CONSENT
September 11, 2007

Honorable Mayor and
Members of the City Council

**Title: Annexation No. 4 to the Neighborhood Water Quality District (Hampton Station) –
Initiate Proceedings**

Location/Council District: North of Meadowview Road and west of the Union Pacific Railroad/Regional Transit South Line, located in Council District 8 (Exhibit B-1, Page 9).

Recommendation: Adopt 1) a **Resolution** to initiate proceedings; 2) a **Resolution** to approve Boundary Map and preliminarily approve the Engineer's Report; and 3) a **Resolution** of intention to annex territory, levy assessments and set a Public Hearing for November 6, 2007.

Contact: Salina Cheung, Program Specialist, (916) 808-5236; Mark Griffin, Fiscal Manager, (916) 808-8788.

Presenters: Not Applicable

Department: Planning Department

Division: Public Improvement Financing

Organization No: 4915

Description/Analysis

Issue: The Hampton Station Subdivision property owners have petitioned the City to annex into the Neighborhood Water Quality District. Approval of this annexation will authorize the City to collect assessments in the amount sufficient to provide funding for the maintenance of the water quality detention facility in this subdivision.

Policy Considerations: The proceedings under which this district is being processed are set forth in Chapter 3.124 of the Sacramento City Code and in accordance with Article XIID of the California Constitution. Annexation into the Neighborhood Water Quality District is consistent with the City's Strategic Plan 3 Year Goal to "achieve sustainability and enhance livability".

Environmental Considerations: Under California Environmental Quality Act (CEQA) Guidelines, administration and annual maintenance of a special district do not constitute a project and are therefore exempt from review.

Committee/Commission: None

Rationale for Recommendation: The actions in the recommended Resolutions are

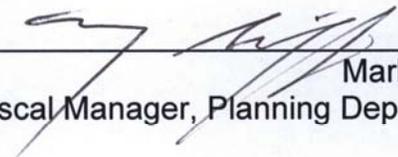

required by the Sacramento City Code, as set forth in Chapter 3.124, for annexation into an existing district.

Financial Considerations: This district is self-supporting and has no impact on the General Fund. The estimated budget for Fiscal Year (FY) 2008/09 is \$26,640. The total cost to the non-residential lots will be about \$6,600; the total cost to the residential lots will be about \$20,000 and the cost to each residential lot will be \$113.60 per year.

In subsequent years, the annual assessment may be adjusted for inflation, based on the change in the annual average of the Consumer Price Index. However, the annual increase shall not exceed 4%. The description of maintenance and services is detailed on Exhibit B, Page 8.

Emerging Small Business Development (ESBD): City Council approval of these proceedings is not affected by City policy related to the ESBD Program.

BACKGROUND

On October 21, 2003, the City Council approved formation of the Neighborhood Water Quality District No. 2003-03. By annexing to this district, the developer will mitigate the storm water quality issues for this subdivision. This district provides funding to maintain a water quality detention facility in this subdivision.

This annexation to the Neighborhood Water Quality District will include all residential and non-residential properties located in the Hampton Station Subdivision that are benefiting from the maintenance services as detailed on Exhibit B, Page 8. Petitions have been received by all of the property owners requesting that the City commence proceedings for annexing the territory to the district.

RESOLUTION NO.

Adopted by the Sacramento City Council

**INITIATING PROCEEDINGS TO ANNEX TERRITORY TO THE
NEIGHBORHOOD WATER QUALITY DISTRICT (ANNEXATION 4)**

BACKGROUND

- A. The City Council has previously formed the Neighborhood Water Quality District No. 2003-03 under Chapter 3.124 of the Sacramento City Code (Chapter 3.124).
- B. Buzz Oates Development L. P., a California Limited Partnership; The Marvin L. Oates Trust and Woodside Hampton Station, Inc., a California Corporation (Landowners), are the owners of the territory described in Exhibit A. Landowners have applied for a subdivision map covering this territory, and one of the conditions of approval for the subdivision map requires Landowners to annex the territory to the district. To fulfill this condition, Landowners presented to the City a petition requesting that the City commence proceedings for annexing the territory to the district in accordance with Chapter 3.124.
- C. The City has installed, constructed, or acquired within the territory described in Exhibit A, or will subsequently install, construct, or acquire, the public improvements generally described in Exhibit B. The City will also maintain and service these improvements in the manner generally described in Exhibit B. To finance the cost of providing the maintenance, and service of improvements, and as requested by Landowners, the City Council proposes to annex to the district the territory described in Exhibit A.
- D. The City Council is fully advised in this matter.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL
RESOLVES AS FOLLOWS:**

- Section 1. The City Council finds and determines that the Background statements A through D are true and correct.
- Section 2. The City Council accepts Landowners' petition requesting that the territory described in Exhibit A be annexed to the Neighborhood Water Quality District. The petition is on file with the City Clerk.
- Section 3. The City Council proposes to annex the territory described in Exhibit A to the Neighborhood Water Quality District in accordance with Chapter 3.124. The territory to be annexed will be designated as Annexation No. 4 to the Neighborhood Water Quality District.
- Section 4. Exhibit B generally describes the maintenance and service of improvements to be provided within the territory to be annexed.

- Section 5. The Development Engineering Manager of the Development Services Department is designated as the Engineer for purposes of (a) annexing to the district the territory described in Exhibit A; and (b) levying an assessment on assessable lots and parcels within the annexed territory to finance the maintenance and service of improvements generally described in Exhibit B, in accordance with article XIID of the California Constitution and Chapters 3.44 and 3.124 of the Sacramento City Code.
- Section 6. The Engineer is directed to prepare and file the following with the City Clerk: (a) a written Engineer's Report in accordance with section 4 in article XIID of the California Constitution and Section 3.124.110 of the Sacramento City Code, reflecting an assessment for the period of July 1, 2008, to June 30, 2009; and (b) a map of Annexation No. 4 to the Neighborhood Water Quality District, as required by Streets and Highways Code section 3110.
- Section 7. Exhibits A, B, and B-1 are part of this resolution.

To fulfill this condition, Landowners presented to the City a petition requesting that the City commence proceedings for annexing the territory to the district in accordance with Chapter 3.124.
- C. The City has installed, constructed, or acquired within the territory described in Exhibit A, or will subsequently install, construct, or acquire, the public improvements generally described in Exhibit B. The City will also maintain and service these improvements in the manner generally described in Exhibit B. To finance the cost of providing the maintenance and service of improvements, and as requested by Landowners, the City Council proposes to annex to the district the territory described in Exhibit A.
- D. By Resolution No. 2007-____, and in response to Landowners' petition, the City Council (1) initiated proceedings to annex to the district the territory described in Exhibit A; (2) designated the Development Engineering Manager of the Development Services Department to be the Engineer for purposes of the annexing the territory to the district and levying an assessment to finance the maintenance, and service of improvements generally described in Exhibit B; (3) directed the Engineer to prepare and file with the City Clerk a map of the territory to be annexed, as required by Streets and Highways Code section 3110; and (4) directed the Engineer to prepare and file with the City Clerk the Engineer's Report required by section 4 in article XIID of the California Constitution and Section 3.124.110 of the Sacramento City Code.
- E. As directed, the Engineer has prepared and filed with the City Clerk (1) a map entitled "Boundary Map Annexation #4 to the Neighborhood Water Quality District No. 2003-03" which shows the proposed boundaries of the territory to be annexed (the Boundary Map); and (2) an Engineer's Report prepared in accordance with section 4 in article XIID

of the California Constitution and Section 3.124.110 of the Sacramento City Code (the Engineer's Report). The City Clerk has presented the Boundary Map and the Engineer's Report to the City Council for consideration and the City Council has fully considered both the Boundary Map and the Engineer's Report.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds and determines that the background statements A through E are true and correct.
- Section 2. The City Council approves the Boundary Map, a copy of which is attached as Exhibit C, and directs the City Clerk to endorse on the Boundary Map a certificate evidencing the date and adoption of this resolution.
- Section 3. The City Council preliminarily approves the Engineer's Report.
- Section 4. Exhibits A, B, B-1, and C are part of this resolution.

INTENTION TO ANNEX TERRITORY TO THE NEIGHBORHOOD WATER QUALITY DISTRICT; TO ORDER THE PROVISION OF MAINTENANCE AND SERVICES OF IMPROVEMENTS WITHIN THE ANNEXED TERRITORY; AND TO LEVY AN ASSESSMENT WITHIN THE ANNEXED TERRITORY TO PAY FOR THE MAINTENANCE AND SERVICE OF IMPROVEMENTS (ANNEXATION 4)

BACKGROUND

- A. The City Council has previously formed the Neighborhood Water Quality District No. 2003-03 under Chapter 3.124 of the Sacramento City Code (Chapter 3.124).
- B. Buzz Oates Development L. P., a California Limited Partnership; The Marvin L. Oates Trust and Woodside Hampton Station, Inc., a California Corporation (Landowners), are the owners of the territory described in Exhibit A. Landowners have applied for a subdivision map covering this territory, and one of the conditions of approval for the subdivision map requires Landowners to annex the territory to the district. To fulfill this condition, Landowners presented to the City a petition requesting that the City commence proceedings for annexing the territory to the district in accordance with Chapter 3.124.
- C. The City has installed, constructed, or acquired within the territory described in Exhibit A, or will subsequently install, construct, or acquire, the public improvements generally described in Exhibit B. The City will also maintain and service these improvements in the manner generally described in Exhibit B. To finance the cost of providing the maintenance, and service of improvements, and as requested by Landowners, the City Council proposes to annex to the district the territory described in Exhibit A.
- D. By Resolution No. 2007-____, and in response to Landowners' petition, the City Council (1) initiated proceedings to annex to the district the territory described in Exhibit A; (2) designated the Development Engineering Manager of the Development Services Department to be the Engineer for purposes of the annexing the territory to the district and levying an assessment to finance the maintenance, and service of improvements generally described in Exhibit B; (3) directed the Engineer to prepare and file with the City Clerk a map of the territory to be annexed, as required by Streets and Highways Code section 3110; and (4) directed the Engineer to prepare and file with the City Clerk the Engineer's Report required by section 4 in article XIID of the California Constitution and Section 3.124.110 of the Sacramento City Code.

- E. As directed, the Engineer has prepared and filed with the City Clerk (1) a map entitled "Boundary Map Annexation #4 to the Neighborhood Water Quality District No. 2003-03" which shows the proposed boundaries of the territory to be annexed (the Boundary Map); and (2) an Engineer's Report prepared in accordance with section 4 in article XIID of the California Constitution and Section 3.124.110 of the Sacramento City Code (the Engineer's Report). The City Clerk presented the Boundary Map and the Engineer's Report to the City Council for consideration, and, after considering them, the City Council approved the Boundary Map and preliminarily approved the Engineer's Report by Resolution No. 2007-_____.
- F. The City Council finds and determines that providing the maintenance and service of improvements within the boundaries of the annexed territory, as shown on the Boundary Map filed with the City Clerk, is necessary, convenient, and desirable.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council finds and determines that the background statements A through F are true and correct.
- Section 2. The City Council declares (a) that it intends to annex the territory described in Exhibit A in accordance with Chapter 3.124; (b) that the boundaries of the annexed territory are described in section 3 below; (c) that the maintenance, and service of improvements to be provided are generally described in Exhibit B; (d) that all real property within the annexed territory will be specially benefited by the maintenance, and service of improvements unless the City Council finds and determines otherwise at the public hearing; and (e) that the City Council intends to pay for the maintenance, and service of improvements by levying annual assessments, in accordance with Chapters 3.44 and 3.124 of the Sacramento City Code and article XIID of the California Constitution, on all assessable lots and parcels within the annexed territory that are specially benefited by the maintenance, and service of improvements.
- Section 3. Annexation No. 4 to the Neighborhood Water Quality District includes all territory within the exterior boundaries shown on the Boundary Map that (a) was approved by Resolution No. 2007-_____; (b) is entitled "Boundary Map Annexation #4 to the Neighborhood Water Quality District No. 2003-03" and (c) is on file in the City Clerk's office. This map will govern for all details as to the extent of Annexation No. 4 to the Neighborhood Water Quality District.
- Section 4. The Engineer's Report on file in the City Clerk's office contains (a) a full and detailed description of the maintenance and service of improvements, including estimated costs; (b) the diagram for Annexation No. 4 to the Neighborhood Water Quality District; and (c) the proposed assessments upon assessable lots and parcels within the territory to be annexed.
- Section 5. The annual assessment described in the Engineer's Report may be increased for inflation. The amount of the increase may not exceed 4% a year and will be

computed using the prior-year annual average of the Consumer Price Index for the San Francisco-Oakland-San Jose area (All Urban Consumers) or a substitute index of a similar nature should that index be discontinued.

Section 6. A public hearing on the Engineer's Report and the proposed assessment on assessable lots and parcels within Annexation No. 4 to the Neighborhood Water Quality District will take place at:

2:00 p.m. on Tuesday, November 6, 2007, at the City Council's regular meeting place, the Council Chambers in the City Hall, 915 "I" Street, Sacramento, California.

Section 7. The City Clerk is directed to mail notice of the date, time, and place of the public hearing in accordance with Chapter 3.124 and Chapter 3.44 of the Sacramento City Code to all owners of real property located within the territory to be annexed. Each notice must also describe the assessment-ballot procedure required by article XIID of the California Constitution and include an assessment ballot. Mailing of the notices and ballots must be done in the time, form, and manner provided by law. Upon the completion of the mailing, the City Clerk is directed to file with the City Council an affidavit setting forth the time and manner of compliance with the legal requirements for mailing. The notice and assessment ballots must be in the forms set forth in Exhibit C.

Section 8. At the hearing, the City Council will (a) hear all protests against the proposed assessment from record owners of real property within the territory to be annexed; and (b) accept testimony from all interested persons, whether or not they own real property within the territory to be annexed. At the conclusion of the hearing, the City Clerk will tabulate the assessment ballots submitted and not withdrawn, weighting the ballots according to the proportional financial obligations of the affected properties. The assessment will not be imposed if the ballots submitted in opposition to the assessment exceed the ballots submitted in favor of it.

Section 9. The Development Engineer Manager or his designee is hereby designated to answer inquiries regarding the protest proceedings.

Section 10. Exhibits A, B, B-1, and C are part of this resolution.

Notice to Owners of Property within the Hampton Station Subdivision of a Public Hearing on a Proposed Assessment to pay for Maintaining, and Servicing Public Improvements. Summary of Procedures for Completing, Returning, and Tabulating Ballots for and against the Assessment.

BACKGROUND

On September 11, 2007, the City Council of the City of Sacramento adopted Resolution No. 2007-____ (the Resolution of Intention) declaring its intention, under Chapter 3.124 of the Sacramento City Code, to annex the Hampton Station Subdivision to an existing assessment district formally named the Neighborhood Water Quality District. The general location and boundaries of the territory to be annexed are shown in Attachment A-1 to this notice. Among other things, the Resolution of Intention:

- designated the territory proposed for annexation to the assessment district as “Annexation #4 to the Neighborhood Water Quality District No. 2003-03”;
- declared the City Council’s intention to order that the maintenance and service of improvements described in Attachment A to this notice be provided; and
- referred to the Engineer’s Report prepared by the Development Engineering Manager of the Development Services Department and filed with the City Clerk for detailed information on a proposed annual assessment on property within the annexed territory to pay for the maintenance and service of improvements (the Development Engineering Manager of the Development Services Department was previously designated as the Engineer for purposes of annexing the territory to the district and levying the assessment).

Any interested person may review the Resolution of Intention, the Engineer’s Report, and other materials pertinent to the proposed assessment at the City Clerk’s office, 915 “I” Street, Historic City Hall, Sacramento, California.

DATE, TIME, AND PLACE OF PUBLIC HEARING

At 2:00 p.m. on November 6, 2007, the City Council will hold a Public Hearing on the proposed assessment at the City Council’s regular meeting place: City Council Chambers, 1st Floor, 915 “I” Street, Sacramento, California.

At the Public Hearing, the City Council will hear all protests against the proposed assessment from record owners of property within the territory to be annexed. The City Council will also accept testimony from all interested persons, whether or not they own property within the territory to be annexed.

THE ASSESSMENT

The proposed assessment will be charged annually to the annexed territory so long as the improvements described in Attachment A require the maintenance and service described in Attachment A. The total amount of the proposed assessment to be charged to the district during fiscal year 2008/2009 will be **\$26,640.00**.

According to the official records of Sacramento County, you own the real property identified by Assessor's Parcel Number in Attachment B to this notice. Attachment B also shows the amount the City Council proposes to assess against your property during fiscal year 2008/2009.

In subsequent years, the assessment amounts shown above may be **increased for inflation at a rate not to exceed 4% a year**. Attachment C to this notice describes the basis on which the amount of the proposed assessment was calculated.

BALLOTS

As required by the California Constitution (article XIID, section 4), an assessment ballot has been enclosed with this notice, along with a self-addressed envelope for returning the ballot to the City Clerk. The owner or owners of any parcel within the annexed territory may use this ballot to express support for or opposition to the proposed assessment. The ballot must be returned by mail to the City Clerk's office (which may be done using the enclosed envelope *but requires the user to provide the required postage*), by personal delivery to the City Clerk's office, or by personal delivery at the Public Hearing. To be valid, the ballot must be received before the close of the Public Hearing. The address of the City Clerk's office is 915 "I" Street, Historic Building, Sacramento, California 95814.

Following the close of the Public Hearing, the City Clerk will open and tabulate all ballots that have been timely received and not rejected. Ballots will be rejected if they are not properly signed, were not timely received at the proper location, or are otherwise defective. The City Clerk will weight the ballots according to the proportional financial obligation of each affected parcel (using the maximum possible assessment for fiscal-year 2008-2009), and the results will be announced. The assessment will be imposed only if the total dollar amount submitted in favor or the assessment exceeds the total dollar amount submitted against it. The City Council may postpone the announcing of results if the City Clerk needs additional time to confirm that a ballot has been properly signed by an owner or an owner's authorized representative.

FOR FURTHER INFORMATION

For further particulars, you may refer to the Resolution of Intention and the Engineer's Report, both of which are on file with the City Clerk. Inquiries about the assessment proceedings will be answered by the Development Engineering Manager or his designee at 915 I Street, Sacramento, California 98514, telephone (916) 808-5419.

DESCRIPTION OF MAINTENANCE, AND SERVICE OF IMPROVEMENTS

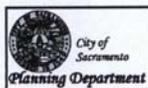

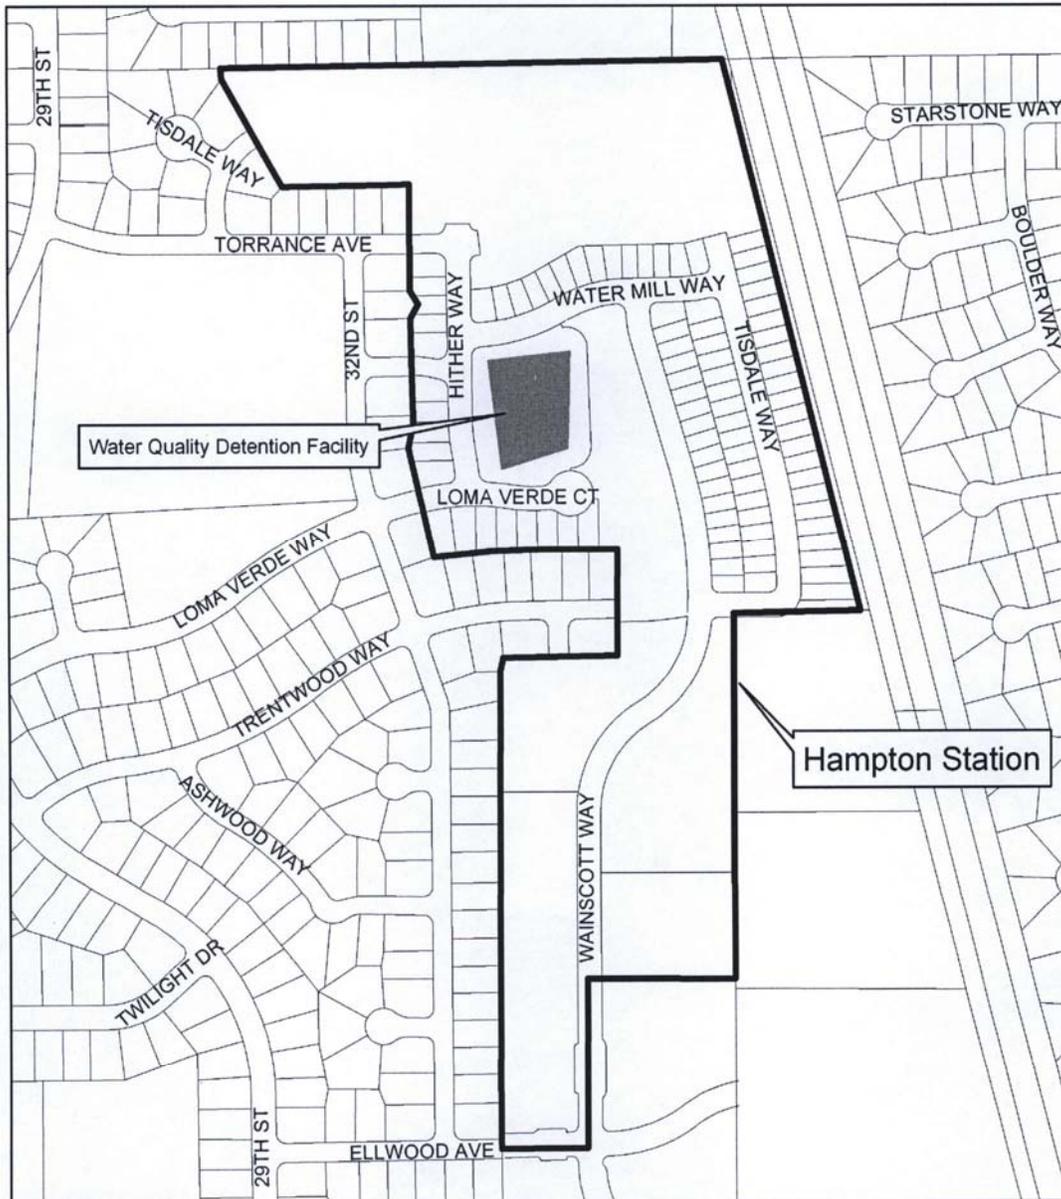

The Services to be provided within the subdivision entitled Hampton Station (lot A) the area to be annexed to the District are described as follows:

Furnish all tools, equipment, apparatus, facilities, labor, material, supplies and utilities necessary or desirable to maintain and service the landscaping, irrigation systems, drainage structures and water quality features as shown on Exhibit B-1, and more particularly described on plans and specifications approved by the City of Sacramento on file at the City of Sacramento, Development Services Department, 915 "I" Street, 3rd Floor, Sacramento, CA 95814.

The improvements to be maintained generally consist of landscaping, irrigation systems, drainage structures and water quality features for the maintenance areas within the subdivision identified on Exhibit B-1. Maintenance of said improvements shall include, but not be limited to, periodic mowing of grass and fertilizing, together with the regular furnishing of water for irrigation of all plant material, and the repair, maintenance, and replacement of irrigation systems, drainage structures, water quality features, planted materials, and amenities.

ASSESSMENT METHODOLOGY

The maintenance cost for landscaping, irrigation systems, drainage structures and water quality features and the cost for contract maintenance will be spread according to the following steps:

1. **Determining cost by land use acreage.** The total maintenance cost will be apportioned to both residential and non-residential areas, according to the acreage of each land use area. Except for Lot 98 of the subdivision map entitled "Hampton Station Unit No.1", recorded on July 13, 2007 at the Sacramento County in Book 370 of Maps, Map number 1. Only the acreage portion of this lot that is benefiting from the improvement maintenance work being described in this report will be included.
2. **Residential maintenance cost.** After determining the total cost for the residential area, based on the acreage of the residential area, the maintenance cost will now be spread to each residential unit equally. However, since the Remainder Parcel (Remainder) in the above recorded map of "Hampton Station Unit No. 1" has not been subdivided yet, the number of proposed units in the approved tentative map for the Remainder will be used to define the total number of residential units. The cost for each proposed unit in the Remainder will be totaled and billed to the Remainder. When the Remainder's subdivision map is approved, the cost for the Remainder will then be assessed equally to each subdivided residential unit within the Remainder.
3. **Non-residential maintenance cost.** After determining the total cost for the non-residential area, based on the acreage of the non-residential area, the maintenance cost will now be spread to each non-residential lot according to the acreage of each lot. Except for Lot 98 in the above recorded map of "Hampton Station Unit No. 1". Only the acreage portion of this lot that is benefiting from the improvement maintenance work being described in this report will be included.

The cost of all incidental expenses including preparation of the Engineer's Report, annexation documents (only if annexed that year), district administration and annual billing expenses will be spread equally to each residential unit and to each non-residential lot within the district. Since the Remainder has not been subdivided yet, the cost for each proposed unit in the Remainder will be totaled and billed to the Remainder. When the Remainder's subdivision map is approved, the cost for the Remainder will then be assessed equally to each subdivided residential unit within the Remainder.

The annual assessment may be increased for inflation. The amount of the increase may not exceed 4% a year and will be computed using the prior-year annual average of the Consumer Price Index for the San Francisco-Oakland-San Jose area (All Urban Consumers) or a substitute index of a similar nature should that index be discontinued.

ASSESSMENT BALLOT

This ballot is for the use of the property owner of the parcel identified below by assessment-parcel number. The parcel is located within the proposed Annexation No. 4 to City of Sacramento Neighborhood Water Quality District. Please advise the City Clerk as soon as possible at (916) 808-7200 if the name set forth below is incorrect.

This ballot may be used to express either support for or opposition to the proposed assessment in the Annexation No. 4. The assessment is described in an Engineer’s Report dated September 11, 2007, which is on file with the City Clerk and available for inspection at her office. To be counted, this ballot must be signed below by an owner of the identified parcel or, if the owner is not an individual, by an authorized representative of the owner. The ballot must then be returned to the City Clerk at the Sacramento Historic City Hall, City of Sacramento, 915 “I” Street, Sacramento, California 95814, either by mail or in person.

Delivery by Mail: Seal the ballot in the envelope provided, affix first-class postage, and place in the mail by Wednesday, October 31, 2007. Mailing later than this time creates a risk that the ballot may not be received in time to be counted.

Personal Delivery: Deliver to the City Clerk before 1:00 p.m. on November 6, 2007, at the City Clerk’s office, Sacramento Historic City Hall, City of Sacramento, 915 “I” Street, Sacramento, California. Or deliver to the City Clerk at the public hearing beginning at 2:00 p.m. on October 30, 2007, at the City Council Chambers, Sacramento City Hall, 1st Floor, 915 “I” Street, Sacramento, California.

THIS BALLOT MUST BE RECEIVED BY THE CITY CLERK BEFORE THE CLOSE OF THE PUBLIC HEARING TO BE COUNTED.
