

RESOLUTION NO. 2007-593

Adopted by the Sacramento City Council

August 14, 2007

AUTHORIZING STAFF TO APPLY FOR TRIPLE R FACILITY LICENSES FOR SATELLITE SITES

BACKGROUND

- A. Adult day care programs are licensed by the California Department of Social Services (DSS) Community Care Licensing Division. The Parks and Recreation Department's Older Adult Services section operates three Triple R Adult Day Care program sites. In 1998 the Triple R program was designated Sacramento County Alzheimer's Day Care Resource Center by Area 4 Agency on Aging. This designation waived the requirement that Triple R program sites be licensed by DSS and as result, the satellite sites opened since 1998 were not required to be licensed. The Ethel Hart Center site had been licensed prior to receiving its ADCRC designation and as result is not subject to the current licensing processing.
- B. In late 2006, the California legislature passed Assembly Bill 2127 which requires that all Adult Day Care Resource Centers (ADCRCs) become licensed by DSS by January 1, 2008. Authorization to submit applications to have the North and South Sacramento Triple R program sites licensed as Adult Day Care programs through the California Department of Social Services is being sought.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager is authorized to execute and submit all documents including, but not limited to, applications and agreements, which may be necessary to obtain an Adult Day Care Program license from the State of California's Department of Social Services, Community Care Licensing Division.
