The proposed ordinance will remove antiquated sections of the Municipal Code.

ordinance to the Mayor and City Council for consideration.

Background

On November 5, 2002, Sacramento voters approved Charter Amendment "S" establishing a City Compensation Commission. The Commission was granted the authority to establish compensation for the Mayor, City Council and public members of City Boards and Commissions. The approval of Charter Amendment "S" thereby amended Section 29 of the City Charter.

Several sections of the Municipal Code, however, continue to note specific compensation rates for meeting attendance or refer to other bodies for the determination of meeting compensation. The proposed amendment will remove antiquated sections of the Municipal Code.
