

# REPORT TO COUNCIL 13

## City of Sacramento

915 I Street, Sacramento, CA 95814-2604  
www.CityofSacramento.org

Consent  
August 28, 2007

Honorable Mayor and  
Members of the City Council

**Title: Contract: 2007 City Street Overlay – Ramona Avenue Project (PN: RM71)**

**Location/Council District:** Ramona Avenue between Cucamonga Avenue and Power Inn Road. Location map – Exhibit A of Resolution. (District 6)

**Recommendation:** Adopt a **Resolution:** 1) approving plans and specifications for the 2007 City Street Overlay - Ramona Avenue Project (PN: RM71); 2) awarding the construction contract to Martin Brothers Construction for an amount not to exceed \$134,755; and 3) authorizing the City Manager to execute the contract with Martin Brothers Construction.

**Contact:** Ricky Chuck, Senior Civil Engineer, (916) 808-5050; Jon Blank, Supervising Engineer, (916) 808-7914

**Presenters:** None

**Department:** Transportation

**Division:** Engineering Services

**Organization No:** 3434

### **Description/Analysis**

**Issue:** This project will place a rubberized asphalt concrete overlay on Ramona Avenue between Cucamonga Avenue and Power Inn Road. Bids have been received for the 2007 City Street Overlay - Ramona Avenue Project. City Council approval is necessary to move forward with awarding the construction contract.

**Policy Considerations:** This action requested herein is consistent with the Sacramento City Code, Title 3 and with the City of Sacramento Strategic Plan goals of improving and expanding public safety.

**Environmental Considerations:** The Development Services Department, Environmental Planning Services Division has reviewed the proposed action and determined that the project is exempt from the provisions of the California Environmental Quality Act (CEQA) under Class 1, Section 15301(c) of the CEQA Guidelines. Class 1, Section 15301(c) consists of the maintenance, repair or minor alteration of existing highways, streets, sidewalks, curbs, gutters and similar facilities including road grading for the purpose of public safety.

**Rationale for Recommendation:** Martin Brothers Construction is the lowest responsive and responsible bidder. Project funding is sufficient to award the contract.

**Financial Considerations:** As of July 31, 2007, the 2007 City Street Overlay Project (PN: RM71) has an unobligated balance of \$2,154,533, which is sufficient to execute the construction contract in a total amount of \$134,755 with Martin Brothers Construction and cover staff costs for traffic signal loop modifications and remaining construction management costs.

**Emerging Small Business Development (ESBD):** The ESBD goal is 20%. To encourage small and emerging business participation, plans and specifications were sent to 18 plan rooms and construction service organizations for publication. All are directly involved with Emerging and Small Business Enterprise (ESBE) construction firms. The project was also announced on the City's Project Internet site at [www.cityofsacramento.org/bids](http://www.cityofsacramento.org/bids). Martin Brothers Construction has achieved 20% ESBE participation.

Respectfully Submitted by:   
Nicholas Theocharides  
Engineering Services Manager

Approved by:   
Jerry Way  
Director of Transportation

Recommendation Approved:

  
RAY KERRIDGE  
City Manager

**Attachment 1****Background Information:**

The 2007 City Street Overlay Project (PN: RM71) is part of an annual preventative maintenance program to extend the life of City streets and reduce the need for costly road reconstruction projects.

This project will place a rubberized asphalt concrete overlay on Ramona Avenue between Cucamonga Avenue and Power Inn Road.

The project was advertised and bids were received on July 25, 2007. The bids are summarized below:

<b>Contractor</b>	<b>Bid Amount</b>	<b>ESBE Participation</b>
		<b>Goal 20%</b>
Martin Brothers Construction	\$134,755	20.0%
Biondi Paving, Inc.	\$141,046	100.0%
James Riolo Paving, Inc.	\$144,990	100.0%
A C General Engineering	\$149,355	8.6%
Vintage Paving	\$152,555	100.0%
Granite Construction	\$155,155	20.8%
Western Engineering	\$165,960	26.8%

The engineer's estimate is \$126,000.

It is recommended that the contract be awarded to Martin Brothers Construction for its lowest responsive and responsible bid.

Construction is expected to begin in September 2007 and be completed by November 2007.

**Attachment 2****RESOLUTION NO.**

Adopted by the Sacramento City Council
