Adopted by the Sacramento City Council

August 21, 2007

APPROVING BOUNDARY MAP OF TERRITORY TO BE ANNEXED AND PRELIMINARILY APPROVING ENGINEER'S REPORT TO THE NEIGHBORHOOD LANDSCAPING DISTRICT (ANNEXATION 32)

BACKGROUND

- A. The City Council has previously formed the Neighborhood Landscaping District under the Landscaping and Lighting Act of 1972 (part 2 of division 15 in the Streets and Highways Code, beginning with section 22500) (the 1972 Act).
- B. Signature at Evergreen, LLC, a California Limited Liability Corporation (Landowner), is the sole owner of the territory described in Exhibit A. Landowner has applied for a subdivision map covering the territory, and one of the conditions of approval for the subdivision map requires Landowner to annex the territory to the district. To fulfill this condition, Landowner has presented a petition to the City requesting that the City commence proceedings for annexing the territory to the district in accordance with the 1972 Act.
- C. The City has installed, constructed, or acquired within the territory described in Exhibit A, or will subsequently install, construct, or acquire, the public improvements generally described in Exhibit B. The City will also maintain and service these improvements in the manner generally described in Exhibit B. To finance the cost of providing the maintenance and service of improvements, and as requested by Landowner, the City Council proposes to annex to the district the territory described in Exhibit A.
- D. By Resolution No. 2007-606, and in response to Landowner's petition, the City Council (1) initiated proceedings to annex to the district the territory described in Exhibit A; (2) designated the Development Engineering Manager of the Development Services Department to be the Engineer for purposes of the annexing the territory to the district and levying an assessment to finance the maintenance, and service of improvements generally described in Exhibit B; (3) directed the Engineer to prepare and file with the City Clerk a map of the territory to be annexed, as required by Streets and Highways Code section 3110; and (4) directed the Engineer to prepare and file with the City Clerk the Engineer's Report required by section 4 in article XIID of the California Constitution and article 4 (commencing with Streets and Highways Code section 22565) in chapter 1 of the Streets and Highways Code.
- E. As directed, the Engineer has prepared and filed with the City Clerk (1) a map entitled "Boundary Map Neighborhood Landscaping District Annexation No. 32" which shows the proposed boundaries of the territory to be annexed (the Boundary

Map); and (2) an Engineer's Report prepared in accordance with section 4 in article XIID of the California Constitution and article 4 (commencing with Streets and Highways Code section 22565) in chapter 1 of the Streets and Highways Code (the Engineer's Report). The City Clerk has presented the Boundary Map and the Engineer's Report to the City Council for consideration and the City Council has fully considered both the Boundary Map and the Engineer's Report.
