legislation Committee will consider an amendment to this ordinance to allow pedicabs with permits to operate on the K Street Mall. Staff will shortly thereafter bring this item to the City Council to ensure consistency between the City Manger's Pedicab Rules and the City Code.

D. The administrative hearing officer or designee shall administer the oath or affirmation.

E. The appellant may represent themselves, or be represented by anyone of their choice.

F. If the appellant does not proficiently speak or understand the English language, he or she may provide an interpreter, at the appellant's own cost, to translate for the appellant. An interpreter shall not have had any involvement in the issues of the case prior to the hearing.

G. In reaching a decision, official notice may be taken, either before or after submission of the case for decision, of any fact which may be judicially noticed by the courts of this state or which may appear in any of the official records of the city or any of its departments.

5.94.320 Form and contents of decision.

A. After hearing all the evidence, the administrative hearing officer shall issue a decision to sustain the appeal, affirm the decision of the city manager, or modify the decision of the city manager, which shall be in writing and issued within ten (10) days of the date of the hearing.

B. Upon issuance of the decision, the director shall serve a copy of the decision by mailing it to the appellant's address as listed in the appeal form.
