Sacramento.

(7) The fixed balloon shall be safely secured to a fixed structure or the ground to the satisfaction of the Chief Building Official, and shall not be flown when wind speeds are in excess of fifteen (15) miles per hour.

(8) The height of the fixed balloon when aloft shall not exceed fifty (50) feet from the ground.

SECTION 3.

This ordinance is enacted by the City Council as an interim ordinance. It is anticipated that permanent, comprehensive regulations governing fixed balloons as signs, consisting of amendments to Title 15 of the City Code, will be considered for adoption within one year, and that this interim ordinance will be repealed at that time.
