

RESOLUTION NO. 2007-541

Adopted by the Sacramento City Council

July 24, 2007

REJECTING THE APPARENT LOWEST BID SUBMITTED BY LM COMBS FOR THE CONSTRUCTION AND INSTALLATION OF CLOSED-LOOP CART WASH SYSTEMS AT THE HAGGIN OAKS AND BING MALONEY GOLF COURSES AS NON-RESPONSIVE, AND AWARDING THE CONTRACT TO THE SECOND LOWEST RESPONSIBLE BIDDER, C&C CONSTRUCTION, INC., IN AN AMOUNT NOT TO EXCEED \$189,129.00.

BACKGROUND

- A. The purpose of this project is to install a closed-loop cart wash system at the Haggin Oaks and Bing Maloney golf courses. The benefit of a closed-loop system is that the pesticides and residue from golf carts and maintenance equipment are broken down by microbes contained within the system rather than by entering the City's sanitary sewer system.
- B. The project was advertised on May 9, 2007. Bids were opened on May 30, 2007. Staff has determined the lowest bid to be non-responsive. The second lowest responsible bidder is C&C Construction, Inc., with a bid of \$189,129.00. Funding for this project is available through the golf maintenance Capital Improvement Project (CIP) OB61.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The bid submitted by LM Combs is rejected as non-responsive.
- Section 2. The contract plans and specifications for the construction and installation of closed-loop cart wash systems at the Haggin Oaks and Bing Maloney Golf Courses are approved, and the contract is awarded to C&C Construction, Inc., in an amount not to exceed \$189,129.00.
- Section 3. This project will be financed from the golf maintenance CIP OB61.

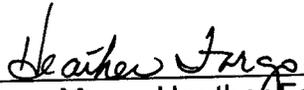

Adopted by the City of Sacramento City Council on July 24, 2007 by the following vote:
